Letter of Support HF 2492

To:

Committee Chair, Rep. Michael Howard
Vice Chair, Rep. Esther Agbaje
Minnesota House Housing Finance and Policy Committee

March 13, 2023

Dear Representatives,

As the Dakota County Perkins Consortium Coordinator, I write to share my strong support for HF 2492 to address housing needs, engage students in their local communities, and prepare high school students for high-wage, high-skill jobs in construction, a high-need field.

For years, Intermediate School District 917's Construction Trades program engaged students in building a house from scratch, under the leadership of highly qualified staff. It would be wonderful if, in the future, this work could directly benefit those who need it most in our local community.

At Intermediate School District 917, we have an informal motto of, "We belong to each other." Engaging students in learning construction skills while giving back to their community by providing homes for low income families and families experiencing homelessness would be a perfect example of this motto.

I thank you for considering this bill, and I encourage you to support it.

Sincerely,

Marci Levy-Maguire
