Bill Description

The bill would designate marked trunk highway 58 within the city of Zumbrota as the Officer/Firefighter Gary L. Schroeder, Jr. Memorial Highway. MnDOT would design and erect the signs.

Assumptions

MnDOT assumes there would be a sign required in each direction or two signs total and that each sign would be 4' x 4' or 16 sq. ft.

Expenditure and/or Revenue Formula

Highway signs:

Fabrication cost of memorial highway sign: \$22/sq. ft. x 16 sq. ft. = \$352 per sign

Structural materials, equipment, and installation labor costs = \$1,490 per sign

Total cost per sign = \$352 + \$1,490 = \$1,842

Total cost = \$1,842 per sign x 2 signs = \$3,684

These costs would include equipment as well as MnDOT staff time for engineering, fabrication, and installation of the signs. Revenues equal to the amounts of the expenditures would be received in the revolving sign account in the trunk highway fund. There would be no net fiscal impact to MnDOT.

Long-Term Fiscal Considerations

There would be an ongoing cost for any needed maintenance and eventual replacement of the signs.
