

1.1 moves to amend H.F. No. 1591, the delete everything amendment
1.2 (H1591DE1), as follows:

1.3 Page 42, after line 17, insert:

1.4 "(r) A nonpublic school student who transfers into a public school is subject only to
1.5 the testing requirements under this subdivision specifically applicable to those grades in
1.6 which the student is enrolled in the public school. For an out-of-state student transferring
1.7 into a Minnesota school district or charter school, the district or charter school must
1.8 administer statewide assessments to the student only to the extent the student did not take
1.9 comparable assessments in another state as determined by the district or school."
