

Federal Infrastructure Bill

Transit Investment

metro council.org

Transit Investment

- Historic investment in public transit.
- \$89.9 billion for public transit over the 5-year life of the bill, including \$39 billion in new transit funding.

Transit Investment

- \$1.75 billion to make transit stations handicap accessible.
- \$8 billion in Capital Investment Grants to expand transit service to new and under-served communities.
 - An increase in the maximum cost for Small Start projects from \$300 million to \$400 million, making a greater number of projects eligible under the Small Starts program.
- \$5.75 billion to replace transit vehicles currently on the road with clean, zero emission vehicles.
- \$4.75 billion for State of Good Repair grants.

Transit Investment

- It is estimated that Minnesota will receive about \$820 million in transit funding over the 5-year span of the bill.
- Details regarding programming amounts within Minnesota's share and/or matching requirements are still being developed.
