

We are nearing 10 years of knowing each other, so I thought writing a thank you card is the least I could do. You have been there for a significant part of my life, and made my life better because of it.

I'm not sure how or who I'd be without you. All the time and money you've spent on me is crazy, you are the most kind and generous person I've ever known. I am super lucky for having you in my life and if I grow up to be anything like you, my life would be a mess, so thank you. - Dawn
