Date March 16, 2023

Summary

Moves the first half aid payment date from July 20 to March 15. Under current law, aid payments to local jurisdictions are made in two installments on July 20 and December 26. This bill would move the first payment date for many aid payments. This change would not apply to local performance reimbursement aid, small cities assistance payments, PILT payments, and taconite aid payments.

Effective date: This section is effective beginning with aids payable in 2024.
