

**Subject** Thermal energy networks designated as public improvements and waterworks

**Authors** Kraft and others

**Analyst** Chelsea Griffin

**Date** March 23, 2026

## Overview

This bill adds thermal energy networks to two statutes authorizing the financing of certain public projects.

## Summary

Section	Description
---------	-------------

- |   |  |
|---|--|
| 1 | <b>Improvements authorized.</b><br>Adds the construction, reconstruction, extension, and maintenance of thermal energy networks to the list of improvements a municipality may fund through special assessments. |
| 2 | <b>Definitions.</b><br>Adds “thermal energy networks” to the definition of “waterworks” under the statute authorizing certain improvements and the financing thereof by municipalities for certain facilities.   |
