

1.1 ..... moves to amend H.F. No. 3431, the delete everything amendment  
1.2 (H3431DE4), as follows:

1.3 Page 45, after line 12, insert:

1.4 "Sec. .... **STATE CAPITOL; MANAGEMENT OF SPACE.**

1.5 Notwithstanding any law or space use agreements to the contrary, the commissioner of  
1.6 administration must allocate the first floor, North corridor adjoining rooms 107 and 112 of  
1.7 the State Capitol building to the use and management of the house of representatives during  
1.8 any period in which the legislature is convened in regular or special session. During these  
1.9 periods, public use of the space must not interfere with the conduct of legislative business  
1.10 or the security of legislators or legislative staff, and events and other programs scheduled  
1.11 within the space must only be permitted if approved by the speaker of the house."

1.12 Renumber the sections in sequence and correct the internal references
