1.14 the memorandum is required to be posted.

1.15 (b) A licensed child care center must have at least one video security camera in each
1.16 room designated for infants or toddlers. The camera must be positioned to provide maximum
1.17 visibility of the room. If one camera is not sufficient to view at least 80 percent of the square
1.18 footage of the room, the center must place an additional camera or cameras in the room to
1.19 achieve maximum visibility of the room.

1.20 (c) A licensed child care center must have a sufficient number of video security cameras
1.21 to provide visibility of all the facility's outdoor recreational equipment used by infants or
1.22 toddlers and at least 80 percent of the square footage of the facility's fenced-in outdoor space
1.23 used by infants or toddlers.

1.24 (d) The video security cameras must:

- 2.1 (1) be turned on and recording at all times the licensed child care center is in operation;
2.2 (2) record and display the accurate date and time;
2.3 (3) have a display resolution of 720p or higher; and
2.4 (4) have a frames per second rate of 15 or higher.

2.5 (e) A licensed child care center is exempt from having cameras that meet the requirements
2.6 under paragraph (d), clauses (2), (3), and (4), if the center has cameras as required in
2.7 paragraphs (b) and (c) prior to July 1, 2025."
