

**Subject** Sensory Accessibility Accommodations

**Authors** Freiberg and others

**Analyst** Matt Gehring

**Date** February 26, 2020

## **Summary**

This bill provides grants to fund public building modifications that provide sensory accessibility or other accommodations to increase accessible community involvement and access for individuals who have autism spectrum disorder, a related disability, or another nonvisible health issue with sensory impacts.

The Department of Administration's Office of Grant Management is responsible for administering the grants. Specific authorized uses of the grant funds and a staff training requirement are included in the bill.

A legislative report is due February 15, 2024.
