

## Listing of Bills in HF 2128, Fourth Engrossment – Health and Human Services Omnibus Finance Bill

### Article 1 – DHS Health Care Programs

| Section                    | Underlying Bill                                 | Author            | Description   |
|----------------------------|---|-------------------|---|
| 1-5                        | HF 1854, as amended                             | Bierman           | Exempts MA and MinnesotaCare from private sector insurance mandates   |
| 6, 14, 15, 28, 29, 31      | HF 2128, as amended                             | Liebling          | Nonemergency medical transportation – require DHS to contract for the administration of NEMT services under both MA fee-for-service and managed care and repeals the prohibition on using a broker or coordinator (§ 31), allows the use of competitive bidding (§ 15), and makes related changes.  |
| 7                          | HF 2128   | Liebling          | Allows the commissioner to participate in the development and operation of an encounter alerting service as part of a statewide health information exchange.  |
| 8, 32                      | HF 2128   | Liebling          | Allow DHS to use more than one base year to set inpatient hospital rates and federally qualified health center (FQHC) and rural health clinic rates.  |
| 9, 41, 42, 46, 60          | HF 1609, as amended                             | Liebling          | Establishes a directed payment arrangement for Hennepin County Medical Center that includes voluntary intergovernmental transfers and under which a uniform adjustment factor, based on the average commercial payer rate or another factor, is applied to claims submitted to health plans.  |
| 10                         | HF 2128 / HF 8                                  | Liebling          | HF 2128 --Clarifies the criteria for disproportionate share hospital payments. (The provision from HF 8 is described later.)  |
| 11                         | HF 2128   | Liebling          | Extends from 12 to 18 months the time period during which hospitals can appeal base year rate information.  |
| 12                         | HF 2128   | Liebling          | Includes tribal agencies as recipients of fraud prevention investigation grant funding.   |
| 13, 23, 48, 49, 57, 58, 63 | HF 2128 (modified)<br>HF 1918 (modified) – § 63 | Liebling<br>Reyer | Administration of MA dental services. § 13 and 23 require DHS to contract with a dental administrator beginning January 1, 2023, for MA fee-for-service and managed care and MinnesotaCare. § 48, 49, 57, and 58 sunset critical access dental and other rates. § 48 also sets rates beginning January 1, 2023, at the lower of submitted charges or 86 percent of the fifth percentile of 2018 charges, provides a 20 percent critical access dental add-on, and rebases rates every four years. § 63 requires DHS to present recommendations for a dental home pilot program. |
| 15, 33, 35                 | HF 1793   | Morrison          | Establishes an enhanced MA asthma benefit. § 15 allows competitive bidding for allergen reducing products. § 35 specifies coverage requirements.  |

| Section        | Underlying Bill              | Author             | Description   |
|----------------|------------------------------|--------------------|---|
| 16, 17, 19, 66 | HF 521, amended and modified | Morrison           | Extends MA coverage for pregnant women from 60 days to 12 months postpartum.  |
| 18             | HF 2128                      | Liebling           | Links the asset limit for qualified Medicare beneficiaries to the Medicare Part D low income subsidy asset limit, which is indexed annually and over time would exceed the asset limit in current law.  |
| 20, 21, 22     | HF 1854                      | Bierman            | Modifies the membership and operation of the DHS Health Services Advisory Council.  |
| 23             | HF 838                       | Bierman            | Expands MA adult dental coverage to include nonsurgical treatment for periodontal disease. (Section also amended by HF 2128; see § 13 description.)   |
| 24, 45         | HF 2128 / new provision      | Liebling           | HF 2128 (§ 24): Allows MA to provide a 90-day supply of cost-effective generic and other drugs on the DHS 90-day supply list.<br><br>New provision (§ 24 and 45): requires 340B covered entities and related pharmacies to report reimbursement from managed care plans and requires managed care plans to report their reimbursement to 340B entities.   |
| 25             | HF 1854                      | Bierman            | Removes the June 30, 2022, sunset for the DHS Formulary Committee.  |
| 26             | HF 894                       | Bernardy           | Provides MA coverage for weight loss drugs.   |
| 27             | New language                 |                    | Increases the MA dispensing fee to \$10.77; requires separate cost of dispensing measurement for specialty and nonspecialty drugs.  |
| 30             | HF 2128                      | Liebling           | Allows DHS to provide monthly public transit passes to persons requiring NEMT.  |
| 34             | HF 1854 / HF 2128            | Bierman / Liebling | HF 1854: specifies additional requirements related to the administration of early periodic screening, diagnosis, and treatment (EPSDT) services; HF 2128: allows DHS to contract for the administration of EPSDT outreach services.   |
| 36, 53         | HF 745                       | Hornstein          | Prohibits MA and MinnesotaCare copayments for drugs used to prevent or treat HIV.   |
| 37, 38, 39     | HF 1854                      | Bierman            | Expands the membership of the opioid prescribing work group and modifies the operation of the work group.   |
| 40             | HF 1854                      | Bierman            | Eliminates a requirement that DHS enroll qualified professionals who work for PCA agencies as individual providers.   |
| 10, 43, 47, 65 | HF 8, modified               | Liebling           | Prescription drug MA carve-out: § 43 directs DHS to exclude outpatient prescription drugs from MA managed care contracts effective January 1, 2023. § 10 increases the funding available for payment adjustments for hospitals providing high levels of high-cost drugs, and allows a children's hospital to be eligible for this payment adjustment. § 47 provides a rate increase for outpatient and other services for critical access hospitals providing high levels of high-cost or 340B drugs. § 65 requires DHS to study expanding the carve-out to include MinnesotaCare, and expanding the program to include persons with private sector coverage. |

| Section    | Underlying Bill                              | Author             | Description   |
|------------|--|--------------------|---|
| 44         | HF 1796, modified                            | Liebling           | Requires DHS to report to the legislature annually on managed care plan mean and median provider reimbursement rates for specified service categories.  |
| 50, 51     | HF 2136                                      | Richardson         | Clarifies the language related to a program providing integrated care for high-risk pregnant women (there are also riders increasing funding for this program).   |
| 52, 54, 55 | HF 2128                                      | Liebling           | Modifies the statutes governing MinnesotaCare eligibility determination procedures, to reflect federal denial of a state waiver request.  |
| 56         | HF 11, 2 <sup>nd</sup> engrossment           | Schultz            | Allows MinnesotaCare eligibility for persons who would otherwise be excluded due to the ACA "family glitch."  |
| 59         | New language                                 |                    | Requires the commissioner to adjust the MinnesotaCare premium schedule to ensure that premiums do not exceed the amount the individual would otherwise pay under benchmark coverage.  |
| 61         | New language                                 |                    | Requires DHS to take all actions necessary to maintain current MA and MinnesotaCare policies in the event the Supreme Court reverses the ACA, including seeking federal funding and using state funding.  |
| 62         | HF 11, 2 <sup>nd</sup> engrossment, modified | Schultz            | Requires DHS to report to the legislature on alternative methods of delivering care and paying providers under MA and MinnesotaCare.  |
| 64         | HF 1339, modified                            | Pinto              | Exempts payments made under the St. Paul guaranteed income demonstration project from being counted when determining eligibility for certain health and human services programs.  |
| 67         | HF 11, 2 <sup>nd</sup> engrossment, modified | Schultz            | Requires DHS to develop a proposal for a public option program and report to the legislature by December 15, 2021.  |
| 68         | HF 2128                                      | Liebling           | COVID-related provisions: directs the commissioner to not collect unpaid premiums for a coverage month during the federal public health emergency and to suspend periodic data matching for up to six months following the end of this emergency. Also suspends the annual report on periodic data matching for one year. |
| 69         | HF 1854                                      | Bierman            | Revisor instruction related to renaming of the Health Services Policy Committee.  |
| 70         | HF 1854 / HF 2128                            | Bierman / Liebling | Repealer. Repeals rules related to the EPSDT program (HF 1854). Repeals certain provisions related to NEMT -- advisory committee, single administrative structure, provisions applicable to managed care (HF 2128).   |

## Article 2 – DHS Licensing and Background Studies

| Section               | Underlying Bill     | Author   | Description  |
|-----------------------|---------------------|----------|--|
| 1-2, 7, 12-23, 27-35, | HF 2128, as amended | Liebling | Governor's Health Omnibus Finance bill – human services licensing and background studies modifications |

| Section                              | Underlying Bill   | Author    | Description   |
|--------------------------------------|---|-----------|---|
| 37, 39-43, 48, 51, 53, 60-61         |   |           |   |
| 3                                    | HF 61 (modified)  | Demuth    | Establishes an office of an ombudsperson for family child care providers  |
| 4, 49-50, 61                         | HF 1299, 1 <sup>st</sup> div. engross., with new language | Frederick | Repealing rules requiring county assessment of need for a new chemical dependency or rehabilitation program; adding requirement to notify county in writing and allowing county to submit statement of support or opposition. |
| 5-6, 9, 23-26, 36, 38, 44-47, 52, 55 | HF 1287 (SF 1558, 3 <sup>rd</sup> engrossment)            | Hollins   | Family foster setting background studies and licensing modifications  |
| 8, 10-11, 56-59                      | HF 2003 (modified)  | Wazlawik  | Provides policies that respond to recommendations from the Family Child Care Task Force   |
| 54                                   | HF 1036   | Wazlawik  | Directs DHS to contract with a consultant to examine and make recommendations for child care center licensing standards   |

### Article 3 – Health Department

| Section                    | Underlying Bill                  | Author   | Description   |
|----------------------------|----------------------------------|----------|---|
| 1, 2, 4                    | HF 2128, as amended              | Liebling | Governor’s e-health reduction initiative, eliminating certain reporting requirements and department duties related to e-health  |
| 3, 7-9                     | HF 2128, as amended              | Liebling | Governor’s initiative to eliminate state certification of health data intermediaries and modify health information exchange requirements  |
| 5, 6                       | HF 2121, as amended              | Huot     | Health Department housekeeping bill, modifying provisions governing electronic prescribing standards  |
| 10, 11, 107, 108 (portion) | HF 2121, as amended              | Huot     | Health Department housekeeping bill, elimination of Center for Health Care Purchasing Improvement but retaining some of the center’s duties for the commissioner  |
| 12                         | HF 57, as modified               | Elkins   | Requiring medical practices to make available to the public a list of current standard charges for items and services provided by the medical practice  |
| 13-15, 104                 | HF 59, as amended                | Elkins   | Allowing certain data from the all-payer claims database that is released or published to identify hospitals, clinics, and medical practices; directing the commissioner to develop recommendations to increase access to APCD data |
| 16                         | HF 2048                          | Jordan   | Change to source regarding estimates of a chemical’s carcinogenic potency used by commissioner of health to derive health risk limits for substances degrading groundwater  |
| 17-20, 99                  | HF 2113, as amended and modified | Morrison | COVID-19 vaccine distribution, equitable vaccine distribution, mobile vaccination program, vaccination data and reporting,  |

| Section                                    | Underlying Bill   | Author     | Description  |
|--|---|------------|--|
|  |   |            | additional member on COVID-19 Vaccine Allocation Advisory Group  |
| 21-28, 108 (portion)                       | HF 2121, as amended                                       | Huot       | Health Department housekeeping bill, modifications to resident reimbursement case mix classification statute for residents of nursing homes and boarding care homes  |
| 29-33                                      | HF 2128, as amended                                       | Liebling   | Governor's initiative, modifications to licensure fees for radioactive material or source or special nuclear material  |
| 34   | HF 2128, as amended                                       | Liebling   | Governor's initiative, increase in per-specimen fee for testing under the newborn screening program  |
| 35   | HF 660, 1 <sup>st</sup> engrossment, as amended           | Richardson | Dignity in pregnancy and childbirth, requiring hospitals with obstetric care and birth centers to provide continuing education on anti-racism and implicit bias and requiring the commissioner of health to perform certain duties related to midwife and doula care |
| 36   | HF1131  | Reyer      | Dentist added to membership of Rural Health Advisory Committee   |
| 37-39, 103                                 | HF 970, 1 <sup>st</sup> engrossment, as amended           | Vang       | Alcohol and drug counselors added to the health professional education loan forgiveness program; development of mental health cultural community continuing education grant program  |
| 40   | HF 2055   | Boldon     | General surgery programs added to programs eligible for grants under International Medical Graduate Primary Care Residency Grant Program   |
| 41, 42 (portion), 43 (portion), 44, 46, 91 | HF 162  | Fischer    | Issuance of certified birth records and state identification cards to homeless youth and fee waiver  |
| 42 (portion)                               | HF 2230/HF 1942   | Pinto      | Allows an entity administering a children's savings program to access to certain birth records otherwise classified as confidential to open an account in the program for the child  |
| 43 (portion)                               | HF 526  | Klevorn    | Changes to persons who may obtain a certified birth or death record  |
| 45   | HF 2128, as amended                                       | Liebling   | Governor's initiative, authorizing convenience fees and transaction fees to be charged for provision of vital records electronically or by telephone or the Internet   |
| 47, 48, 49 (portion), 50                   | HF 1529, 1 <sup>st</sup> division engrossment, as amended | Fischer    | Changes to hospital bed license transfer requirements after closure of a hospital; monitoring and enforcement of hospital construction moratorium exception conditions; hospital construction moratorium exception for mental health or SUD beds                     |
| 49 (portion)                               | HF 834, as modified                                       | Her        | Hospital construction moratorium exception for Regions Hospital  |
| 51, 52                                     | HF 1173, as amended                                       | Lippert    | Requiring notice to be provided before a hospital relocates or ceases to offer certain services; requiring a public hearing; establishing a right of first refusal for a local unit of government before a hospital is sold or closed                                |

| Section                                      | Underlying Bill  | Author        | Description   |
|--|--|---------------|---|
| 53-56, 93                                    | New language: HF 4013, 1 <sup>st</sup> engrossment (from 2020 session)     |               | Modifying requirements for lead risk assessments and lead orders  |
| 57   | HF 1953, as modified   | Schultz       | Modifying the definition of assisted living facility for the chapter governing assisted living facility licensure   |
| 58   | New language   |               | Specifying the hearing procedures used for appeals of assisted living facility contract terminations  |
| 59   | New language   |               | Modifying requirements for access to outdoor space for residents of assisted living facilities with dementia care   |
| 60   | HF 1197  | Bahner        | Grants for home visiting programs for pregnant women and families with young children   |
| 61-64, 92                                    | HF 2121, as amended  | Huot          | Health Department housekeeping bill, changes to WIC statutes, including authorizing issuance of food benefits three times per month instead of bimonthly  |

| 67-73, 101                                   | HF 1023, 1 <sup>st</sup> engrossment; HF 675, as amended; plus new section | Gomez; Munson | Rescheduling marijuana and nonsynthetic tetrahydrocannabinols from Schedule I to Schedule II on the state controlled substances schedule  |
| 74, 76, 81, 82, 84, 85, 86, (portion), 87-89 | HF 1413, as amended  | Edelson       | Modifications to medical cannabis program: allowing manufacturers to acquire hemp products, modifying pharmacist consultation requirements, allowing distribution to persons in motor vehicles, modifying requirements for registered designated caregivers |
| 75, 78, 80, 86 (portion)                     | HF 813, as modified  | Edelson       | Modifications to medical cannabis program: allowing patients age 21 and older to combust medical cannabis in dried raw cannabis form  |
| 77, 79, 83 (portion), 90                     | New language   |               | Commissioner of health evaluation and recognition of tribal medical cannabis programs that meet or exceed standards of the state medical cannabis program   |
| 83 (portion)                                 | HF 907   | Gomez         | Modifications to medical cannabis program: allowing patients whose program enrollments have been revoked for certain violations to reapply for enrollment after 12 months   |
| 94-97  | HF 2128, as amended  | Liebling      | Governor's initiative expanding application of asbestos-related work standards to single-family residences and buildings with 4 or fewer units; increasing asbestos licensing, certification, and permit fees   |

| Section | Underlying Bill                    | Author  | Description   |
|---------|------------------------------------|---------|---|
| 98      | New language (HF 1810 as modified) | Schultz | Corrects a cross-reference in a subdivision governing conversion from housing with services establishment registration to assisted living facility license                        |
| 100     | New language                       |         | Allows the commissioner of health to contract for a review of measures to prevent and control the spread of COVID-19  |
| 102     | New language                       |         | Directs the Legislative Audit Commission to consider requesting legislative auditor evaluation of patient discharges from hospitals to nursing homes during the COVID-19 pandemic |
| 105     | HF 1419, as amended                | Hassan  | Skin lightening products public awareness and education grant program   |
| 106     | HF 1531                            | Lee     | Trauma-informed gun violence reduction pilot project  |

#### Article 4 – Health-Related Licensing Boards

| Section | Underlying Bill                             | Author   | Description  |
|---------|---|----------|--|
| 1-9, 11 | HF 970, 1 <sup>st</sup> engross, as amended | Vang     | Mental health workforce and professional cultural competency provisions; mental health professional licensing board composition and training.                            |
| 10      | HF 568                                      | Mekeland | Allowing persons certified by the Emergency Medical Services Regulatory Board to provide emergency care to police dogs without a license to practice veterinary medicine |

#### Article 5 – Prescription Drugs

| Section    | Underlying Bill  | Author     | Description   |
|------------|--|------------|---|
| 1-6, 13-14 | HF 1183, 2 <sup>nd</sup> engrossment                       | Stephenson | Prohibits drug manufacturers from imposing excessive price increases on generic or off-patent drugs, and from withdrawing a drug to avoid this prohibition; requires state agencies to notify the manufacturer, the attorney general, and the board of pharmacy of excessive price increases; allows the attorney general to take action against violations and also makes violations grounds for disciplinary action by the Board of Pharmacy. |
| 7          | HF 633, 1 <sup>st</sup> engrossment                        | Bierman    | Requires health carriers to offer 25 percent of their individual and small group plans with a pre-deductible, flat dollar copay for drugs.  |
| 8, 20      | New language: HF 1257, 1st engrossment (from 2020 session) | Cantrell   | Requires health plan companies to make their formularies available 30 days before annual renewal dates; limits the extent to which drugs can be removed from the formulary during a contract term and provides that changes that increase an enrollee's cost do not apply for the duration of the contract term. Requires DHS managed care and county-based purchasing plans to comply with these requirements. Exempts SEGIP coverage.         |

| Section       | Underlying Bill                | Author  | Description   |
|---------------|--------------------------------|---------|---|
| 9, 11, 12, 21 | HF 1516, as amended – modified | Schultz | Limits the extent to which a PBM or health carrier can give preferential treatment to a single biological product. If a PBM or health carrier does this, it must also provide equivalent coverage to reference, biosimilar, or interchangeable biological products with a wholesale acquisition cost that is less than the single product. Requires the commissioner of health to study the effect of these requirements on the net price of biological products and report to the legislature. |
| 10            | HF 1576                        | Bahner  | Prohibits a PBM or health carrier from prohibiting a pharmacy from discussing drug acquisition cost and reimbursement information with a patient; also prohibits a PBM from prohibiting a pharmacy from discussing reimbursement information with a health carrier.   |
| 15, 23        | HF 1158                        | Acomb   | Requires mail order or specialty pharmacies to comply with manufacturer temperature requirements when mailing a drug to a patient, and develop policies and procedures consistent with national standards. § 23 requires the Board of Pharmacy to report to the legislature on requiring in each package a method of detecting improper storage or temperature violations.  |
| 16-19         | HF 1499                        | Fischer | Makes changes in the operation of the drug repository program, including allowing donation of over-the-counter drugs and allowing the sharing of inventories with other state drug donation programs.   |

## Article 6 – Health Insurance

| Section                   | Underlying Bill                                  | Author   | Description  |
|---------------------------|--|----------|--|
| 1-2, 5-11, 13, 15, 16, 18 | HF 1002, 1 <sup>st</sup> engrossment, as amended | Schultz  | Codifying certain provisions of the Affordable Care Act, removing certain references to the ACA from statute |
| 3, 4                      | HF 970, 1 <sup>st</sup> engrossment, as amended  | Vang     | Health insurance policy coverage of treatment and services provided by a clinical trainee                    |
| 12                        | HF 669   | Morrison | Timely provider credentialing by health plan companies   |
| 14, 17                    | HF 648, 1 <sup>st</sup> engrossment              | Koegel   | Prohibiting lifetime and annual limits on screening or urinalysis testing for opioids                        |

## Article 7 – Telehealth

| Section | Underlying Bill                                     | Author   | Description   |
|---------|---|----------|---|
| 1       | HF 1412 1 <sup>st</sup> engrossment, with committee | Morrison | Adds additional requirements for coverage of telehealth by private sector insurers. These include: changing terminology to use the term telehealth; allowing additional providers to be reimbursed for telehealth services, providing a definition of telehealth which includes audio-only communication, prohibiting telehealth only |

| Section         | Underlying Bill        | Author    | Description   |
|-----------------|------------------------|-----------|---|
|                 | amendments, modified   |           | networks, and adding additional requirements related to parity in coverage and reimbursement between telehealth and in-person services. Also requires coverage of telemonitoring services.  |
| 2               | HF 1412, as above      | Morrison  | Changes terminology and definitions related to telehealth in the Board of Medical Practice statutes.  |
| 3               | HF 1412, as above      | Morrison  | Changes terminology related to the use of telehealth for prescribers of certain drugs and makes other changes.  |
| 4-8             | HF 1412, as above      | Morrison  | Makes conforming and other changes related to telehealth in language governing substance use disorder programs and treatment for alcohol and drug abuse.  |
| 9, 13-14, 20-21 | HF 1822, as amended    | Wolgamott | Allows targeted case management to be provided through interactive video, and specifies criteria for the use of interactive video.  |
| 10              | HF 1412, as above      | Morrison  | Modifies MA coverage of telehealth services, to be consistent with changes made in private insurance coverage. Also eliminates the three visit per week limit, expands the provider types that can provide telehealth services, and allows coverage of audio-only communication between a provider and patient. |
| 11              | HF 1412, as above      | Morrison  | Provides MA coverage for telemonitoring services.   |
| 12              | HF 1412, as above      | Morrison  | Allows medication therapy management under MA to be provided by telehealth.   |
| 15              | HF 1412, as above      | Morrison  | Allows the use of telehealth, rather than interactive video, in a section dealing with mental health telehealth.  |
| 16-19, 22       | HF 1822                | Wolgamott | Makes various changes in the use of telehealth for long-term care consultation assessments and specifies criteria for remote assessments.   |
| 23-24           | HF 1822                | Wolgamott | Modifies county duties and requirements related to the MFIP program and telehealth.   |
| 26              | HF 1412, as above      | Morrison  | Requires MDH to study the impact of telehealth payment methods and telehealth expansion under this act on the coverage and provision of health care services in public programs and private insurance, and report to the legislature by February 15, 2023.  |
| 27              | HF 1412 (new language) |           | Provides that sections 1 to 15, 20, and 21 expire July 1, 2023.   |
| 28              | HF 1412, as above      | Morrison  | Revisor's instruction related to the change in terminology from "telemedicine" to "telehealth."   |
| 29              | HF 1412, as above      | Morrison  | Repeals the current law governing the coverage of telemedicine by private sector health insurers and certain provisions related to mental health case management; reinstates these provisions July 1, 2023.   |

## Article 8 – Economic Supports

| Section  | Underlying Bill     | Author     | Description   |
|--|---------------------|------------|---|
| 1 to 3, 10, 12 to 14, 16, 17, 19, 20, 24, 25, 29, 30, 34 to 36, 38 to 41, and 45, para (b) | HF 2127, as amended | Schultz    | Governor’s Human Services Omnibus Finance bill – economic assistance cash program uniformity<br><br>Sections 19, 24, 35, and 38 also contain language related to the governor’s proposal to clarify public assistance statutes<br><br>Section 38 also contains language related to the governor’s proposal to exempt high school students UI benefits from income determinations for economic assistance programs |
| 4 to 8, and 45, para (a)   | HF 2127, as amended | Schultz    | Governor’s Human Services Omnibus Finance bill – aligning SNAP employment and training policy with federal law  |
| 9  | HF 611              | Noor       | Increasing the SNAP gross income eligibility level  |
| 11   | HF 2127, as amended | Schultz    | Governor’s Human Services Omnibus Finance bill – allowing tribal governments to access food shelf funding   |
| 15, 18, 21, 26 to 28, 32, 33, 37, and 45, para (a)   | HF 2127, as amended | Schultz    | Governor’s Human Services Omnibus Finance bill – clarifying public assistance statutes  |
| 22   | HF 2127, as amended | Schultz    | Governor’s Human Services Omnibus Finance bill – MFIP cost of living adjustment   |
| 23   | HF 713              | Stephenson | MFIP household report forms   |
| 31   | HF 2127, as amended | Schultz    | Governor’s Human Services Omnibus Finance bill – allowing tribal governments administering MFIP to access the MFIP consolidated fund  |
| 42   | HF 2127, as amended | Schultz    | Governor’s Human Services Omnibus Finance bill – returning from COVID emergency measures  |
| 43   | HF 1382             | Koegel     | Long-term homelessness supportive services report   |
| 44   | HF 294              | Noor       | 2022 report to legislature on runaway and homeless youth (modified version)   |

## Article 9 – Child Care Assistance

| Section | Underlying Bill     | Author | Description   |
|---------|---------------------|--------|---|
| 1-2     | HF 1467             | Pryor  | Reprioritizes the basic sliding fee child care assistance waiting list and modifies the allocation formula for basic sliding fee payments to counties |
| 3, 8    | HF 2230, as amended | Pinto  | Governor’s proposals – modifies how income is calculated for child care assistance and limits retroactive child care assistance payments to providers |

| Section      | Underlying Bill                     | Author | Description  |
|--------------|-------------------------------------|--------|--|
| 4-5, 8-9, 11 | HF 1466 1 <sup>st</sup> engrossment | Pryor  | Governor's proposals – changes to the child care assistance program  |
| 6            | New language                        |        | Increases the maximum child care assistance rate paid to all providers   |
| 7            | New language                        |        | Increases the maximum child care assistance rate for legal, nonlicensed child care providers                       |
| 10           | New language                        |        | Provides that child care development grants may be used to provide business training and consultation to providers |

## Article 10 – Child Protection

| Section | Underlying Bill     | Author  | Description  |
|---------|---------------------|---------|--|
| 1-4     | HF 2127, as amended | Schultz | Governor's Human Services Omnibus Finance bill – Northstar Care for Children federal compliance  |
| 5-20    | HF 1943             | Pinto   | Adds a noncaregiver sex trafficking assessment to the possible responses to a report of child maltreatment; adds sex trafficking to child protection statutes; makes clarifying changes. |

## Article 11 – Child Protection Policy

| Section            | Underlying Bill                               | Author      | Description  |
|--------------------|---|-------------|--|
| 1-12, 14-32, 37-38 | HF 1340, 2 <sup>nd</sup> engross., as amended | Noor        | DHS Policy Bill – Family First Prevention Services Act Updates; modifying statutes related to child placement in qualified residential treatment programs, transitions to adulthood, and voluntary foster care for treatment; creates certification for qualified residential treatment and other children's residential settings. |
| 13                 | HF 947, 1 <sup>st</sup> engross. (sec. 6)     | Pinto       | Amending definition of “child in need of protection or services” to include children who commit a juvenile petty offense or delinquent act before becoming 13 years old, increased from 10 years old.  |
| 33                 | HF 310, 1 <sup>st</sup> engross.              | Becker-Finn | Expanding persons required to report known or suspected child maltreatment   |
| 34                 | HF 1202                                       | Wolgamott   | Allowing face-to-face contact in response to a report alleging sexual abuse or substantial child endangerment to be postponed for up to five calendar days, under specified circumstances.   |
| 35                 | HF 1026, as amended                           | Morrison    | Removes prenatal substance use reporting requirement for certain professionals providing prenatal, postpartum, and other health care services  |
| 36                 | HF 60, as amended (DE1)                       | Koegel      | Parent notification of contested case hearing for appeal of maltreatment determination; parent right to file written statement and to attend and participate.  |

| Section | Underlying Bill | Author | Description  |
|---------|-----------------|--------|--|
| 39      | New language    |        | Instructing revisor to add headnote in chapter 260C. |

## Article 12 – Behavioral Health

| Section          | Underlying Bill  | Author     | Description   |
|------------------|--|------------|---|
| 1                | New language   |            | Opioid Stewardship fund settlement sources clarification  |
| 2, 7-8, 32       | HF 970, 1 <sup>st</sup> engross, as amended              | Vang       | Mental health workforce and professional cultural competency provisions; establishing the Culturally Informed and Culturally Responsive Mental Health Task Force.   |
| 3-6, 33, 41      | HF 944, 1 <sup>st</sup> div. engross., with new language | Hanson, J. | Children’s psychiatric residential treatment facility placements.   |
| 9-11, 21, 40, 41 | HF 1390, 1 <sup>st</sup> engross.                        | Bierman    | Certified community behavioral health clinic provisions modified  |
| 12-15, 34        | HF 722, 1 <sup>st</sup> div. engross., as amended        | Thompson   | Culturally specific or culturally responsive and disability responsive substance use disorder treatment program provider rate increase.                             |
| 14               | HF 2127, as amended                                      | Schultz    | Governor’s Human Services Omnibus Finance bill – certain substance use disorder treatment enhanced rates modified or eliminated.                                    |
| 16               | New language   |            | Requiring the commissioner of human services to establish a substance use disorder community of practice.   |
| 17-19, 35        | HF 2127, as amended                                      | Schultz    | Governor’s Human Services Omnibus Finance bill – Opiate Epidemic Response Advisory Council and fund modifications   |
| 20               | HF 1305  | Rasmusson  | Per diem rate for crisis stabilization services provided to MA enrollees, for providers serving no more than 4 residents.   |
| 22, 28-30, 41    | HF 2127, as amended                                      | Schultz    | Governor’s Human Services Omnibus Finance bill – mental health case management payment; targeted case management services; MA reimbursement.                        |
| 23-27            | HF 2127, as amended                                      | Schultz    | Governor’s Human Services Omnibus Finance bill – SUD treatment program enrollment in federal demonstration project requirements; related provisions from amendment. |
| 31               | New language   |            | Requiring the commissioner of human services to ensure continued funding for certain regions when reforming the adult mental health initiative funding formula.     |
| 36               | HF 287, 1 <sup>st</sup> div. engross., as amended        | Edelson    | Sober housing program recommendations   |
| 37               | HF 2116, 1 <sup>st</sup> div. engross.                   | Frederick  | SUD treatment paperwork reduction   |

| Section | Underlying Bill | Author | Description   |
|---------|-----------------|--------|---|
| 38      | New language    |        | Directing the commissioner of human services to consult with tribal nations to develop protocols related to future overpayments involving tribal nations. |
| 39      | New language    |        | SUD treatment rate restructure analysis   |

### Article 13 – Direct Care and Treatment

| Section | Underlying Bill     | Author  | Description  |
|---------|---------------------|---------|--|
| 1       | HF 2127, as amended | Schultz | Governor’s Human Services Omnibus Finance bill – county payments for cost of care at state-operated community-based behavioral health hospitals apply to care for adults and children. |

### Article 14 – Disability Services and Continuing Care for Older Adults

| Section                                 | Underlying Bill     | Author     | Description  |
|---|---------------------|------------|--|
| 1                                       | HF 2127, as amended | Schultz    | Governor’s Human Services Omnibus Finance bill – nursing facility reassessments and consumer improvements  |
| 2, 21, 23, and 39                       | HF 2127, as amended | Schultz    | Governor’s Human Services Omnibus Finance bill – acuity based customized living rates and closing the corporate foster care moratorium loophole  |
| 3, 37, 40, and 45, para (c)             | New language        |            | Modifies the definition of “long-term care facility” to conform to proposed changes in customized living services, establishes requirements for providers of customized living services in designated settings, requires a report, and repeals obsolete language |
| 4 to 7, 28 to 30, and 35                | HF 663              | Lippert    | PCA/CFSS program integrity and rate reform (modified version)  |
| 8                                       | 1102                | Hanson, J. | HCBS assessment requirements modified for people temporarily entering an inpatient health care facility  |
| 9 to 11, 18 to 20, 44, and 45, para (b) | HF 2127, as amended | Schultz    | Governor’s Human Services Omnibus Finance bill – waiver reimagine phase II   |
| 12 to 15 and 45, para (a)               | HF 2127, as amended | Schultz    | Governor’s Human Services Omnibus Finance bill – realigning disability grants (modified version)   |
| 16 and 17                               | HF 1754, sec. 6     | Frederick  | Continuing Care Technical Bill (modified)  |
| 22, 24 to 26                            | HF 2127, as amended | Schultz    | Governor’s Human Services Omnibus Finance bill – DWRS rate reform for remote service provisions  |

| Section            | Underlying Bill     | Author    | Description  |
|--------------------|---------------------|-----------|--|
| 22, 23, 27, and 36 | HF 2127, as amended | Schultz   | Governor's Human Services Omnibus Finance bill – family foster care rate tiers, customized living program integrity, obsolete grants |
| 31                 | HF 780              | Reyer     | Housing support bed moratorium modifications   |
| 32 and 34          | HF 2127, as amended | Schultz   | Governor's Human Services Omnibus Finance bill – allowing tribes to access cost-neutral housing support allocations                  |
| 33                 | HF 1822, sec. 11    | Wolgamott | Making certain temporary COVID-19 program modifications permanent  |
| 38 and 43          | HF 2127, as amended | Schultz   | Governor's Human Services Omnibus Finance bill – Self-directed workforce contract ratification and rate increases                    |
| 41                 | New language        |           | Governor's council on an age-friendly Minnesota  |
| 42                 | HF 1159             | Acomb     | PCA compensation for services provided by a parent or spouse (modified version)  |

### Article 15 – Community Supports Policy

| Section | Underlying Bill        | Author    | Description   |
|---------|------------------------|-----------|---|
| 1       | HF 1532, sec. 57       | Frederick | DHS Community Supports Policy bill – clarifying change to intensive rehabilitative mental health services |
| 2 to 26 | HF 1532, sec. 59 to 83 | Frederick | DHS Community Supports Policy bill – updates to the statutes governing CFSS                               |

### Article 16 – Miscellaneous

| Section   | Underlying Bill                    | Author   | Description  |
|-----------|------------------------------------|----------|--|
| 1-2, 9-15 | HF 1273 (modified)                 | Keeler   | Creating a separate Office of the Ombudsperson for American Indian Families; making corresponding changes to related ombudsperson for families statutes and funding.   |
| 3-5, 20   | HF 260 1 <sup>st</sup> engrossment | Wazlawik | Establishes in statute the REETAIN grant program to provide competitive grants to child care providers to incentivize them to remain in the workforce and makes changes to the TEACH grant program, which is a program that provides scholarships and education incentives to individuals in the early care and education workforce. |
| 6-7       | New language                       |          | Reverse auction process permitted for MDH and DHS competitive bidding.   |
| 8         | HF 388, as amended (DE1)           | Noor     | Cultural and Ethnic Communities Leadership Council modifications and extension.  |

| Section | Underlying Bill                     | Author          | Description  |
|---------|-------------------------------------|-----------------|--|
| 16      | HF 668 (modified)                   | Wazlawik        | Establishes a competitive grant program to enable child care providers to offer care to children with disabilities alongside children without disabilities |
| 17      | New language                        |                 | Provides a policy that responds to a recommendation from the Family Child Care Task Force  |
| 18      | HF 2230 1 <sup>st</sup> engrossment | Pinto           | Direction to Children's Cabinet to evaluate the use of federal money for early care and education.   |
| 19      | HF 910, as amended                  | Kotzya-Witthuhn | Directs DHS to report on foster children's participation in early care and education programs  |

### Article 17 – Mental Health Uniform Service Standards
