Analysis of H.F. 3370 (Rehrauer) /S.F. 4269 (Hoffman)

The bill authorizes, if approved by the voters at a general election, the city of Coon Rapids to impose a sales and use tax of up to 0.5%.

The proceeds would be used to finance \$40 million for renovation and expansion of the police department and city center facility, including the city hall and civic center, and \$40 million for the construction of a new community center and expansion of the Coon Rapids Ice Center, plus associated bonding costs. The bill also authorizes a bond issuance of up to \$80 million plus bond issuance costs.

The tax would terminate at the earlier of 25 years from when first imposed or when the city council determines that the amount received from the tax is sufficient to pay for the costs of the projects listed above. The tax could expire earlier if the city so determines by ordinance.

The bill would have no direct impact on state taxes.
