

Subject Housing infrastructure bonds authorized

Authors Howard; Rehrauer

Analyst Chelsea Griffin

Date April 9, 2026

Overview

This bill authorizes the issuance of an additional \$200,000,000 of housing infrastructure bonds, and appropriates the amount necessary from the general fund to pay for debt service on such bonds.

All sections are effective the day following final enactment.

Summary

Section	Description
1	Additional authorization. Authorizes the issuance of up to \$200,000,000 of housing infrastructure bonds, in addition to prior authorizations for such bonds.
2	Additional appropriation. Authorizes the amount necessary from the general fund to pay for debt service on the \$200,000,000 authorization of housing infrastructure bonds.
