

1.1 moves to amend H.F. No. 3763, the delete everything amendment
1.2 (H3763DE1), as follows:

1.3 Page 58, after line 7, insert:

1.4 "Sec. 36. Minnesota Statutes 2023 Supplement, section 35.155, subdivision 12, is amended
1.5 to read:

1.6 Subd. 12. **Importation.** (a) A person must not import live Cervidae into the state from
1.7 a state or province where chronic wasting disease has been detected in the farmed or wild
1.8 cervid population in the last five years unless the animal has tested not detected for chronic
1.9 wasting disease with a validated live-animal test.

1.10 (b) Live Cervidae or Cervidae semen must originate from a herd that has been subject
1.11 to a state-, federal-, or provincial-approved chronic wasting disease herd certification program
1.12 and that has reached a status equivalent to the highest certification.

1.13 (c) Cervidae imported in violation of this section may be seized and destroyed by the
1.14 commissioner of natural resources.

1.15 (d) This subdivision does not apply to the interstate transfer of animals between two
1.16 facilities accredited by the Association of Zoos and Aquariums.

1.17 (e) Notwithstanding this subdivision, the commissioner of natural resources may issue
1.18 a permit allowing the importation of orphaned wild cervid species that are not susceptible
1.19 to chronic wasting disease from another state to an Association of Zoos and Aquariums
1.20 accredited institution in Minnesota following a joint risk-based assessment conducted by
1.21 the commissioner and the institution.

1.22 (f) Notwithstanding this subdivision, the state veterinarian may issue a permit to a zoo
1.23 that is a United States Department of Agriculture-licensed exhibitor of regulated animals
1.24 to import live Cervidae from another state if the Cervidae are part of a herd that is (1) in

- 2.1 the United States Department of Agriculture Herd Certification Program, or (2) subject to
- 2.2 equivalent or similar disease surveillance at the discretion of the state veterinarian."
- 2.3 Renumber the sections in sequence and correct the internal references
- 2.4 Amend the title accordingly
