Date January 30, 2023

Overview

House File 372 requires manufacturers of products containing intentionally added PFAS (perfluoroalkyl and polyfluoroalkyl substances) to submit a notice of that fact to the commissioner of the Pollution Control Agency.

Summary

Section Description

- 1 **[116.943] Disclosure of PFAS in products.**
- Subd. 1. Definitions.** Defines “manufacturer,” “product,” and other terms.
- Subd. 2. Notice required.** Requires a manufacturer of a product containing intentionally added PFAS to provide notice to the commissioner of the amount of each PFAS, its function in the product, and other information.
- Subd. 3. Commissioner’s authority.** Authorizes the commissioner to waive part or all of the notice requirement in subdivision 2, if the commissioner determines that substantially equivalent information is publicly available, and to extend a submission deadline.
- Subd. 4. Rulemaking.** Requires the commissioner to adopt rules to implement this section, and provides guidelines for the content of the rules. Allows the commissioner to establish a fee on manufacturers of products subject to this section to fund the agency’s rulemaking costs.
