19.18 that is blended with 15 percent of
19.19 agriculturally derived, denatured ethanol, by
19.20 volume, and appropriate technical assistance
19.21 related to the installation. A grant award must
19.22 not exceed 85 percent of the cost of the

26.32 commissioner of transportation, the
26.33 commissioner of administration, and local
26.34 units of government to identify parcels of

27.1 publicly owned land that are suitable for urban
27.2 agriculture.

27.3 (c) \$25,000 the first year and \$25,000 the
27.4 second year are for grants to the Southern
27.5 Minnesota Initiative Foundation to promote
27.6 local foods through an annual event that raises
27.7 public awareness of local foods and connects
27.8 local food producers and processors with
27.9 potential buyers.

27.10 **EFFECTIVE DATE.** This section is effective the day following final enactment.

29.6 Subd. 2. **Prohibited pesticide use.** (a) A person may not use, store, handle, distribute,
29.7 or dispose of a pesticide, rinsate, pesticide container, or pesticide application equipment in
29.8 a manner:

29.9 (1) that is inconsistent with a label or labeling as defined by FIFRA;

29.10 (2) that endangers humans, damages agricultural products, food, livestock, fish, or
29.11 wildlife; or

29.12 (3) that will cause unreasonable adverse effects on the environment.

29.13 (b) A person may not direct a pesticide onto property beyond the boundaries of the target
29.14 site. A person may not apply a pesticide resulting in damage to adjacent property. A person
29.15 who applies a pesticide resulting in damage to adjacent property that is part of the state
29.16 outdoor recreation system is subject to enhanced monetary penalties as provided in section
29.17 18D.40.

29.24 agent; or

29.25 (4) the pesticide application is for a public health risk, as determined by the commissioner
29.26 of health, and the commissioner of health, in consultation with the commissioner of
29.27 agriculture, determines that the application is warranted based on the commissioner's
29.28 balancing of the public health risk with the risk that the pesticide application poses to the
29.29 health of the general population, with special attention to the health of children.

29.30 (d) For pesticide applications under paragraph (c), clause (2), the following conditions
29.31 apply:

30.1 (1) no practicable and effective alternative method of control exists;

30.2 (2) the pesticide is among the least toxic available for control of the target pest; and

30.15 (f) For purposes of this subdivision, "direct notification" may include mailings, public
30.16 meetings, posted placards, neighborhood newsletters, or other means of contact designed
30.17 to reach as many residents as possible. Public meetings held to meet this requirement for
30.18 adult mosquito control, under paragraph (d), must be held within each city or town where
30.19 the pesticide treatments are to be made, at a time and location that is convenient for residents
30.20 of the area where the treatments will occur.

30.21 (g) A person may not apply a pesticide in a manner so as to expose a worker in an
30.22 immediately adjacent, open field.

30.23 (h) Notwithstanding that the application is done in a manner consistent with the label
30.24 or labeling, it is a violation of this chapter to directly apply a pesticide to a site where an
30.25 application has not been: (1) requested, ordered, contracted for, or permitted; or (2) performed

Notwithstanding section 18C.131, the commissioner must deposit all revenue from the additional 40 cents per ton fee in the agricultural fertilizer research and education account in section 18C.80. Products sold or distributed to manufacturers or exchanged between them are exempt from the inspection fee imposed by this subdivision if the products are used exclusively for manufacturing purposes.

(d) A registrant or licensee must retain invoices showing proof of fertilizer, plant amendment, or soil amendment distribution amounts and inspection fees paid for a period of three years.

32.1 adjacent property that is part of the state outdoor recreation system may be subject to a
32.2 monetary penalty equal to twice the amount that the commissioner would otherwise assess
32.3 for a comparable violation.

32.4 Sec. 10. Minnesota Statutes 2018, section 18K.02, subdivision 3, is amended to read:

32.5 Subd. 3. **Industrial hemp.** "Industrial hemp" means the plant *Cannabis sativa* L. and

32.7 derivatives, extracts, cannabinoids, isomers, acids, salts, and salts of isomers, whether
32.8 growing or not, with a delta-9 tetrahydrocannabinol concentration of not more than 0.3
32.9 percent on a dry weight basis. Industrial hemp is not marijuana as defined in section 152.01,

32.15 in another state.

32.16 Sec. 12. Minnesota Statutes 2018, section 28A.16, is amended to read:

32.17 **28A.16 PERSONS SELLING LIQUOR.**

32.18 (a) The provisions of the Minnesota consolidated food licensing law, sections 28A.01
32.19 to 28A.16 and acts amendatory thereto, shall not apply to persons licensed to sell 3.2 percent
32.20 malt liquor "on-sale" as provided in section 340A.403, or to persons licensed to sell
32.21 intoxicating liquors "on-sale" or "off-sale" as provided in sections 340A.404 to 340A.407,

33.1 operation, including the purchase and construction or installation of improvements to land,
33.2 buildings, and other permanent structures, including equipment incorporated in or
33.3 permanently affixed to the land, buildings, or structures, which are useful for and intended
33.4 to be used for the purpose of raising livestock.

33.5 Sec. 14. Minnesota Statutes 2018, section 41B.045, is amended to read:

33.6 **41B.045 LIVESTOCK EXPANSION AND MODERNIZATION LOAN PROGRAM.**

33.7 Subdivision 1. **Establishment.** The authority may establish, adopt rules for, and
33.8 implement a loan program to finance livestock expansions and modernizations in the state.

33.9 Subd. 2. **Loan participation.** The authority may participate in a livestock expansion
33.10 and modernization loan with an eligible lender to a livestock farmer who meets the
33.11 requirements of section 41B.03, subdivision 1, clauses (1) and (2), and who are actively
33.12 engaged in a livestock operation. A prospective borrower must have a total net worth,
33.13 including assets and liabilities of the borrower's spouse and dependents, of less than
33.14 \$1,700,000 in 2017 and an amount in subsequent years which is adjusted for inflation by
33.15 multiplying that amount by the cumulative inflation rate as determined by the United States
33.16 All-Items Consumer Price Index.

33.17 Participation is limited to 45 percent of the principal amount of the loan or \$525,000,
33.18 whichever is less. The interest rates and repayment terms of the authority's participation
33.19 interest may be different from the interest rates and repayment terms of the lender's retained
33.20 portion of the loan.

33.21 Subd. 3. **Specifications.** Each loan participation must be secured by a mortgage on real
33.22 property and such other security as the authority may require.

33.23 Subd. 4. **Application and origination fee.** The authority may impose a reasonable
33.24 nonrefundable application fee for each application for a loan participation and an origination
33.25 fee for each loan issued under the livestock expansion and modernization loan program.
33.26 The origination fee initially shall be set at 1.5 percent and the application fee at \$50. The
33.27 authority may review the fees annually and make adjustments as necessary. The fees must
33.28 be deposited in the state treasury and credited to the Rural Finance Authority administrative
33.29 account established in section 41B.03.

33.30 Subd. 5. **Interest rate.** The interest rate per annum on the livestock expansion and
33.31 modernization loan participation must be at the rate of interest determined by the authority
33.32 to be necessary to provide for the timely payment of principal and interest when due on
33.33 bonds or other obligations of the authority issued under this chapter, to provide financing

34.1 for loan participations made under the livestock expansion and modernization loan program,
34.2 and to provide for reasonable and necessary costs of issuing, carrying, administering, and
34.3 securing the bonds or notes and to pay the costs incurred and to be incurred by the authority
34.4 in the implementation of the livestock expansion and modernization loan program.

34.5 Sec. 15. Minnesota Statutes 2018, section 41B.055, subdivision 4, is amended to read:

34.6 Subd. 4. **Eligible expenditures.** Money may be used for loans for the acquisition of
34.7 equipment for animal housing, confinement, animal feeding, milk production, and waste
34.8 management, including the following, if related to animal husbandry:

34.10 (2) watering facilities;

34.11 (3) feed storage and handling equipment;

34.12 (4) milking parlors;

34.13 (5) milking equipment, including robotic equipment;

34.14 (6) scales;

34.15 (7) milk storage and cooling facilities;

34.16 (8) manure pumping and storage facilities;

34.17 (9) capital investment in pasture;

34.18 (10) hoop barns;

34.19 (11) portable structures;

34.20 (12) hay and forage equipment; and

34.21 (13) related structural work for the installation of equipment.

34.22 Sec. 16. Minnesota Statutes 2018, section 116.06, is amended by adding a subdivision to
34.23 read:

34.24 Subd. 16a. **Pastures.** "Pastures" means areas, including winter feeding areas as part of
34.25 a grazing area, where grass or other growing plants are used for grazing of livestock and
34.26 where the concentration of animals allows a vegetative cover to be maintained during the
34.27 growing season. "Pastures" also includes agricultural land that is used for growing crops
34.28 during the growing season and is used for grazing of livestock on vegetation or crop residues
34.29 during the winter. In either case, a cover of vegetation or crop residues is not required:

- 35.1 (1) in the immediate vicinity of supplemental feeding or watering devices;
- 35.2 (2) in associated corrals and chutes where livestock are gathered for the purpose of
- 35.3 sorting, veterinary services, loading and unloading trucks and trailers, and other necessary
- 35.4 activities related to good animal husbandry practices;
- 35.5 (3) in associated livestock access lanes used to convey livestock to and from areas of
- 35.6 the pasture; and
- 35.7 (4) in sacrificial areas: (i) that are part of a larger pasture system; (ii) are used to
- 35.8 temporarily accommodate livestock due to an extraordinary situation for as short a time
- 35.9 period as possible not to exceed 90 days during the growing season; (iii) are used to protect
- 35.10 other pasture areas when adverse soil or weather conditions pose a risk of damaging the
- 35.11 pastures; and (iv) on which the vegetation is naturally restored or replanted after the adverse
- 35.12 soil or weather conditions are removed and the livestock are moved to other areas of the
- 35.13 pasture.

35.14 Sec. 17. Minnesota Statutes 2018, section 116.07, subdivision 7, is amended to read:

35.15 Subd. 7. **Counties; processing applications for animal lot permits.** Any Minnesota

35.16 county board may, by resolution, with approval of the Pollution Control Agency, assume

35.17 responsibility for processing applications for permits required by the Pollution Control

35.18 Agency under this section for livestock feedlots, poultry lots or other animal lots. The

35.19 responsibility for permit application processing, if assumed by a county, may be delegated

35.20 by the county board to any appropriate county officer or employee.

35.21 (a) For the purposes of this subdivision, the term "processing" includes:

35.22 (1) the distribution to applicants of forms provided by the Pollution Control Agency;

35.23 (2) the receipt and examination of completed application forms, and the certification,

35.24 in writing, to the Pollution Control Agency either that the animal lot facility for which a

35.25 permit is sought by an applicant will comply with applicable rules and standards, or, if the

35.26 facility will not comply, the respects in which a variance would be required for the issuance

35.27 of a permit; and

35.28 (3) rendering to applicants, upon request, assistance necessary for the proper completion

35.29 of an application.

35.30 (b) For the purposes of this subdivision, the term "processing" may include, at the option

35.31 of the county board, issuing, denying, modifying, imposing conditions upon, or revoking

35.32 permits pursuant to the provisions of this section or rules promulgated pursuant to it, subject

to review, suspension, and reversal by the Pollution Control Agency. The Pollution Control Agency shall, after written notification, have 15 days to review, suspend, modify, or reverse the issuance of the permit. After this period, the action of the county board is final, subject to appeal as provided in chapter 14. For permit applications filed after October 1, 2001, section 15.99 applies to feedlot permits issued by the agency or a county pursuant to this subdivision.

(c) For the purpose of administration of rules adopted under this subdivision, the commissioner and the agency may provide exceptions for cases where the owner of a feedlot has specific written plans to close the feedlot within five years. These exceptions include waiving requirements for major capital improvements.

(d) For purposes of this subdivision, a discharge caused by an extraordinary natural event such as a precipitation event of greater magnitude than the 25-year, 24-hour event, tornado, or flood in excess of the 100-year flood is not a "direct discharge of pollutants."

(e) In adopting and enforcing rules under this subdivision, the commissioner shall cooperate closely with other governmental agencies.

(f) The Pollution Control Agency shall work with the Minnesota Extension Service, the Department of Agriculture, the Board of Water and Soil Resources, producer groups, local units of government, as well as with appropriate federal agencies such as the Natural Resources Conservation Service and the Farm Service Agency, to notify and educate producers of rules under this subdivision at the time the rules are being developed and adopted and at least every two years thereafter.

(g) The Pollution Control Agency shall adopt rules governing the issuance and denial of permits for livestock feedlots, poultry lots or other animal lots pursuant to this section. Pastures are exempt from the rules authorized under this paragraph. No feedlot permit shall include any terms or conditions that impose any requirements related to any pastures owned or utilized by the feedlot operator other than restrictions under a manure management plan. A feedlot permit is not required for livestock feedlots with more than ten but less than 50 animal units; provided they are not in shoreland areas. A livestock feedlot permit does not become required solely because of a change in the ownership of the buildings, grounds, or feedlot. These rules apply both to permits issued by counties and to permits issued by the Pollution Control Agency directly.

(h) The Pollution Control Agency shall exercise supervising authority with respect to the processing of animal lot permit applications by a county.

37.1 (i) Any new rules or amendments to existing rules proposed under the authority granted
37.2 in this subdivision, or to implement new fees on animal feedlots, must be submitted to the
37.3 members of legislative policy and finance committees with jurisdiction over agriculture and
37.4 the environment prior to final adoption. The rules must not become effective until 90 days
37.5 after the proposed rules are submitted to the members.

37.6 (j) Until new rules are adopted that provide for plans for manure storage structures, any
37.7 plans for a liquid manure storage structure must be prepared or approved by a registered
37.8 professional engineer or a United States Department of Agriculture, Natural Resources
37.9 Conservation Service employee.

37.10 (k) A county may adopt by ordinance standards for animal feedlots that are more stringent
37.11 than standards in Pollution Control Agency rules.

37.12 (l) After January 1, 2001, a county that has not accepted delegation of the feedlot permit
37.13 program must hold a public meeting prior to the agency issuing a feedlot permit for a feedlot
37.14 facility with 300 or more animal units, unless another public meeting has been held with
37.15 regard to the feedlot facility to be permitted.

37.16 (m) After the proposed rules published in the State Register, volume 24, number 25, are
37.17 finally adopted, the agency may not impose additional conditions as a part of a feedlot
37.18 permit, unless specifically required by law or agreed to by the feedlot operator.

37.19 (n) For the purposes of feedlot permitting, a discharge from land-applied manure or a
37.20 manure stockpile that is managed according to agency rule must not be subject to a fine for
37.21 a discharge violation.

37.22 (o) For the purposes of feedlot permitting, manure that is land applied, or a manure
37.23 stockpile that is managed according to agency rule, must not be considered a discharge into
37.24 waters of the state, unless the discharge is to waters of the state, as defined by section
37.25 103G.005, subdivision 17, except type 1 or type 2 wetlands, as defined in section 103G.005,
37.26 subdivision 17b, and does not meet discharge standards established for feedlots under agency
37.27 rule.

37.28 (p) Unless the upgrade is needed to correct an immediate public health threat under
37.29 section 145A.04, subdivision 8, or the facility is determined to be a concentrated animal
37.30 feeding operation under Code of Federal Regulations, title 40, section 122.23, in effect on
37.31 April 15, 2003, the agency may not require a feedlot operator:

(1) to spend more than \$3,000 to upgrade an existing feedlot with less than 300 animal units unless cost-share money is available to the feedlot operator for 75 percent of the cost of the upgrade; or

(2) to spend more than \$10,000 to upgrade an existing feedlot with between 300 and 500 animal units, unless cost-share money is available to the feedlot operator for 75 percent of the cost of the upgrade or \$50,000, whichever is less.

~~(q) For the purposes of this section, "pastures" means areas, including winter feeding areas as part of a grazing area, where grass or other growing plants are used for grazing and where the concentration of animals allows a vegetative cover to be maintained during the growing season except that vegetative cover is not required:~~

~~(1) in the immediate vicinity of supplemental feeding or watering devices;~~

~~(2) in associated corrals and chutes where livestock are gathered for the purpose of sorting, veterinary services, loading and unloading trucks and trailers, and other necessary activities related to good animal husbandry practices; and~~

~~(3) in associated livestock access lanes used to convey livestock to and from areas of the pasture.~~

~~(+)~~ (q) A feedlot operator who stores and applies up to 100,000 gallons per calendar year of private truck wash wastewater resulting from trucks that transport animals or supplies to and from the feedlot does not require a permit to land-apply industrial by-products if the feedlot operator stores and applies the wastewater in accordance with Pollution Control Agency requirements for land applications of industrial by-product that do not require a permit.

~~(s)~~ (r) A feedlot operator who holds a permit from the Pollution Control Agency to land-apply industrial by-products from a private truck wash is not required to have a certified land applicator apply the private truck wash wastewater if the wastewater is applied by the feedlot operator to cropland owned or leased by the feedlot operator or by a commercial animal waste technician licensed by the commissioner of agriculture under chapter 18C. For purposes of this paragraph and paragraph ~~(+)~~ (q), "private truck wash" means a truck washing facility owned or leased, operated, and used only by a feedlot operator to wash trucks owned or leased by the feedlot operator and used to transport animals or supplies to and from the feedlot.

Sec. 18. Minnesota Statutes 2018, section 116.07, subdivision 7d, is amended to read:

 72.6 closure of a park, or cessation of use of the land as a manufactured home park is the result
 72.7 of a taking or exercise of the power of eminent domain by a governmental entity or public
 72.8 utility; or

72.9 (6) the owner of the manufactured home is not a resident of the manufactured home
 72.10 park, as defined in section 327C.01, subdivision 9, ~~or~~; the owner of the manufactured home
 72.11 is a resident, but came to reside in the manufactured home park after the mailing date of
 72.12 the closure statement under subdivision 1; or the owner of the manufactured home has not
 72.13 paid the \$15 assessment when due under paragraph (c).

72.14 (c) If the unencumbered fund balance in the manufactured home relocation trust fund
 72.15 is less than ~~\$1,000,000~~ \$2,000,000 as of June 30 of each year, the commissioner of
 72.16 management and budget shall assess each manufactured home park owner by mail the total

 72.30 RENT IN A MANUFACTURED HOME PARK, AND YOU RESIDE IN THAT HOME,
 72.31 YOU MUST PAY WHEN PROVIDED NOTICE." If assessed under this paragraph, the
 72.32 park owner may recoup the cost of the \$15 assessment as a lump sum or as a monthly fee
 72.33 of no more than \$1.25 collected from park residents together with monthly lot rent as
 72.34 provided in section 327C.03, subdivision 6. ~~Park owners~~ If, by September 15, a park owner
 72.35 provides the notice to residents for the \$15 lump sum, a park owner may adjust payment

for lots in their park that are vacant or otherwise not eligible for contribution to the trust fund under section 327C.095, subdivision 12, paragraph (b), and for park residents who have not paid the \$15 assessment when due to the park owner by November 30, and deduct from the assessment accordingly. The commissioner of management and budget shall deposit any payments in the Minnesota manufactured home relocation trust fund and provide to the Minnesota Housing Finance Agency by December 31, a record for each manufactured home park of the amount received for that park and the number of deductions made for each of the following reasons: vacant lots, ineligible lots, and uncollected fees.

Sec. 16. Minnesota Statutes 2018, section 327C.095, subdivision 13, is amended to read:

Subd. 13. Change in use, relocation expenses; payments by park owner. (a) If a manufactured home owner is required to relocate due to the conversion of all or a portion of a manufactured home park to another use, the closure of a manufactured home park, or cessation of use of the land as a manufactured home park under subdivision 1, and the manufactured home owner complies with the requirements of this section, the manufactured home owner is entitled to payment from the Minnesota manufactured home relocation trust fund equal to the manufactured home owner's actual relocation costs for relocating the manufactured home to a new location within a ~~25~~ 50-mile radius of the park that is being closed, up to a maximum of \$7,000 for a single-section and \$12,500 for a multisection manufactured home. The actual relocation costs must include the reasonable cost of taking down, moving, and setting up the manufactured home, including equipment rental, utility connection and disconnection charges, minor repairs, modifications necessary for transportation of the home, necessary moving permits and insurance, moving costs for any appurtenances, which meet applicable local, state, and federal building and construction codes.

(b) A manufactured home owner is not entitled to compensation under paragraph (a) if the manufactured home park owner is not required to make a payment to the Minnesota manufactured home relocation trust fund under subdivision 12, paragraph (b).

(c) Except as provided in paragraph (e), in order to obtain payment from the Minnesota manufactured home relocation trust fund, the manufactured home owner shall submit to the

74.1 neutral third party and the Minnesota Housing Finance Agency, with a copy to the park
74.2 owner, an application for payment, which includes:

74.3 (1) a copy of the closure statement under subdivision 1;

74.4 (2) a copy of the contract with a moving or towing contractor, which includes the
74.5 relocation costs for relocating the manufactured home;

74.6 (3) a statement with supporting materials of any additional relocation costs as outlined
74.7 in subdivision 1;

74.8 (4) a statement certifying that none of the exceptions to receipt of compensation under
74.9 subdivision 12, paragraph (b), apply to the manufactured home owner;

74.10 (5) a statement from the manufactured park owner that the lot rental is current and that
74.11 the annual \$15 ~~payments~~ payment to the Minnesota manufactured home relocation trust
74.12 fund ~~have~~ has been paid when due; and

74.13 (6) a statement from the county where the manufactured home is located certifying that
74.14 personal property taxes for the manufactured home are paid through the end of that year.

74.15 (d) The neutral third party shall promptly process all payments for completed applications
74.16 within 14 days. If the neutral third party has acted reasonably and does not approve or deny
74.17 payment within 45 days after receipt of the information set forth in paragraph (c), the
74.18 payment is deemed approved. Upon approval and request by the neutral third party, the
74.19 Minnesota Housing Finance Agency shall issue two checks in equal amount for 50 percent
74.20 of the contract price payable to the mover and towing contractor for relocating the
74.21 manufactured home in the amount of the actual relocation cost, plus a check to the home
74.22 owner for additional certified costs associated with third-party vendors, that were necessary
74.23 in relocating the manufactured home. The moving or towing contractor shall receive 50
74.24 percent upon execution of the contract and 50 percent upon completion of the relocation
74.25 and approval by the manufactured home owner. The moving or towing contractor may not
74.26 apply the funds to any other purpose other than relocation of the manufactured home as
74.27 provided in the contract. A copy of the approval must be forwarded by the neutral third
74.28 party to the park owner with an invoice for payment of the amount specified in subdivision
74.29 12, paragraph (a).

74.30 (e) In lieu of collecting a relocation payment from the Minnesota manufactured home
74.31 relocation trust fund under paragraph (a), the manufactured home owner may collect an
74.32 amount from the fund after reasonable efforts to relocate the manufactured home have failed
74.33 due to the age or condition of the manufactured home, or because there are no manufactured

home parks willing or able to accept the manufactured home within a 25-mile radius. A manufactured home owner may tender title of the manufactured home in the manufactured home park to the manufactured home park owner, and collect an amount to be determined by an independent appraisal. The appraiser must be agreed to by both the manufactured home park owner and the manufactured home owner. If the appraised market value cannot be determined, the tax market value, averaged over a period of five years, can be used as a substitute. The maximum amount that may be reimbursed under the fund is \$8,000 for a single-section and \$14,500 for a multisection manufactured home. The minimum amount that may be reimbursed under the fund is \$2,000 for a single section and \$4,000 for a multisection manufactured home. The manufactured home owner shall deliver to the manufactured home park owner the current certificate of title to the manufactured home duly endorsed by the owner of record, and valid releases of all liens shown on the certificate of title, and a statement from the county where the manufactured home is located evidencing that the personal property taxes have been paid. The manufactured home owner's application for funds under this paragraph must include a document certifying that the manufactured home cannot be relocated, that the lot rental is current, that the annual \$15 payments to the Minnesota manufactured home relocation trust fund have been paid when due, that the manufactured home owner has chosen to tender title under this section, and that the park owner agrees to make a payment to the commissioner of management and budget in the amount established in subdivision 12, paragraph (a), less any documented costs submitted to the neutral third party, required for demolition and removal of the home, and any debris or refuse left on the lot, not to exceed ~~\$1,000~~ \$1,500. The manufactured home owner must also provide a copy of the certificate of title endorsed by the owner of record, and certify to the neutral third party, with a copy to the park owner, that none of the exceptions to receipt of compensation under subdivision 12, paragraph (b), clauses (1) to (6), apply to the manufactured home owner, and that the home owner will vacate the home within 60 days after receipt of payment or the date of park closure, whichever is earlier, provided that the monthly lot rent is kept current.

(f) ~~The Minnesota Housing Finance Agency must make a determination of the amount of payment a manufactured home owner would have been entitled to under a local ordinance in effect on May 26, 2007.~~ Notwithstanding paragraph (a), the manufactured home owner's compensation for relocation costs from the fund under section 462A.35, is the greater of the amount provided under this subdivision, or the amount under the local ordinance in effect on May 26, 2007, that is applicable to the manufactured home owner. Nothing in this paragraph is intended to increase the liability of the park owner.

(g) Neither the neutral third party nor the Minnesota Housing Finance Agency shall be liable to any person for recovery if the funds in the Minnesota manufactured home relocation trust fund are insufficient to pay the amounts claimed. The Minnesota Housing Finance Agency shall keep a record of the time and date of its approval of payment to a claimant.

(h)(1) By October 15, 2019, the Minnesota Housing Finance Agency shall post on its website and report to the chairs of the senate Finance Committee and house of representatives Ways and Means Committee on the Minnesota manufactured home relocation trust fund, including the account balance, payments to claimants, the amount of any advances to the fund, the amount of any insufficiencies encountered during the previous calendar year, and any itemized administrative charges or expenses deducted from the trust fund balance. If sufficient funds become available, the Minnesota Housing Finance Agency shall pay the manufactured home owner whose unpaid claim is the earliest by time and date of approval.

~~(h)~~ (2) Beginning in 2019, the Minnesota Housing Finance Agency shall post on its website and report to the chairs of the senate Finance Committee and house of representatives Ways and Means Committee by ~~January~~ October 15 of each year on the Minnesota manufactured home relocation trust fund, including the aggregate account balance, the aggregate assessment payments received, summary information regarding each closed park including the total payments to claimants and payments received from each closed park, the amount of any advances to the fund, the amount of any insufficiencies encountered during the previous ~~calendar~~ fiscal year, reports of neutral third parties provided pursuant to subdivision 4, and any itemized administrative charges or expenses deducted from the trust fund balance, all of which should be reconciled to the previous year's trust fund balance. If sufficient funds become available, the Minnesota Housing Finance Agency shall pay the manufactured home owner whose unpaid claim is the earliest by time and date of approval.

79.10 Revenue Code of 1986, as amended through December 31, 1989, for the allocation of tax
79.11 credits and the selection of projects.

79.12 (c) For projects that are eligible for an allocation of credits pursuant to section 42(h)(4)
79.13 of the Internal Revenue Code of 1986, as amended, tax credits may only be allocated if the

80.1 ~~(ii) shall grant projects receiving an allocation of tax-exempt bonds under chapter 474A~~
80.2 ~~the highest possible preference and, to the extent applicable, ahead of any preference~~
80.3 ~~described in section 42(m)(1)(B) of the Internal Revenue Code of 1986, as amended;~~

80.4 ~~(iii) shall exclude any per-unit cost limitations, cost reasonableness, or other similar~~

80.8 ~~restrictions other than those required by section 42 of the Internal Revenue Code of 1986,~~
80.9 ~~as amended, regarding the allocation of credits.~~

80.10 ~~Each developer of a residential rental housing project that has received an allocation of~~
80.11 ~~tax-exempt bonds under chapter 474A and the proposed issuer of such tax-exempt bonds~~
80.12 ~~shall have standing to challenge the agency's qualified allocation plan for failure to comply~~
80.13 ~~with this clause.~~

80.14 ~~In the event of any conflict or inconsistency between this paragraph and section 462A.04,~~
80.15 ~~the provisions of this paragraph shall govern and control. The provisions of paragraph (d)~~
80.16 ~~shall not apply to any allocating agency other than the agency.~~

80.17 (e) For applications submitted for the first round, an allocating agency may allocate tax
80.18 credits only to the following types of projects:

80.23 income does not exceed 30 percent of the median income;

80.24 (ii) new construction or substantial rehabilitation family housing projects that are not
80.25 restricted to persons who are 55 years of age or older and in which, for the term of the

80.32 submitted with the application;

81.1 (3) projects that are not restricted to persons of a particular age group and in which, for
81.2 the term of the extended use period, a percentage of the units are set aside and rented to
81.3 persons:

81.5 20, paragraph (c);

81.6 (ii) with a developmental disability as defined in United States Code, title 42, section
81.7 6001, paragraph (5), as amended through December 31, 1990;

81.8 (iii) who have been assessed as drug dependent persons as defined in section 254A.02,

81.15 (4) projects, whether or not restricted to persons of a particular age group, which preserve
81.16 existing subsidized housing, if the use of tax credits is necessary to prevent conversion to
81.17 market rate use or to remedy physical deterioration of the project which would result in loss
81.18 of existing federal subsidies; or

81.19 (5) projects financed by the Farmers Home Administration, or its successor agency,
81.20 which meet statewide distribution goals.

81.21 (f) Before the date for applications for the final round, the allocating agencies other than
81.22 the agency shall return all uncommitted and unallocated tax credits to a unified pool for
81.23 allocation by the agency on a statewide basis.

81.24 (g) Unused portions of the state ceiling for low-income housing tax credits reserved to
81.25 cities and counties for allocation may be returned at any time to the agency for allocation.

81.26 (h) If an allocating agency determines, at any time after the initial commitment or
81.27 allocation for a specific project, that a project is no longer eligible for all or a portion of the
81.28 low-income housing tax credits committed or allocated to the project, the credits must be
81.29 transferred to the agency to be reallocated pursuant to the procedures established in
81.30 paragraphs (f) to (h); provided that if the tax credits for which the project is no longer eligible
81.31 are from the current year's annual ceiling and the allocating agency maintains a waiting list,
81.32 the allocating agency may continue to commit or allocate the credits until not later than the

82.1 date of applications for the final round, at which time any uncommitted credits must be
82.2 transferred to the agency.

82.29 ~~(b)~~ (c) Preference for grants and loans shall be given to comparable proposals that include
82.30 regulatory changes or waivers that result in identifiable cost avoidance or cost reductions,
82.31 such as increased density, flexibility in site development standards, or zoning code

requirements. Preference must also be given among comparable proposals to proposals for projects that are accessible to transportation systems, jobs, schools, and other services.

~~(e)~~ (d) If a grant or loan is used for demolition or removal of existing structures, the cleared land must be used for the construction of housing to be owned or rented by persons who meet the income limits of this section or for other housing-related purposes that primarily benefit the persons residing in the adjacent housing. In making selections for grants or loans for projects that demolish affordable housing units, the agency must review the potential displacement of residents and consider the extent to which displacement of residents is minimized.

The issuer must pay the application deposit to the Department of Management and Budget. The Minnesota Housing Finance Agency may apply for and receive an allocation under this section without submitting an application deposit.

(b) An entitlement issuer may not apply for an allocation from the housing pool unless it either has permanently issued bonds equal to any amount of bonding authority carried forward from a previous year or has returned for reallocation any unused bonding authority carried forward from a previous year. For purposes of this subdivision, its entitlement allocation includes an amount obtained under section 474A.04, subdivision 6. This paragraph does not apply to an application from the Minnesota Housing Finance Agency for an allocation under subdivision 2a for cities who choose to have the agency issue bonds on the city's behalf.

(c) If an application is rejected under this section, the commissioner must notify the applicant and return the application deposit to the applicant within 30 days unless the applicant requests in writing that the application be resubmitted. Allocations of available bonding authority from the housing pool for eligible residential rental projects shall be awarded in the following order of priority: ~~(1) projects that preserve existing federally subsidized housing; (2) projects that are not restricted to persons who are 55 years of age or older; and (3) other residential rental projects. (1) preservation projects;

(2) 30 percent AMI residential rental projects;

(3) 50 percent AMI residential rental projects;

(4) 100 percent LIHTC projects;

(5) 20 percent LIHTC projects; and

(6) other residential rental projects for which the amount of bonds requested in their respective applications do not exceed the aggregate bond limitation.

~~If an issuer that receives an allocation under this paragraph does not issue obligations equal to all or a portion of the allocation received within 120 days of the allocation or returns the allocation to the commissioner, the amount of the allocation is canceled and returned for reallocation through the housing pool or to the unified pool after July 15. If there are two or more applications for residential rental projects at the same priority level and there is insufficient bonding authority to provide allocations for all the projects in any one allocation period, available bonding authority shall be randomly awarded by lot but only for projects that can receive the full amount of their respective requested allocations. If a residential rental project does not receive any of its requested allocation pursuant to this paragraph and the project applies for an allocation of bonds again in the same calendar year or to the next successive housing pool, the project shall be fully funded up to its original application request for bonding authority before any new project, applying in the same allocation period, that has an equal priority shall receive bonding authority. An issuer that receives an allocation under this paragraph must issue obligations equal to all or a portion of the allocation received on or before 180 days of the allocation. If an issuer that receives an allocation under this paragraph does not issue obligations equal to all or a portion of the allocation received within the time period provided in this paragraph or returns the allocation to the commissioner, the amount of the allocation is canceled and returned for reallocation through the housing pool or to the unified pool after July 1.~~

91.1 (b) After January 1, and through January 15, The Minnesota Housing Finance Agency
91.2 may accept applications from cities for single-family housing programs which meet program
91.3 requirements as follows:

91.4 (1) the housing program must meet a locally identified housing need and be economically
91.5 viable;

91.6 (2) the adjusted income of home buyers may not exceed 80 percent of the greater of
91.7 statewide or area median income as published by the Department of Housing and Urban
91.8 Development, adjusted for household size;

91.9 (3) house price limits may not exceed the federal price limits established for mortgage
91.10 revenue bond programs. Data on the home purchase price amount, mortgage amount, income,
91.11 household size, and race of the households served in the previous year's single-family
91.12 housing program, if any, must be included in each application; and

91.13 (4) for applicants who choose to have the agency issue bonds on their behalf, an
91.14 application fee pursuant to section 474A.03, subdivision 4, and an application deposit equal
91.15 to one percent of the requested allocation must be submitted to the Minnesota Housing
91.16 Finance Agency before the agency forwards the list specifying the amounts allocated to the
91.17 commissioner under paragraph (d). The agency shall submit the city's application fee and
91.18 application deposit to the commissioner when requesting an allocation from the housing
91.19 pool.

91.20 Applications by a consortium shall include the name of each member of the consortium
91.21 and the amount of allocation requested by each member.

91.22 (c) Any amounts remaining in the housing pool after ~~July~~ June 15 are available for
91.23 single-family housing programs for cities that applied in January and received an allocation
91.24 under this section in the same calendar year. For a city that chooses to issue bonds on its
91.25 own behalf or pursuant to a joint powers agreement, the agency must allot available bonding
91.26 authority based on the formula in paragraphs (d) and (f). Allocations will be made loan by
91.27 loan, on a first-come, first-served basis among cities on whose behalf the Minnesota Housing
91.28 Finance Agency issues bonds.

91.29 Any city that received an allocation pursuant to paragraph (f) in the same calendar year
91.30 that wishes to issue bonds on its own behalf or pursuant to a joint powers agreement for an
91.31 amount becoming available for single-family housing programs after ~~July~~ June 15 shall
91.32 notify the Minnesota Housing Finance Agency by ~~July~~ June 15. The Minnesota Housing
91.33 Finance Agency shall notify each city making a request of the amount of its allocation within
91.34 three business days after ~~July~~ June 15. The city must comply with paragraph (f).

For purposes of paragraphs (a) to (h), "city" means a county or a consortium of local government units that agree through a joint powers agreement to apply together for single-family housing programs, and has the meaning given it in section 462C.02, subdivision 6. "Agency" means the Minnesota Housing Finance Agency.

(d) The total amount of allocation for mortgage bonds for one city is limited to the lesser of: (i) the amount requested, or (ii) the product of the total amount available for mortgage bonds from the housing pool, multiplied by the ratio of each applicant's population as determined by the most recent estimate of the city's population released by the state demographer's office to the total of all the applicants' population, except that each applicant shall be allocated a minimum of \$100,000 regardless of the amount requested or the amount determined under the formula in clause (ii). If a city applying for an allocation is located within a county that has also applied for an allocation, the city's population will be deducted from the county's population in calculating the amount of allocations under this paragraph.

Upon determining the amount of each applicant's allocation, the agency shall forward to the commissioner a list specifying the amounts allotted to each application with all application fees and deposits from applicants who choose to have the agency issue bonds on their behalf.

Total allocations from the housing pool for single-family housing programs may not exceed ~~34~~ 27 percent of the adjusted allocation to the housing pool until after ~~July~~ June 15 in 2020 and 2021, after which the allocations may not exceed 31 percent of the adjusted allocation to the housing pool until after June 15.

(e) The agency may issue bonds on behalf of participating cities. The agency shall request an allocation from the commissioner for all applicants who choose to have the agency issue bonds on their behalf and the commissioner shall allocate the requested amount to the agency. The agency may request an allocation at any time after the second Tuesday in January and through the last Monday in ~~July~~ June. After awarding an allocation and receiving a notice of issuance for the mortgage bonds issued on behalf of the participating cities, the commissioner shall transfer the application deposits to the Minnesota Housing Finance Agency to be returned to the participating cities. The Minnesota Housing Finance Agency shall return any application deposit to a city that paid an application deposit under paragraph (b), clause (4), but was not part of the list forwarded to the commissioner under paragraph (d).

(f) A city may choose to issue bonds on its own behalf or through a joint powers agreement and may request an allocation from the commissioner by forwarding an application

93.1 with an application fee pursuant to section 474A.03, subdivision 4, and a one percent
93.2 application deposit to the commissioner no later than the Monday of the week preceding
93.3 an allocation. If the total amount requested by all applicants exceeds the amount available
93.4 in the pool, the city may not receive a greater allocation than the amount it would have
93.5 received under the list forwarded by the Minnesota Housing Finance Agency to the
93.6 commissioner. No city may request or receive an allocation from the commissioner until
93.7 the list under paragraph (d) has been forwarded to the commissioner. A city must request
93.8 an allocation from the commissioner no later than the last Monday in ~~July~~ June. No city
93.9 may receive an allocation from the housing pool for mortgage bonds which has not first
93.10 applied to the Minnesota Housing Finance Agency. The commissioner shall allocate the
93.11 requested amount to the city or cities subject to the limitations under this paragraph.

93.12 If a city issues mortgage bonds from an allocation received under this paragraph, the
93.13 issuer must provide for the recycling of funds into new loans. If the issuer is not able to
93.14 provide for recycling, the issuer must notify the commissioner in writing of the reason that
93.15 recycling was not possible and the reason the issuer elected not to have the Minnesota
93.16 Housing Finance Agency issue the bonds. "Recycling" means the use of money generated
93.17 from the repayment and prepayment of loans for further eligible loans or for the redemption
93.18 of bonds and the issuance of current refunding bonds.

93.19 (g) No entitlement city or county or city in an entitlement county may apply for or be
93.20 allocated authority to issue mortgage bonds or use mortgage credit certificates from the
93.21 housing pool. No city in an entitlement county may apply for or be allocated authority to
93.22 issue residential rental bonds from the housing pool or the unified pool.

93.23 (h) A city that does not use at least 50 percent of its allotment by the date applications
93.24 are due for the first allocation that is made from the housing pool for single-family housing
93.25 programs in the immediately succeeding calendar year may not apply to the housing pool
93.26 for a single-family mortgage bond or mortgage credit certificate program allocation that
93.27 exceeds the amount of its allotment for the preceding year that was used by the city in the
93.28 immediately preceding year or receive an allotment from the housing pool in the succeeding
93.29 calendar year that exceeds the amount of its allotment for the preceding year that was used
93.30 in the preceding year. The minimum allotment is \$100,000 for an allocation made prior to
93.31 ~~July~~ June 15, regardless of the amount used in the preceding calendar year, except that a
93.32 city whose allocation in the preceding year was the minimum amount of \$100,000 and who
93.33 did not use at least 50 percent of its allocation from the preceding year is ineligible for an
93.34 allocation in the immediate succeeding calendar year. Each local government unit in a
93.35 consortium must meet the requirements of this paragraph.

94.1 **EFFECTIVE DATE.** This section is effective January 1, 2020.

94.2 Sec. 42. Minnesota Statutes 2018, section 474A.061, subdivision 2b, is amended to read:

94.3 Subd. 2b. **Small issue pool allocation.** Commencing on the second Tuesday in January
94.4 and continuing on each Monday through the last Monday in ~~July~~ June, the commissioner

94.17 February, \$10,000,000 until the day after the last Monday in April, and \$10,000,000 until
94.18 the day after the last Monday in June in the small issue pool for enterprise zone facility
94.19 projects and manufacturing projects. The amount of allocation provided to an issuer for a
94.20 specific enterprise zone facility project or manufacturing project will be based on the number
94.21 of points received for the proposed project under the scoring system under section 474A.045.

94.22 If there are two or more applications for manufacturing and enterprise zone facility
94.23 projects from the small issue pool and there is insufficient bonding authority to provide
94.24 allocations for all projects in any one week, the available bonding authority shall be awarded
94.25 based on the number of points awarded a project under section 474A.045, with those projects
94.26 receiving the greatest number of points receiving allocation first. If two or more applications
94.27 receive an equal number of points, available bonding authority shall be awarded by lot
94.28 unless otherwise agreed to by the respective issuers.

94.29 **EFFECTIVE DATE.** This section is effective January 1, 2020.

94.30 Sec. 43. Minnesota Statutes 2018, section 474A.061, subdivision 2c, is amended to read:

100.21 (d) If there are two or more applications for manufacturing projects from the unified
100.22 pool and there is insufficient bonding authority to provide allocations for all manufacturing

100.25 receiving the greatest number of points receiving allocation first. If two or more applications
100.26 for manufacturing projects receive an equal amount of points, available bonding authority

101.15 insufficient bonding authority to provide allocations for all the projects in any one allocation
101.16 period, available bonding authority shall be randomly awarded by lot but only for projects
101.17 that can receive the full amount of their respective requested allocations. If a residential
101.18 rental project does not receive any of its requested allocation pursuant to this paragraph and
101.19 the project applies in the next successive housing pool or the next successive unified pool
