Re: S.F. 614/H.F. 822

Dear Senator Benson and Representative Schomacker:

This will confirm that, at its business meeting on January 13, 2018, the Minnesota Board of Medical Practice (Board) passed a motion to support proposed technical housekeeping changes to the Minnesota athletic trainer practice act, sections 148.7801 to 148.7815 of Minnesota statutes. The Board is currently authorized to register athletic trainers and enforce the practice act. The bill, in pertinent part, moves athletic trainer credentialing from registration to licensure.

Sincerely,
