Institute to Transform Child Protection

Dear ITCP,

We thank you for your vital work to transform the child protection system in Minnesota. On February 19, 2021, MSSA's Public Policy and Advocacy Committee voted in favor of supporting HF 1287/ SF XXXX, the child foster care licensing reform bill.

Minnesota Social Service Association (MSSA) looks forward to engaging our membership of over 3,200 health and human service professionals statewide to advance this important legislation at the Minnesota State Capitol.

Please let us know how we can engage our membership, as well as our knowledge, passion, skills and time to best assist you in this endeavor.

Sincerely,
