RE: MACDL Testimony on HF 1083

Dear Judiciary Finance and Civil Law Committee members,

The Minnesota Association of Criminal Defense Lawyers (MACDL) writes to express concern with HF 1083. The legislation as written would make it difficult for criminal defendants to have access to exculpatory evidence which raises significant due process concerns. We recently met with Representative Moller and are working with the author on language to address these concerns.

My email is HannahM@tamburinolawgroup.com. Thank you for your consideration of this information.

Sincerely,

Hannah Martin –
Legislative Chair for Minnesota Association of Criminal Defense Lawyers (MACDL)
