

1.1 moves to amend H.F. No. 3935 as follows:

1.2 Page 1, delete section 1

1.3 Page 3, delete lines 5 to 7 and insert:

1.4 "(14) ensure a person-centered plan is in place for facility staff to immediately attend
1.5 to resident needs in a medical emergency, until emergency personnel arrive if summoned;

1.6 (15) ensure a person-centered plan is in place for facility staff to meet the nonemergency
1.7 medical needs of residents caused by falls, including the need for lift assistance; and

1.8 (16) ensure that a person who has completed the training required under section 144E.27,
1.9 subdivision 2, for registration as an emergency medical responder, is on site 24 hours per
1.10 day, seven days per week."

1.11 Page 4, line 3, delete "and"

1.12 Page 4, delete lines 4 to 6 and insert:

1.13 "(16) person-centered emergency procedures to be initiated by facility staff when a
1.14 resident experiences a medical emergency due to falling, a heart event, difficulty breathing,
1.15 an overdose, or choking, and to be followed until emergency personnel arrive if summoned;
1.16 and

1.17 (17) person-centered emergency procedures to be initiated by facility staff when a resident
1.18 experiences a nonemergency event, including but not limited to a resident falling."

1.19 Page 4, line 9, after "covering" insert "medical"

1.20 Page 4, line 10, delete "at the time of a" and insert "if not previously provided before
1.21 admission and upon any changes to the policies and procedures covering medical emergency
1.22 situations."

1.23 Page 4, delete line 11

- 2.1 Page 5, line 6, after "(14)" insert "person-centered" and after "various" insert "medical
- 2.2 and nonmedical"
- 2.3 Page 5, line 7, delete "bleeding" and insert "experiencing an overdose"
- 2.4 Renumber the sections in sequence and correct the internal references
- 2.5 Amend the title accordingly
