Overview

This bill contains fiscal year 2021 appropriations from the outdoor heritage fund as well as extensions of appropriations made from the other three legacy funds and other adjustments.

Article 1: Outdoor Heritage Fund

This article contains appropriations totaling \$117,915,000 from the outdoor heritage fund (OHF) based upon recommendations made by the Lessard-Sams Outdoor Heritage Council (LSOHC). The LSOHC is a 12-member council made up of four legislators and eight citizens tasked with making annual recommendations to the legislature on how to spend money in the OHF. The OHF is one of four funds established by the “Legacy” amendment which raised the state’s sales tax 3/8 of one percent and dedicated the receipts. The OHF receives 33 percent of those receipts and the money may be spent only “to restore, protect, and enhance wetlands, prairies, forests, and habitat for fish, game, and wildlife.”
