## Camp Bliss Veterans Retreats

## Independent Lifestyles and Camp Bliss

Camp Bliss is part of Independent Lifestyles, Inc., a non-profit organization committed to maximizing independence for Veterans and people with disabilities. Founded in 1997, we have provided services to thousands of people throughout Central Minnesota and beyond.

Retreats are available to Veterans and people with disabilities, while others are open to the general public. The public retreats and private rentals help us offset the cost of providing retreats for Veterans and people with disabilities at low or no cost.

For more information on Independent Lifestyles (ILICIL) and Camp Bliss, go to our websites.

## Veterans Testimonials

"It was the best thing we could have done, he realized he's not alone, there are others, and we share a common bond." ~Chris

"I have been through the struggle post-military and I know how it feels to be hopeless, this retreat is a place for veterans to be with other veterans that have similar experiences so that together we can restore hope within us." ~Thomas

"I feel so strong and empowered after this event, I really needed to hear the words and participate in activities with others who just get it, so awesome!" ~Anonymous
