1.2 (H1842DE1), as follows:

1.3 Page 1, before line 3, insert:

1.4 "Section 1. Minnesota Statutes 2018, section 116C.779, is amended by adding a subdivision  
1.5 to read:

1.6 Subd. 1a. **Payment termination.** (a) The commissioner shall track the cumulative  
1.7 transfers made to the account and its predecessor, the renewable development account, each  
1.8 year since 1999 for each dry cask containing spent fuel that is stored at an independent  
1.9 spent-fuel storage facility at Prairie Island or Monticello. During the time when state law  
1.10 required the public utility to transfer a specific amount of funds to the account for all the  
1.11 casks stored, the per-cask allocation shall be calculated by dividing the total amount  
1.12 transferred by the number of casks stored that year.

1.13 (b) When the commissioner determines that the cumulative transfers calculated under  
1.14 paragraph (a) for a specific cask reach \$10,000,000, the commissioner shall notify the public  
1.15 utility that no additional transfers to the account for that cask shall be made.

1.16 (c) This subdivision does not affect any provisions of subdivision 1, paragraph (c) or  
1.17 (d), with respect to transfers to the account made after a plant has ceased operation.

1.18 **EFFECTIVE DATE.** This section is effective the day following final enactment."
