RE: Letter of Support for the Proposed Annexation of Stony Point Area

Madam Chair,

The Itasca County Board of Commissioners is in full support of the proposed annexation of the Stony Point area described as: Government Lot 1, Section 12, Township 54 North, Range 26 West of the Fourth Principal Meridian.

As CR 485 loops north easterly and reenters Harris Township only to terminate at a dead end, and as approximately 60% of CR 485 lies within Harris Township with the remaining 40% in the organized township, the annexation of the Stony Point area described above is in the best interest of not only Harris Township but the public as well.

Thank you for the opportunity for input.

Respectfully,
