27	New (Abeler)	Direction to commissioner: SUD demonstration project enrollment report
28	New (Abeler)	Direction to commissioner; SUD treatment rate restructure contract
29	New (Abeler)	Direction to commissioner; SUD technical assistance centers
30	New (Abeler)	Federal community mental health services block grant allocation; Children’s emerging mood disorder grants
31	New (Abeler)	Federal community mental health services block grant allocation; Children’s first episode of psychosis grants
32	New (Abeler)	Federal community mental health services block grant allocation; Adult mental health initiative grants
33	New (Abeler)	Federal community mental health services block grant allocation; School-linked mental health grants
34	New (Abeler)	Federal substance abuse prevention and treatment block grant allocation; School-linked substance abuse grants
35	New (Abeler)	Federal substance abuse prevention and treatment block grant allocation; SUD pathfinder companion pilot project
36	New (Abeler)	Federal substance abuse prevention and treatment block grant allocation; Opioid epidemic response grants
37	New (Abeler)	Federal substance abuse prevention and treatment block grant allocation; Recovery community organization infrastructure grants

38	S.F. 1572, as amended (Wiklund) Policy only	Revisor instruction: replace “excellence in mental health demonstration project” with “certified community behavioral health clinic services” in 245.735 section headnote
39	S.F. 1572, as amended (Wiklund)	Repeals outdated statutory subdivisions relating to the federal CCBHC demonstration project

Article 14: Disability Services and Continuing Care for Older Adults

Section	S.F./Source	Description
1	S.F. 982, new language (Wiklund)	Governor proposal: require updated resident reimbursement classification assessments following release from isolation and cessation of therapy services
2-3	S.F. 2054 (Rosen)	On-going nursing facility moratorium exception funding.
4, 23, 37, 67	S.F. 982, as amended (Wiklund)	Governor proposals: Combine three governor’s proposals related to customized living provided under the BI and CADI waivers: closing the corporate foster care moratorium loophole that allows customized living services to be provided in unlicensed settings that are functionally equivalent to 4-person group homes; instituting acuity based customized living rates; and limiting to 24 the number of hours of daily support that may be entered to calculate the customized living service rate.
5	S.F. 858, as amended (Abeler)	Expanding the purposes of an existing grant program related to self-advocacy activities by people with developmental disabilities, including by establishing a sub-grant program related to outreach to individuals residing in institutional settings.
6	S.F. 188 (Abeler)	Establishing a new micro-grant program to provide funds to people with developmental disabilities to pursue innovative strategies to increase inclusion of people with disabilities into their communities.
7	S.F. 189 (Hoffman)	Establishes a new grant program for parent-to-parent peer networks for families with children with a disability or special health care needs.
8-9	S.F. 671 (Utke)	Provides an annual inflation adjustment to the medical assistance service rates for home health agency services and for home nursing services.
10, 11, 45-46	S.F. 1093 A-1 (Abeler amdt.)	Reduces from 12 to 10 the required hours of service a person needs in order to qualify for an enhanced PCA service rate or an enhanced CFSS service rate.

12	Hoffman Floor amendment	Amends the definition of “informed choice” for the purposes of long-term care consultation services to conform with the new definition of “informed choice” in the new disability services policy statements.
13	S.F. 1075 (Housley) Policy only	Allows an individual who was receiving HCBS waiver services prior to a temporary admission to an institutional setting of 121 days or fewer to return to the waiver without an assessment, provided all other eligibility criteria are met.
14, 15, 70	S.F. 1483 A-1 <i>modified</i> (Abeler amdt.)	For four fiscal years freezes at fiscal year 2019 levels the appropriation for reimbursement to counties and tribes for long-term care consultation services, and requires counties and tribes to collect data sufficient for the commissioner to develop and propose a capitated reimbursement method for these services to beginning in fiscal year 2026.
16	A-19 to S.F. 383 A-3 (Hoffman) Policy only	Requires coordinated service and support plans for disability waiver participants to include information about the monetary resources available to meet the participant’s needs.
17-20	A-6 to S.F. 383 A-3 (Hoffman)	Modifies the function and operation of the regional quality councils
21	A-19 to S.F. 383 A-3 (Hoffman)	Imposes a county share for placements of people with disabilities between ages 18 and 27 in ICF/DDs and corporate foster care or similar settings
22	A-27 to S.F. 383 A-3 (Hoffman) Policy Only	Modifies the definition of “community-living setting” to permit an indefinite number of extensions of provider cosigned leased agreements.
24-34, 79	S.F. 1092, as amended (Hoffman) Policy only	Reframes and restates the home and community-based services (HCBS) policy statements enacted in 2020, and includes new language concerning standards for an informed decision-making process. The bill also repeals all the language enacted in 2020.
35	A-29 to S.F. 383 A-3 (Abeler)	Modifies the definition of “unit of service” to include a daily unit for individualized home supports with training.
36, 38-40	S.F. 1247 (Abeler)	Modifies the base wage for employment exploration services staff to equal the existing base wage for employment development services staff. Establishes DWRS rate for certain remote day services, and for certain remote unit-based services

		that are equal to comparable services provided in person.
37, 60-61	S.F. 1482 <i>modified</i> (Utke)	Establishes a rate floor for elderly waiver customized living services provided in assisted living facilities with a census of at least 80 percent elderly waiver participants.
39	A-29 to S.F. 383 A-3 (Abeler)	Increases from 2 to 3 the number of individuals who may share individualized home supports with training services under the disability waivers.
41-44	S.F. 562 (Anderson)	Provides for a 5% rate increase for ICF/DDs as well as modifications to the rates and procedures related to variable rates and services during the day.
47-48	S.F. 982, as amended (Wiklund)	Governor Proposal: requires PCA and CFSS providers to submit cost data to the commissioner and requires the commissioner to analyze the cost data and make recommendations to the legislature related to reimbursement rates for these services.
49, 52, 55	S.F. 2172 (Nelson)	Creates exceptions to the moratorium on the development of new housing support beds eligible for a supplemental services rate for a provider in Olmsted County and a provider in Blue Earth County, and establishes a housing support supplemental services rate for these providers equal to the existing statutory maximums.
50, 58	S.F. 982, as amended (Wiklund)	Governor proposal: Allows tribes the option to access the cost-neutral housing support lump-sum allocations currently available only to counties.
51, 57, 59	S.F. 319 A-1 <i>modified</i> (Utke)	Increases by \$100 the monthly room and board rate for housing supports provided to residents of certain supportive housing establishments where an individual has an approved habitability inspection and an individual lease agreement. Relocates existing statutory language related to absence days from housing support establishments and creates both a new extended absence day policy for individuals who are admitted to certain facilities for no more than 92 days in a calendar year and a new exception process for individuals who exceed the new extended limit.
53	S.F. 1079 (Utke)	Establishes a housing support supplemental services rate for a provider in Douglas County equal to the existing statutory maximums.

54, 56	S.F. 1278 (Miller)	Establishes a housing support supplemental services rate exceeding the statutory maximum for two providers, one in Winona County and one in Steele County.
62	S.F. 1092 (Hoffman)	Modifies the language related to Waiver Reimagine by including in the intent of the project that the new waiver program assess and address racial and geographical disparities and institutional bias in services and programs.
63-64	S.F. 296 <i>modified</i> (Franzen)	Establishes time limited competitive grant to pilot supportive parenting services to assist parents with disabilities with parenting related tasks; and requires the commissioner to conduct a study of the pilot project to determine the feasibility of adding supportive parenting services as a covered MA service.
65	S.F. 615 (Abeler)	Directs the commissioner to develop a plan to address MSOCS programs that are the location of repeated incidents that are disruptive to the communities in which the program is located.
66	S.F. 2103 <i>modified</i> (Housley)	Directs the commissioner to develop a proposal for a funding mechanism for the PACE program.
68	A-19 to S.F. 383 A-3 (Hoffman)	Directs the commissioner to develop an MA service allowing direct care to be provided to individuals while in an acute care setting.
69	Hoffman floor amendment	Directs the commissioner to develop an MA service allowing support workers and PCAs to bill MA for driving participants.
71	sc8539 (Abeler)	Delays by 3 months the rate reduction for housing stabilization services for providers who have made a good faith effort to become enrolled medical assistance providers.
72	S.F. 1093, as amended (Utke)	Resumes temporary funding for the provision of PCA services by parents of a minor and spouses.
73	LM010-1 (Abeler)	Directs the commissioner to limit growth in the DD and CADI waiver to the equivalent of zero allocations per year, while providing for the return of individuals to the waivers after being off the waiver for no more than 90 and allowing exceptions to waiver growth for individuals exiting certain institutional settings.

74	S.F. 1319 A-2 <i>modified</i> (Nelson)	Provides retainer payments in amounts to be determined by the commissioner to providers of most home and community-based services provided under the state Medicaid plan and the waiver programs.
75	New (Abeler)	Provides a rate increase to be determined by the commissioner for personal care assistance services, community first services and supports and related programs.
76	New (Abeler)	Provides a rate increase to be determined by the commissioner for home health agency services and home care nursing services.
77	New (Abeler)	Provides a rate increase to be determined by the commissioner for elderly waiver services.
78	Revisor Instruction	Revisors instructions to recodify, in collaboration with house research, senate council and DHS, the DWRS rate statutes, and the long-term care consultation services and long-term care options counseling statutes.
79	Repealer	Repeals the HCBS policy states passed in 2020 that are reframed and restated in this article. State quality council

Article 15: Community Supports Policy

S.F. 1801 (Utke) and S.F. 1671 (Ingebrigtsen)

Section	Proposal	Description
1	Children’s Mental Health Screening Data collection	Authorizes the commissioner of human services to collect individual child mental health screening information for the purposes of program evaluation and improvement
2	State Advisory Council on Mental Health	Modifies membership on the State Advisory Council on Mental Health to include MDH and representatives from American Indian Mental Health Advisory Council, & consumer-run mental health advocacy group
3	Day Service Needs Determination	Clarifies terminology to align with 256B.4914; clarifies need determination is not needed for change in provider name or ownership

4-47	Public Guardianship Modernization	Updates statutes governing public guardianships (chapter 252A) for persons with developmental disabilities to reflect changes made in Laws 2020 chapter 86, article 1, to guardianship law (chapter 524), including modernizing terminology and requiring a consideration of less restrictive alternatives
48, 55, 84	Behavioral Health technical	Make clarifying and technical changes to behavioral health provisions
49-54, 82	Housing Stabilization Services clean-up	Renames “housing support services” as “housing stabilization services,” which will prevent confusion between this medical assistance service and the state-funded housing support program under chapter 256I; and modifies housing stabilization service provider requirements, including by specifying service provision documentation requirements
56	HCBS Waiver Transportation correction	Aligns HCBS waiver transportation standards with federally approved waiver plans
57-81	Community First Services and Supports	Makes various clarifications and modifications to CFSS policy prior to its rolling implementation beginning in the fall of 2021.
83	Revisor Instruction	(a) Replace “consolidated chemical dependency treatment fund” with “behavioral health fund: (b) Replace “housing support services” with “housing stabilization services” (c) Replace “group residential housing” with “housing support”
84	Repealer	(a) Repeals the requirement that the commissioner conduct on-going determinations of need for day training and habilitation. (b) Repeals definitions of “license” and “nonresidential program” from the human services licensing statute; repeals subdivision relating to use of term “guardian” in developmental disability protection statutes

Article 16: Mental Health Uniform Service Standards

S.F. 1028, Article 1 (Housley)

Section	S.F./Source	Description
1-19	S.F. 1028, as amended (Housley)	Establishes a unified licensing framework for mental health services and creates common standards that apply to all mental health care programs; begins the transition of residential crisis stabilization (RCS)

		and intensive residential treatment services (IRTS) to the new common standards beginning July 1, 2022; creates a consolidated list of mental health services covered by medical assistance; and requires the commissioner to consult with stakeholders to continue to develop recommendations for a single comprehensive mental health licensing structure
--	--	---

Article 17: Crisis Response Services

S.F. 1028, Article 2 (Housley)
