 14.27 projects as well as seek and use any funds available to the commissioner, including use of  
 14.28 federal funds, foundation funds, existing grant funds, and other funds. The commissioner  
 14.29 is authorized to advance state funds as necessary to operate the projects. Federal

 14.31 of the projects. The projects must be required to address responsibility for safety, permanency,  
 14.32 and well-being of children.

15.25 (e) When a tribe has initiated a project and has been approved by the commissioner to  
15.26 assume child welfare responsibilities for American Indian children of that tribe under this

16.16 with established child mortality review panels shall have access to nonpublic data and shall  
16.17 protect nonpublic data under subdivision 12, paragraphs (c) to (e). The tribe shall provide  
16.18 written notice to the commissioner and affected counties when a local child mortality review  
16.19 panel has been established and shall provide data upon request of the commissioner for  
16.20 purposes of sharing nonpublic data with members of the state child mortality review panel  
16.21 in connection to an individual case.

16.22 (h) The commissioner shall collect information on outcomes relating to child safety,  
16.23 permanency, and well-being of American Indian children who are served in the projects.  
16.24 Participating tribes must provide information to the state in a format and completeness  
16.25 deemed acceptable by the state to meet state and federal reporting requirements.

16.26 (i) In consultation with the White Earth Band, the commissioner shall develop and submit  
16.27 to the chairs and ranking minority members of the legislative committees with jurisdiction  
16.28 over health and human services a plan to transfer legal responsibility for providing child  
16.29 protective services to White Earth Band member children residing in Hennepin County to  
16.30 the White Earth Band. The plan shall include a financing proposal, definitions of key terms,  
16.31 statutory amendments required, and other provisions required to implement the plan. The  
16.32 commissioner shall submit the plan by January 15, 2012.

17.1 Sec. 20. Minnesota Statutes 2018, section 256J.24, subdivision 5, is amended to read:

17.2 Subd. 5. **MFIP transitional standard.** (a) The MFIP transitional standard is based on  
17.3 the number of persons in the assistance unit eligible for both food and cash assistance. The  
17.4 amount of the transitional standard is published annually by the Department of Human  
17.5 Services.

17.6 (b) The amount of the MFIP cash assistance portion of the transitional standard is  
17.7 increased \$100 per month per household. This increase shall be reflected in the MFIP cash  
17.8 assistance portion of the transitional standard published annually by the commissioner.

17.9 **EFFECTIVE DATE.** This section is effective February 1, 2020.

17.10 Sec. 21. Minnesota Statutes 2018, section 256M.41, subdivision 3, is amended to read:

17.11 Subd. 3. **Payments based on performance.** ~~(a)~~ The commissioner shall make payments  
17.12 under this section to each county ~~board on a calendar year basis in an amount determined~~  
17.13 ~~under paragraph (b) on or before July 10 of each year.~~

17.14 ~~(b) Calendar year allocations under subdivision 1 shall be paid to counties in the following~~  
17.15 ~~manner:~~

17.16 ~~(1) 80 percent of the allocation as determined in subdivision 1 must be paid to counties~~  
17.17 ~~on or before July 10 of each year;~~

17.18 ~~(2) ten percent of the allocation shall be withheld until the commissioner determines if~~  
17.19 ~~the county has met the performance outcome threshold of 90 percent based on face-to-face~~  
17.20 ~~contact with alleged child victims. In order to receive the performance allocation, the county~~  
17.21 ~~child protection workers must have a timely face-to-face contact with at least 90 percent of~~  
17.22 ~~all alleged child victims of screened-in maltreatment reports. The standard requires that~~  
17.23 ~~each initial face-to-face contact occur consistent with timelines defined in section 626.556,~~  
17.24 ~~subdivision 10, paragraph (i). The commissioner shall make threshold determinations in~~  
17.25 ~~January of each year and payments to counties meeting the performance outcome threshold~~  
17.26 ~~shall occur in February of each year. Any withheld funds from this appropriation for counties~~  
17.27 ~~that do not meet this requirement shall be reallocated by the commissioner to those counties~~  
17.28 ~~meeting the requirement; and~~

17.29 ~~(3) ten percent of the allocation shall be withheld until the commissioner determines~~  
17.30 ~~that the county has met the performance outcome threshold of 90 percent based on~~  
17.31 ~~face-to-face visits by the case manager. In order to receive the performance allocation, the~~  
17.32 ~~total number of visits made by caseworkers on a monthly basis to children in foster care~~  
17.33 ~~and children receiving child protection services while residing in their home must be at least~~

18.1 ~~90 percent of the total number of such visits that would occur if every child were visited~~  
 18.2 ~~once per month. The commissioner shall make such determinations in January of each year~~  
 18.3 ~~and payments to counties meeting the performance outcome threshold shall occur in February~~  
 18.4 ~~of each year. Any withheld funds from this appropriation for counties that do not meet this~~  
 18.5 ~~requirement shall be reallocated by the commissioner to those counties meeting the~~  
 18.6 ~~requirement. For 2015, the commissioner shall only apply the standard for monthly foster~~  
 18.7 ~~care visits.~~

18.8 ~~(e) The commissioner shall work with stakeholders and the Human Services Performance~~  
 18.9 ~~Council under section 402A.16 to develop recommendations for specific outcome measures~~  
 18.10 ~~that counties should meet in order to receive funds withheld under paragraph (b), and include~~  
 18.11 ~~in those recommendations a determination as to whether the performance measures under~~  
 18.12 ~~paragraph (b) should be modified or phased out. The commissioner shall report the~~  
 18.13 ~~recommendations to the legislative committees having jurisdiction over child protection~~  
 18.14 ~~issues by January 1, 2018.~~

18.15 Sec. 22. Minnesota Statutes 2018, section 256M.41, is amended by adding a subdivision  
 18.16 to read:

18.17 Subd. 4. **County performance on child protection measures.** The commissioner shall  
 18.18 set child protection measures and standards. The commissioner shall require an  
 18.19 underperforming county to demonstrate that the county designated sufficient funds and  
 18.20 implemented a reasonable strategy to improve child protection performance, including the  
 18.21 provision of a performance improvement plan and additional remedies identified by the  
 18.22 commissioner. The commissioner may redirect up to 20 percent of a county's funds under  
 18.23 this section toward the performance improvement plan. Sanctions under section 256M.20,  
 18.24 subdivision 3, related to noncompliance with federal performance standards also apply.

18.25 Sec. 23. Minnesota Statutes 2018, section 260C.007, subdivision 18, is amended to read:

18.26 Subd. 18. **Foster care.** (a) "Foster care" means ~~24-hour~~ 24-hour substitute care for  
 18.27 ~~children placed away from their parents or guardian and a child~~ a child for whom a responsible  
 18.28 social services agency has placement and care responsibility. ~~"Foster care" includes, but is~~  
 18.29 ~~not limited to, placement and:~~

18.30 (1) who is placed away from the child's parent or guardian in foster family homes, foster  
 18.31 homes of relatives, group homes, emergency shelters, residential facilities not excluded in  
 18.32 this subdivision, child care institutions, and preadoptive homes; or

19.1 (2) who is colocated with the child's parent or guardian in a licensed residential  
 19.2 family-based substance use disorder treatment program as defined in subdivision 22a; or

19.3 (3) who is returned to the care of the child's parent or guardian from whom the child  
 19.4 was removed under a trial home visit pursuant to section 260C.201, subdivision 1, paragraph  
 19.5 (a), clause (3).

19.6 (b) A child is in foster care under this definition regardless of whether the facility is  
 19.7 licensed and payments are made for the cost of care. Nothing in this definition creates any  
 19.8 authority to place a child in a home or facility that is required to be licensed which is not  
 19.9 licensed. "Foster care" does not include placement in any of the following facilities: hospitals,  
 19.10 inpatient chemical dependency treatment facilities where the child is the recipient of the  
 19.11 treatment, facilities that are primarily for delinquent children, any corrections facility or  
 19.12 program within a particular correction's facility not meeting requirements for title IV-E  
 19.13 facilities as determined by the commissioner, facilities to which a child is committed under  
 19.14 the provision of chapter 253B, forestry camps, or jails. Foster care is intended to provide  
 19.15 for a child's safety or to access treatment. Foster care must not be used as a punishment or  
 19.16 consequence for a child's behavior.

19.17 Sec. 24. Minnesota Statutes 2018, section 260C.007, is amended by adding a subdivision  
 19.18 to read:

19.19 Subd. 22a. **Licensed residential family-based substance use disorder treatment**  
 19.20 **program.** "Licensed residential family-based substance use disorder treatment program"  
 19.21 means a residential treatment facility that provides the parent or guardian with parenting  
 19.22 skills training, parent education, or individual and family counseling, under an organizational  
 19.23 structure and treatment framework that involves understanding, recognizing, and responding  
 19.24 to the effects of all types of trauma according to recognized principles of a trauma-informed  
 19.25 approach and trauma-specific interventions to address the consequences of trauma and  
 19.26 facilitate healing. The residential program must be licensed by the Department of Human  
 19.27 Services under chapter 245A and sections 245G.01 to 245G.16, 245G.19, and 245G.21 as  
 19.28 a residential substance use disorder treatment program specializing in the treatment of clients  
 19.29 with children.

19.30 Sec. 25. Minnesota Statutes 2018, section 260C.178, subdivision 1, is amended to read:

19.31 Subdivision 1. **Hearing and release requirements.** (a) If a child was taken into custody  
 19.32 under section 260C.175, subdivision 1, clause (1) or (2), item (ii), the court shall hold a

20.1 hearing within 72 hours of the time the child was taken into custody, excluding Saturdays,  
20.2 Sundays, and holidays, to determine whether the child should continue in custody.

20.3 (b) Unless there is reason to believe that the child would endanger self or others or not  
20.4 return for a court hearing, or that the child's health or welfare would be immediately  
20.5 endangered, the child shall be released to the custody of a parent, guardian, custodian, or  
20.6 other suitable person, subject to reasonable conditions of release including, but not limited  
20.7 to, a requirement that the child undergo a chemical use assessment as provided in section  
20.8 260C.157, subdivision 1.

20.9 (c) If the court determines there is reason to believe that the child would endanger self  
20.10 or others or not return for a court hearing, or that the child's health or welfare would be  
20.11 immediately endangered if returned to the care of the parent or guardian who has custody  
20.12 and from whom the child was removed, the court shall order the child into foster care as  
20.13 defined in section 260C.007, subdivision 18, under the legal responsibility of the responsible  
20.14 social services agency or responsible probation or corrections agency for the purposes of  
20.15 protective care as that term is used in the juvenile court rules or into the home of a  
20.16 noncustodial parent and order the noncustodial parent to comply with any conditions the  
20.17 court determines to be appropriate to the safety and care of the child, including cooperating  
20.18 with paternity establishment proceedings in the case of a man who has not been adjudicated  
20.19 the child's father. The court shall not give the responsible social services legal custody and  
20.20 order a trial home visit at any time prior to adjudication and disposition under section  
20.21 260C.201, subdivision 1, paragraph (a), clause (3), but may order the child returned to the  
20.22 care of the parent or guardian who has custody and from whom the child was removed and  
20.23 order the parent or guardian to comply with any conditions the court determines to be  
20.24 appropriate to meet the safety, health, and welfare of the child.

20.25 (d) In determining whether the child's health or welfare would be immediately  
20.26 endangered, the court shall consider whether the child would reside with a perpetrator of  
20.27 domestic child abuse.

20.28 (e) The court, before determining whether a child should be placed in or continue in  
20.29 foster care under the protective care of the responsible agency, shall also make a  
20.30 determination, consistent with section 260.012 as to whether reasonable efforts were made  
20.31 to prevent placement or whether reasonable efforts to prevent placement are not required.  
20.32 In the case of an Indian child, the court shall determine whether active efforts, according  
20.33 to section 260.762 and the Indian Child Welfare Act of 1978, United States Code, title 25,  
20.34 section 1912(d), were made to prevent placement. The court shall enter a finding that the

21.1 responsible social services agency has made reasonable efforts to prevent placement when  
21.2 the agency establishes either:

21.3 (1) that it has actually provided services or made efforts in an attempt to prevent the  
21.4 child's removal but that such services or efforts have not proven sufficient to permit the  
21.5 child to safely remain in the home; or

21.6 (2) that there are no services or other efforts that could be made at the time of the hearing  
21.7 that could safely permit the child to remain home or to return home. When reasonable efforts  
21.8 to prevent placement are required and there are services or other efforts that could be ordered  
21.9 which would permit the child to safely return home, the court shall order the child returned  
21.10 to the care of the parent or guardian and the services or efforts put in place to ensure the  
21.11 child's safety. When the court makes a prima facie determination that one of the  
21.12 circumstances under paragraph (g) exists, the court shall determine that reasonable efforts  
21.13 to prevent placement and to return the child to the care of the parent or guardian are not  
21.14 required.

21.15 If the court finds the social services agency's preventive or reunification efforts have  
21.16 not been reasonable but further preventive or reunification efforts could not permit the child  
21.17 to safely remain at home, the court may nevertheless authorize or continue the removal of  
21.18 the child.

21.19 (f) The court may not order or continue the foster care placement of the child unless the  
21.20 court makes explicit, individualized findings that continued custody of the child by the  
21.21 parent or guardian would be contrary to the welfare of the child and that placement is in the  
21.22 best interest of the child.

21.23 (g) At the emergency removal hearing, or at any time during the course of the proceeding,  
21.24 and upon notice and request of the county attorney, the court shall determine whether a  
21.25 petition has been filed stating a prima facie case that:

21.26 (1) the parent has subjected a child to egregious harm as defined in section 260C.007,  
21.27 subdivision 14;

21.28 (2) the parental rights of the parent to another child have been involuntarily terminated;

21.29 (3) the child is an abandoned infant under section 260C.301, subdivision 2, paragraph  
21.30 (a), clause (2);

21.31 (4) the parents' custodial rights to another child have been involuntarily transferred to a  
21.32 relative under Minnesota Statutes 2010, section 260C.201, subdivision 11, paragraph (e),  
21.33 clause (1); section 260C.515, subdivision 4; or a similar law of another jurisdiction;

22.1 (5) the parent has committed sexual abuse as defined in section 626.556, subdivision 2,  
22.2 against the child or another child of the parent;

22.3 (6) the parent has committed an offense that requires registration as a predatory offender  
22.4 under section 243.166, subdivision 1b, paragraph (a) or (b); or

22.5 (7) the provision of services or further services for the purpose of reunification is futile  
22.6 and therefore unreasonable.

22.7 (h) When a petition to terminate parental rights is required under section 260C.301,  
22.8 subdivision 4, or 260C.503, subdivision 2, but the county attorney has determined not to  
22.9 proceed with a termination of parental rights petition, and has instead filed a petition to  
22.10 transfer permanent legal and physical custody to a relative under section 260C.507, the  
22.11 court shall schedule a permanency hearing within 30 days of the filing of the petition.

22.12 (i) If the county attorney has filed a petition under section 260C.307, the court shall  
22.13 schedule a trial under section 260C.163 within 90 days of the filing of the petition except  
22.14 when the county attorney determines that the criminal case shall proceed to trial first under  
22.15 section 260C.503, subdivision 2, paragraph (c).

22.16 (j) If the court determines the child should be ordered into foster care and the child's  
22.17 parent refuses to give information to the responsible social services agency regarding the  
22.18 child's father or relatives of the child, the court may order the parent to disclose the names,  
22.19 addresses, telephone numbers, and other identifying information to the responsible social  
22.20 services agency for the purpose of complying with sections 260C.151, 260C.212, 260C.215,  
22.21 and 260C.221.

22.22 (k) If a child ordered into foster care has siblings, whether full, half, or step, who are  
22.23 also ordered into foster care, the court shall inquire of the responsible social services agency  
22.24 of the efforts to place the children together as required by section 260C.212, subdivision 2,  
22.25 paragraph (d), if placement together is in each child's best interests, unless a child is in  
22.26 placement for treatment or a child is placed with a previously noncustodial parent who is  
22.27 not a parent to all siblings. If the children are not placed together at the time of the hearing,  
22.28 the court shall inquire at each subsequent hearing of the agency's reasonable efforts to place  
22.29 the siblings together, as required under section 260.012. If any sibling is not placed with  
22.30 another sibling or siblings, the agency must develop a plan to facilitate visitation or ongoing  
22.31 contact among the siblings as required under section 260C.212, subdivision 1, unless it is  
22.32 contrary to the safety or well-being of any of the siblings to do so.

22.33 (l) When the court has ordered the child into foster care or into the home of a noncustodial  
22.34 parent, the court may order a chemical dependency evaluation, mental health evaluation,

23.1 medical examination, and parenting assessment for the parent as necessary to support the  
 23.2 development of a plan for reunification required under subdivision 7 and section 260C.212,  
 23.3 subdivision 1, or the child protective services plan under section 626.556, subdivision 10,  
 23.4 and Minnesota Rules, part 9560.0228.

23.5 **Sec. 26. [260C.190] FAMILY-FOCUSED RESIDENTIAL PLACEMENT.**

23.6 Subdivision 1. **Placement.** (a) An agency with legal responsibility for a child under  
 23.7 section 260C.178, subdivision 1, paragraph (c), or legal custody of a child under section  
 23.8 260C.201, subdivision 1, paragraph (a), clause (3), may colocate a child with a parent who  
 23.9 is receiving services in a licensed residential family-based substance use disorder treatment  
 23.10 program for up to 12 months.

23.11 (b) During the child's placement under paragraph (a), the agency: (1) may visit the child  
 23.12 as the agency deems necessary and appropriate; (2) shall continue to have access to  
 23.13 information under section 260C.208; and (3) shall continue to provide appropriate services  
 23.14 to both the parent and the child.

23.15 (c) The agency may terminate the child's placement under paragraph (a) to protect the  
 23.16 child's health, safety, or welfare and may remove the child to foster care without a prior  
 23.17 court order or authorization.

23.18 Subd. 2. **Case plans.** (a) Before a child may be colocated with a parent in a licensed  
 23.19 residential family-based substance use disorder treatment program, a recommendation that  
 23.20 the child's placement with a parent is in the child's best interests must be documented in the  
 23.21 child's case plan. Each child must have a written case plan developed with the parent and  
 23.22 the treatment program staff that describes the safety plan for the child and the treatment  
 23.23 program's responsibilities if the parent leaves or is discharged without completing the  
 23.24 program. The treatment program must be provided with a copy of the case plan that includes  
 23.25 the recommendations and safety plan at the time the child is colocated with the parent.

23.26 (b) An out-of-home placement plan under section 260C.212, subdivision 1, must be  
 23.27 completed no later than 30 days from when a child is colocated with a parent in a licensed  
 23.28 residential family-based substance use disorder treatment program. The written plan  
 23.29 developed with parent and treatment program staff in paragraph (a) may be updated and  
 23.30 must be incorporated into the out-of-home placement plan. The treatment program must be  
 23.31 provided with a copy of the child's out-of-home placement plan.

23.32 Subd. 3. **Required reviews and permanency proceedings.** (a) For a child colocated  
 23.33 with a parent under subdivision 1, court reviews must occur according to section 260C.202.

24.1 (b) If a child has been in foster care for six months, a court review under section 260C.202  
24.2 may be conducted in lieu of a permanency progress review hearing under section 260C.204  
24.3 when the child is colocated with a parent consistent with section 260C.503, subdivision 3,  
24.4 paragraph (c), in a licensed residential family-based substance use disorder treatment  
24.5 program.

24.6 (c) If the child is colocated with a parent in a licensed residential family-based substance  
24.7 use disorder treatment program 12 months after the child was placed in foster care, the  
24.8 agency must file a report with the court regarding the parent's progress in the treatment  
24.9 program and the agency's reasonable efforts to finalize the child's safe and permanent return  
24.10 to the care and custody of the parent consistent with section 260C.503, subdivision 3,  
24.11 paragraph (c), in lieu of filing a petition required under section 260C.505.

24.12 (d) The court shall make findings regarding the reasonable efforts of the agency to  
24.13 finalize the child's return home as the permanency disposition order in the child's best  
24.14 interests. The court may continue the child's foster care placement colocated with a parent  
24.15 in a licensed residential family-based substance use disorder treatment program for up to  
24.16 12 months. When a child has been in foster care placement for 12 months, but the duration  
24.17 of the colocation with a parent in a licensed residential family-based substance use disorder  
24.18 treatment program is less than 12 months, the court may continue the colocation with the  
24.19 total time spent in foster care not exceeding 15 out of the most recent 22 months. If the  
24.20 court finds that the agency fails to make reasonable efforts to finalize the child's return home  
24.21 as the permanency disposition order in the child's best interests, the court may order additional  
24.22 efforts to support the child remaining in the care of the parent.

24.23 (e) If a parent leaves or is discharged from a licensed residential family-based substance  
24.24 use disorder treatment program without completing the program, the child's placement under  
24.25 this section is terminated and the agency may remove the child to foster care without a prior  
24.26 court order or authorization. Within three days of any termination of a child's placement,  
24.27 the agency shall notify the court and each party.

24.28 (f) If a parent leaves or is discharged from a licensed residential family-based substance  
24.29 use disorder treatment program without completing the program and the child has been in  
24.30 foster care for less than six months, the court must hold a review hearing within ten days  
24.31 of receiving notice of a termination of a child's placement and must order an alternative  
24.32 disposition under section 260C.201.

24.33 (g) If a parent leaves or is discharged from a licensed residential family-based substance  
24.34 use disorder treatment program without completing the program and the child is colocated

25.1 with a parent and the child has been in foster care for more than six months but less than  
 25.2 12 months, the court must conduct a permanency progress review hearing under section  
 25.3 260C.204 no later than 30 days after the day the parent leaves or is discharged.

25.4 (h) If a parent leaves or is discharged from a licensed residential family-based substance  
 25.5 use disorder treatment program without completing the program and the child is colocated  
 25.6 with a parent and the child has been in foster care for more than 12 months, the court shall  
 25.7 begin permanency proceedings under sections 260C.503 to 260C.521.

25.8 Sec. 27. Minnesota Statutes 2018, section 260C.201, subdivision 1, is amended to read:

25.9 Subdivision 1. **Dispositions.** (a) If the court finds that the child is in need of protection  
 25.10 or services or neglected and in foster care, it shall enter an order making any of the following  
 25.11 dispositions of the case:

25.12 (1) place the child under the protective supervision of the responsible social services  
 25.13 agency or child-placing agency in the home of a parent of the child under conditions  
 25.14 prescribed by the court directed to the correction of the child's need for protection or services:

25.15 (i) the court may order the child into the home of a parent who does not otherwise have  
 25.16 legal custody of the child, however, an order under this section does not confer legal custody  
 25.17 on that parent;

25.18 (ii) if the court orders the child into the home of a father who is not adjudicated, the  
 25.19 father must cooperate with paternity establishment proceedings regarding the child in the  
 25.20 appropriate jurisdiction as one of the conditions prescribed by the court for the child to  
 25.21 continue in the father's home; and

25.22 (iii) the court may order the child into the home of a noncustodial parent with conditions  
 25.23 and may also order both the noncustodial and the custodial parent to comply with the  
 25.24 requirements of a case plan under subdivision 2; or

25.25 (2) transfer legal custody to one of the following:

25.26 (i) a child-placing agency; or

25.27 (ii) the responsible social services agency. In making a foster care placement for a child  
 25.28 whose custody has been transferred under this subdivision, the agency shall make an  
 25.29 individualized determination of how the placement is in the child's best interests using the  
 25.30 consideration for relatives ~~and~~<sub>2</sub> the best interest factors in section 260C.212, subdivision 2,  
 25.31 paragraph (b), and may include a child colocated with a parent in a licensed residential  
 25.32 family-based substance use disorder treatment program under section 260C.190; or

26.1 (3) order a trial home visit without modifying the transfer of legal custody to the  
26.2 responsible social services agency under clause (2). Trial home visit means the child is  
26.3 returned to the care of the parent or guardian from whom the child was removed for a period  
26.4 not to exceed six months. During the period of the trial home visit, the responsible social  
26.5 services agency:

26.6 (i) shall continue to have legal custody of the child, which means the agency may see  
26.7 the child in the parent's home, at school, in a child care facility, or other setting as the agency  
26.8 deems necessary and appropriate;

26.9 (ii) shall continue to have the ability to access information under section 260C.208;

26.10 (iii) shall continue to provide appropriate services to both the parent and the child during  
26.11 the period of the trial home visit;

26.12 (iv) without previous court order or authorization, may terminate the trial home visit in  
26.13 order to protect the child's health, safety, or welfare and may remove the child to foster care;

26.14 (v) shall advise the court and parties within three days of the termination of the trial  
26.15 home visit when a visit is terminated by the responsible social services agency without a  
26.16 court order; and

26.17 (vi) shall prepare a report for the court when the trial home visit is terminated whether  
26.18 by the agency or court order which describes the child's circumstances during the trial home  
26.19 visit and recommends appropriate orders, if any, for the court to enter to provide for the  
26.20 child's safety and stability. In the event a trial home visit is terminated by the agency by  
26.21 removing the child to foster care without prior court order or authorization, the court shall  
26.22 conduct a hearing within ten days of receiving notice of the termination of the trial home  
26.23 visit by the agency and shall order disposition under this subdivision or ~~conduct a permanency~~  
26.24 ~~hearing under subdivision 11 or 11a~~ commence permanency proceedings under sections  
26.25 260C.503 to 260C.515. The time period for the hearing may be extended by the court for  
26.26 good cause shown and if it is in the best interests of the child as long as the total time the  
26.27 child spends in foster care without a permanency hearing does not exceed 12 months;

26.28 (4) if the child has been adjudicated as a child in need of protection or services because  
26.29 the child is in need of special services or care to treat or ameliorate a physical or mental  
26.30 disability or emotional disturbance as defined in section 245.4871, subdivision 15, the court  
26.31 may order the child's parent, guardian, or custodian to provide it. The court may order the  
26.32 child's health plan company to provide mental health services to the child. Section 62Q.535  
26.33 applies to an order for mental health services directed to the child's health plan company.  
26.34 If the health plan, parent, guardian, or custodian fails or is unable to provide this treatment

27.1 or care, the court may order it provided. Absent specific written findings by the court that  
27.2 the child's disability is the result of abuse or neglect by the child's parent or guardian, the  
27.3 court shall not transfer legal custody of the child for the purpose of obtaining special  
27.4 treatment or care solely because the parent is unable to provide the treatment or care. If the  
27.5 court's order for mental health treatment is based on a diagnosis made by a treatment  
27.6 professional, the court may order that the diagnosing professional not provide the treatment  
27.7 to the child if it finds that such an order is in the child's best interests; or

27.8 (5) if the court believes that the child has sufficient maturity and judgment and that it is  
27.9 in the best interests of the child, the court may order a child 16 years old or older to be  
27.10 allowed to live independently, either alone or with others as approved by the court under  
27.11 supervision the court considers appropriate, if the county board, after consultation with the  
27.12 court, has specifically authorized this dispositional alternative for a child.

27.13 (b) If the child was adjudicated in need of protection or services because the child is a  
27.14 runaway or habitual truant, the court may order any of the following dispositions in addition  
27.15 to or as alternatives to the dispositions authorized under paragraph (a):

27.16 (1) counsel the child or the child's parents, guardian, or custodian;

27.17 (2) place the child under the supervision of a probation officer or other suitable person  
27.18 in the child's own home under conditions prescribed by the court, including reasonable rules  
27.19 for the child's conduct and the conduct of the parents, guardian, or custodian, designed for  
27.20 the physical, mental, and moral well-being and behavior of the child;

27.21 (3) subject to the court's supervision, transfer legal custody of the child to one of the  
27.22 following:

27.23 (i) a reputable person of good moral character. No person may receive custody of two  
27.24 or more unrelated children unless licensed to operate a residential program under sections  
27.25 245A.01 to 245A.16; or

27.26 (ii) a county probation officer for placement in a group foster home established under  
27.27 the direction of the juvenile court and licensed pursuant to section 241.021;

27.28 (4) require the child to pay a fine of up to \$100. The court shall order payment of the  
27.29 fine in a manner that will not impose undue financial hardship upon the child;

27.30 (5) require the child to participate in a community service project;

27.31 (6) order the child to undergo a chemical dependency evaluation and, if warranted by  
27.32 the evaluation, order participation by the child in a drug awareness program or an inpatient  
27.33 or outpatient chemical dependency treatment program;

28.1 (7) if the court believes that it is in the best interests of the child or of public safety that  
28.2 the child's driver's license or instruction permit be canceled, the court may order the  
28.3 commissioner of public safety to cancel the child's license or permit for any period up to  
28.4 the child's 18th birthday. If the child does not have a driver's license or permit, the court  
28.5 may order a denial of driving privileges for any period up to the child's 18th birthday. The  
28.6 court shall forward an order issued under this clause to the commissioner, who shall cancel  
28.7 the license or permit or deny driving privileges without a hearing for the period specified  
28.8 by the court. At any time before the expiration of the period of cancellation or denial, the  
28.9 court may, for good cause, order the commissioner of public safety to allow the child to  
28.10 apply for a license or permit, and the commissioner shall so authorize;

28.11 (8) order that the child's parent or legal guardian deliver the child to school at the  
28.12 beginning of each school day for a period of time specified by the court; or

28.13 (9) require the child to perform any other activities or participate in any other treatment  
28.14 programs deemed appropriate by the court.

28.15 To the extent practicable, the court shall enter a disposition order the same day it makes  
28.16 a finding that a child is in need of protection or services or neglected and in foster care, but  
28.17 in no event more than 15 days after the finding unless the court finds that the best interests  
28.18 of the child will be served by granting a delay. If the child was under eight years of age at  
28.19 the time the petition was filed, the disposition order must be entered within ten days of the  
28.20 finding and the court may not grant a delay unless good cause is shown and the court finds  
28.21 the best interests of the child will be served by the delay.

28.22 (c) If a child who is 14 years of age or older is adjudicated in need of protection or  
28.23 services because the child is a habitual truant and truancy procedures involving the child  
28.24 were previously dealt with by a school attendance review board or county attorney mediation  
28.25 program under section 260A.06 or 260A.07, the court shall order a cancellation or denial  
28.26 of driving privileges under paragraph (b), clause (7), for any period up to the child's 18th  
28.27 birthday.

28.28 (d) In the case of a child adjudicated in need of protection or services because the child  
28.29 has committed domestic abuse and been ordered excluded from the child's parent's home,  
28.30 the court shall dismiss jurisdiction if the court, at any time, finds the parent is able or willing  
28.31 to provide an alternative safe living arrangement for the child, as defined in Laws 1997,  
28.32 chapter 239, article 10, section 2.

28.33 (e) When a parent has complied with a case plan ordered under subdivision 6 and the  
28.34 child is in the care of the parent, the court may order the responsible social services agency

29.1 to monitor the parent's continued ability to maintain the child safely in the home under such  
29.2 terms and conditions as the court determines appropriate under the circumstances.

29.3 Sec. 28. Minnesota Statutes 2018, section 260C.201, subdivision 2, is amended to read:

29.4 Subd. 2. **Written findings.** (a) Any order for a disposition authorized under this section  
29.5 shall contain written findings of fact to support the disposition and case plan ordered and  
29.6 shall also set forth in writing the following information:

29.7 (1) why the best interests and safety of the child are served by the disposition and case  
29.8 plan ordered;

29.9 (2) what alternative dispositions or services under the case plan were considered by the  
29.10 court and why such dispositions or services were not appropriate in the instant case;

29.11 (3) when legal custody of the child is transferred, the appropriateness of the particular  
29.12 placement made or to be made by the placing agency using the factors in section 260C.212,  
29.13 subdivision 2, paragraph (b), or the appropriateness of a child colocated with a parent in a  
29.14 licensed residential family-based substance use disorder treatment program under section  
29.15 260C.190;

29.16 (4) whether reasonable efforts to finalize the permanent plan for the child consistent  
29.17 with section 260.012 were made including reasonable efforts:

29.18 (i) to prevent the child's placement and to reunify the child with the parent or guardian  
29.19 from whom the child was removed at the earliest time consistent with the child's safety.

29.20 The court's findings must include a brief description of what preventive and reunification  
29.21 efforts were made and why further efforts could not have prevented or eliminated the  
29.22 necessity of removal or that reasonable efforts were not required under section 260.012 or  
29.23 260C.178, subdivision 1;

29.24 (ii) to identify and locate any noncustodial or nonresident parent of the child and to  
29.25 assess such parent's ability to provide day-to-day care of the child, and, where appropriate,  
29.26 provide services necessary to enable the noncustodial or nonresident parent to safely provide  
29.27 day-to-day care of the child as required under section 260C.219, unless such services are  
29.28 not required under section 260.012 or 260C.178, subdivision 1;

29.29 (iii) to make the diligent search for relatives and provide the notices required under  
29.30 section 260C.221; a finding made pursuant to a hearing under section 260C.202 that the  
29.31 agency has made diligent efforts to conduct a relative search and has appropriately engaged  
29.32 relatives who responded to the notice under section 260C.221 and other relatives, who came

30.1 to the attention of the agency after notice under section 260C.221 was sent, in placement  
30.2 and case planning decisions fulfills the requirement of this item;

30.3 (iv) to identify and make a foster care placement in the home of an unlicensed relative,  
30.4 according to the requirements of section 245A.035, a licensed relative, or other licensed  
30.5 foster care provider who will commit to being the permanent legal parent or custodian for  
30.6 the child in the event reunification cannot occur, but who will actively support the  
30.7 reunification plan for the child; and

30.8 (v) to place siblings together in the same home or to ensure visitation is occurring when  
30.9 siblings are separated in foster care placement and visitation is in the siblings' best interests  
30.10 under section 260C.212, subdivision 2, paragraph (d); and

30.11 (5) if the child has been adjudicated as a child in need of protection or services because  
30.12 the child is in need of special services or care to treat or ameliorate a mental disability or  
30.13 emotional disturbance as defined in section 245.4871, subdivision 15, the written findings  
30.14 shall also set forth:

30.15 (i) whether the child has mental health needs that must be addressed by the case plan;

30.16 (ii) what consideration was given to the diagnostic and functional assessments performed  
30.17 by the child's mental health professional and to health and mental health care professionals'  
30.18 treatment recommendations;

30.19 (iii) what consideration was given to the requests or preferences of the child's parent or  
30.20 guardian with regard to the child's interventions, services, or treatment; and

30.21 (iv) what consideration was given to the cultural appropriateness of the child's treatment  
30.22 or services.

30.23 (b) If the court finds that the social services agency's preventive or reunification efforts  
30.24 have not been reasonable but that further preventive or reunification efforts could not permit  
30.25 the child to safely remain at home, the court may nevertheless authorize or continue the  
30.26 removal of the child.

30.27 (c) If the child has been identified by the responsible social services agency as the subject  
30.28 of concurrent permanency planning, the court shall review the reasonable efforts of the  
30.29 agency to develop a permanency plan for the child that includes a primary plan which is  
30.30 for reunification with the child's parent or guardian and a secondary plan which is for an  
30.31 alternative, legally permanent home for the child in the event reunification cannot be achieved  
30.32 in a timely manner.

31.1 Sec. 29. Minnesota Statutes 2018, section 260C.201, subdivision 6, is amended to read:

31.2 Subd. 6. **Case plan.** (a) For each disposition ordered where the child is placed away  
31.3 from a parent or guardian, the court shall order the responsible social services agency to  
31.4 prepare a written out-of-home placement plan according to the requirements of section  
31.5 260C.212, subdivision 1. When a foster child is colocated with a parent in a licensed  
31.6 residential family-based substance use disorder treatment program under section 260C.190,  
31.7 the case plan must specify the recommendation for the colocation before the child is colocated  
31.8 with the parent.

31.9 (b) In cases where the child is not placed out of the home or is ordered into the home of  
31.10 a noncustodial parent, the responsible social services agency shall prepare a plan for delivery  
31.11 of social services to the child and custodial parent under section 626.556, subdivision 10,  
31.12 or any other case plan required to meet the needs of the child. The plan shall be designed  
31.13 to safely maintain the child in the home or to reunite the child with the custodial parent.

31.14 (c) The court may approve the case plan as presented or modify it after hearing from  
31.15 the parties. Once the plan is approved, the court shall order all parties to comply with it. A  
31.16 copy of the approved case plan shall be attached to the court's order and incorporated into  
31.17 it by reference.

31.18 (d) A party has a right to request a court review of the reasonableness of the case plan  
31.19 upon a showing of a substantial change of circumstances.

31.20 Sec. 30. Minnesota Statutes 2018, section 260C.212, subdivision 2, is amended to read:

31.21 Subd. 2. **Placement decisions based on best interests of the child.** (a) The policy of  
31.22 the state of Minnesota is to ensure that the child's best interests are met by requiring an  
31.23 individualized determination of the needs of the child and of how the selected placement  
31.24 will serve the needs of the child being placed. The authorized child-placing agency shall  
31.25 place a child, released by court order or by voluntary release by the parent or parents, in a  
31.26 family foster home selected by considering placement with relatives and important friends  
31.27 in the following order:

31.28 (1) with an individual who is related to the child by blood, marriage, or adoption; or

31.29 (2) with an individual who is an important friend with whom the child has resided or  
31.30 had significant contact.

31.31 For an Indian child, the agency shall follow the order of placement preferences in the Indian  
31.32 Child Welfare Act of 1978, United States Code, title 25, section 1915.

32.1 (b) Among the factors the agency shall consider in determining the needs of the child  
32.2 are the following:

32.3 (1) the child's current functioning and behaviors;

32.4 (2) the medical needs of the child;

32.5 (3) the educational needs of the child;

32.6 (4) the developmental needs of the child;

32.7 (5) the child's history and past experience;

32.8 (6) the child's religious and cultural needs;

32.9 (7) the child's connection with a community, school, and faith community;

32.10 (8) the child's interests and talents;

32.11 (9) the child's relationship to current caretakers, parents, siblings, and relatives;

32.12 (10) the reasonable preference of the child, if the court, or the child-placing agency in  
32.13 the case of a voluntary placement, deems the child to be of sufficient age to express  
32.14 preferences; and

32.15 (11) for an Indian child, the best interests of an Indian child as defined in section 260.755,  
32.16 subdivision 2a.

32.17 (c) Placement of a child cannot be delayed or denied based on race, color, or national  
32.18 origin of the foster parent or the child.

32.19 (d) Siblings should be placed together for foster care and adoption at the earliest possible  
32.20 time unless it is documented that a joint placement would be contrary to the safety or  
32.21 well-being of any of the siblings or unless it is not possible after reasonable efforts by the  
32.22 responsible social services agency. In cases where siblings cannot be placed together, the  
32.23 agency is required to provide frequent visitation or other ongoing interaction between  
32.24 siblings unless the agency documents that the interaction would be contrary to the safety  
32.25 or well-being of any of the siblings.

32.26 (e) Except for emergency placement as provided for in section 245A.035, the following  
32.27 requirements must be satisfied before the approval of a foster or adoptive placement in a  
32.28 related or unrelated home: (1) a completed background study under section 245C.08; and  
32.29 (2) a completed review of the written home study required under section 260C.215,  
32.30 subdivision 4, clause (5), or 260C.611, to assess the capacity of the prospective foster or  
32.31 adoptive parent to ensure the placement will meet the needs of the individual child.

33.1 (f) The agency must determine whether colocation with a parent who is receiving services  
33.2 in a licensed residential family-based substance use disorder treatment program is in the  
33.3 child's best interests according to paragraph (b) and include that determination in the child's  
33.4 case plan. The agency may consider additional factors not identified in paragraph (b). The  
33.5 agency's determination must be documented in the child's case plan before the child is  
33.6 colocated with a parent.

33.7 **Sec. 31. [260C.228] VOLUNTARY FOSTER CARE; CHILD IS COLOCATED**  
33.8 **WITH PARENT IN TREATMENT PROGRAM.**

33.9 Subdivision 1. **Generally.** When a parent requests assistance from an agency and both  
33.10 the parent and agency agree that a child's placement in foster care and colocation with a  
33.11 parent in a licensed residential family-based substance use treatment facility as defined by  
33.12 section 260C.007, subdivision 22a, is in the child's best interests, the agency must specify  
33.13 the recommendation for the placement in the child's case plan. After the child's case plan  
33.14 includes the recommendation, the agency and the parent may enter into a written voluntary  
33.15 placement agreement on a form approved by the commissioner.

33.16 Subd. 2. **Judicial review.** (a) A judicial review of a child's voluntary placement is  
33.17 required within 165 days of the date the voluntary agreement was signed. The agency  
33.18 responsible for the child's placement in foster care shall request the judicial review.

33.19 (b) The agency must forward a written report to the court at least five business days  
33.20 prior to the judicial review in paragraph (a). The report must contain:

33.21 (i) a statement regarding whether the colocation of the child with a parent in a licensed  
33.22 residential family-based substance use disorder treatment program meets the child's needs  
33.23 and continues to be in the child's best interests;

33.24 (ii) the child's name, dates of birth, race, gender, and current address;

33.25 (iii) the names, race, dates of birth, residences, and post office addresses of the child's  
33.26 parents or custodian;

33.27 (iv) a statement regarding the child's eligibility for membership or enrollment in an  
33.28 Indian tribe and the agency's compliance with applicable provisions of sections 260.751 to  
33.29 260.835;

33.30 (v) the name and address of the licensed residential family-based substance use disorder  
33.31 treatment program where the child and parent or custodian are colocated;

34.1 (vi) a copy of the out-of-home placement plan under section 260C.212, subdivisions 1  
34.2 and 3;

34.3 (vii) a written summary of the proceedings of any administrative review required under  
34.4 section 260C.203; and

34.5 (viii) any other information the agency, parent or custodian, child, or licensed residential  
34.6 family-based substance use disorder treatment program wants the court to consider.

34.7 (c) The agency must inform a child, if the child is 12 years of age or older; the child's  
34.8 parent; and the licensed residential family-based substance use disorder treatment program  
34.9 of the reporting and court review requirements of this section and of their rights to submit  
34.10 information to the court as follows:

34.11 (1) if the child, the child's parent, or the licensed residential family-based substance use  
34.12 disorder treatment program wants to send information to the court, the agency shall advise  
34.13 those persons of the reporting date and the date by which the agency must receive the  
34.14 information to submit to the court with the agency's report; and

34.15 (2) the agency must inform the child, the child's parent, and the licensed residential  
34.16 family-based substance use disorder treatment program that they have the right to be heard  
34.17 in person by the court. An in-person hearing must be held if requested by the child, parent  
34.18 or legal guardian, or licensed residential family-based substance use disorder treatment  
34.19 program.

34.20 (d) If, at the time required for the agency's report under this section, a child 12 years of  
34.21 age or older disagrees about the placement colocating the child with the parent in a licensed  
34.22 residential family-based substance use disorder treatment program or services provided  
34.23 under the out-of-home placement plan under section 260C.212, subdivision 1, the agency  
34.24 shall include information regarding the child's disagreement and to the extent possible the  
34.25 basis for the child's disagreement in the report.

34.26 (e) Regardless of whether an in-person hearing is requested within ten days of receiving  
34.27 the agency's report, the court has jurisdiction to and must determine:

34.28 (i) whether the voluntary foster care arrangement is in the child's best interests;

34.29 (ii) whether the parent and agency are appropriately planning for the child; and

34.30 (iii) if a child 12 years of age or older disagrees with the foster care placement colocating  
34.31 the child with the parent in a licensed residential family-based substance use disorder  
34.32 treatment program or services provided under the out-of-home placement plan, whether to  
34.33 appoint counsel and a guardian ad litem for the child according to section 260C.163.

35.1 (f) Unless requested by the parent, representative of the licensed residential family-based  
35.2 substance use disorder treatment program, or child, an in-person hearing is not required for  
35.3 the court to make findings and issue an order.

35.4 (g) If the court finds the voluntary foster care arrangement is in the child's best interests  
35.5 and that the agency and parent are appropriately planning for the child, the court shall issue  
35.6 an order containing explicit individualized findings to support the court's determination.  
35.7 The individual findings shall be based on the agency's written report and other materials  
35.8 submitted to the court. The court may make this determination notwithstanding the child's  
35.9 disagreement, if any, reported to the court under paragraph (d).

35.10 (h) The court shall send a copy of the order to the county attorney, the agency, the parent,  
35.11 a child 12 years of age or older, and the licensed residential family-based substance use  
35.12 disorder treatment program.

35.13 (i) If the court finds continuing the voluntary foster care arrangement is not in the child's  
35.14 best interests or that the agency or the parent is not appropriately planning for the child, the  
35.15 court shall notify the agency, the parent, the licensed residential family-based substance

56.2 Subd. 7. **Date of eligibility for assistance.** (a) The date of eligibility for child care  
56.3 assistance under this chapter is the later of the date the application was received by the  
56.4 county; the beginning date of employment, education, or training; the date the infant is born  
56.5 for applicants to the at-home infant care program; or the date a determination has been made  
56.6 that the applicant is a participant in employment and training services under Minnesota  
56.7 Rules, part 3400.0080, or chapter 256J.

56.8 (b) Payment ceases for a family under the at-home infant child care program when a  
56.9 family has used a total of 12 months of assistance as specified under section 119B.035.  
56.10 Payment of child care assistance for employed persons on MFIP is effective the date of  
56.11 employment or the date of MFIP eligibility, whichever is later. Payment of child care  
56.12 assistance for MFIP or DWP participants in employment and training services is effective  
56.13 the date of commencement of the services or the date of MFIP or DWP eligibility, whichever  
56.14 is later. Payment of child care assistance for transition year child care must be made  
56.15 retroactive to the date of eligibility for transition year child care.

56.16 (c) Notwithstanding paragraph (b), payment of child care assistance for participants  
56.17 eligible under section 119B.05 may only be made retroactive for a maximum of ~~six~~ three  
56.18 months from the date of application for child care assistance.

56.19 **EFFECTIVE DATE.** This section is effective July 1, 2019.

56.20 Sec. 9. Minnesota Statutes 2018, section 119B.125, subdivision 6, is amended to read:

56.21 Subd. 6. **Record-keeping requirement.** (a) As a condition of payment, all providers  
56.22 receiving child care assistance payments must:

56.23 (1) keep accurate and legible daily attendance records at the site where services are  
56.24 delivered for children receiving child care assistance; and

56.25 ~~must~~ (2) make those records available immediately to the county or the commissioner  
56.26 upon request. Any records not provided to a county or the commissioner at the date and  
56.27 time of the request are deemed inadmissible if offered as evidence by the provider in any  
56.28 proceeding to contest an overpayment or disqualification of the provider.

56.29 ~~The~~ (b) As a condition of payment, attendance records must be completed daily and  
56.30 include the date, the first and last name of each child in attendance, and the times when  
56.31 each child is dropped off and picked up. To the extent possible, the times that the child was  
56.32 dropped off to and picked up from the child care provider must be entered by the person

57.1 dropping off or picking up the child. The daily attendance records must be retained at the  
57.2 site where services are delivered for six years after the date of service.

57.3 (c) A county or the commissioner may deny or revoke a provider's authorization as a  
57.4 child care provider to any applicant, rescind authorization of any provider, to receive child  
57.5 care assistance payments under section 119B.13, subdivision 6, paragraph (d), pursue a  
57.6 fraud disqualification under section 256.98, take an action against the provider under chapter  
57.7 245E, or establish an attendance record overpayment claim in the system under paragraph  
57.8 (d) against a current or former provider, when the county or the commissioner knows or  
57.9 has reason to believe that the provider has not complied with the record-keeping requirement  
57.10 in this subdivision. A provider's failure to produce attendance records as requested on more  
57.11 than one occasion constitutes grounds for disqualification as a provider.

57.12 (d) To calculate an attendance record overpayment under this subdivision, the  
57.13 commissioner or county agency shall subtract the maximum daily rate from the total amount  
57.14 paid to a provider for each day that a child's attendance record is missing, unavailable,  
57.15 incomplete, inaccurate, or otherwise inadequate.

57.16 (e) The commissioner shall develop criteria for a county to determine an attendance  
57.17 record overpayment under this subdivision.

57.18 **EFFECTIVE DATE.** This section is effective July 1, 2019.

57.19 Sec. 10. Minnesota Statutes 2018, section 119B.13, subdivision 6, is amended to read:

57.20 Subd. 6. **Provider payments.** (a) A provider shall bill only for services documented  
57.21 according to section 119B.125, subdivision 6. The provider shall bill for services provided  
57.22 within ten days of the end of the service period. Payments under the child care fund shall  
57.23 be made within 21 days of receiving a complete bill from the provider. Counties or the state  
57.24 may establish policies that make payments on a more frequent basis.

57.25 (b) If a provider has received an authorization of care and been issued a billing form for  
57.26 an eligible family, the bill must be submitted within 60 days of the last date of service on  
57.27 the bill. A bill submitted more than 60 days after the last date of service must be paid if the  
57.28 county determines that the provider has shown good cause why the bill was not submitted  
57.29 within 60 days. Good cause must be defined in the county's child care fund plan under  
57.30 section 119B.08, subdivision 3, and the definition of good cause must include county error.  
57.31 Any bill submitted more than a year after the last date of service on the bill must not be  
57.32 paid.

58.1 (c) If a provider provided care for a time period without receiving an authorization of  
58.2 care and a billing form for an eligible family, payment of child care assistance may only be  
58.3 made retroactively for a maximum of six months from the date the provider is issued an  
58.4 authorization of care and billing form.

58.5 (d) A county or the commissioner may refuse to issue a child care authorization to a  
58.6 licensed or legal nonlicensed provider, revoke an existing child care authorization to a  
58.7 licensed or legal nonlicensed provider, stop payment issued to a licensed or legal nonlicensed  
58.8 provider, or refuse to pay a bill submitted by a licensed or legal nonlicensed provider if:

58.9 (1) the provider admits to intentionally giving the county materially false information  
58.10 on the provider's billing forms;

58.11 (2) a county or the commissioner finds by a preponderance of the evidence that the  
58.12 provider intentionally gave the county materially false information on the provider's billing  
58.13 forms, or provided false attendance records to a county or the commissioner;

58.14 (3) the provider is in violation of child care assistance program rules, until the agency  
58.15 determines those violations have been corrected;

58.16 (4) the provider is operating after:

58.17 (i) an order of suspension of the provider's license issued by the commissioner;

58.18 (ii) an order of revocation of the provider's license; or

58.19 (iii) a final order of conditional license issued by the commissioner for as long as the  
58.20 conditional license is in effect;

58.21 (5) the provider submits false attendance reports or refuses to provide documentation  
58.22 of the child's attendance upon request; ~~or~~

58.23 (6) the provider gives false child care price information; or

58.24 (7) the provider fails to report decreases in a child's attendance as required under section  
58.25 119B.125, subdivision 9.

58.26 (e) For purposes of paragraph (d), clauses (3), (5), ~~and (6)~~, and (7), the county or the  
58.27 commissioner may withhold the provider's authorization or payment for a period of time  
58.28 not to exceed three months beyond the time the condition has been corrected.

58.29 (f) A county's payment policies must be included in the county's child care plan under  
58.30 section 119B.08, subdivision 3. If payments are made by the state, in addition to being in  
58.31 compliance with this subdivision, the payments must be made in compliance with section  
58.32 16A.124.

59.1 **EFFECTIVE DATE.** This section is effective July 1, 2019.

59.2 Sec. 11. Minnesota Statutes 2018, section 119B.13, subdivision 7, is amended to read:

59.3 Subd. 7. **Absent days.** (a) Licensed child care providers and license-exempt centers  
59.4 must not be reimbursed for more than 25 full-day absent days per child, excluding holidays,  
59.5 in a ~~fiscal~~ calendar year, or for more than ten consecutive full-day absent days. "Absent  
59.6 day" means any day that the child is authorized and scheduled to be in care with a licensed  
59.7 provider or license-exempt center, and the child is absent from the care for the entire day.

59.8 Legal nonlicensed family child care providers must not be reimbursed for absent days. If a  
59.9 child attends for part of the time authorized to be in care in a day, but is absent for part of  
59.10 the time authorized to be in care in that same day, the absent time must be reimbursed but  
59.11 the time must not count toward the absent days limit. Child care providers must only be  
59.12 reimbursed for absent days if the provider has a written policy for child absences and charges  
59.13 all other families in care for similar absences.

59.14 (b) Notwithstanding paragraph (a), children with documented medical conditions that  
59.15 cause more frequent absences may exceed the 25 absent days limit, or ten consecutive  
59.16 full-day absent days limit. Absences due to a documented medical condition of a parent or  
59.17 sibling who lives in the same residence as the child receiving child care assistance do not  
59.18 count against the absent days limit in a ~~fiscal~~ calendar year. Documentation of medical  
59.19 conditions must be on the forms and submitted according to the timelines established by  
59.20 the commissioner. A public health nurse or school nurse may verify the illness in lieu of a  
59.21 medical practitioner. If a provider sends a child home early due to a medical reason,  
59.22 including, but not limited to, fever or contagious illness, the child care center director or  
59.23 lead teacher may verify the illness in lieu of a medical practitioner.

59.24 (c) Notwithstanding paragraph (a), children in families may exceed the absent days limit  
59.25 if at least one parent: (1) is under the age of 21; (2) does not have a high school diploma or  
59.26 commissioner of education-selected high school equivalency certification; and (3) is a  
59.27 student in a school district or another similar program that provides or arranges for child  
59.28 care, parenting support, social services, career and employment supports, and academic  
59.29 support to achieve high school graduation, upon request of the program and approval of the  
59.30 county. If a child attends part of an authorized day, payment to the provider must be for the  
59.31 full amount of care authorized for that day.

59.32 (d) Child care providers must be reimbursed for up to ten federal or state holidays or  
59.33 designated holidays per year when the provider charges all families for these days and the  
59.34 holiday or designated holiday falls on a day when the child is authorized to be in attendance.

60.1 Parents may substitute other cultural or religious holidays for the ten recognized state and  
60.2 federal holidays. Holidays do not count toward the absent days limit.

60.3 (e) A family or child care provider must not be assessed an overpayment for an absent  
60.4 day payment unless (1) there was an error in the amount of care authorized for the family,  
60.5 (2) all of the allowed full-day absent payments for the child have been paid, or (3) the family  
60.6 or provider did not timely report a change as required under law.

60.7 (f) The provider and family shall receive notification of the number of absent days used  
60.8 upon initial provider authorization for a family and ongoing notification of the number of  
60.9 absent days used as of the date of the notification.

60.10 (g) For purposes of this subdivision, "absent days limit" means 25 full-day absent days  
60.11 per child, excluding holidays, in a ~~fixed~~ calendar year; and ten consecutive full-day absent  
60.12 days.

60.13 (h) For purposes of this subdivision, "holidays limit" means ten full-day holidays per  
60.14 child, excluding absent days, in a calendar year.

60.15 (i) If a day meets the criteria of an absent day or a holiday under this subdivision, the  
60.16 provider must bill that day as an absent day or holiday. A provider's failure to properly bill  
60.17 an absent day or a holiday results in an overpayment, regardless of whether the child reached,  
60.18 or is exempt from, the absent days limit or holidays limit for the calendar year.

60.19 **EFFECTIVE DATE.** This section is effective July 1, 2019.

60.20 Sec. 12. Minnesota Statutes 2018, section 144.057, subdivision 3, is amended to read:

60.21 Subd. 3. **Reconsiderations.** The commissioner of health shall review and decide  
60.22 reconsideration requests, including the granting of variances, in accordance with the  
60.23 procedures and criteria contained in chapter 245C. The commissioner must set aside a  
60.24 disqualification for an individual who requests reconsideration and who meets the criteria  
60.25 described in section 245C.22, subdivision 4, paragraph (d). The commissioner's decision  
60.26 shall be provided to the individual and to the Department of Human Services. The  
60.27 commissioner's decision to grant or deny a reconsideration of disqualification is the final  
60.28 administrative agency action, except for the provisions under sections 245C.25, 245C.27,  
60.29 and 245C.28, subdivision 3.

 61.9 licensed, receiving grant funds, or registering in any other program administered by the  
 61.10 commissioner; and

 65.12 ~~controlling individual~~ government entity has:

65.13 (1) failed to apply for a license under this chapter after receiving notice that a license is  
 65.14 required or continues to operate without a license after receiving notice that a license is  
 65.15 required;

65.16 (2) continued to operate without a license after ~~the~~ a license issued under this chapter  
 65.17 has been revoked or suspended under ~~section 245A.07~~ this chapter, and the commissioner  
 65.18 has issued a final order affirming the revocation or suspension, or the license holder did not  
 65.19 timely appeal the sanction; or

65.20 (3) continued to operate without a license after ~~the~~ a temporary immediate suspension  
 65.21 of a license has been temporarily suspended under section 245A.07 issued under this chapter.

65.22 (c) The county attorney and the attorney general have a duty to cooperate with the  
 65.23 commissioner.

65.24 **EFFECTIVE DATE.** This section is effective January 1, 2020.

65.25 Sec. 24. Minnesota Statutes 2018, section 245A.04, subdivision 1, is amended to read:

65.26 Subdivision 1. **Application for licensure.** (a) An individual, ~~corporation, partnership,~~  
 65.27 ~~voluntary association, other~~ organization or ~~controlling individual,~~ or government entity  
 65.28 that is subject to licensure under section 245A.03 must apply for a license. The application  
 65.29 must be made on the forms and in the manner prescribed by the commissioner. The  
 65.30 commissioner shall provide the applicant with instruction in completing the application and  
 65.31 provide information about the rules and requirements of other state agencies that affect the

66.1 applicant. An applicant seeking licensure in Minnesota with headquarters outside of  
 66.2 Minnesota must have a program office located within 30 miles of the state Minnesota border.  
 66.3 An applicant who intends to buy or otherwise acquire a program or services licensed under  
 66.4 this chapter that is owned by another license holder must apply for a license under this  
 66.5 chapter and comply with the application procedures in this section and section 245A.03.

66.6 The commissioner shall act on the application within 90 working days after a complete  
 66.7 application and any required reports have been received from other state agencies or  
 66.8 departments, counties, municipalities, or other political subdivisions. The commissioner  
 66.9 shall not consider an application to be complete until the commissioner receives all of the  
 66.10 ~~information~~ required ~~under section 245C.05~~ information.

66.11 When the commissioner receives an application for initial licensure that is incomplete  
 66.12 because the applicant failed to submit required documents or that is substantially deficient  
 66.13 because the documents submitted do not meet licensing requirements, the commissioner  
 66.14 shall provide the applicant written notice that the application is incomplete or substantially  
 66.15 deficient. In the written notice to the applicant the commissioner shall identify documents  
 66.16 that are missing or deficient and give the applicant 45 days to resubmit a second application  
 66.17 that is substantially complete. An applicant's failure to submit a substantially complete  
 66.18 application after receiving notice from the commissioner is a basis for license denial under  
 66.19 section 245A.05.

66.20 (b) An application for licensure must identify all controlling individuals as defined in  
 66.21 section 245A.02, subdivision 5a, and must ~~specify an~~ designate one individual to be the  
 66.22 authorized agent who is responsible for dealing with the commissioner of human services  
 66.23 ~~on all matters provided for in this chapter and on whom service of all notices and orders~~  
 66.24 ~~must be made.~~ The application must be signed by the authorized agent and must include  
 66.25 the authorized agent's first, middle, and last name; mailing address; and e-mail address. By  
 66.26 submitting an application for licensure, the authorized agent consents to electronic  
 66.27 communication with the commissioner throughout the application process. The authorized  
 66.28 agent must be authorized to accept service on behalf of all of the controlling individuals of  
 66.29 ~~the program.~~ A government entity that holds multiple licenses under this chapter may  
 66.30 designate one authorized agent for all licenses issued under this chapter or may designate  
 66.31 a different authorized agent for each license. Service on the authorized agent is service on  
 66.32 all of the controlling individuals of the program. It is not a defense to any action arising  
 66.33 under this chapter that service was not made on each controlling individual ~~of the program.~~  
 66.34 The designation of ~~one or more~~ a controlling ~~individuals~~ individual as ~~agents~~ the authorized

67.1 agent under this paragraph does not affect the legal responsibility of any other controlling  
67.2 individual under this chapter.

67.3 (c) An applicant or license holder must have a policy that prohibits license holders,  
67.4 employees, subcontractors, and volunteers, when directly responsible for persons served  
67.5 by the program, from abusing prescription medication or being in any manner under the  
67.6 influence of a chemical that impairs the individual's ability to provide services or care. The  
67.7 license holder must train employees, subcontractors, and volunteers about the program's  
67.8 drug and alcohol policy.

67.9 (d) An applicant and license holder must have a program grievance procedure that permits  
67.10 persons served by the program and their authorized representatives to bring a grievance to  
67.11 the highest level of authority in the program.

67.12 (e) ~~The applicant must be able to demonstrate competent knowledge of the applicable~~  
67.13 ~~requirements of this chapter and chapter 245C, and the requirements of other licensing~~  
67.14 ~~statutes and rules applicable to the program or services for which the applicant is seeking~~  
67.15 ~~to be licensed. Effective January 1, 2013, The commissioner may limit communication~~  
67.16 ~~during the application process to the authorized agent or the controlling individuals identified~~  
67.17 ~~on the license application and for whom a background study was initiated under chapter~~  
67.18 ~~245C.~~ The commissioner may require the applicant, except for child foster care, to  
67.19 demonstrate competence in the applicable licensing requirements by successfully completing  
67.20 a written examination. The commissioner may develop a prescribed written examination  
67.21 format.

67.22 (f) When an applicant is an individual, the ~~individual~~ applicant must provide:

67.23 (1) the applicant's taxpayer identification numbers including the Social Security number  
67.24 or Minnesota tax identification number, and federal employer identification number if the  
67.25 applicant has employees;

67.26 (2) at the request of the commissioner, a copy of the most recent filing with the secretary  
67.27 of state that includes the complete business name, if any; ~~and~~;

67.28 (3) if doing business under a different name, the doing business as (DBA) name, as  
67.29 registered with the secretary of state; ~~and~~

67.30 ~~(3) a notarized signature of the applicant.~~ (4) if applicable, the applicant's National  
67.31 Provider Identifier (NPI) number and Unique Minnesota Provider Identifier (UMPI) number;  
67.32 and

68.1 (5) at the request of the commissioner, the notarized signature of the applicant or  
 68.2 authorized agent.

68.3 (g) When an applicant is ~~a nonindividual~~ an organization, the applicant must provide  
 68.4 ~~the:~~

68.5 (1) the applicant's taxpayer identification numbers including the Minnesota tax  
 68.6 identification number and federal employer identification number;

68.7 (2) at the request of the commissioner, a copy of the most recent filing with the secretary  
 68.8 of state that includes the complete business name, and if doing business under a different  
 68.9 name, the doing business as (DBA) name, as registered with the secretary of state;

68.10 (3) the first, middle, and last name, and address for all individuals who will be controlling  
 68.11 individuals, including all officers, owners, and managerial officials as defined in section  
 68.12 245A.02, subdivision 5a, and the date that the background study was initiated by the applicant  
 68.13 for each controlling individual; and

68.14 ~~(4) first, middle, and last name, mailing address, and notarized signature of the agent~~  
 68.15 ~~authorized by the applicant to accept service on behalf of the controlling individuals.~~

68.16 (4) if applicable, the applicant's NPI number and UMPI number;

68.17 (5) the documents that created the organization and that determine the organization's  
 68.18 internal governance and the relations among the persons that own the organization, have  
 68.19 an interest in the organization, or are members of the organization, in each case as provided  
 68.20 or authorized by the organization's governing statute, which may include a partnership  
 68.21 agreement, bylaws, articles of organization, organizational chart, and operating agreement,  
 68.22 or comparable documents as provided in the organization's governing statute; and

68.23 (6) the notarized signature of the applicant or authorized agent.

68.24 (h) When the applicant is a government entity, the applicant must provide:

68.25 (1) the name of the government agency, political subdivision, or other unit of government  
 68.26 seeking the license and the name of the program or services that will be licensed;

68.27 (2) the applicant's taxpayer identification numbers including the Minnesota tax  
 68.28 identification number and federal employer identification number;

68.29 (3) a letter signed by the manager, administrator, or other executive of the government  
 68.30 entity authorizing the submission of the license application; and

68.31 (4) if applicable, the applicant's NPI number and UMPI number.

69.1 ~~(h)~~ (i) At the time of application for licensure or renewal of a license under this chapter,  
 69.2 the applicant or license holder must acknowledge on the form provided by the commissioner  
 69.3 if the applicant or license holder elects to receive any public funding reimbursement from  
 69.4 the commissioner for services provided under the license that:

69.5 (1) the applicant's or license holder's compliance with the provider enrollment agreement  
 69.6 or registration requirements for receipt of public funding may be monitored by the  
 69.7 commissioner as part of a licensing investigation or licensing inspection; and

69.8 (2) noncompliance with the provider enrollment agreement or registration requirements  
 69.9 for receipt of public funding that is identified through a licensing investigation or licensing  
 69.10 inspection, or noncompliance with a licensing requirement that is a basis of enrollment for  
 69.11 reimbursement for a service, may result in:

69.12 (i) a correction order or a conditional license under section 245A.06, or sanctions under  
 69.13 section 245A.07;

69.14 (ii) nonpayment of claims submitted by the license holder for public program  
 69.15 reimbursement;

69.16 (iii) recovery of payments made for the service;

69.17 (iv) disenrollment in the public payment program; or

69.18 (v) other administrative, civil, or criminal penalties as provided by law.

69.19 **EFFECTIVE DATE.** This section is effective January 1, 2020.

69.20 Sec. 25. Minnesota Statutes 2018, section 245A.04, subdivision 2, is amended to read:

69.21 Subd. 2. **Notification of affected municipality.** The commissioner must not issue a  
 69.22 license under this chapter without giving 30 calendar days' written notice to the affected  
 69.23 municipality or other political subdivision unless the program is considered a permitted  
 69.24 single-family residential use under sections 245A.11 and 245A.14. The commissioner may  
 69.25 provide notice through electronic communication. The notification must be given before  
 69.26 the first issuance of a license under this chapter and annually after that time if annual  
 69.27 notification is requested in writing by the affected municipality or other political subdivision.  
 69.28 State funds must not be made available to or be spent by an agency or department of state,  
 69.29 county, or municipal government for payment to a residential or nonresidential program  
 69.30 licensed under this chapter until the provisions of this subdivision have been complied with  
 69.31 in full. The provisions of this subdivision shall not apply to programs located in hospitals.

69.32 **EFFECTIVE DATE.** This section is effective January 1, 2020.

70.1 Sec. 26. Minnesota Statutes 2018, section 245A.04, subdivision 4, is amended to read:

70.2 Subd. 4. **Inspections; waiver.** (a) Before issuing ~~an initial~~ a license under this chapter,  
70.3 the commissioner shall conduct an inspection of the program. The inspection must include  
70.4 but is not limited to:

70.5 (1) an inspection of the physical plant;

70.6 (2) an inspection of records and documents;

70.7 ~~(3) an evaluation of the program by consumers of the program;~~

70.8 ~~(4)~~ (3) observation of the program in operation; and

70.9 ~~(5)~~ (4) an inspection for the health, safety, and fire standards in licensing requirements  
70.10 for a child care license holder.

70.11 ~~For the purposes of this subdivision, "consumer" means a person who receives the~~  
70.12 ~~services of a licensed program, the person's legal guardian, or the parent or individual having~~  
70.13 ~~legal custody of a child who receives the services of a licensed program.~~

70.14 (b) ~~The evaluation required in paragraph (a), clause (3), or the observation in paragraph~~  
70.15 ~~(a), clause (4) (3), is not required prior to issuing an initial~~ a license under subdivision 7. If  
70.16 ~~the commissioner issues an initial~~ a license under subdivision 7 this chapter, these  
70.17 requirements must be completed within one year after the issuance of ~~an initial~~ the license.

70.18 (c) Before completing a licensing inspection in a family child care program or child care  
70.19 center, the licensing agency must offer the license holder an exit interview to discuss  
70.20 violations or potential violations of law or rule observed during the inspection and offer  
70.21 technical assistance on how to comply with applicable laws and rules. ~~Nothing in this~~  
70.22 ~~paragraph limits the ability of the commissioner to issue a correction order or negative~~  
70.23 ~~action for violations of law or rule not discussed in an exit interview or in the event that a~~  
70.24 ~~license holder chooses not to participate in an exit interview.~~ The commissioner shall not  
70.25 issue a correction order or negative licensing action for violations of law or rule not discussed  
70.26 in an exit interview, unless a license holder chooses not to participate in an exit interview  
70.27 or not to complete the exit interview. If the license holder is unable to complete the exit  
70.28 interview, the licensing agency must offer an alternate time for the license holder to complete  
70.29 the exit interview.

70.30 (d) If a family child care license holder disputes a county licenser's interpretation of a  
70.31 licensing requirement during a licensing inspection or exit interview, the license holder  
70.32 may, within five business days after the exit interview or licensing inspection, request  
70.33 clarification from the commissioner, in writing, in a manner prescribed by the commissioner.

71.1 The license holder's request must describe the county licensor's interpretation of the licensing  
 71.2 requirement at issue, and explain why the license holder believes the county licensor's  
 71.3 interpretation is inaccurate. The commissioner and the county must include the license  
 71.4 holder in all correspondence regarding the disputed interpretation, and must provide an  
 71.5 opportunity for the license holder to contribute relevant information that may impact the  
 71.6 commissioner's decision. The county licensor must not issue a correction order related to  
 71.7 the disputed licensing requirement until the commissioner has provided clarification to the  
 71.8 license holder about the licensing requirement.

71.9 ~~(d)~~ (e) The commissioner or the county shall inspect at least annually a child care provider  
 71.10 licensed under this chapter and Minnesota Rules, chapter 9502 or 9503, for compliance  
 71.11 with applicable licensing standards.

71.12 ~~(e)~~ (f) No later than November 19, 2017, the commissioner shall make publicly available  
 71.13 on the department's website the results of inspection reports of all child care providers  
 71.14 licensed under this chapter and under Minnesota Rules, chapter 9502 or 9503, and the  
 71.15 number of deaths, serious injuries, and instances of substantiated child maltreatment that  
 71.16 occurred in licensed child care settings each year.

71.17 **EFFECTIVE DATE.** The amendments to paragraphs (a) and (b) are effective January  
 71.18 1, 2020. The amendments to paragraphs (c) to (f) are effective September 30, 2019.

71.19 Sec. 27. Minnesota Statutes 2018, section 245A.04, subdivision 6, is amended to read:

71.20 Subd. 6. **Commissioner's evaluation.** (a) Before issuing, denying, suspending, revoking,  
 71.21 or making conditional a license, the commissioner shall evaluate information gathered under  
 71.22 this section. The commissioner's evaluation shall consider the applicable requirements of  
 71.23 statutes and rules for the program or services for which the applicant seeks a license,  
 71.24 including the disqualification standards set forth in chapter 245C, and shall evaluate facts,  
 71.25 conditions, or circumstances concerning:

71.26 (1) the program's operation;

71.27 (2) the well-being of persons served by the program;

71.28 (3) available consumer evaluations of the program, and by persons receiving services;

71.29 (4) information about the qualifications of the personnel employed by the applicant or  
 71.30 license holder; and

72.1 (5) the applicant's or license holder's ability to demonstrate competent knowledge of the  
 72.2 applicable requirements of statutes and rules, including this chapter and chapter 245C, for  
 72.3 which the applicant seeks a license or the license holder is licensed.

72.4 (b) The commissioner shall also evaluate the results of the study required in subdivision  
 72.5 3 and determine whether a risk of harm to the persons served by the program exists. In  
 72.6 conducting this evaluation, the commissioner shall apply the disqualification standards set  
 72.7 forth in chapter 245C.

72.8 **EFFECTIVE DATE.** This section is effective January 1, 2020.

72.9 Sec. 28. Minnesota Statutes 2018, section 245A.04, subdivision 7, is amended to read:

72.10 Subd. 7. **Grant of license; license extension.** (a) If the commissioner determines that  
 72.11 the program complies with all applicable rules and laws, the commissioner shall issue a  
 72.12 license consistent with this section or, if applicable, a temporary change of ownership license  
 72.13 under section 245A.043. At minimum, the license shall state:

72.14 (1) the name of the license holder;

72.15 (2) the address of the program;

72.16 (3) the effective date and expiration date of the license;

72.17 (4) the type of license;

72.18 (5) the maximum number and ages of persons that may receive services from the program;

72.19 and

72.20 (6) any special conditions of licensure.

72.21 (b) The commissioner may issue ~~an initial~~ a license for a period not to exceed two years  
 72.22 if:

72.23 (1) the commissioner is unable to conduct the evaluation or observation required by  
 72.24 subdivision 4, paragraph (a), ~~clauses (3) and~~ clause (4), because the program is not yet  
 72.25 operational;

72.26 (2) certain records and documents are not available because persons are not yet receiving  
 72.27 services from the program; and

72.28 (3) the applicant complies with applicable laws and rules in all other respects.

72.29 (c) A decision by the commissioner to issue a license does not guarantee that any person  
 72.30 or persons will be placed or cared for in the licensed program. ~~A license shall not be~~

73.1 ~~transferable to another individual, corporation, partnership, voluntary association, other~~  
 73.2 ~~organization, or controlling individual or to another location.~~

73.3 ~~(d) A license holder must notify the commissioner and obtain the commissioner's approval~~  
 73.4 ~~before making any changes that would alter the license information listed under paragraph~~  
 73.5 ~~(a).~~

73.6 ~~(e)~~ (d) Except as provided in paragraphs ~~(g)~~ (f) and ~~(h)~~ (g), the commissioner shall not  
 73.7 issue or reissue a license if the applicant, license holder, or controlling individual has:

73.8 (1) been disqualified and the disqualification was not set aside and no variance has been  
 73.9 granted;

73.10 (2) been denied a license under this chapter, within the past two years;

73.11 (3) had a license issued under this chapter revoked within the past five years;

73.12 (4) an outstanding debt related to a license fee, licensing fine, or settlement agreement  
 73.13 for which payment is delinquent; or

73.14 (5) failed to submit the information required of an applicant under subdivision 1,  
 73.15 paragraph (f) or (g), after being requested by the commissioner.

73.16 When a license issued under this chapter is revoked under clause (1) or (3), the license  
 73.17 holder and controlling individual may not hold any license under chapter 245A ~~or 245D~~ for  
 73.18 five years following the revocation, and other licenses held by the applicant, license holder,  
 73.19 or controlling individual shall also be revoked.

73.20 ~~(f)~~ (e) The commissioner shall not issue or reissue a license under this chapter if an  
 73.21 individual living in the household where the licensed services will be provided as specified  
 73.22 under section 245C.03, subdivision 1, has been disqualified and the disqualification has not  
 73.23 been set aside and no variance has been granted.

73.24 ~~(g)~~ (f) Pursuant to section 245A.07, subdivision 1, paragraph (b), when a license issued  
 73.25 under this chapter has been suspended or revoked and the suspension or revocation is under  
 73.26 appeal, the program may continue to operate pending a final order from the commissioner.  
 73.27 If the license under suspension or revocation will expire before a final order is issued, a  
 73.28 temporary provisional license may be issued provided any applicable license fee is paid  
 73.29 before the temporary provisional license is issued.

73.30 ~~(h)~~ (g) Notwithstanding paragraph ~~(g)~~ (f), when a revocation is based on the  
 73.31 disqualification of a controlling individual or license holder, and the controlling individual  
 73.32 or license holder is ordered under section 245C.17 to be immediately removed from direct

74.1 contact with persons receiving services or is ordered to be under continuous, direct  
 74.2 supervision when providing direct contact services, the program may continue to operate  
 74.3 only if the program complies with the order and submits documentation demonstrating  
 74.4 compliance with the order. If the disqualified individual fails to submit a timely request for  
 74.5 reconsideration, or if the disqualification is not set aside and no variance is granted, the  
 74.6 order to immediately remove the individual from direct contact or to be under continuous,  
 74.7 direct supervision remains in effect pending the outcome of a hearing and final order from  
 74.8 the commissioner.

74.9 ~~(h)~~ (h) For purposes of reimbursement for meals only, under the Child and Adult Care  
 74.10 Food Program, Code of Federal Regulations, title 7, subtitle B, chapter II, subchapter A,  
 74.11 part 226, relocation within the same county by a licensed family day care provider, shall  
 74.12 be considered an extension of the license for a period of no more than 30 calendar days or  
 74.13 until the new license is issued, whichever occurs first, provided the county agency has  
 74.14 determined the family day care provider meets licensure requirements at the new location.

74.15 ~~(i)~~ (i) Unless otherwise specified by statute, all licenses issued under this chapter expire  
 74.16 at 12:01 a.m. on the day after the expiration date stated on the license. A license holder must  
 74.17 apply for and be granted a new license to operate the program or the program must not be  
 74.18 operated after the expiration date.

74.19 ~~(j)~~ (j) The commissioner shall not issue or reissue a license under this chapter if it has  
 74.20 been determined that a tribal licensing authority has established jurisdiction to license the  
 74.21 program or service.

74.22 **EFFECTIVE DATE.** This section is effective January 1, 2020.

74.23 Sec. 29. Minnesota Statutes 2018, section 245A.04, is amended by adding a subdivision  
 74.24 to read:

74.25 **Subd. 7a. Notification required.** (a) A license holder must notify the commissioner, in  
 74.26 a manner prescribed by the commissioner, and obtain the commissioner's approval before  
 74.27 making any change that would alter the license information listed under subdivision 7,  
 74.28 paragraph (a).

74.29 (b) A license holder must also notify the commissioner, in a manner prescribed by the  
 74.30 commissioner, before making any change:

74.31 (1) to the license holder's authorized agent as defined in section 245A.02, subdivision

75.6 (c) When, for reasons beyond the license holder's control, a license holder cannot provide  
 75.7 the commissioner with prior notice of the changes in paragraph (b), clauses (1) to (3), the  
 75.8 license holder must notify the commissioner by the tenth business day after the change and  
 75.9 must provide any additional information requested by the commissioner.

75.10 (d) When a license holder notifies the commissioner of a change to the license holder  
 75.11 information on file with the secretary of state, the license holder must provide amended  
 75.12 articles of incorporation and other documentation of the change.

 75.17 commissioner of corrections under section 241.021, may grant a variance for a licensed

 75.30 the safety and appropriate supervision of all the children in the home.

76.1 (b) A variance granted to a family foster home under Minnesota Rules, part 2960.3030,

 76.15 the commissioner, to receive the applicant agency's records if the applicant agency voluntarily

 76.17 bond must be made in favor of the agency which has agreed to receive the records; and

76.18 (4) submit a certified audit to the commissioner each year the license is renewed as  
 76.19 required under section 245A.03, subdivision 1.

76.20 **EFFECTIVE DATE.** This section is effective January 1, 2020.

76.21 Sec. 32. Minnesota Statutes 2018, section 245A.04, is amended by adding a subdivision  
 76.22 to read:

76.23 Subd. 18. **Plain-language handbook.** By January 1, 2020, the commissioner of human  
 76.24 services shall, following consultation with family child care license holders, parents, and  
 76.25 county agencies, develop a plain-language handbook that describes the process and  
 76.26 requirements to become a licensed family child care provider. The handbook shall include  
 76.27 a list of the applicable statutory provisions and rules that apply to licensed family child care  
 76.28 providers. The commissioner shall electronically publish the handbook on the Department  
 76.29 of Human Services website, available at no charge to the public. Each county human services  
 76.30 office and the Department of Human Services shall maintain physical copies of the handbook  
 76.31 for public use.

77.1 **EFFECTIVE DATE.** This section is effective the day following final enactment.

77.2 Sec. 33. **[245A.043] LICENSE APPLICATION AFTER CHANGE OF OWNERSHIP.**

77.3 Subdivision 1. **Transfer prohibited.** A license issued under this chapter is only valid  
77.4 for a premises and individual, organization, or government entity identified by the  
77.5 commissioner on the license. A license is not transferable or assignable.

77.6 Subd. 2. **Change in ownership.** (a) If the commissioner determines that there is a change  
77.7 in ownership, the commissioner shall require submission of a new license application. This  
77.8 subdivision does not apply to a licensed program or service located in a home where the  
77.9 license holder resides. A change in ownership occurs when:

77.10 (1) the license holder sells or transfers 100 percent of the property, stock, or assets;

77.11 (2) the license holder merges with another organization;

77.12 (3) the license holder consolidates with two or more organizations, resulting in the  
77.13 creation of a new organization;

77.14 (4) there is a change to the federal tax identification number associated with the license  
77.15 holder; or

77.16 (5) all controlling individuals associated with the original application have changed.

77.17 (b) Notwithstanding paragraph (a), clauses (1) and (5), no change in ownership has  
77.18 occurred if at least one controlling individual has been listed as a controlling individual for  
77.19 the license for at least the previous 12 months.

77.20 Subd. 3. **Change of ownership process.** (a) When a change in ownership is proposed  
77.21 and the party intends to assume operation without an interruption in service longer than 60  
77.22 days after acquiring the program or service, the license holder must provide the commissioner  
77.23 with written notice of the proposed change on a form provided by the commissioner at least  
77.24 60 days before the anticipated date of the change in ownership. For purposes of this  
77.25 subdivision and subdivision 4, "party" means the party that intends to operate the service  
77.26 or program.

77.27 (b) The party must submit a license application under this chapter on the form and in  
77.28 the manner prescribed by the commissioner at least 30 days before the change in ownership  
77.29 is complete, and must include documentation to support the upcoming change. The party  
77.30 must comply with background study requirements under chapter 245C and shall pay the  
77.31 application fee required under section 245A.10. A party that intends to assume operation

78.1 without an interruption in service longer than 60 days after acquiring the program or service  
78.2 is exempt from the requirements of Minnesota Rules, part 9530.6800.

78.3 (c) The commissioner may streamline application procedures when the party is an existing  
78.4 license holder under this chapter and is acquiring a program licensed under this chapter or  
78.5 service in the same service class as one or more licensed programs or services the party  
78.6 operates and those licenses are in substantial compliance. For purposes of this subdivision,  
78.7 "substantial compliance" means within the previous 12 months the commissioner did not  
78.8 (1) issue a sanction under section 245A.07 against a license held by the party, or (2) make  
78.9 a license held by the party conditional according to section 245A.06.

78.10 (d) Except when a temporary change in ownership license is issued pursuant to  
78.11 subdivision 4, the existing license holder is solely responsible for operating the program  
78.12 according to applicable laws and rules until a license under this chapter is issued to the  
78.13 party.

78.14 (e) If a licensing inspection of the program or service was conducted within the previous  
78.15 12 months and the existing license holder's license record demonstrates substantial  
78.16 compliance with the applicable licensing requirements, the commissioner may waive the  
78.17 party's inspection required by section 245A.04, subdivision 4. The party must submit to the  
78.18 commissioner (1) proof that the premises was inspected by a fire marshal or that the fire  
78.19 marshal deemed that an inspection was not warranted, and (2) proof that the premises was  
78.20 inspected for compliance with the building code or that no inspection was deemed warranted.

78.21 (f) If the party is seeking a license for a program or service that has an outstanding action  
78.22 under section 245A.06 or 245A.07, the party must submit a letter as part of the application  
78.23 process identifying how the party has or will come into full compliance with the licensing  
78.24 requirements.

78.25 (g) The commissioner shall evaluate the party's application according to section 245A.04,  
78.26 subdivision 6. If the commissioner determines that the party has remedied or demonstrates  
78.27 the ability to remedy the outstanding actions under section 245A.06 or 245A.07 and has  
78.28 determined that the program otherwise complies with all applicable laws and rules, the  
78.29 commissioner shall issue a license or conditional license under this chapter. The conditional  
78.30 license remains in effect until the commissioner determines that the grounds for the action  
78.31 are corrected or no longer exist.

78.32 (h) The commissioner may deny an application as provided in section 245A.05. An  
78.33 applicant whose application was denied by the commissioner may appeal the denial according  
78.34 to section 245A.05.

79.1 (i) This subdivision does not apply to a licensed program or service located in a home  
 79.2 where the license holder resides.

79.3 Subd. 4. **Temporary change in ownership license.** (a) After receiving the party's  
 79.4 application pursuant to subdivision 3, upon the written request of the existing license holder  
 79.5 and the party, the commissioner may issue a temporary change in ownership license to the  
 79.6 party while the commissioner evaluates the party's application. Until a decision is made to  
 79.7 grant or deny a license under this chapter, the existing license holder and the party shall  
 79.8 both be responsible for operating the program or service according to applicable laws and  
 79.9 rules, and the sale or transfer of the existing license holder's ownership interest in the licensed  
 79.10 program or service does not terminate the existing license.

79.11 (b) The commissioner may issue a temporary change in ownership license when a license  
 79.12 holder's death, divorce, or other event affects the ownership of the program and an applicant  
 79.13 seeks to assume operation of the program or service to ensure continuity of the program or  
 79.14 service while a license application is evaluated.

79.15 (c) This subdivision applies to any program or service licensed under this chapter.

79.16 **EFFECTIVE DATE.** This section is effective January 1, 2020.

79.17 Sec. 34. Minnesota Statutes 2018, section 245A.05, is amended to read:

79.18 **245A.05 DENIAL OF APPLICATION.**

79.19 (a) The commissioner may deny a license if an applicant or controlling individual:

 79.21 commissioner under section 245A.04, subdivision 1;

79.22 (2) fails to comply with applicable laws or rules;

79.23 (3) knowingly withholds relevant information from or gives false or misleading  
 79.24 information to the commissioner in connection with an application for a license or during  
 79.25 an investigation;

79.26 (4) has a disqualification that has not been set aside under section 245C.22 and no  
 79.27 variance has been granted;

79.28 (5) has an individual living in the household who received a background study under  
 79.29 section 245C.03, subdivision 1, paragraph (a), clause (2), who has a disqualification that  
 79.30 has not been set aside under section 245C.22, and no variance has been granted;

80.1 (6) is associated with an individual who received a background study under section  
 80.2 245C.03, subdivision 1, paragraph (a), clause (6), who may have unsupervised access to  
 80.3 children or vulnerable adults, and who has a disqualification that has not been set aside  
 80.4 under section 245C.22, and no variance has been granted; ~~or~~

80.5 (7) fails to comply with section 245A.04, subdivision 1, paragraph (f) or (g);<sup>2</sup>

80.6 (8) fails to demonstrate competent knowledge as required by section 245A.04, subdivision  
 80.7 6;

80.8 (9) has a history of noncompliance as a license holder or controlling individual with  
 80.9 applicable laws or rules, including but not limited to this chapter and chapters 119B and  
 80.10 245C; or

80.11 (10) is prohibited from holding a license according to section 245.095.

80.12 (b) An applicant whose application has been denied by the commissioner must be given  
 80.13 notice of the denial, which must state the reasons for the denial in plain language. Notice  
 80.14 must be given by certified mail or personal service. The notice must state the reasons the  
 80.15 application was denied and must inform the applicant of the right to a contested case hearing  
 80.16 under chapter 14 and Minnesota Rules, parts 1400.8505 to 1400.8612. The applicant may  
 80.17 appeal the denial by notifying the commissioner in writing by certified mail or personal  
 80.18 service. If mailed, the appeal must be postmarked and sent to the commissioner within 20  
 80.19 calendar days after the applicant received the notice of denial. If an appeal request is made  
 80.20 by personal service, it must be received by the commissioner within 20 calendar days after  
 80.21 the applicant received the notice of denial. Section 245A.08 applies to hearings held to  
 80.22 appeal the commissioner's denial of an application.

80.23 **EFFECTIVE DATE.** This section is effective January 1, 2020.

80.24 Sec. 35. **[245A.055] CLOSING A LICENSE.**

80.25 Subdivision 1. **Inactive programs.** The commissioner may close a license if the  
 80.26 commissioner determines that a licensed program has not been serving any client for a  
 80.27 consecutive period of 12 months or longer. The license holder is not prohibited from  
 80.28 reapplying for a license if the license holder's license was closed under this chapter.

80.29 Subd. 2. **Reconsideration of closure.** If a license is closed, the commissioner must  
 80.30 notify the license holder of closure by certified mail or personal service. If mailed, the notice  
 80.31 of closure must be mailed to the last known address of the license holder and must inform  
 80.32 the license holder why the license was closed and that the license holder has the right to  
 80.33 request reconsideration of the closure. If the license holder believes that the license was

81.1 closed in error, the license holder may ask the commissioner to reconsider the closure. The  
 81.2 license holder's request for reconsideration must be made in writing and must include  
 81.3 documentation that the licensed program has served a client in the previous 12 months. The  
 81.4 request for reconsideration must be postmarked and sent to the commissioner within 20  
 81.5 calendar days after the license holder receives the notice of closure. A timely request for  
 81.6 reconsideration stays imposition of the license closure until the commissioner issues a  
 81.7 decision on the request for reconsideration.

81.8 Subd. 3. **Reconsideration final.** The commissioner's disposition of a request for  
 81.9 reconsideration is final and not subject to appeal under chapter 14.

81.10 **EFFECTIVE DATE.** This section is effective January 1, 2020.

81.11 Sec. 36. Minnesota Statutes 2018, section 245A.07, subdivision 1, is amended to read:

81.12 Subdivision 1. **Sanctions; appeals; license.** (a) In addition to making a license conditional  
 81.13 under section 245A.06, the commissioner may suspend or revoke the license, impose a fine,  
 81.14 or secure an injunction against the continuing operation of the program of a license holder  
 81.15 who does not comply with applicable law or rule. When applying sanctions authorized under  
 81.16 this section, the commissioner shall consider the nature, chronicity, or severity of the violation  
 81.17 of law or rule and the effect of the violation on the health, safety, or rights of persons served  
 81.18 by the program.

81.19 (b) If a license holder appeals the suspension or revocation of a license and the license  
 81.20 holder continues to operate the program pending a final order on the appeal, the commissioner  
 81.21 shall issue the license holder a temporary provisional license. Unless otherwise specified  
 81.22 by the commissioner, variances in effect on the date of the license sanction under appeal  
 81.23 continue under the temporary provisional license. If a license holder fails to comply with  
 81.24 applicable law or rule while operating under a temporary provisional license, the  
 81.25 commissioner may impose additional sanctions under this section and section 245A.06, and  
 81.26 may terminate any prior variance. If a temporary provisional license is set to expire, a new  
 81.27 temporary provisional license shall be issued to the license holder upon payment of any fee  
 81.28 required under section 245A.10. The temporary provisional license shall expire on the date  
 81.29 the final order is issued. If the license holder prevails on the appeal, a new nonprovisional  
 81.30 license shall be issued for the remainder of the current license period.

81.31 (c) If a license holder is under investigation and the license issued under this chapter is  
 81.32 due to expire before completion of the investigation, the program shall be issued a new  
 81.33 license upon completion of the reapplication requirements and payment of any applicable

82.1 license fee. Upon completion of the investigation, a licensing sanction may be imposed  
82.2 against the new license under this section, section 245A.06, or 245A.08.

82.3 (d) Failure to reapply or closure of a license issued under this chapter by the license  
82.4 holder prior to the completion of any investigation shall not preclude the commissioner  
82.5 from issuing a licensing sanction under this section, or section 245A.06, ~~or 245A.08~~ at the  
82.6 conclusion of the investigation.

82.7 **EFFECTIVE DATE.** This section is effective January 1, 2020.

82.8 Sec. 37. Minnesota Statutes 2018, section 245A.07, subdivision 2, is amended to read:

82.9 Subd. 2. **Temporary immediate suspension.** (a) The commissioner shall act immediately  
82.10 to temporarily suspend a license issued under this chapter if:

82.11 (1) the license holder's actions or failure to comply with applicable law or rule, or the  
82.12 actions of other individuals or conditions in the program, pose an imminent risk of harm to  
82.13 the health, safety, or rights of persons served by the program; ~~or~~

82.14 (2) while the program continues to operate pending an appeal of an order of revocation,  
82.15 the commissioner identifies one or more subsequent violations of law or rule which may  
82.16 adversely affect the health or safety of persons served by the program; or

82.17 (3) the license holder is criminally charged in state or federal court with an offense that  
82.18 involves fraud or theft against a program administered by the commissioner.

82.19 (b) No state funds shall be made available or be expended by any agency or department  
82.20 of state, county, or municipal government for use by a license holder regulated under this  
82.21 chapter while a license issued under this chapter is under immediate suspension. A notice  
82.22 stating the reasons for the immediate suspension and informing the license holder of the  
82.23 right to an expedited hearing under chapter 14 and Minnesota Rules, parts 1400.8505 to  
82.24 1400.8612, must be delivered by personal service to the address shown on the application  
82.25 or the last known address of the license holder. The license holder may appeal an order  
82.26 immediately suspending a license. The appeal of an order immediately suspending a license  
82.27 must be made in writing by certified mail ~~or~~, personal service, or other means expressly set  
82.28 forth in the commissioner's order. If mailed, the appeal must be postmarked and sent to the  
82.29 commissioner within five calendar days after the license holder receives notice that the  
82.30 license has been immediately suspended. If a request is made by personal service, it must  
82.31 be received by the commissioner within five calendar days after the license holder received  
82.32 the order. A license holder and any controlling individual shall discontinue operation of the  
82.33 program upon receipt of the commissioner's order to immediately suspend the license.

83.1 **EFFECTIVE DATE.** This section is effective January 1, 2020.

83.2 Sec. 38. Minnesota Statutes 2018, section 245A.07, subdivision 2a, is amended to read:

83.3 Subd. 2a. **Immediate suspension expedited hearing.** (a) Within five working days of  
83.4 receipt of the license holder's timely appeal, the commissioner shall request assignment of  
83.5 an administrative law judge. The request must include a proposed date, time, and place of  
83.6 a hearing. A hearing must be conducted by an administrative law judge within 30 calendar  
83.7 days of the request for assignment, unless an extension is requested by either party and  
83.8 granted by the administrative law judge for good cause. The commissioner shall issue a  
83.9 notice of hearing by certified mail or personal service at least ten working days before the  
83.10 hearing. The scope of the hearing shall be limited solely to the issue of whether the temporary  
83.11 immediate suspension should remain in effect pending the commissioner's final order under  
83.12 section 245A.08, regarding a licensing sanction issued under subdivision 3 following the  
83.13 immediate suspension. For suspensions under subdivision 2, paragraph (a), clause (1), the  
83.14 burden of proof in expedited hearings under this subdivision shall be limited to the  
83.15 commissioner's demonstration that reasonable cause exists to believe that the license holder's  
83.16 actions or failure to comply with applicable law or rule poses, or the actions of other  
83.17 individuals or conditions in the program poses an imminent risk of harm to the health, safety,  
83.18 or rights of persons served by the program. "Reasonable cause" means there exist specific  
83.19 articulable facts or circumstances which provide the commissioner with a reasonable  
83.20 suspicion that there is an imminent risk of harm to the health, safety, or rights of persons  
83.21 served by the program. When the commissioner has determined there is reasonable cause  
83.22 to order the temporary immediate suspension of a license based on a violation of safe sleep  
83.23 requirements, as defined in section 245A.1435, the commissioner is not required to  
83.24 demonstrate that an infant died or was injured as a result of the safe sleep violations. For  
83.25 suspensions under subdivision 2, paragraph (a), clause (2), the burden of proof in expedited  
83.26 hearings under this subdivision shall be limited to the commissioner's demonstration by a  
83.27 preponderance of the evidence that, since the license was revoked, the license holder  
83.28 committed additional violations of law or rule which may adversely affect the health or  
83.29 safety of persons served by the program.

83.30 (b) The administrative law judge shall issue findings of fact, conclusions, and a  
83.31 recommendation within ten working days from the date of hearing. The parties shall have  
83.32 ten calendar days to submit exceptions to the administrative law judge's report. The record  
83.33 shall close at the end of the ten-day period for submission of exceptions. The commissioner's  
83.34 final order shall be issued within ten working days from the close of the record. When an  
83.35 appeal of a temporary immediate suspension is withdrawn or dismissed, the commissioner

84.1 shall issue a final order affirming the temporary immediate suspension within ten calendar  
 84.2 days of the commissioner's receipt of the withdrawal or dismissal. Within 90 calendar days  
 84.3 after a final order affirming an immediate suspension, the commissioner shall make a  
 84.4 determination regarding whether a final licensing sanction shall be issued under subdivision  
 84.5 3. The license holder shall continue to be prohibited from operation of the program during  
 84.6 this 90-day period.

84.7 (c) When the final order under paragraph (b) affirms an immediate suspension, and a  
 84.8 final licensing sanction is issued under subdivision 3 and the license holder appeals that  
 84.9 sanction, the license holder continues to be prohibited from operation of the program pending  
 84.10 a final commissioner's order under section 245A.08, subdivision 5, regarding the final  
 84.11 licensing sanction.

84.12 (d) For suspensions under subdivision 2, paragraph (a), clause (3), the burden of proof  
 84.13 in expedited hearings under this subdivision shall be limited to the commissioner's  
 84.14 demonstration by a preponderance of the evidence that a criminal complaint and warrant  
 84.15 or summons was issued for the license holder that was not dismissed, and that the criminal  
 84.16 charge is an offense that involves fraud or theft against a program administered by the  
 84.17 commissioner.

84.18 Sec. 39. Minnesota Statutes 2018, section 245A.07, subdivision 3, is amended to read:

84.19 Subd. 3. **License suspension, revocation, or fine.** (a) The commissioner may suspend  
 84.20 or revoke a license, or impose a fine if:

84.21 (1) a license holder fails to comply fully with applicable laws or rules including but not  
 84.22 limited to the requirements of this chapter and chapter 245C;

84.23 (2) a license holder, a controlling individual, or an individual living in the household  
 84.24 where the licensed services are provided or is otherwise subject to a background study has  
 84.25 a been disqualified and the disqualification which has ~~was~~ not been set aside under section  
 84.26 ~~245C.22~~ and no variance has been granted;

84.27 (3) a license holder knowingly withholds relevant information from or gives false or  
 84.28 misleading information to the commissioner in connection with an application for a license,  
 84.29 in connection with the background study status of an individual, during an investigation,  
 84.30 or regarding compliance with applicable laws or rules; ~~or~~

84.31 (4) ~~after July 1, 2012, and upon request by the commissioner, a license holder fails to~~  
 84.32 ~~submit the information required of an applicant under section 245A.04, subdivision 1,~~

85.1 ~~paragraph (f) or (g)~~: a license holder is excluded from any program administered by the  
85.2 commissioner under section 245.095; or

85.3 (5) revocation is required under section 245A.04, subdivision 7, paragraph (d).

85.4 A license holder who has had a license issued under this chapter suspended, revoked,  
85.5 or has been ordered to pay a fine must be given notice of the action by certified mail or  
85.6 personal service. If mailed, the notice must be mailed to the address shown on the application  
85.7 or the last known address of the license holder. The notice must state in plain language the  
85.8 reasons the license was suspended or revoked, or a fine was ordered.

85.9 (b) If the license was suspended or revoked, the notice must inform the license holder  
85.10 of the right to a contested case hearing under chapter 14 and Minnesota Rules, parts  
85.11 1400.8505 to 1400.8612. The license holder may appeal an order suspending or revoking  
85.12 a license. The appeal of an order suspending or revoking a license must be made in writing  
85.13 by certified mail or personal service. If mailed, the appeal must be postmarked and sent to  
85.14 the commissioner within ten calendar days after the license holder receives notice that the  
85.15 license has been suspended or revoked. If a request is made by personal service, it must be  
85.16 received by the commissioner within ten calendar days after the license holder received the  
85.17 order. Except as provided in subdivision 2a, paragraph (c), if a license holder submits a  
85.18 timely appeal of an order suspending or revoking a license, the license holder may continue  
85.19 to operate the program as provided in section 245A.04, subdivision 7, paragraphs ~~(g)~~ (f)  
85.20 and ~~(h)~~ (g), until the commissioner issues a final order on the suspension or revocation.

85.21 (c)(1) If the license holder was ordered to pay a fine, the notice must inform the license  
85.22 holder of the responsibility for payment of fines and the right to a contested case hearing  
85.23 under chapter 14 and Minnesota Rules, parts 1400.8505 to 1400.8612. The appeal of an  
85.24 order to pay a fine must be made in writing by certified mail or personal service. If mailed,  
85.25 the appeal must be postmarked and sent to the commissioner within ten calendar days after  
85.26 the license holder receives notice that the fine has been ordered. If a request is made by  
85.27 personal service, it must be received by the commissioner within ten calendar days after  
85.28 the license holder received the order.

85.29 (2) The license holder shall pay the fines assessed on or before the payment date specified.  
85.30 If the license holder fails to fully comply with the order, the commissioner may issue a  
85.31 second fine or suspend the license until the license holder complies. If the license holder  
85.32 receives state funds, the state, county, or municipal agencies or departments responsible for  
85.33 administering the funds shall withhold payments and recover any payments made while the

86.1 license is suspended for failure to pay a fine. A timely appeal shall stay payment of the fine  
86.2 until the commissioner issues a final order.

86.3 (3) A license holder shall promptly notify the commissioner of human services, in writing,  
86.4 when a violation specified in the order to forfeit a fine is corrected. If upon reinspection the  
86.5 commissioner determines that a violation has not been corrected as indicated by the order  
86.6 to forfeit a fine, the commissioner may issue a second fine. The commissioner shall notify  
86.7 the license holder by certified mail or personal service that a second fine has been assessed.  
86.8 The license holder may appeal the second fine as provided under this subdivision.

86.9 (4) Fines shall be assessed as follows:

86.10 (i) the license holder shall forfeit \$1,000 for each determination of maltreatment of a  
86.11 child under section 626.556 or the maltreatment of a vulnerable adult under section 626.557  
86.12 for which the license holder is determined responsible for the maltreatment under section  
86.13 626.556, subdivision 10e, paragraph (i), or 626.557, subdivision 9c, paragraph (c);

86.14 (ii) if the commissioner determines that a determination of maltreatment for which the  
86.15 license holder is responsible is the result of maltreatment that meets the definition of serious  
86.16 maltreatment as defined in section 245C.02, subdivision 18, the license holder shall forfeit  
86.17 \$5,000;

86.18 (iii) for a program that operates out of the license holder's home and a program licensed  
86.19 under Minnesota Rules, parts 9502.0300 to ~~9502.0495~~ 9502.0445, the fine assessed against  
86.20 the license holder shall not exceed \$1,000 for each determination of maltreatment;

86.21 (iv) the license holder shall forfeit \$200 for each occurrence of a violation of law or rule  
86.22 governing matters of health, safety, or supervision, including but not limited to the provision  
86.23 of adequate staff-to-child or adult ratios, and failure to comply with background study  
86.24 requirements under chapter 245C; and

86.25 (v) the license holder shall forfeit \$100 for each occurrence of a violation of law or rule  
86.26 other than those subject to a \$5,000, \$1,000, or \$200 fine in items (i) to (iv).

86.27 For purposes of this section, "occurrence" means each violation identified in the  
86.28 commissioner's fine order. Fines assessed against a license holder that holds a license to  
86.29 provide home and community-based services, as identified in section 245D.03, subdivision  
86.30 1, and a community residential setting or day services facility license under chapter 245D  
86.31 where the services are provided, may be assessed against both licenses for the same  
86.32 occurrence, but the combined amount of the fines shall not exceed the amount specified in  
86.33 this clause for that occurrence.

87.1 (5) When a fine has been assessed, the license holder may not avoid payment by closing,  
87.2 selling, or otherwise transferring the licensed program to a third party. In such an event, the  
87.3 license holder will be personally liable for payment. In the case of a corporation, each  
87.4 controlling individual is personally and jointly liable for payment.

87.5 (d) Except for background study violations involving the failure to comply with an order  
87.6 to immediately remove an individual or an order to provide continuous, direct supervision,  
87.7 the commissioner shall not issue a fine under paragraph (c) relating to a background study  
87.8 violation to a license holder who self-corrects a background study violation before the  
87.9 commissioner discovers the violation. A license holder who has previously exercised the  
87.10 provisions of this paragraph to avoid a fine for a background study violation may not avoid  
87.11 a fine for a subsequent background study violation unless at least 365 days have passed  
87.12 since the license holder self-corrected the earlier background study violation.

126.4 offender, or maltreatment information from another state that is required to be reviewed  
126.5 under this chapter within ten days of requesting the information, and the lack of the  
126.6 information is the only reason that a notice is issued under subdivision 2, paragraph (a),  
126.7 clause (1), item (ii), the commissioner may issue a notice under subdivision 2, paragraph  
126.8 (a), clause (1), item (i). The commissioner may take action on information received from

126.22 (5) vulnerability of persons served by the program;

126.23 (6) the similarity between the victim and persons served by the program;

126.28 (c) If the individual requested reconsideration on the basis that the information relied  
126.29 upon to disqualify the individual was incorrect or inaccurate and the commissioner determines  
126.30 that the information relied upon to disqualify the individual is correct, the commissioner

127.21 Subd. 5. **Scope of set-aside.** (a) If the commissioner sets aside a disqualification under  
127.22 this section, the disqualified individual remains disqualified, but may hold a license and  
127.23 have direct contact with or access to persons receiving services. Except as provided in  
127.24 paragraph (b), the commissioner's set-aside of a disqualification is limited solely to the  
127.25 licensed program, applicant, or agency specified in the set aside notice under section 245C.23.  
127.26 For personal care provider organizations, the commissioner's set-aside may further be limited  
127.27 to a specific individual who is receiving services. For new background studies required  
127.28 under section 245C.04, subdivision 1, paragraph (h), if an individual's disqualification was  
127.29 previously set aside for the license holder's program and the new background study results  
127.30 in no new information that indicates the individual may pose a risk of harm to persons  
127.31 receiving services from the license holder, the previous set-aside shall remain in effect.

128.1 (b) If the commissioner has previously set aside an individual's disqualification for one  
128.2 or more programs or agencies, and the individual is the subject of a subsequent background  
128.3 study for a different program or agency, the commissioner shall determine whether the  
128.4 disqualification is set aside for the program or agency that initiated the subsequent  
128.5 background study. A notice of a set-aside under paragraph (c) shall be issued within 15  
128.6 working days if all of the following criteria are met:

128.7 (1) the subsequent background study was initiated in connection with a program licensed  
128.8 or regulated under the same provisions of law and rule for at least one program for which  
128.9 the individual's disqualification was previously set aside by the commissioner;

128.10 (2) the individual is not disqualified for an offense specified in section 245C.15,  
128.11 subdivision 1 or 2;

128.12 (3) the commissioner has received no new information to indicate that the individual  
128.13 may pose a risk of harm to any person served by the program; and

128.14 (4) the previous set-aside was not limited to a specific person receiving services.

128.15 (c) Notwithstanding paragraph (b), clause (2), for an individual who is employed in the  
128.16 substance use disorder field, if the commissioner has previously set aside an individual's  
128.17 disqualification for one or more programs or agencies in the substance use disorder treatment  
128.18 field, and the individual is the subject of a subsequent background study for a different  
128.19 program or agency in the substance use disorder treatment field, the commissioner shall set  
128.20 aside the disqualification for the program or agency in the substance use disorder treatment  
128.21 field that initiated the subsequent background study when the criteria under paragraph (b),  
128.22 clauses (1), (3), and (4), are met and the individual is not disqualified for an offense specified  
128.23 in section 254C.15, subdivision 1. A notice of a set-aside under paragraph (d) shall be issued  
128.24 within 15 working days.

128.25 ~~(e)~~(d) When a disqualification is set aside under paragraph (b), the notice of background  
128.26 study results issued under section 245C.17, in addition to the requirements under section  
128.27 245C.17, shall state that the disqualification is set aside for the program or agency that  
128.28 initiated the subsequent background study. The notice must inform the individual that the  
128.29 individual may request reconsideration of the disqualification under section 245C.21 on the  
128.30 basis that the information used to disqualify the individual is incorrect.

128.31 **EFFECTIVE DATE.** This section is effective January 1, 2020.

129.1 Sec. 76. Minnesota Statutes 2018, section 245C.24, subdivision 1, is amended to read:

129.2 Subdivision 1. **Minimum disqualification periods.** The disqualification periods under  
129.3 subdivisions 3 ~~and 4~~ to 5 are the minimum applicable disqualification periods. The  
129.4 commissioner may determine that an individual should continue to be disqualified from  
129.5 licensure because the individual continues to pose a risk of harm to persons served by that  
129.6 individual, even after the minimum disqualification period has passed.

129.7 **EFFECTIVE DATE.** This section is effective March 1, 2020.

129.14 (b) For an individual in the chemical dependency or corrections field who was disqualified  
129.15 for a crime or conduct listed under section 245C.15, subdivision 1, and whose disqualification  
129.16 was set aside prior to July 1, 2005, the commissioner must consider granting a variance  
129.17 pursuant to section 245C.30 for the license holder for a program dealing primarily with  
129.18 adults. A request for reconsideration evaluated under this paragraph must include a letter  
129.19 of recommendation from the license holder that was subject to the prior set-aside decision  
129.20 addressing the individual's quality of care to children or vulnerable adults and the  
129.21 circumstances of the individual's departure from that service.

129.22 (c) If an individual who requires a background study for nonemergency medical  
129.23 transportation services under section 245C.03, subdivision 12, was disqualified for a crime  
129.24 or conduct listed under section 245C.15, subdivision 1, and if more than 40 years have

129.27 paragraph must include a letter of recommendation from the employer. This paragraph does  
129.28 not apply to a person disqualified based on a violation of sections 243.166; 609.185 to

129.33 to receive a background study under section 245C.03, subdivision 1, paragraph (a), clause

130.1 (2) or (6), the commissioner may grant a variance to the license holder under section 245C.30  
130.2 to permit the adopted individual with a permanent disqualification to remain affiliated with  
130.3 the license holder under the conditions of the variance when the variance is recommended  
130.4 by the county of responsibility for each of the remaining individuals in placement in the  
130.5 home and the licensing agency for the home.

130.20 services or have access to people receiving services that minimize the risk of harm to people  
130.21 receiving services, the commissioner may grant a time-limited variance to a license holder  
130.22 or license-exempt child care center certification holder.

144.24 assistance, to include child care assistance or vouchers produced according to sections  
144.25 145.891 to 145.897 and MinnesotaCare services according to sections 256.9365, 256.94,  
144.26 and 256L.01 to 256L.15, to which the person is not entitled or assistance greater than that  
144.27 to which the person is entitled;

144.28 (2) knowingly aids or abets in buying or in any way disposing of the property of a  
144.29 recipient or applicant of assistance without the consent of the county agency; or

144.30 (3) obtains or attempts to obtain, alone or in collusion with others, the receipt of payments  
144.31 to which the individual is not entitled as a provider of subsidized child care, or by furnishing  
144.32 or concurring in a willfully false claim for child care assistance.

145.1 The continued receipt of assistance to which the person is not entitled or greater than  
145.2 that to which the person is entitled as a result of any of the acts, failure to act, or concealment  
145.3 described in this subdivision shall be deemed to be continuing offenses from the date that  
145.4 the first act or failure to act occurred.

145.5 Sec. 109. Minnesota Statutes 2018, section 256.98, subdivision 8, is amended to read:

145.6 Subd. 8. **Disqualification from program.** (a) Any person found to be guilty of  
145.7 wrongfully obtaining assistance by a federal or state court or by an administrative hearing  
145.8 determination, or waiver thereof, through a disqualification consent agreement, or as part  
145.9 of any approved diversion plan under section 401.065, or any court-ordered stay which  
145.10 carries with it any probationary or other conditions, in the Minnesota family investment  
145.11 program and any affiliated program to include the diversionary work program and the work  
145.12 participation cash benefit program, the food stamp or food support program, the general  
145.13 assistance program, housing support under chapter 256I, or the Minnesota supplemental  
145.14 aid program shall be disqualified from that program. In addition, any person disqualified  
145.15 from the Minnesota family investment program shall also be disqualified from the food  
145.16 stamp or food support program. The needs of that individual shall not be taken into  
145.17 consideration in determining the grant level for that assistance unit:

145.18 (1) for one year after the first offense;

145.19 (2) for two years after the second offense; and

145.20 (3) permanently after the third or subsequent offense.

145.21 The period of program disqualification shall begin on the date stipulated on the advance  
145.22 notice of disqualification without possibility of postponement for administrative stay or  
145.23 administrative hearing and shall continue through completion unless and until the findings  
145.24 upon which the sanctions were imposed are reversed by a court of competent jurisdiction.  
145.25 The period for which sanctions are imposed is not subject to review. The sanctions provided  
145.26 under this subdivision are in addition to, and not in substitution for, any other sanctions that  
145.27 may be provided for by law for the offense involved. A disqualification established through  
145.28 hearing or waiver shall result in the disqualification period beginning immediately unless  
145.29 the person has become otherwise ineligible for assistance. If the person is ineligible for  
145.30 assistance, the disqualification period begins when the person again meets the eligibility  
145.31 criteria of the program from which they were disqualified and makes application for that  
145.32 program.

146.1 (b) A family receiving assistance through child care assistance programs under chapter  
146.2 119B with a family member who is found to be guilty of wrongfully obtaining child care  
146.3 assistance by a federal court, state court, or an administrative hearing determination or  
146.4 waiver, through a disqualification consent agreement, as part of an approved diversion plan  
146.5 under section 401.065, or a court-ordered stay with probationary or other conditions, is  
146.6 disqualified from child care assistance programs. The disqualifications must be for periods  
146.7 of one year and two years for the first and second offenses, respectively. Subsequent  
146.8 violations must result in permanent disqualification. During the disqualification period,  
146.9 disqualification from any child care program must extend to all child care programs and  
146.10 must be immediately applied.

146.11 (c) A provider caring for children receiving assistance through child care assistance  
146.12 programs under chapter 119B is disqualified from receiving payment for child care services  
146.13 from the child care assistance program under chapter 119B when the provider is found to  
146.14 have wrongfully obtained child care assistance by a federal court, state court, or an  
146.15 administrative hearing determination or waiver under section 256.046, through a  
146.16 disqualification consent agreement, as part of an approved diversion plan under section  
146.17 401.065, or a court-ordered stay with probationary or other conditions. The disqualification  
146.18 must be for a period of ~~one year~~ three years for the first offense ~~and two years for the second~~  
146.19 ~~offense~~. Any subsequent violation must result in permanent disqualification. The  
146.20 disqualification period must be imposed immediately after a determination is made under  
146.21 this paragraph. During the disqualification period, the provider is disqualified from receiving  
146.22 payment from any child care program under chapter 119B.

146.23 (d) Any person found to be guilty of wrongfully obtaining MinnesotaCare for adults  
146.24 without children and upon federal approval, all categories of medical assistance and  
146.25 remaining categories of MinnesotaCare, except for children through age 18, by a federal or  
146.26 state court or by an administrative hearing determination, or waiver thereof, through a  
146.27 disqualification consent agreement, or as part of any approved diversion plan under section  
146.28 401.065, or any court-ordered stay which carries with it any probationary or other conditions,  
146.29 is disqualified from that program. The period of disqualification is one year after the first  
146.30 offense, two years after the second offense, and permanently after the third or subsequent  
146.31 offense. The period of program disqualification shall begin on the date stipulated on the  
146.32 advance notice of disqualification without possibility of postponement for administrative  
146.33 stay or administrative hearing and shall continue through completion unless and until the  
146.34 findings upon which the sanctions were imposed are reversed by a court of competent  
146.35 jurisdiction. The period for which sanctions are imposed is not subject to review. The

147.1 sanctions provided under this subdivision are in addition to, and not in substitution for, any  
147.2 other sanctions that may be provided for by law for the offense involved.

147.3 Sec. 110. Minnesota Statutes 2018, section 256.983, is amended by adding a subdivision  
147.4 to read:

147.5 Subd. 5. **Child care providers; financial misconduct.** (a) A county or tribal agency  
147.6 may conduct investigations of financial misconduct by child care providers as described in  
147.7 chapter 245E. Prior to opening an investigation, a county or tribal agency must contact the  
147.8 commissioner to determine whether an investigation under this chapter may compromise  
147.9 an ongoing investigation.

147.10 (b) If, upon investigation, a preponderance of evidence shows a provider committed an  
147.11 intentional program violation, intentionally gave the county or tribe materially false  
147.12 information on the provider's billing forms, provided false attendance records to a county,  
147.13 tribe, or the commissioner, or committed financial misconduct as described in section  
147.14 245E.01, subdivision 8, the county or tribal agency may suspend a provider's payment  
147.15 pursuant to chapter 245E, or deny or revoke a provider's authorization pursuant to section  
147.16 119B.13, subdivision 6, paragraph (d), clause (2), prior to pursuing other available remedies.  
147.17 The county must send notice in accordance with the requirements of section 119B.161,  
147.18 subdivision 2. If a provider's payment is suspended under this section, the payment suspension  
147.19 shall remain in effect until: (1) the commissioner, county, or a law enforcement authority  
147.20 determines that there is insufficient evidence warranting the action and a county, tribe, or  
147.21 the commissioner does not pursue an additional administrative remedy under chapter 119B  
147.22 or 245E, or section 256.046 or 256.98; or (2) all criminal, civil, and administrative  
147.23 proceedings related to the provider's alleged misconduct conclude and any appeal rights are  
147.24 exhausted.

147.25 (c) For the purposes of this section, an intentional program violation includes intentionally  
147.26 making false or misleading statements; intentionally misrepresenting, concealing, or  
147.27 withholding facts; and repeatedly and intentionally violating program regulations under  
147.28 chapters 119B and 245E.

147.29 (d) A provider has the right to administrative review under section 119B.161 if: (1)  
147.30 payment is suspended under chapter 245E; or (2) the provider's authorization was denied  
147.31 or revoked under section 119B.13, subdivision 6, paragraph (d), clause (2).

147.32 **EFFECTIVE DATE.** This section is effective February 26, 2021.

148.1 Sec. 111. Minnesota Statutes 2018, section 256B.02, subdivision 7, is amended to read:

148.2 Subd. 7. **Vendor of medical care.** (a) "Vendor of medical care" means any person or  
148.3 persons furnishing, within the scope of the vendor's respective license, any or all of the  
148.4 following goods or services: medical, surgical, hospital, ambulatory surgical center services,  
148.5 optical, visual, dental and nursing services; drugs and medical supplies; appliances;  
148.6 laboratory, diagnostic, and therapeutic services; nursing home and convalescent care;  
148.7 screening and health assessment services provided by public health nurses as defined in  
148.8 section 145A.02, subdivision 18; health care services provided at the residence of the patient  
148.9 if the services are performed by a public health nurse and the nurse indicates in a statement  
148.10 submitted under oath that the services were actually provided; and such other ~~medical~~  
148.11 services or supplies provided or prescribed by persons authorized by state law to give such  
148.12 services and supplies. The term includes, but is not limited to, directors and officers of  
148.13 corporations or members of partnerships who, either individually or jointly with another or  
148.14 others, have the legal control, supervision, or responsibility of submitting claims for  
148.15 reimbursement to the medical assistance program. The term only includes directors and  
148.16 officers of corporations who personally receive a portion of the distributed assets upon  
148.17 liquidation or dissolution, and their liability is limited to the portion of the claim that bears  
148.18 the same proportion to the total claim as their share of the distributed assets bears to the  
148.19 total distributed assets.

148.20 (b) "Vendor of medical care" also includes any person who is credentialed as a health  
148.21 professional under standards set by the governing body of a federally recognized Indian  
148.22 tribe authorized under an agreement with the federal government according to United States  
148.23 Code, title 25, section 450f, to provide health services to its members, and who through a  
148.24 tribal facility provides covered services to American Indian people within a contract health  
148.25 service delivery area of a Minnesota reservation, as defined under Code of Federal  
148.26 Regulations, title 42, section 36.22.

148.27 (c) A federally recognized Indian tribe that intends to implement standards for  
148.28 credentialing health professionals must submit the standards to the commissioner of human  
148.29 services, along with evidence of meeting, exceeding, or being exempt from corresponding  
148.30 state standards. The commissioner shall maintain a copy of the standards and supporting  
148.31 evidence, and shall use those standards to enroll tribal-approved health professionals as  
148.32 medical assistance providers. For purposes of this section, "Indian" and "Indian tribe" mean  
148.33 persons or entities that meet the definition in United States Code, title 25, section 450b.

149.1 Sec. 112. Minnesota Statutes 2018, section 256B.04, subdivision 21, is amended to read:

149.2 Subd. 21. **Provider enrollment.** (a) If the commissioner or the Centers for Medicare  
149.3 and Medicaid Services determines that a provider is designated "high-risk," the commissioner  
149.4 may withhold payment from providers within that category upon initial enrollment for a  
149.5 90-day period. The withholding for each provider must begin on the date of the first  
149.6 submission of a claim.

149.7 (b) An enrolled provider that is also licensed by the commissioner under chapter 245A,  
149.8 or is licensed as a home care provider by the Department of Health under chapter 144A and  
149.9 has a home and community-based services designation on the home care license under  
149.10 section 144A.484, must designate an individual as the entity's compliance officer. The  
149.11 compliance officer must:

149.12 (1) develop policies and procedures to assure adherence to medical assistance laws and  
149.13 regulations and to prevent inappropriate claims submissions;

149.14 (2) train the employees of the provider entity, and any agents or subcontractors of the  
149.15 provider entity including billers, on the policies and procedures under clause (1);

149.16 (3) respond to allegations of improper conduct related to the provision or billing of  
149.17 medical assistance services, and implement action to remediate any resulting problems;

149.18 (4) use evaluation techniques to monitor compliance with medical assistance laws and  
149.19 regulations;

149.20 (5) promptly report to the commissioner any identified violations of medical assistance  
149.21 laws or regulations; and

149.22 (6) within 60 days of discovery by the provider of a medical assistance reimbursement  
149.23 overpayment, report the overpayment to the commissioner and make arrangements with  
149.24 the commissioner for the commissioner's recovery of the overpayment.

149.25 The commissioner may require, as a condition of enrollment in medical assistance, that a  
149.26 provider within a particular industry sector or category establish a compliance program that  
149.27 contains the core elements established by the Centers for Medicare and Medicaid Services.

149.28 (c) The commissioner may revoke the enrollment of an ordering or rendering provider  
149.29 for a period of not more than one year, if the provider fails to maintain and, upon request  
149.30 from the commissioner, provide access to documentation relating to written orders or requests  
149.31 for payment for durable medical equipment, certifications for home health services, or  
149.32 referrals for other items or services written or ordered by such provider, when the  
149.33 commissioner has identified a pattern of a lack of documentation. A pattern means a failure

150.1 to maintain documentation or provide access to documentation on more than one occasion.  
150.2 Nothing in this paragraph limits the authority of the commissioner to sanction a provider  
150.3 under the provisions of section 256B.064.

150.4 (d) The commissioner shall terminate or deny the enrollment of any individual or entity  
150.5 if the individual or entity has been terminated from participation in Medicare or under the  
150.6 Medicaid program or Children's Health Insurance Program of any other state. The  
150.7 commissioner may exempt a rehabilitation agency from termination or denial that would  
150.8 otherwise be required under this paragraph, if the agency:

150.9 (1) is unable to retain Medicare certification and enrollment solely due to a lack of billing  
150.10 to the Medicare program;

150.11 (2) meets all other applicable Medicare certification requirements based on an on-site  
150.12 review completed by the commissioner of health; and

150.13 (3) serves primarily a pediatric population.

150.14 (e) As a condition of enrollment in medical assistance, the commissioner shall require  
150.15 that a provider designated "moderate" or "high-risk" by the Centers for Medicare and  
150.16 Medicaid Services or the commissioner permit the Centers for Medicare and Medicaid  
150.17 Services, its agents, or its designated contractors and the state agency, its agents, or its  
150.18 designated contractors to conduct unannounced on-site inspections of any provider location.  
150.19 The commissioner shall publish in the Minnesota Health Care Program Provider Manual a  
150.20 list of provider types designated "limited," "moderate," or "high-risk," based on the criteria  
150.21 and standards used to designate Medicare providers in Code of Federal Regulations, title  
150.22 42, section 424.518. The list and criteria are not subject to the requirements of chapter 14.  
150.23 The commissioner's designations are not subject to administrative appeal.

150.24 (f) As a condition of enrollment in medical assistance, the commissioner shall require  
150.25 that a high-risk provider, or a person with a direct or indirect ownership interest in the  
150.26 provider of five percent or higher, consent to criminal background checks, including  
150.27 fingerprinting, when required to do so under state law or by a determination by the  
150.28 commissioner or the Centers for Medicare and Medicaid Services that a provider is designated  
150.29 high-risk for fraud, waste, or abuse.

150.30 (g)(1) Upon initial enrollment, reenrollment, and notification of revalidation, all durable  
150.31 medical equipment, prosthetics, orthotics, and supplies (DMEPOS) medical suppliers  
150.32 meeting the durable medical equipment provider and supplier definition in clause (3),  
150.33 operating in Minnesota and receiving Medicaid funds must purchase a surety bond that is  
150.34 annually renewed and designates the Minnesota Department of Human Services as the

151.1 obligee, and must be submitted in a form approved by the commissioner. For purposes of  
151.2 this clause, the following medical suppliers are not required to obtain a surety bond: a  
151.3 federally qualified health center, a home health agency, the Indian Health Service, a  
151.4 pharmacy, and a rural health clinic.

151.5 (2) At the time of initial enrollment or reenrollment, durable medical equipment providers  
151.6 and suppliers defined in clause (3) must purchase a surety bond of \$50,000. If a revalidating  
151.7 provider's Medicaid revenue in the previous calendar year is up to and including \$300,000,  
151.8 the provider agency must purchase a surety bond of \$50,000. If a revalidating provider's  
151.9 Medicaid revenue in the previous calendar year is over \$300,000, the provider agency must  
151.10 purchase a surety bond of \$100,000. The surety bond must allow for recovery of costs and  
151.11 fees in pursuing a claim on the bond.

151.12 (3) "Durable medical equipment provider or supplier" means a medical supplier that can  
151.13 purchase medical equipment or supplies for sale or rental to the general public and is able  
151.14 to perform or arrange for necessary repairs to and maintenance of equipment offered for  
151.15 sale or rental.

151.16 (h) The Department of Human Services may require a provider to purchase a surety  
151.17 bond as a condition of initial enrollment, reenrollment, reinstatement, or continued enrollment  
151.18 if: (1) the provider fails to demonstrate financial viability, (2) the department determines  
151.19 there is significant evidence of or potential for fraud and abuse by the provider, or (3) the  
151.20 provider or category of providers is designated high-risk pursuant to paragraph (a) and as  
151.21 per Code of Federal Regulations, title 42, section 455.450. The surety bond must be in an  
151.22 amount of \$100,000 or ten percent of the provider's payments from Medicaid during the  
151.23 immediately preceding 12 months, whichever is greater. The surety bond must name the  
151.24 Department of Human Services as an obligee and must allow for recovery of costs and fees  
151.25 in pursuing a claim on the bond. This paragraph does not apply if the provider currently  
151.26 maintains a surety bond under the requirements in section 256B.0659 or 256B.85.

151.27 Sec. 113. Minnesota Statutes 2018, section 256B.064, subdivision 1b, is amended to read:

151.28 Subd. 1b. **Sanctions available.** The commissioner may impose the following sanctions  
151.29 for the conduct described in subdivision 1a: suspension or withholding of payments to a  
151.30 vendor and suspending or terminating participation in the program, or imposition of a fine  
151.31 under subdivision 2, paragraph (f). When imposing sanctions under this section, the  
151.32 commissioner shall consider the nature, chronicity, or severity of the conduct and the effect  
151.33 of the conduct on the health and safety of persons served by the vendor. The commissioner  
151.34 shall suspend a vendor's participation in the program for a minimum of five years if the

152.1 vendor is convicted of a crime, received a stay of adjudication, or entered a court-ordered  
152.2 diversion program for an offense related to a provision of a health service under medical  
152.3 assistance or health care fraud. Regardless of imposition of sanctions, the commissioner  
152.4 may make a referral to the appropriate state licensing board.

152.5 Sec. 114. Minnesota Statutes 2018, section 256B.064, subdivision 2, is amended to read:

152.6 Subd. 2. **Imposition of monetary recovery and sanctions.** (a) The commissioner shall  
152.7 determine any monetary amounts to be recovered and sanctions to be imposed upon a vendor  
152.8 of medical care under this section. Except as provided in paragraphs (b) and (d), neither a  
152.9 monetary recovery nor a sanction will be imposed by the commissioner without prior notice  
152.10 and an opportunity for a hearing, according to chapter 14, on the commissioner's proposed  
152.11 action, provided that the commissioner may suspend or reduce payment to a vendor of  
152.12 medical care, except a nursing home or convalescent care facility, after notice and prior to  
152.13 the hearing if in the commissioner's opinion that action is necessary to protect the public  
152.14 welfare and the interests of the program.

152.15 (b) Except when the commissioner finds good cause not to suspend payments under  
152.16 Code of Federal Regulations, title 42, section 455.23 (e) or (f), the commissioner shall  
152.17 withhold or reduce payments to a vendor of medical care without providing advance notice  
152.18 of such withholding or reduction if either of the following occurs:

152.19 (1) the vendor is convicted of a crime involving the conduct described in subdivision  
152.20 1a; or

152.21 (2) the commissioner determines there is a credible allegation of fraud for which an  
152.22 investigation is pending under the program. A credible allegation of fraud is an allegation  
152.23 which has been verified by the state, from any source, including but not limited to:

152.24 (i) fraud hotline complaints;

152.25 (ii) claims data mining; and

152.26 (iii) patterns identified through provider audits, civil false claims cases, and law  
152.27 enforcement investigations.

152.28 Allegations are considered to be credible when they have an indicia of reliability and  
152.29 the state agency has reviewed all allegations, facts, and evidence carefully and acts  
152.30 judiciously on a case-by-case basis.

153.1 (c) The commissioner must send notice of the withholding or reduction of payments  
153.2 under paragraph (b) within five days of taking such action unless requested in writing by a  
153.3 law enforcement agency to temporarily withhold the notice. The notice must:

153.4 (1) state that payments are being withheld according to paragraph (b);

153.5 (2) set forth the general allegations as to the nature of the withholding action, but need  
153.6 not disclose any specific information concerning an ongoing investigation;

153.7 (3) except in the case of a conviction for conduct described in subdivision 1a, state that  
153.8 the withholding is for a temporary period and cite the circumstances under which withholding  
153.9 will be terminated;

153.10 (4) identify the types of claims to which the withholding applies; and

153.11 (5) inform the vendor of the right to submit written evidence for consideration by the  
153.12 commissioner.

153.13 The withholding or reduction of payments will not continue after the commissioner  
153.14 determines there is insufficient evidence of fraud by the vendor, or after legal proceedings  
153.15 relating to the alleged fraud are completed, unless the commissioner has sent notice of  
153.16 intention to impose monetary recovery or sanctions under paragraph (a). Upon conviction  
153.17 for a crime related to the provision, management, or administration of a health service under  
153.18 medical assistance, a payment held pursuant to this section by the commissioner or a managed  
153.19 care organization that contracts with the commissioner under section 256B.035 is forfeited  
153.20 to the commissioner or managed care organization, regardless of the amount charged in the  
153.21 criminal complaint or the amount of criminal restitution ordered.

153.22 (d) The commissioner shall suspend or terminate a vendor's participation in the program  
153.23 without providing advance notice and an opportunity for a hearing when the suspension or  
153.24 termination is required because of the vendor's exclusion from participation in Medicare.  
153.25 Within five days of taking such action, the commissioner must send notice of the suspension  
153.26 or termination. The notice must:

153.27 (1) state that suspension or termination is the result of the vendor's exclusion from  
153.28 Medicare;

153.29 (2) identify the effective date of the suspension or termination; and

153.30 (3) inform the vendor of the need to be reinstated to Medicare before reapplying for  
153.31 participation in the program.

154.1 (e) Upon receipt of a notice under paragraph (a) that a monetary recovery or sanction is  
 154.2 to be imposed, a vendor may request a contested case, as defined in section 14.02, subdivision  
 154.3 3, by filing with the commissioner a written request of appeal. The appeal request must be  
 154.4 received by the commissioner no later than 30 days after the date the notification of monetary  
 154.5 recovery or sanction was mailed to the vendor. The appeal request must specify:

154.6 (1) each disputed item, the reason for the dispute, and an estimate of the dollar amount  
 154.7 involved for each disputed item;

154.8 (2) the computation that the vendor believes is correct;

154.9 (3) the authority in statute or rule upon which the vendor relies for each disputed item;

154.10 (4) the name and address of the person or entity with whom contacts may be made  
 154.11 regarding the appeal; and

154.12 (5) other information required by the commissioner.

154.13 (f) The commissioner may order a vendor to forfeit a fine for failure to fully document  
 154.14 services according to standards in this chapter and Minnesota Rules, chapter 9505. The  
 154.15 commissioner may assess fines if specific required components of documentation are  
 154.16 missing. The fine for incomplete documentation shall equal 20 percent of the amount paid  
 154.17 on the claims for reimbursement submitted by the vendor, or up to \$5,000, whichever is  
 154.18 less. If the commissioner determines that a vendor repeatedly violated this chapter or  
 154.19 Minnesota Rules, chapter 9505, related to the provision of services to program recipients  
 154.20 and the submission of claims for payment, the commissioner may order a vendor to forfeit  
 154.21 a fine based on the nature, severity, and chronicity of the violations, in an amount of up to  
 154.22 \$5,000 or 20 percent of the value of the claims, whichever is greater.

154.23 (g) The vendor shall pay the fine assessed on or before the payment date specified. If  
 154.24 the vendor fails to pay the fine, the commissioner may withhold or reduce payments and  
 154.25 recover the amount of the fine. A timely appeal shall stay payment of the fine until the  
 154.26 commissioner issues a final order.

154.27 Sec. 115. Minnesota Statutes 2018, section 256B.064, is amended by adding a subdivision  
 154.28 to read:

154.29 **Subd. 3. Vendor mandates on prohibited payments.** (a) The commissioner shall  
 154.30 maintain and publish a list of each excluded individual and entity that was convicted of a  
 154.31 crime related to the provision, management, or administration of a medical assistance health  
 154.32 service, or suspended or terminated under subdivision 2. Medical assistance payments cannot

155.1 be made by a vendor for items or services furnished either directly or indirectly by an  
155.2 excluded individual or entity, or at the direction of excluded individuals or entities.

155.3 (b) The vendor must check the exclusion list on a monthly basis and document the date  
155.4 and time the exclusion list was checked and the name and title of the person who checked  
155.5 the exclusion list. The vendor must immediately terminate payments to an individual or  
155.6 entity on the exclusion list.

155.7 (c) A vendor's requirement to check the exclusion list and to terminate payments to  
155.8 individuals or entities on the exclusion list applies to each individual or entity on the  
155.9 exclusion list, even if the named individual or entity is not responsible for direct patient  
155.10 care or direct submission of a claim to medical assistance.

155.11 (d) A vendor that pays medical assistance program funds to an individual or entity on  
155.12 the exclusion list must refund any payment related to either items or services rendered by  
155.13 an individual or entity on the exclusion list from the date the individual or entity is first paid  
155.14 or the date the individual or entity is placed on the exclusion list, whichever is later, and a  
155.15 vendor may be subject to:

155.16 (1) sanctions under subdivision 2;

155.17 (2) a civil monetary penalty of up to \$25,000 for each determination by the department  
155.18 that the vendor employed or contracted with an individual or entity on the exclusion list;  
155.19 and

155.20 (3) other fines or penalties allowed by law.

155.21 Sec. 116. Minnesota Statutes 2018, section 256B.064, is amended by adding a subdivision  
155.22 to read:

155.23 Subd. 4. **Notice.** (a) The notice required under subdivision 2 shall be served by certified  
155.24 mail at the address submitted to the department by the vendor. Service is complete upon  
155.25 mailing. The commissioner shall place an affidavit of the certified mailing in the vendor's  
155.26 file as an indication of the address and the date of mailing.

155.27 (b) The department shall give notice in writing to a recipient placed in the Minnesota  
155.28 restricted recipient program under section 256B.0646 and Minnesota Rules, part 9505.2200.  
155.29 The notice shall be sent by first class mail to the recipient's current address on file with the  
155.30 department. A recipient placed in the Minnesota restricted recipient program may contest  
155.31 the placement by submitting a written request for a hearing to the department within 90  
155.32 days of the notice being mailed.

156.1 Sec. 117. Minnesota Statutes 2018, section 256B.064, is amended by adding a subdivision  
156.2 to read:

156.3 Subd. 5. **Immunity; good faith reporters.** (a) A person who makes a good faith report  
156.4 is immune from any civil or criminal liability that might otherwise arise from reporting or  
156.5 participating in the investigation. Nothing in this subdivision affects a vendor's responsibility  
156.6 for an overpayment established under this subdivision.

156.7 (b) A person employed by a lead investigative agency who is conducting or supervising  
156.8 an investigation or enforcing the law according to the applicable law or rule is immune from  
156.9 any civil or criminal liability that might otherwise arise from the person's actions, if the  
156.10 person is acting in good faith and exercising due care.

156.11 (c) For purposes of this subdivision, "person" includes a natural person or any form of  
156.12 a business or legal entity.

156.13 (d) After an investigation is complete, the reporter's name must be kept confidential.  
156.14 The subject of the report may compel disclosure of the reporter's name only with the consent  
156.15 of the reporter or upon a written finding by a district court that the report was false and there  
156.16 is evidence that the report was made in bad faith. This subdivision does not alter disclosure  
156.17 responsibilities or obligations under the Rules of Criminal Procedure, except that when the  
156.18 identity of the reporter is relevant to a criminal prosecution the district court shall conduct  
156.19 an in-camera review before determining whether to order disclosure of the reporter's identity.

156.20 Sec. 118. **[256B.0646] MINNESOTA RESTRICTED RECIPIENT PROGRAM;**  
156.21 **PERSONAL CARE ASSISTANCE SERVICES.**

156.22 (a) When a recipient's use of personal care assistance services or community first services  
156.23 and supports under section 256B.85 results in abusive or fraudulent billing, the commissioner  
156.24 may place a recipient in the Minnesota restricted recipient program under Minnesota Rules,  
156.25 part 9505.2165. A recipient placed in the Minnesota restricted recipient program under this  
156.26 section must: (1) use a designated traditional personal care assistance provider agency; and  
156.27 (2) obtain a new assessment under section 256B.0911, including consultation with a registered  
156.28 or public health nurse on the long-term care consultation team pursuant to section 256B.0911,  
156.29 subdivision 3, paragraph (b), clause (2).

156.30 (b) A recipient must comply with additional conditions for the use of personal care  
156.31 assistance services or community first services and supports if the commissioner determines  
156.32 it is necessary to prevent future misuse of personal care assistance services or abusive or  
156.33 fraudulent billing. Additional conditions may include but are not limited to restricting service

157.1 authorizations for a duration of no more than one month and requiring a qualified professional  
157.2 to monitor and report services on a monthly basis.

157.3 (c) A recipient placed in the Minnesota restricted recipient program under this section  
157.4 may appeal the placement according to section 256.045.

157.5 **EFFECTIVE DATE.** This section is effective the day following final enactment.

157.6 Sec. 119. Minnesota Statutes 2018, section 256B.0651, subdivision 17, is amended to  
157.7 read:

157.8 Subd. 17. **Recipient protection.** (a) Providers of home care services must provide each  
157.9 recipient with a copy of the home care bill of rights under section 144A.44 at least 30 days  
157.10 prior to terminating services to a recipient, if the termination results from provider sanctions  
157.11 under section 256B.064, such as a payment withhold, a suspension of participation, or a  
157.12 termination of participation. If a home care provider determines it is unable to continue  
157.13 providing services to a recipient, the provider must notify the recipient, the recipient's  
157.14 responsible party, and the commissioner 30 days prior to terminating services to the recipient  
157.15 because of an action under section 256B.064, and must assist the commissioner and lead  
157.16 agency in supporting the recipient in transitioning to another home care provider of the  
157.17 recipient's choice.

157.18 (b) In the event of a payment withhold from a home care provider, a suspension of  
157.19 participation, or a termination of participation of a home care provider under section  
157.20 256B.064, the commissioner may inform the Office of Ombudsman for Long-Term Care  
157.21 and the lead agencies for all recipients with active service agreements with the provider. At  
157.22 the commissioner's request, the lead agencies must contact recipients to ensure that the  
157.23 recipients are continuing to receive needed care, and that the recipients have been given  
157.24 free choice of provider if they transfer to another home care provider. In addition, the  
157.25 commissioner or the commissioner's delegate may directly notify recipients who receive  
157.26 care from the provider that payments have been or will be withheld or that the provider's  
157.27 participation in medical assistance has been or will be suspended or terminated, if the  
157.28 commissioner determines that notification is necessary to protect the welfare of the recipients.  
157.29 For purposes of this subdivision, "lead agencies" means counties, tribes, and managed care  
157.30 organizations.

157.31 **EFFECTIVE DATE.** This section is effective the day following final enactment.

158.1 Sec. 120. Minnesota Statutes 2018, section 256B.0659, subdivision 12, is amended to  
158.2 read:

158.3 Subd. 12. **Documentation of personal care assistance services provided.** (a) Personal  
158.4 care assistance services for a recipient must be documented daily by each personal care  
158.5 assistant, on a time sheet form approved by the commissioner. All documentation may be  
158.6 web-based, electronic, or paper documentation. The completed form must be submitted on  
158.7 a monthly basis to the provider and kept in the recipient's health record.

158.8 (b) The activity documentation must correspond to the personal care assistance care plan  
158.9 and be reviewed by the qualified professional.

158.10 (c) The personal care assistant time sheet must be on a form approved by the  
158.11 commissioner documenting time the personal care assistant provides services in the home.

158.15 (3) full name of recipient and either the recipient's medical assistance identification  
158.16 number or date of birth;

158.17 (4) consecutive dates, including month, day, and year, and arrival and departure times  
158.18 with a.m. or p.m. notations;

158.19 (5) signatures of recipient or the responsible party;

158.20 (6) personal signature of the personal care assistant;

158.21 (7) any shared care provided, if applicable;

158.22 (8) a statement that it is a federal crime to provide false information on personal care  
158.23 service billings for medical assistance payments; and

158.25 **EFFECTIVE DATE.** This section is effective the day following final enactment.

158.26 Sec. 121. Minnesota Statutes 2018, section 256B.27, subdivision 3, is amended to read:

158.27 Subd. 3. **Access to medical records.** The commissioner of human services, with the  
158.28 written consent of the recipient, on file with the local welfare agency, shall be allowed  
158.29 access to all personal medical records of medical assistance recipients solely for the purposes  
158.30 of investigating whether or not: (a) a vendor of medical care has submitted a claim for  
158.31 reimbursement, a cost report or a rate application which is duplicative, erroneous, or false

159.1 in whole or in part, or which results in the vendor obtaining greater compensation than the  
 159.2 vendor is legally entitled to; or (b) the medical care was medically necessary. ~~The vendor~~  
 159.3 ~~of medical care shall receive notification from the commissioner at least 24 hours before~~

 159.5 possible overpayment of Medicaid funds, the commissioner must be given immediate access  
 159.6 without prior notice to the vendor's office during regular business hours and to documentation  
 159.7 and records related to services provided and submission of claims for services provided.  
 159.8 The department shall document in writing the need for immediate access to records related  
 159.9 to a specific investigation. Denying the commissioner access to records is cause for the  
 159.10 vendor's immediate suspension of payment or termination according to section 256B.064.  
 159.11 The determination of provision of services not medically necessary shall be made by the  
 159.12 commissioner. Notwithstanding any other law to the contrary, a vendor of medical care  
 159.13 shall not be subject to any civil or criminal liability for providing access to medical records  
 159.14 to the commissioner of human services pursuant to this section.

159.15 Sec. 122. Minnesota Statutes 2018, section 256B.4912, is amended by adding a subdivision

159.21 (2) if applicable, the service is provided on days and times during the days and hours of  
 159.22 operation specified on any license required under chapter 245A or 245D; and

159.23 (3) the provider complies with subdivisions 12 to 15, if applicable.

159.24 (b) The provider must maintain documentation that, upon employment and annually  
 159.25 thereafter, staff providing a service have attested to reviewing and understanding the  
 159.26 following statement: "It is a federal crime to provide materially false information on service  
 159.27 billings for medical assistance or services provided under a federally approved waiver plan  
 159.28 as authorized under Minnesota Statutes, sections 256B.0913, 256B.0915, 256B.092, and  
 159.29 256B.49."

 159.31 Rules, parts 9505.2160 to 9505.2245, for a service that does not satisfy this subdivision.

162.26 Sec. 127. **EVALUATION OF GRANT PROGRAMS; PROVEN-EFFECTIVE**  
162.27 **PRACTICES.**

162.28 (a) The commissioner of management and budget shall consult with the commissioner  
162.29 of human services to establish a plan to review the services delivered under grant programs  
162.30 administered by the commissioner of human services to determine whether the grant programs  
162.31 prioritize proven-effective or promising practices.

163.1 (b) In accordance with the plan established in paragraph (a), the commissioner of  
 163.2 management and budget, in consultation with the commissioner of human services, shall  
 163.3 identify services to evaluate using an experimental or quasi-experimental design to provide  
 163.4 information needed to modify or develop grant programs to promote proven-effective  
 163.5 practices to improve the intended outcomes of the grant program.

163.6 (c) The commissioner of management and budget, in consultation with the commissioner

 163.20 the proven-effective designation. The research on effectiveness used to determine whether  
 163.21 a service is a promising practice must use rigorously implemented experimental or  
 163.22 quasi-experimental designs.

163.23 **Sec. 128. DIRECTION TO COMMISSIONER; CORRECTION ORDER**  
 163.24 **ENFORCEMENT REVIEW.**

174.9 construction costs submitted to the commissioner of health at the time of final plan approval,  
174.10 plus inflation as calculated according to section 256B.431, subdivision 3f, paragraph (a).

174.11 The commissioner of health shall adopt rules to implement this section or to amend the  
174.12 emergency rules for granting exceptions to the moratorium on nursing homes under section  
174.13 144A.073.

174.14 Sec. 3. Minnesota Statutes 2018, section 144A.071, subdivision 3, is amended to read:

174.15 Subd. 3. **Exceptions authorizing increase in beds; hardship areas.** (a) The  
174.16 commissioner of health, in coordination with the commissioner of human services, may  
174.17 approve the addition of new licensed and Medicare and Medicaid certified nursing home  
174.18 beds, using the criteria and process set forth in this subdivision.

174.19 (b) The commissioner, in cooperation with the commissioner of human services, shall  
174.20 consider the following criteria when determining that an area of the state is a hardship area  
174.21 with regard to access to nursing facility services:

174.22 (1) a low number of beds per thousand in a specified area using as a standard the beds  
174.23 per thousand people age 65 and older, in five year age groups, using data from the most  
174.24 recent census and population projections, weighted by each group's most recent nursing  
174.25 home utilization, of the county at the 20th percentile, as determined by the commissioner  
174.26 of human services;

174.27 (2) a high level of out-migration for nursing facility services associated with a described  
174.28 area from the county or counties of residence to other Minnesota counties, as determined  
174.29 by the commissioner of human services, using as a standard an amount greater than the  
174.30 out-migration of the county ranked at the 50th percentile;

174.31 (3) an adequate level of availability of noninstitutional long-term care services measured  
174.32 as public spending for home and community-based long-term care services per individual  
174.33 age 65 and older, in five year age groups, using data from the most recent census and

175.1 population projections, weighted by each group's most recent nursing home utilization, as  
175.2 determined by the commissioner of human services using as a standard an amount greater  
175.3 than the 50th percentile of counties;

175.4 (4) there must be a declaration of hardship resulting from insufficient access to nursing  
175.5 home beds by local county agencies and area agencies on aging; and

175.6 (5) other factors that may demonstrate the need to add new nursing facility beds.

175.7 (c) On August 15 of odd-numbered years, the commissioner, in cooperation with the  
175.8 commissioner of human services, may publish in the State Register a request for information  
175.9 in which interested parties, using the data provided under section 144A.351, along with any  
175.10 other relevant data, demonstrate that a specified area is a hardship area with regard to access  
175.11 to nursing facility services. For a response to be considered, the commissioner must receive  
175.12 it by November 15. The commissioner shall make responses to the request for information  
175.13 available to the public and shall allow 30 days for comment. The commissioner shall review  
175.14 responses and comments and determine if any areas of the state are to be declared hardship  
175.15 areas.

175.16 (d) For each designated hardship area determined in paragraph (c), the commissioner  
175.17 shall publish a request for proposals in accordance with section 144A.073 and Minnesota  
175.18 Rules, parts 4655.1070 to 4655.1098. The request for proposals must be published in the  
175.19 State Register by March 15 following receipt of responses to the request for information.  
175.20 The request for proposals must specify the number of new beds which may be added in the  
175.21 designated hardship area, which must not exceed the number which, if added to the existing  
175.22 number of beds in the area, including beds in layaway status, would have prevented it from  
175.23 being determined to be a hardship area under paragraph (b), clause (1). Beginning July 1,  
175.24 2011, the number of new beds approved must not exceed 200 beds statewide per biennium.  
175.25 After June 30, 2019, the number of new beds that may be approved in a biennium must not  
175.26 exceed 300 statewide. For a proposal to be considered, the commissioner must receive it  
175.27 within six months of the publication of the request for proposals. The commissioner shall  
175.28 review responses to the request for proposals and shall approve or disapprove each proposal  
175.29 by the following July 15, in accordance with section 144A.073 and Minnesota Rules, parts  
175.30 4655.1070 to 4655.1098. The commissioner shall base approvals or disapprovals on a  
175.31 comparison and ranking of proposals using only the criteria in subdivision 4a. Approval of  
175.32 a proposal expires after 18 months unless the facility has added the new beds using existing  
175.33 space, subject to approval by the commissioner, or has commenced construction as defined  
175.34 in subdivision 1a, paragraph (d). If, after the approved beds have been added, fewer than  
175.35 50 percent of the beds in a facility are newly licensed, the operating payment rates previously

176.1 in effect shall remain. If, after the approved beds have been added, 50 percent or more of  
 176.2 the beds in a facility are newly licensed, operating and external fixed payment rates shall  
 176.3 be determined according to ~~Minnesota Rules, part 9549.0057, using the limits under sections~~  
 176.4 ~~256R.23, subdivision 5, and 256R.24, subdivision 3. External fixed costs payment rates~~  
 176.5 ~~must be determined according to section 256R.25~~ section 256R.21, subdivision 5. Property  
 176.6 payment rates for facilities with beds added under this subdivision must be determined ~~in~~  
 176.7 ~~the same manner as rate determinations resulting from projects approved and completed~~  
 176.8 ~~under section 144A.073~~ under section 256R.26.

176.9 (e) The commissioner may:

176.10 (1) certify or license new beds in a new facility that is to be operated by the commissioner  
 176.11 of veterans affairs or when the costs of constructing and operating the new beds are to be  
 176.12 reimbursed by the commissioner of veterans affairs or the United States Veterans  
 176.13 Administration; and

176.14 (2) license or certify beds in a facility that has been involuntarily delicensed or decertified  
 176.15 for participation in the medical assistance program, provided that an application for  
 176.16 relicensure or recertification is submitted to the commissioner by an organization that is  
 176.17 not a related organization as defined in section 256R.02, subdivision 43, to the prior licensee  
 176.18 within 120 days after delicensure or decertification.

176.19 **EFFECTIVE DATE.** This section is effective January 1, 2020.

176.20 Sec. 4. Minnesota Statutes 2018, section 144A.071, subdivision 4a, is amended to read:

176.21 Subd. 4a. **Exceptions for replacement beds.** It is in the best interest of the state to  
 176.22 ensure that nursing homes and boarding care homes continue to meet the physical plant  
 176.23 licensing and certification requirements by permitting certain construction projects. Facilities  
 176.24 should be maintained in condition to satisfy the physical and emotional needs of residents  
 176.25 while allowing the state to maintain control over nursing home expenditure growth.

176.26 The commissioner of health in coordination with the commissioner of human services,  
 176.27 may approve the renovation, replacement, upgrading, or relocation of a nursing home or  
 176.28 boarding care home, under the following conditions:

176.29 (a) to license or certify beds in a new facility constructed to replace a facility or to make  
 176.30 repairs in an existing facility that was destroyed or damaged after June 30, 1987, by fire,  
 176.31 lightning, or other hazard provided:

176.32 (i) destruction was not caused by the intentional act of or at the direction of a controlling  
 176.33 person of the facility;

177.1 (ii) at the time the facility was destroyed or damaged the controlling persons of the  
177.2 facility maintained insurance coverage for the type of hazard that occurred in an amount  
177.3 that a reasonable person would conclude was adequate;

177.4 (iii) the net proceeds from an insurance settlement for the damages caused by the hazard  
177.5 are applied to the cost of the new facility or repairs;

177.6 (iv) the number of licensed and certified beds in the new facility does not exceed the  
177.7 number of licensed and certified beds in the destroyed facility; and

177.8 (v) the commissioner determines that the replacement beds are needed to prevent an  
177.9 inadequate supply of beds.

177.10 Project construction costs incurred for repairs authorized under this clause shall not be  
177.11 considered in the dollar threshold amount defined in subdivision 2;

177.12 (b) to license or certify beds that are moved from one location to another within a nursing  
177.13 home facility, provided the total costs of remodeling performed in conjunction with the  
177.14 relocation of beds does not exceed \$1,000,000;

177.15 (c) to license or certify beds in a project recommended for approval under section  
177.16 144A.073;

177.17 (d) to license or certify beds that are moved from an existing state nursing home to a  
177.18 different state facility, provided there is no net increase in the number of state nursing home  
177.19 beds;

177.20 (e) to certify and license as nursing home beds boarding care beds in a certified boarding  
177.21 care facility if the beds meet the standards for nursing home licensure, or in a facility that  
177.22 was granted an exception to the moratorium under section 144A.073, and if the cost of any  
177.23 remodeling of the facility does not exceed \$1,000,000. If boarding care beds are licensed  
177.24 as nursing home beds, the number of boarding care beds in the facility must not increase  
177.25 beyond the number remaining at the time of the upgrade in licensure. The provisions  
177.26 contained in section 144A.073 regarding the upgrading of the facilities do not apply to  
177.27 facilities that satisfy these requirements;

177.28 (f) to license and certify up to 40 beds transferred from an existing facility owned and  
177.29 operated by the Amherst H. Wilder Foundation in the city of St. Paul to a new unit at the  
177.30 same location as the existing facility that will serve persons with Alzheimer's disease and  
177.31 other related disorders. The transfer of beds may occur gradually or in stages, provided the  
177.32 total number of beds transferred does not exceed 40. At the time of licensure and certification  
177.33 of a bed or beds in the new unit, the commissioner of health shall delicense and decertify

178.1 the same number of beds in the existing facility. As a condition of receiving a license or  
178.2 certification under this clause, the facility must make a written commitment to the  
178.3 commissioner of human services that it will not seek to receive an increase in its  
178.4 property-related payment rate as a result of the transfers allowed under this paragraph;

178.5 (g) to license and certify nursing home beds to replace currently licensed and certified  
178.6 boarding care beds which may be located either in a remodeled or renovated boarding care  
178.7 or nursing home facility or in a remodeled, renovated, newly constructed, or replacement  
178.8 nursing home facility within the identifiable complex of health care facilities in which the  
178.9 currently licensed boarding care beds are presently located, provided that the number of  
178.10 boarding care beds in the facility or complex are decreased by the number to be licensed as  
178.11 nursing home beds and further provided that, if the total costs of new construction,  
178.12 replacement, remodeling, or renovation exceed ten percent of the appraised value of the  
178.13 facility or \$200,000, whichever is less, the facility makes a written commitment to the  
178.14 commissioner of human services that it will not seek to receive an increase in its  
178.15 property-related payment rate by reason of the new construction, replacement, remodeling,  
178.16 or renovation. The provisions contained in section 144A.073 regarding the upgrading of  
178.17 facilities do not apply to facilities that satisfy these requirements;

178.18 (h) to license as a nursing home and certify as a nursing facility a facility that is licensed  
178.19 as a boarding care facility but not certified under the medical assistance program, but only  
178.20 if the commissioner of human services certifies to the commissioner of health that licensing  
178.21 the facility as a nursing home and certifying the facility as a nursing facility will result in  
178.22 a net annual savings to the state general fund of \$200,000 or more;

178.23 (i) to certify, after September 30, 1992, and prior to July 1, 1993, existing nursing home  
178.24 beds in a facility that was licensed and in operation prior to January 1, 1992;

178.25 (j) to license and certify new nursing home beds to replace beds in a facility acquired  
178.26 by the Minneapolis Community Development Agency as part of redevelopment activities  
178.27 in a city of the first class, provided the new facility is located within three miles of the site  
178.28 of the old facility. Operating and property costs for the new facility must be determined and  
178.29 allowed under section 256B.431 or 256B.434 or chapter 256R;

178.30 (k) to license and certify up to 20 new nursing home beds in a community-operated  
178.31 hospital and attached convalescent and nursing care facility with 40 beds on April 21, 1991,  
178.32 that suspended operation of the hospital in April 1986. The commissioner of human services  
178.33 shall provide the facility with the same per diem property-related payment rate for each  
178.34 additional licensed and certified bed as it will receive for its existing 40 beds;

179.1 (l) to license or certify beds in renovation, replacement, or upgrading projects as defined  
179.2 in section 144A.073, subdivision 1, so long as the cumulative total costs of the facility's  
179.3 remodeling projects do not exceed \$1,000,000;

179.4 (m) to license and certify beds that are moved from one location to another for the  
179.5 purposes of converting up to five four-bed wards to single or double occupancy rooms in  
179.6 a nursing home that, as of January 1, 1993, was county-owned and had a licensed capacity  
179.7 of 115 beds;

179.8 (n) to allow a facility that on April 16, 1993, was a 106-bed licensed and certified nursing  
179.9 facility located in Minneapolis to layaway all of its licensed and certified nursing home  
179.10 beds. These beds may be relicensed and recertified in a newly constructed teaching nursing  
179.11 home facility affiliated with a teaching hospital upon approval by the legislature. The  
179.12 proposal must be developed in consultation with the interagency committee on long-term  
179.13 care planning. The beds on layaway status shall have the same status as voluntarily delicensed  
179.14 and decertified beds, except that beds on layaway status remain subject to the surcharge in  
179.15 section 256.9657. This layaway provision expires July 1, 1998;

179.16 (o) to allow a project which will be completed in conjunction with an approved  
179.17 moratorium exception project for a nursing home in southern Cass County and which is  
179.18 directly related to that portion of the facility that must be repaired, renovated, or replaced,  
179.19 to correct an emergency plumbing problem for which a state correction order has been  
179.20 issued and which must be corrected by August 31, 1993;

179.21 (p) to allow a facility that on April 16, 1993, was a 368-bed licensed and certified nursing  
179.22 facility located in Minneapolis to layaway, upon 30 days prior written notice to the  
179.23 commissioner, up to 30 of the facility's licensed and certified beds by converting three-bed  
179.24 wards to single or double occupancy. Beds on layaway status shall have the same status as  
179.25 voluntarily delicensed and decertified beds except that beds on layaway status remain subject  
179.26 to the surcharge in section 256.9657, remain subject to the license application and renewal  
179.27 fees under section 144A.07 and shall be subject to a \$100 per bed reactivation fee. In  
179.28 addition, at any time within three years of the effective date of the layaway, the beds on  
179.29 layaway status may be:

179.30 (1) relicensed and recertified upon relocation and reactivation of some or all of the beds  
179.31 to an existing licensed and certified facility or facilities located in Pine River, Brainerd, or  
179.32 International Falls; provided that the total project construction costs related to the relocation  
179.33 of beds from layaway status for any facility receiving relocated beds may not exceed the

180.1 dollar threshold provided in subdivision 2 unless the construction project has been approved  
180.2 through the moratorium exception process under section 144A.073;

180.3 (2) relicensed and recertified, upon reactivation of some or all of the beds within the  
180.4 facility which placed the beds in layaway status, if the commissioner has determined a need  
180.5 for the reactivation of the beds on layaway status.

180.6 The property-related payment rate of a facility placing beds on layaway status must be  
180.7 adjusted by the incremental change in its rental per diem after recalculating the rental per  
180.8 diem as provided in section 256B.431, subdivision 3a, paragraph (c). The property-related  
180.9 payment rate for a facility relicensing and recertifying beds from layaway status must be  
180.10 adjusted by the incremental change in its rental per diem after recalculating its rental per  
180.11 diem using the number of beds after the relicensing to establish the facility's capacity day  
180.12 divisor, which shall be effective the first day of the month following the month in which  
180.13 the relicensing and recertification became effective. Any beds remaining on layaway status  
180.14 more than three years after the date the layaway status became effective must be removed  
180.15 from layaway status and immediately delicensed and decertified;

180.16 (q) to license and certify beds in a renovation and remodeling project to convert 12  
180.17 four-bed wards into 24 two-bed rooms, expand space, and add improvements in a nursing  
180.18 home that, as of January 1, 1994, met the following conditions: the nursing home was located  
180.19 in Ramsey County; had a licensed capacity of 154 beds; and had been ranked among the  
180.20 top 15 applicants by the 1993 moratorium exceptions advisory review panel. The total  
180.21 project construction cost estimate for this project must not exceed the cost estimate submitted  
180.22 in connection with the 1993 moratorium exception process;

180.23 (r) to license and certify up to 117 beds that are relocated from a licensed and certified  
180.24 138-bed nursing facility located in St. Paul to a hospital with 130 licensed hospital beds  
180.25 located in South St. Paul, provided that the nursing facility and hospital are owned by the  
180.26 same or a related organization and that prior to the date the relocation is completed the  
180.27 hospital ceases operation of its inpatient hospital services at that hospital. After relocation,  
180.28 the nursing facility's status shall be the same as it was prior to relocation. The nursing  
180.29 facility's property-related payment rate resulting from the project authorized in this paragraph  
180.30 shall become effective no earlier than April 1, 1996. For purposes of calculating the  
180.31 incremental change in the facility's rental per diem resulting from this project, the allowable  
180.32 appraised value of the nursing facility portion of the existing health care facility physical  
180.33 plant prior to the renovation and relocation may not exceed \$2,490,000;

181.1 (s) to license and certify two beds in a facility to replace beds that were voluntarily  
181.2 delicensed and decertified on June 28, 1991;

181.3 (t) to allow 16 licensed and certified beds located on July 1, 1994, in a 142-bed nursing  
181.4 home and 21-bed boarding care home facility in Minneapolis, notwithstanding the licensure  
181.5 and certification after July 1, 1995, of the Minneapolis facility as a 147-bed nursing home  
181.6 facility after completion of a construction project approved in 1993 under section 144A.073,  
181.7 to be laid away upon 30 days' prior written notice to the commissioner. Beds on layaway  
181.8 status shall have the same status as voluntarily delicensed or decertified beds except that  
181.9 they shall remain subject to the surcharge in section 256.9657. The 16 beds on layaway  
181.10 status may be relicensed as nursing home beds and recertified at any time within five years  
181.11 of the effective date of the layaway upon relocation of some or all of the beds to a licensed  
181.12 and certified facility located in Watertown, provided that the total project construction costs  
181.13 related to the relocation of beds from layaway status for the Watertown facility may not  
181.14 exceed the dollar threshold provided in subdivision 2 unless the construction project has  
181.15 been approved through the moratorium exception process under section 144A.073.

181.16 The property-related payment rate of the facility placing beds on layaway status must  
181.17 be adjusted by the incremental change in its rental per diem after recalculating the rental  
181.18 per diem as provided in section 256B.431, subdivision 3a, paragraph (c). The property-related  
181.19 payment rate for the facility relicensing and recertifying beds from layaway status must be  
181.20 adjusted by the incremental change in its rental per diem after recalculating its rental per  
181.21 diem using the number of beds after the relicensing to establish the facility's capacity day  
181.22 divisor, which shall be effective the first day of the month following the month in which  
181.23 the relicensing and recertification became effective. Any beds remaining on layaway status  
181.24 more than five years after the date the layaway status became effective must be removed  
181.25 from layaway status and immediately delicensed and decertified;

181.26 (u) to license and certify beds that are moved within an existing area of a facility or to  
181.27 a newly constructed addition which is built for the purpose of eliminating three- and four-bed  
181.28 rooms and adding space for dining, lounge areas, bathing rooms, and ancillary service areas  
181.29 in a nursing home that, as of January 1, 1995, was located in Fridley and had a licensed  
181.30 capacity of 129 beds;

181.31 (v) to relocate 36 beds in Crow Wing County and four beds from Hennepin County to  
181.32 a 160-bed facility in Crow Wing County, provided all the affected beds are under common  
181.33 ownership;

182.1 (w) to license and certify a total replacement project of up to 49 beds located in Norman  
182.2 County that are relocated from a nursing home destroyed by flood and whose residents were  
182.3 relocated to other nursing homes. The operating cost payment rates for the new nursing  
182.4 facility shall be determined based on the interim and settle-up payment provisions of  
182.5 ~~Minnesota Rules, part 9549.0057,~~ section 256R.27 and the reimbursement provisions of  
182.6 chapter 256R. Property-related reimbursement rates shall be determined under section  
182.7 256R.26, taking into account any federal or state flood-related loans or grants provided to  
182.8 the facility;

182.9 (x) to license and certify to the licensee of a nursing home in Polk County that was  
182.10 destroyed by flood in 1997 replacement projects with a total of up to 129 beds, with at least  
182.11 25 beds to be located in Polk County and up to 104 beds distributed among up to three other  
182.12 counties. These beds may only be distributed to counties with fewer than the median number  
182.13 of age intensity adjusted beds per thousand, as most recently published by the commissioner  
182.14 of human services. If the licensee chooses to distribute beds outside of Polk County under  
182.15 this paragraph, prior to distributing the beds, the commissioner of health must approve the  
182.16 location in which the licensee plans to distribute the beds. The commissioner of health shall  
182.17 consult with the commissioner of human services prior to approving the location of the  
182.18 proposed beds. The licensee may combine these beds with beds relocated from other nursing  
182.19 facilities as provided in section 144A.073, subdivision 3c. The operating payment rates for  
182.20 the new nursing facilities shall be determined based on the interim and settle-up payment  
182.21 provisions of Minnesota Rules, parts 9549.0010 to 9549.0080. Property-related  
182.22 reimbursement rates shall be determined under section 256R.26. If the replacement beds  
182.23 permitted under this paragraph are combined with beds from other nursing facilities, the  
182.24 rates shall be calculated as the weighted average of rates determined as provided in this  
182.25 paragraph and section 256R.50;

182.26 (y) to license and certify beds in a renovation and remodeling project to convert 13  
182.27 three-bed wards into 13 two-bed rooms and 13 single-bed rooms, expand space, and add  
182.28 improvements in a nursing home that, as of January 1, 1994, met the following conditions:  
182.29 the nursing home was located in Ramsey County, was not owned by a hospital corporation,  
182.30 had a licensed capacity of 64 beds, and had been ranked among the top 15 applicants by  
182.31 the 1993 moratorium exceptions advisory review panel. The total project construction cost  
182.32 estimate for this project must not exceed the cost estimate submitted in connection with the

182.35 nursing facility located in St. Paul. The replacement project shall include both the renovation

183.1 of existing buildings and the construction of new facilities at the existing site. The reduction  
183.2 in the licensed capacity of the existing facility shall occur during the construction project  
183.3 as beds are taken out of service due to the construction process. Prior to the start of the  
183.4 construction process, the facility shall provide written information to the commissioner of  
183.5 health describing the process for bed reduction, plans for the relocation of residents, and  
183.6 the estimated construction schedule. The relocation of residents shall be in accordance with

183.20 assessing and adjusting its resident mix and other factors which may contribute to a potential  
183.21 institution for mental disease declaration. The commissioner of human services shall retain  
183.22 the authority to audit the facility at any time and shall require the facility to comply with  
183.23 any requirements necessary to prevent an institution for mental disease declaration, including  
183.24 delicensure and decertification of beds, if necessary;

183.25 (dd) to license and certify 72 beds in an existing facility in Mille Lacs County with 80

184.1 The operating cost payment rates for the new nursing facility shall be determined based on  
184.2 the interim and settle-up payment provisions of ~~Minnesota Rules, part 9549.0057,~~ section  
184.3 256R.27 and the reimbursement provisions of chapter 256R. Property-related reimbursement  
184.4 rates shall be determined under section 256R.26, taking into account any federal or state  
184.5 flood-related loans or grants provided to the facility;

184.6 (gg) to allow the commissioner of human services to license an additional nine beds to  
184.7 provide residential services for the physically disabled under Minnesota Rules, parts  
184.8 9570.2000 to 9570.3400, in a 240-bed nursing home located in Duluth, provided that the

184.17 nursing facility located in the city of Columbia Heights or its affiliate. The transfer is effective  
184.18 when the receiving facility notifies the commissioner in writing of the number of beds  
184.19 accepted. The commissioner shall place all transferred beds on layaway status held in the  
184.20 name of the receiving facility. The layaway adjustment provisions of section 256B.431,  
184.21 subdivision 30, do not apply to this layaway. The receiving facility may only remove the  
184.22 beds from layaway for recertification and relicensure at the receiving facility's current site,  
184.23 or at a newly constructed facility located in Anoka County. The receiving facility must  
184.24 receive statutory authorization before removing these beds from layaway status, or may

184.27 **EFFECTIVE DATE.** This section is effective January 1, 2020.

184.28 Sec. 5. Minnesota Statutes 2018, section 144A.071, subdivision 4c, is amended to read:

184.29 Subd. 4c. **Exceptions for replacement beds after June 30, 2003.** (a) The commissioner  
184.30 of health, in coordination with the commissioner of human services, may approve the

184.32 under the following conditions:

185.1 (1) to license and certify an 80-bed city-owned facility in Nicollet County to be  
185.2 constructed on the site of a new city-owned hospital to replace an existing 85-bed facility  
185.3 attached to a hospital that is also being replaced. The threshold allowed for this project  
185.4 under section 144A.073 shall be the maximum amount available to pay the additional  
185.5 medical assistance costs of the new facility;

185.6 (2) to license and certify 29 beds to be added to an existing 69-bed facility in St. Louis  
185.7 County, provided that the 29 beds must be transferred from active or layaway status at an  
185.8 existing facility in St. Louis County that had 235 beds on April 1, 2003.

185.9 The licensed capacity at the 235-bed facility must be reduced to 206 beds, but the payment  
185.10 rate at that facility shall not be adjusted as a result of this transfer. The operating payment  
185.11 rate of the facility adding beds after completion of this project shall be the same as it was  
185.12 on the day prior to the day the beds are licensed and certified. This project shall not proceed  
185.13 unless it is approved and financed under the provisions of section 144A.073;

185.14 (3) to license and certify a new 60-bed facility in Austin, provided that: (i) 45 of the new  
185.15 beds are transferred from a 45-bed facility in Austin under common ownership that is closed  
185.16 and 15 of the new beds are transferred from a 182-bed facility in Albert Lea under common  
185.17 ownership; (ii) the commissioner of human services is authorized by the 2004 legislature  
185.18 to negotiate budget-neutral planned nursing facility closures; and (iii) money is available  
185.19 from planned closures of facilities under common ownership to make implementation of  
185.20 this clause budget-neutral to the state. The bed capacity of the Albert Lea facility shall be  
185.21 reduced to 167 beds following the transfer. Of the 60 beds at the new facility, 20 beds shall  
185.22 be used for a special care unit for persons with Alzheimer's disease or related dementias;

185.23 (4) to license and certify up to 80 beds transferred from an existing state-owned nursing  
185.24 facility in Cass County to a new facility located on the grounds of the Ah-Gwah-Ching

185.27 256R.27 and the reimbursement provisions of chapter 256R. The property payment rate for  
185.28 the first three years of operation shall be \$35 per day. For subsequent years, the property  
185.29 payment rate of \$35 per day shall be adjusted for inflation as provided in section 256B.434,  
185.30 subdivision 4, paragraph (c), as long as the facility has a contract under section 256B.434;

185.31 (5) to initiate a pilot program to license and certify up to 80 beds transferred from an  
185.32 existing county-owned nursing facility in Steele County relocated to the site of a new acute  
185.33 care facility as part of the county's Communities for a Lifetime comprehensive plan to create  
185.34 innovative responses to the aging of its population. Upon relocation to the new site, the

186.1 nursing facility shall delicense 28 beds. The payment rate for external fixed costs for the  
186.2 new facility shall be increased by an amount as calculated according to items (i) to (v):

186.3 (i) compute the estimated decrease in medical assistance residents served by the nursing  
186.4 facility by multiplying the decrease in licensed beds by the historical percentage of medical  
186.5 assistance resident days;

186.6 (ii) compute the annual savings to the medical assistance program from the delicensure  
186.7 of 28 beds by multiplying the anticipated decrease in medical assistance residents, determined  
186.8 in item (i), by the existing facility's weighted average payment rate multiplied by 365;

186.9 (iii) compute the anticipated annual costs for community-based services by multiplying  
186.10 the anticipated decrease in medical assistance residents served by the nursing facility,  
186.11 determined in item (i), by the average monthly elderly waiver service costs for individuals  
186.12 in Steele County multiplied by 12;

186.13 (iv) subtract the amount in item (iii) from the amount in item (ii);

186.14 (v) divide the amount in item (iv) by an amount equal to the relocated nursing facility's  
186.15 occupancy factor under section 256B.431, subdivision 3f, paragraph (c), multiplied by the  
186.16 historical percentage of medical assistance resident days; and

186.17 (6) to consolidate and relocate nursing facility beds to a new site in Goodhue County  
186.18 and to integrate these services with other community-based programs and services under a  
186.19 communities for a lifetime pilot program and comprehensive plan to create innovative  
186.20 responses to the aging of its population. Two nursing facilities, one for 84 beds and one for  
186.21 65 beds, in the city of Red Wing licensed on July 1, 2015, shall be consolidated into a newly  
186.22 renovated 64-bed nursing facility resulting in the delicensure of 85 beds. Notwithstanding  
186.23 the carryforward of the approval authority in section 144A.073, subdivision 11, the funding  
186.24 approved in April 2009 by the commissioner of health for a project in Goodhue County  
186.25 shall not carry forward. The closure of the 85 beds shall not be eligible for a planned closure  
186.26 rate adjustment under section 256R.40. The construction project permitted in this clause  
186.27 shall not be eligible for a threshold project rate adjustment under section 256B.434,  
186.28 subdivision 4f. The payment rate for external fixed costs for the new facility shall be  
186.29 increased by an amount as calculated according to items (i) to (vi):

186.30 (i) compute the estimated decrease in medical assistance residents served by both nursing  
186.31 facilities by multiplying the difference between the occupied beds of the two nursing facilities  
186.32 for the reporting year ending September 30, 2009, and the projected occupancy of the facility  
186.33 at 95 percent occupancy by the historical percentage of medical assistance resident days;

187.1 (ii) compute the annual savings to the medical assistance program from the delicensure  
187.2 by multiplying the anticipated decrease in the medical assistance residents, determined in  
187.3 item (i), by the hospital-owned nursing facility weighted average payment rate multiplied  
187.4 by 365;

187.5 (iii) compute the anticipated annual costs for community-based services by multiplying  
187.6 the anticipated decrease in medical assistance residents served by the facilities, determined  
187.7 in item (i), by the average monthly elderly waiver service costs for individuals in Goodhue  
187.8 County multiplied by 12;

187.9 (iv) subtract the amount in item (iii) from the amount in item (ii);

187.10 (v) multiply the amount in item (iv) by 57.2 percent; and

187.11 (vi) divide the difference of the amount in item (iv) and the amount in item (v) by an  
187.12 amount equal to the relocated nursing facility's occupancy factor under section 256B.431,  
187.13 subdivision 3f, paragraph (c), multiplied by the historical percentage of medical assistance  
187.14 resident days.

187.15 (b) Projects approved under this subdivision shall be treated in a manner equivalent to  
187.16 projects approved under subdivision 4a.

187.17 **EFFECTIVE DATE.** This section is effective for rate years beginning on or after  
187.18 January 1, 2020.

187.19 Sec. 6. Minnesota Statutes 2018, section 144A.071, subdivision 4d, is amended to read:

187.20 Subd. 4d. **Consolidation of nursing facilities.** (a) The commissioner of health, in  
187.21 consultation with the commissioner of human services, may approve a request for  
187.22 consolidation of nursing facilities which includes the closure of one or more facilities and  
187.23 the upgrading of the physical plant of the remaining nursing facility or facilities, the costs  
187.24 of which exceed the threshold project limit under subdivision 2, clause (a). The  
187.25 commissioners shall consider the criteria in this section, section 144A.073, and section  
187.26 256R.40, in approving or rejecting a consolidation proposal. In the event the commissioners  
187.27 approve the request, the commissioner of human services shall calculate an external fixed  
187.28 costs rate adjustment according to clauses (1) to (3):

187.29 (1) the closure of beds shall not be eligible for a planned closure rate adjustment under  
187.30 section 256R.40, subdivision 5;

188.1 (2) the construction project permitted in this clause shall not be eligible for a threshold  
188.2 project rate adjustment under section 256B.434, subdivision 4f, or a moratorium exception  
188.3 adjustment under section 144A.073; and

188.4 (3) the payment rate for external fixed costs for a remaining facility or facilities shall  
188.5 be increased by an amount equal to 65 percent of the projected net cost savings to the state  
188.6 calculated in paragraph (b), divided by the state's medical assistance percentage of medical  
188.7 assistance dollars, and then divided by estimated medical assistance resident days, as  
188.8 determined in paragraph (c), of the remaining nursing facility or facilities in the request in  
188.9 this paragraph. The rate adjustment is effective on the first day of the month of January or  
188.10 July, whichever date occurs first following both the completion of the construction upgrades  
188.11 in the consolidation plan and the complete closure of the facility or facilities designated for  
188.12 closure in the consolidation plan. If more than one facility is receiving upgrades in the  
188.13 consolidation plan, each facility's date of construction completion must be evaluated  
188.14 separately.

188.15 (b) For purposes of calculating the net cost savings to the state, the commissioner shall  
188.16 consider clauses (1) to (7):

188.17 (1) the annual savings from estimated medical assistance payments from the net number  
188.18 of beds closed taking into consideration only beds that are in active service on the date of  
188.19 the request and that have been in active service for at least three years;

188.20 (2) the estimated annual cost of increased case load of individuals receiving services  
188.21 under the elderly waiver;

188.22 (3) the estimated annual cost of elderly waiver recipients receiving support under housing  
188.23 support under chapter 256I;

188.24 (4) the estimated annual cost of increased case load of individuals receiving services  
188.25 under the alternative care program;

188.26 (5) the annual loss of license surcharge payments on closed beds;

188.27 (6) the savings from not paying planned closure rate adjustments that the facilities would  
188.28 otherwise be eligible for under section 256R.40; and

188.29 (7) the savings from not paying external fixed costs payment rate adjustments from  
188.30 submission of renovation costs that would otherwise be eligible as threshold projects under  
188.31 section 256B.434, subdivision 4f.

188.32 (c) For purposes of the calculation in paragraph (a), clause (3), the estimated medical  
188.33 assistance resident days of the remaining facility or facilities shall be computed assuming

189.1 95 percent occupancy multiplied by the historical percentage of medical assistance resident  
189.2 days of the remaining facility or facilities, as reported on the facility's or facilities' most  
189.3 recent nursing facility statistical and cost report filed before the plan of closure is submitted,  
189.4 multiplied by 365.

189.5 (d) For purposes of net cost of savings to the state in paragraph (b), the average occupancy  
189.6 percentages will be those reported on the facility's or facilities' most recent nursing facility  
189.7 statistical and cost report filed before the plan of closure is submitted, and the average  
189.8 payment rates shall be calculated based on the approved payment rates in effect at the time  
189.9 the consolidation request is submitted.

189.10 (e) To qualify for the external fixed costs payment rate adjustment under this subdivision,  
189.11 the closing facilities shall:

189.12 (1) submit an application for closure according to section 256R.40, subdivision 2; and

189.13 (2) follow the resident relocation provisions of section 144A.161.

189.14 (f) The county or counties in which a facility or facilities are closed under this subdivision  
189.15 shall not be eligible for designation as a hardship area under subdivision 3 for five years  
189.16 from the date of the approval of the proposed consolidation. The applicant shall notify the  
189.17 county of this limitation and the county shall acknowledge this in a letter of support.

189.18 (g) Projects approved on or after March 1, 2020, are not subject to paragraph (a), clauses  
189.19 (2) and (3), and paragraph (c). The 65 percent projected net cost savings to the state calculated  
189.20 in paragraph (b) must be applied to the moratorium cost of the project and the remainder  
189.21 must be added to the moratorium funding under section 144A.073, subdivision 11.

189.22 (h) Consolidation project applications not approved by the commissioner prior to March  
189.23 1, 2020, are subject to the moratorium process under section 144A.073, subdivision 2. Upon  
189.24 request by the applicant, the commissioner may extend this deadline to August 1, 2020, so  
189.25 long as the facilities, bed numbers, and counties specified in the original application are not  
189.26 altered. Proposals from facilities seeking approval for a consolidation project prior to March  
189.27 1, 2020, must be received by the commissioner no later than January 1, 2020. This paragraph  
189.28 expires August 1, 2020.

189.29 **EFFECTIVE DATE.** This section is effective January 1, 2020.

189.30 Sec. 7. Minnesota Statutes 2018, section 144A.071, subdivision 5a, is amended to read:

189.31 Subd. 5a. **Cost estimate of a moratorium exception project.** (a) For the purposes of  
189.32 this section and section 144A.073, the cost estimate of a moratorium exception project shall

190.1 include the effects of the proposed project on the costs of the state subsidy for  
190.2 community-based services, nursing services, and housing in institutional and noninstitutional  
190.3 settings. The commissioner of health, in cooperation with the commissioner of human  
190.4 services, shall define the method for estimating these costs in the permanent rule  
190.5 implementing section 144A.073. The commissioner of human services shall prepare an  
190.6 estimate of the property payment rate to be established upon completion of the project and  
190.7 total state annual long-term costs of each moratorium exception proposal. The property  
190.8 payment rate estimate shall be based upon the estimated costs and total building valuation  
190.9 to be used in the total property payment rate calculation under section 256R.26. For the  
190.10 purposes of determining the actual total property payment rate under section 256R.26 upon  
190.11 completion of the project, the final building valuation is the lesser of the limited depreciated  
190.12 replacement cost as determined under section 256R.26, subdivision 3, following a physical  
190.13 building appraisal or 105 percent of the estimated total building valuation from the  
190.14 moratorium application.

190.15 ~~(b) The interest rate to be used for estimating the cost of each moratorium exception~~  
190.16 ~~project proposal shall be the lesser of either the prime rate plus two percentage points, or~~  
190.17 ~~the posted yield for standard conventional fixed rate mortgages of the Federal Home Loan~~  
190.18 ~~Mortgage Corporation plus two percentage points as published in the Wall Street Journal~~  
190.19 ~~and in effect 56 days prior to the application deadline. If the applicant's proposal uses this~~  
190.20 ~~interest rate, the commissioner of human services, in determining the facility's actual~~  
190.21 ~~property-related payment rate to be established upon completion of the project must use the~~  
190.22 ~~actual interest rate obtained by the facility for the project's permanent financing up to the~~  
190.23 ~~maximum permitted under Minnesota Rules, part 9549.0060, subpart 6.~~

190.24 ~~The applicant may choose an alternate interest rate for estimating the project's cost. If~~  
190.25 ~~the applicant makes this election, the commissioner of human services, in determining the~~  
190.26 ~~facility's actual property-related payment rate to be established upon completion of the~~  
190.27 ~~project, must use the lesser of the actual interest rate obtained for the project's permanent~~  
190.28 ~~financing or the interest rate which was used to estimate the proposal's project cost. For~~  
190.29 ~~succeeding rate years, the applicant is at risk for financing costs in excess of the interest~~  
190.30 ~~rate selected.~~

190.31 **EFFECTIVE DATE.** This section is effective for projects approved by the commissioner  
190.32 of health on or after March 1, 2020.

191.1 Sec. 8. Minnesota Statutes 2018, section 144A.073, subdivision 3c, is amended to read:

191.2 Subd. 3c. **Cost neutral Bed relocation threshold projects.** (a) Notwithstanding  
 191.3 subdivision 3, the commissioner may at any time accept proposals, or amendments to  
 191.4 proposals previously approved under this section, for relocations ~~that are cost neutral with~~  
 191.5 ~~respect to state costs as defined in section 144A.071, subdivision 5a to existing licensed~~  
 191.6 nursing facilities when costs are less than the maximum threshold limit determined under  
 191.7 section 256R.267, paragraph (a). The commissioner, in consultation with the commissioner  
 191.8 of human services, shall evaluate proposals according to subdivision 4a, clauses (1), (4),  
 191.9 (5), (6), and (8), and other criteria established in rule or law. ~~The commissioner of human~~  
 191.10 ~~services shall determine the allowable payment rates of the facility receiving the beds in~~  
 191.11 ~~accordance with section 256R.50~~ The commissioner of human services shall determine the  
 191.12 allowable payment rates of the facility receiving the beds in accordance with section 256R.21.  
 191.13 No part of the source facility rates are transferred to the receiving facility. The commissioner  
 191.14 shall approve or disapprove a project within 90 days.

191.15 (b) ~~For the purposes of paragraph (a), cost neutrality shall be measured over the first~~  
 191.16 ~~three 12-month periods of operation after completion of the project.~~ Bed relocation threshold  
 191.17 projects seeking reimbursement for costs that exceed the moratorium limit or that result in  
 191.18 a newly constructed or newly licensed building must apply to relocate beds as part of the  
 191.19 competitive moratorium application and review process under subdivisions 2 and 3.

191.20 **EFFECTIVE DATE.** This section is effective for project proposals received by the  
 191.21 commissioner of health after January 1, 2020, and approved by the commissioner on or  
 191.22 after March 1, 2020.

191.23 Sec. 9. Minnesota Statutes 2018, section 144A.073, is amended by adding a subdivision  
 191.24 to read:

191.25 Subd. 16. **Moratorium exception funding.** In fiscal year 2020, the commissioner may  
 191.26 approve moratorium exception projects under this section for which the full annualized state

199.19 Paul, as published by the Bureau of Labor Statistics (series 1967=100) for the two previous

200.7 calculation.

200.8 (b) The rental rate is the sum of the 20-year treasury bond rate as published in the Federal

200.16 depreciated replacement cost established by the appraisals must be adjusted in the final  
200.17 nursing facility values to reflect only the nursing facility usage. The adjustment must be  
200.18 based on a Medicare-approved allocation basis for the type of service provided by each  
200.19 area. Shared areas outside the appraised space must be added to DRC, URC, and related

201.1 commissioner must utilize for all nursing facility property appraisals. The commissioner  
201.2 shall use appraisal reports produced by commissioner-selected appraisal firms using the  
201.3 commissioner-selected commercial valuation system for the purposes of rate setting under  
201.4 section 256R.26, subdivisions 1 to 8. The commissioner shall not adjust or substitute any  
201.5 alternative appraisal of properties.

201.6 Subd. 2. **Appraised valuations generally.** The property appraisal firm selected by the  
201.7 commissioner shall determine the appraised valuation of a building and fixed equipment.  
201.8 The appraisal firm shall not include depreciable movable equipment, land, land  
201.9 improvements, or the physical plant for central office operations in the appraised valuation  
201.10 of the nursing facility. Appraisals are not intended to exactly reflect market value.

201.11 Subd. 3. **Appraisal reports.** Appraisal firms selected by the commissioner shall produce  
201.12 a report detailing both the DRC and URC of the nursing facility.

201.13 Subd. 4. **Appraised valuations of shared space.** Selected appraisal firms may include  
201.14 the full value of all shared areas in an initial appraisal but must adjust the nursing facility  
201.15 valuation of any shared area included in the square footage, DRC, and URC that are not  
201.16 used for nursing facility purposes to reflect only the nursing facility usage of shared areas.  
201.17 Selected appraisal firms shall adjust facility valuation for shared areas using a  
201.18 Medicare-approved allocation basis for the type of service provided in each area. Shared  
201.19 areas outside the appraised space must be added to the DRC, URC, and related square  
201.20 footage using the average of each value from the space in the appraisal.

201.21 Subd. 5. **Review and appeal of appraisal reports.** A nursing facility may appeal a  
201.22 finding of fact in the appraisal report to the appraiser within 20 calendar days after receipt  
201.23 of the appraisal report and request revision.

201.24 Subd. 6. **Update of replacement costs.** When a facility's most recent physical appraisal  
201.25 was completed more than 12 months before the start of the rate year, the appraisal firm shall  
201.26 use the commercial valuation system to update the most recent DRC and URC of the nursing  
201.27 facility and the commissioner shall use the updated DRC and URC to determine the total  
201.28 property payment rate under section 256R.26. Updated DRC and URC are updates only  
201.29 and not subject to revisions of any of the original valuations or appeal to the appraiser by  
201.30 the facility.

201.31 Subd. 7. **Appraisal frequency.** After a facility's initial rate year described in section  
201.32 256R.26, subdivision 9, paragraph (b), the commissioner shall ensure that a selected appraisal  
201.33 firm conducts a new physical appraisal of the facility at least once every three years using  
201.34 a commercial valuation system.

202.1 Subd. 8. **Limitation on appraisal values.** After the initial rate year described in section  
 202.2 256R.26, subdivision 9, paragraph (b), the increase in the URC for each subsequent appraisal  
 202.3 shall not exceed \$2,000 per bed per year since the most recent physical appraisal, plus any  
 202.4 projects completed under section 256R.267 since the most recent appraisal. Any limitation  
 202.5 to the URC must be applied in the same proportion to the DRC. The commissioner shall  
 202.6 update annually on January 1 the per-bed per-year limit on the increase in the URC in this  
 202.7 subdivision by the annual percent change in the construction cost per square foot value.

202.8 **EFFECTIVE DATE.** This section is effective for rate years beginning on or after  
 202.9 January 1, 2020.

202.10 Sec. 22. **[256R.267] THRESHOLD PROJECT PROPERTY PAYMENT RATE**  
 202.11 **INTERIM ADJUSTMENTS.**

202.12 (a) A facility reimbursed under section 256R.26, subdivisions 1 to 8, may receive a  
 202.13 property payment rate interim adjustment for threshold projects the cumulative cost of which  
 202.14 during the three years between physical appraisals is between the following threshold project  
 202.15 cost limits:

202.16 (1) the lesser of \$316,816 or \$10,000 per bed in service; and

202.17 (2) the greater of \$1,620,943 or \$20,000 per bed in service.

202.18 The commissioner shall update the threshold project cost limits each January 1 by the annual  
 202.19 percent change in the construction cost per square foot value based on the information that  
 202.20 is publicly available on November 1 immediately preceding the rate year.

202.21 (b) A facility seeking a property payment rate interim adjustment must request an  
 202.22 adjustment after the threshold project is completed. The nursing facility or the lease holder  
 202.23 must have incurred the threshold project cost subsequent to the facility's last physical  
 202.24 appraisal. The nursing facility must submit to the commissioner all building and fixed  
 202.25 equipment cost data related to the project within 90 days of completing the project.

202.26 (c) Effective January 1 or July 1, whichever occurs first after a facility completes a  
 202.27 threshold project and requests the property payment rate interim adjustment, the  
 202.28 commissioner shall add the allowable reported threshold project costs to the facility's URC  
 202.29 under section 256R.26, subdivision 1, and to the DRC under section 256R.26, subdivision  
 202.30 3, before calculating an adjusted property payment rate under section 256R.26. The  
 202.31 commissioner shall not include in the facility's limited URC threshold project costs reported  
 202.32 to the commissioner between physical appraisals that exceed the maximum cumulative  
 202.33 project cost limits described in paragraph (a).

203.1 (d) In subsequent property payment rate calculations following the completion of a  
203.2 physical appraisal, the commissioner shall eliminate any interim adjustment to the DRC  
203.3 and URC under paragraph (c).

203.4 (e) At the option of the commissioner, the commissioner may adjust the appraisal schedule  
203.5 for a nursing facility that has completed a threshold project.

203.6 (f) If more or less than three years pass between a facility's physical appraisals, the  
203.7 commissioner shall prorate the facility's threshold project cost limits accordingly.

203.8 (g) After the initial rate year project adjustments are allowed once annually based on  
203.9 the previous project completion date.

203.10 (h) Two threshold projects may not be conducted at the same time. Purchases for a  
203.11 second project must be made after the completion date of the first project.

203.12 **EFFECTIVE DATE.** This section is effective for rate years beginning on or after  
203.13 January 1, 2020.

203.14 **Sec. 23. [256R.27] INTERIM AND SETTLE-UP PAYMENT RATES.**

203.15 Subdivision 1. **Generally.** (a) The commissioner shall determine the interim payment  
203.16 rates and settle-up payment rates for a newly constructed nursing facility, or a nursing  
203.17 facility with an increase in licensed capacity of 50 percent or more, according to subdivisions  
203.18 2 and 3.

203.19 (b) The nursing facility must submit a written application to the commissioner to receive  
203.20 interim payment rates. In its application, the nursing facility must state any reasons for  
203.21 noncompliance with this chapter.

203.22 (c) The effective date of the interim payment rates is the date the nursing facility is  
203.23 certified for the medical assistance program.

203.24 (d) The nursing facility must continue to receive the interim payment rates until the  
203.25 settle-up payment rates are determined under subdivision 3.

203.26 (e) For the 15-month period following the settle-up reporting period, the settle-up payment  
203.27 rates must be determined according to subdivision 3, paragraph (c).

203.28 (f) The settle-up payment rates are effective retroactively to the beginning of the interim  
203.29 payment rates and are effective until the end of the interim rate period.

204.1 (g) The total operating and external fixed costs payment rate for the rate year beginning  
204.2 January 1 following the 15-month period in paragraph (e) must be determined under this  
204.3 chapter.

204.4 Subd. 2. **Determination of interim payment rates.** (a) The nursing facility shall submit  
204.5 an interim cost report in a format similar to the Minnesota Statistical and Cost Report and  
204.6 other supporting information as required by this chapter for the reporting year in which the  
204.7 nursing facility plans to begin operation at least 60 days before the first day a resident is  
204.8 admitted to the newly constructed nursing facility bed. The interim cost report must include  
204.9 the nursing facility's anticipated interim costs and anticipated interim resident days for each  
204.10 resident class in the interim cost report. The anticipated interim resident days for each  
204.11 resident class is multiplied by the weight for that resident class to determine the anticipated  
204.12 interim standardized days as defined in section 256R.02, subdivision 50, and resident days  
204.13 as defined in section 256R.02, subdivision 45, for the reporting period.

204.14 (b) The interim payment rates are determined according to sections 256R.21 to 256R.25,  
204.15 except that:

204.16 (1) the anticipated interim costs and anticipated interim resident days reported on the  
204.17 interim cost report and the anticipated interim standardized days as defined by section  
204.18 256R.02, subdivision 50, must be used for the interim;

204.19 (2) the commissioner shall use anticipated interim costs and anticipated interim  
204.20 standardized days in determining the allowable historical direct care cost per standardized  
204.21 day as determined under section 256R.23, subdivision 2;

204.22 (3) the commissioner shall use anticipated interim costs and anticipated interim resident  
204.23 days in determining the allowable historical other care-related cost per resident day as  
204.24 determined under section 256R.23, subdivision 3;

204.25 (4) the commissioner shall use anticipated interim costs and anticipated interim resident  
204.26 days to determine the allowable historical external fixed costs per day under section 256R.25,  
204.27 paragraphs (b) to (k);

204.28 (5) the total care-related payment rate limits established in section 256R.23, subdivision  
204.29 5, and in effect at the beginning of the interim period must be increased by ten percent; and

204.30 (6) the other operating payment rate as determined under section 256R.24 in effect for  
204.31 the rate year must be used for the other operating cost per day.

204.32 Subd. 3. **Determination of settle-up payment rates.** (a) When the interim payment  
204.33 rates begin between May 1 and September 30, the nursing facility shall file settle-up cost

205.1 reports for the period from the beginning of the interim payment rates through September  
205.2 30 of the following year.

205.3 (b) When the interim payment rates begin between October 1 and April 30, the nursing  
205.4 facility shall file settle-up cost reports for the period from the beginning of the interim  
205.5 payment rates to the first September 30 following the beginning of the interim payment  
205.6 rates.

205.7 (c) The settle-up payment rates are determined according to sections 256R.21 to 256R.25,  
205.8 except that:

205.9 (1) the allowable costs and resident days reported on the settle-up cost report and the  
205.10 standardized days as defined by section 256R.02, subdivision 50, must be used for the  
205.11 interim and settle-up period;

205.12 (2) the commissioner shall use the allowable costs and standardized days in clause (1)  
205.13 to determine the allowable historical direct care cost per standardized day as determined  
205.14 under section 256R.23, subdivision 2;

205.15 (3) the commissioner shall use the allowable costs and the allowable resident days to  
205.16 determine both the allowable historical other care-related cost per resident day as determined  
205.17 under section 256R.23, subdivision 3;

205.18 (4) the commissioner shall use the allowable costs and the allowable resident days to  
205.19 determine the allowable historical external fixed costs per day under section 256R.25,  
205.20 paragraphs (b) to (k);

205.21 (5) the total care-related payment limits established in section 256R.23, subdivision 5,  
205.22 are the limits for the settle-up reporting periods. If the interim period includes more than  
205.23 one July 1 date, the commissioner shall use the total care-related payment rate limit  
205.24 established in section 256R.23, subdivision 5, increased by ten percent for the second July  
205.25 1 date; and

205.26 (6) the other operating payment rate as determined under section 256R.24 in effect for  
205.27 the rate year must be used for the other operating cost per day.

205.28 **EFFECTIVE DATE.** This section is effective for rate years beginning on or after  
205.29 January 1, 2020.

206.1 Sec. 24. Minnesota Statutes 2018, section 256R.44, is amended to read:

206.2 **256R.44 RATE ADJUSTMENT FOR PRIVATE ROOMS FOR MEDICAL**  
206.3 **NECESSITY.**

206.4 (a) The amount paid for a private room is 111.5 percent of the established total payment  
206.5 rate for a resident if the resident is a medical assistance recipient and the private room is  
206.6 considered a medical necessity for the resident or others who are affected by the resident's  
206.7 condition, except as provided in Minnesota Rules, part 9549.0060, subpart 11, item C.  
206.8 Conditions requiring a private room must be determined by the resident's attending physician  
206.9 and submitted to the commissioner for approval or denial by the commissioner on the basis  
206.10 of medical necessity.

206.11 (b) For a nursing facility with a total property payment rate determined under section  
206.12 256R.26, subdivision 8, the amount paid for a private room is 111.5 percent of the established  
206.13 total payment rate for a resident if the resident is a medical assistance recipient and the  
206.14 private room is considered a medical necessity for the resident or others who are affected  
206.15 by the resident's condition. Conditions requiring a private room must be determined by the  
206.16 resident's attending physician and submitted to the commissioner for approval or denial by  
206.17 the commissioner on the basis of medical necessity.

206.18 **EFFECTIVE DATE.** This section is effective the day following final enactment.

206.19 Sec. 25. **[256R.481] RATE ADJUSTMENTS FOR BORDER CITY FACILITIES.**

206.20 (a) The commissioner shall allow each nonprofit nursing facility located within the  
206.21 boundaries of the city of Breckenridge or Moorhead prior to January 1, 2015, to apply once  
206.22 annually for a rate add-on to the facility's external fixed costs payment rate.

206.23 (b) A facility seeking an add-on to its external fixed costs payment rate under this section  
206.24 must apply annually to the commissioner to receive the add-on. A facility must submit the  
206.25 application within 60 calendar days of the effective date of any add-on under this section.  
206.26 The commissioner may waive the deadlines required by this paragraph under extraordinary  
206.27 circumstances.

206.28 (c) The commissioner shall provide the add-on to each eligible facility that applies by  
206.29 the application deadline.

206.30 (d) The add-on to the external fixed costs payment rate is the difference on January 1  
206.31 of the median total payment rate for case mix classification PA1 of the nonprofit facilities  
206.32 located in an adjacent city in another state and in cities contiguous to the adjacent city minus

207.1 the eligible nursing facility's total payment rate for case mix classification PA1 as determined  
207.2 under section 256R.22, subdivision 4.

207.3 **EFFECTIVE DATE.** This section is effective for rate years beginning on or after  
207.4 January 1, 2021.

207.5 Sec. 26. Minnesota Statutes 2018, section 256R.50, subdivision 6, is amended to read:

207.6 Subd. 6. **Determination of rate adjustment.** (a) If the amount determined in subdivision  
207.7 5 is less than or equal to the amount determined in subdivision 4, the commissioner shall  
207.8 allow a total payment rate equal to the amount used in subdivision 5, clause (3).

207.9 (b) If the amount determined in subdivision 5 is greater than the amount determined in  
207.10 subdivision 4, the commissioner shall allow a rate with a case mix index of 1.0 that when  
207.11 used in subdivision 5, clause (3), results in the amount determined in subdivision 5 being  
207.12 equal to the amount determined in subdivision 4.

207.13 (c) If the commissioner relies upon provider estimates in subdivision 5, clause (1) or  
207.14 (2), then annually, for three years after the rates determined in this section take effect, the  
207.15 commissioner shall determine the accuracy of the alternative factors of medical assistance  
207.16 case load and the facility average case mix index used in this section and shall reduce the  
207.17 total payment rate if the factors used result in medical assistance costs exceeding the amount  
207.18 in subdivision 4. If the actual medical assistance costs exceed the estimates by more than  
207.19 five percent, the commissioner shall also recover the difference between the estimated costs  
207.20 in subdivision 5 and the actual costs according to section 256B.0641. The commissioner  
207.21 may require submission of data from the receiving facility needed to implement this  
207.22 paragraph.

207.23 (d) When beds approved for relocation are put into active service at the destination  
207.24 facility, rates determined in this section must be adjusted by any adjustment amounts that  
207.25 were implemented after the date of the letter of approval.

207.26 (e) Rate adjustments determined under this subdivision expire after three full rate years  
207.27 following the effective date of the rate adjustment. This subdivision expires when the final  
207.28 rate adjustment determined under this subdivision expires.

207.29 **EFFECTIVE DATE.** This section is effective the day following final enactment.

208.1 **Sec. 27. DIRECTION TO COMMISSIONER; CLEAN ENERGY PILOT PROJECT.**

208.2 (a) The commissioner shall develop a pilot project to reduce overall energy consumption  
208.3 and evaluate the financial impacts associated with property assessed clean energy (PACE)  
208.4 approved projects in nursing facilities.

208.5 (b) Notwithstanding Minnesota Statutes, section 256R.02, subdivision 48a, the  
208.6 commissioner may make payments to facilities for the allowable costs of special assessments  
208.7 for approved energy-related program payments authorized under Minnesota Statutes, sections  
208.8 216C.435 and 216C.436.

208.9 (c) The commissioner shall approve proposals through a contract which shall specify  
208.10 the level of payment, provided that each facility demonstrates:

208.11 (1) completion of a facility-specific energy assessment or energy audit and recommended  
208.12 energy conservation measures that, in aggregate, meet the cost-effectiveness requirements  
208.13 of Minnesota Statutes, section 216B.241;

208.14 (2) a completed PACE application and recommended approval by a PACE program  
208.15 administrator authorized under Minnesota Statutes, sections 216C.435 and 216C.436; and

208.17 is higher than average for similar facilities.

208.18 (d) Payments to facilities under this section shall be in the form of time-limited rate  
208.19 adjustments which shall be included in the external fixed costs payment rate under Minnesota  
208.20 Statutes, section 256R.25. The commissioner shall select from facilities that meet the  
208.21 requirements of paragraph (c) using a competitive application process.

208.22 (e) Allowable costs for special assessments for approved energy-related program  
208.23 payments cannot exceed the amount of debt service for net expenditures for the project and  
208.24 must meet the cost-effective energy improvements requirements described in Minnesota  
208.25 Statutes, section 216C.435, subdivision 3a. Any credits or rebates related to the project must  
208.26 be offset. A project cost is not an allowable cost on the cost report as a special assessment  
208.27 if it has been or will be used to increase the facility's property rate.

208.28 (f) The external fixed costs payment rate for the PACE allowable costs shall be reduced  
208.29 by an amount equal to the utility per diem included in the other operating payment rate  
208.30 under Minnesota Statutes, section 256R.24, that is associated with the energy project.

208.31 (g) In fiscal years 2020 and 2021, the commissioner of human services may approve  
208.32 assessed clean energy pilot projects under this section, for which the cumulative state share  
208.33 of medical assistance costs does not exceed \$125,000.

209.1 (h) Notwithstanding any other law to the contrary, money available under Minnesota  
209.2 Statutes, section 144A.073, shall be used to pay the medical assistance cost for the external  
209.3 fixed rate increase in this section.

209.4 **EFFECTIVE DATE.** This section is effective the day following final enactment.

209.5 Sec. 28. **DIRECTION TO COMMISSIONER; ELDERLY WAIVER CUSTOMIZED**  
209.6 **LIVING SERVICE PROVIDERS.**

209.7 (a) The commissioner of human services shall develop incentive-based grants to be  
209.8 available during fiscal years 2020 and 2021 only for elderly waiver customized living service  
209.9 providers for achieving outcomes specified in a contract. The commissioner may solicit  
209.10 proposals from providers and implement those that, on a competitive basis, best meet the  
209.11 state's policy objectives, giving preference to providers that serve at least 75 percent elderly  
209.12 waiver participants. The commissioner shall limit expenditures under this subdivision to  
209.13 the amount appropriated for this purpose.

209.14 (b) In establishing the specified outcomes and related criteria, the commissioner shall  
209.15 consider the following state policy objectives:

209.16 (1) provide more efficient, higher quality services;

209.17 (2) encourage home and community-based services providers to innovate;

209.18 (3) equip home and community-based services providers with organizational tools and  
209.19 expertise to improve their quality;

209.20 (4) incentivize home and community-based services providers to invest in better services;

209.21 and

209.22 (5) disseminate successful performance improvement strategies statewide.

209.23 Sec. 29. **REVISOR INSTRUCTION.**

209.24 In Minnesota Statutes, the revisor of statutes shall renumber the nursing facility  
209.25 contracting provisions that are currently coded as section 256B.434, subdivisions 1 and 3,  
209.26 as amended by this act, as a section in chapter 256R and revise any statutory cross-references  
209.27 consistent with that recodification.

209.28 Sec. 30. **REPEALER.**

209.29 (a) Minnesota Statutes 2018, section 256B.431, subdivisions 3i, 15, and 16, are repealed  
209.30 effective January 1, 2020.

210.1 (b) Minnesota Statutes 2018, section 256B.434, subdivisions 6 and 10, are repealed  
 210.2 effective the day following final enactment.

210.3 (c) Minnesota Statutes 2018, section 256R.53, subdivision 2, is repealed effective January  
 210.4 1, 2021.

210.5 (d) Minnesota Rules, parts 9549.0057; and 9549.0060, subpart 14, are repealed effective

226.1 Sec. 20. Minnesota Statutes 2018, section 252.27, subdivision 2a, is amended to read:

226.2 Subd. 2a. **Contribution amount.** (a) The natural or adoptive parents of a minor child,  
226.3 including a child determined eligible for medical assistance without consideration of parental  
226.4 income, must contribute to the cost of services used by making monthly payments on a  
226.5 sliding scale based on income, unless the child is married or has been married, parental  
226.6 rights have been terminated, or the child's adoption is subsidized according to chapter 259A  
226.7 or through title IV-E of the Social Security Act. The parental contribution is a partial or full  
226.8 payment for medical services provided for diagnostic, therapeutic, curing, treating, mitigating,  
226.9 rehabilitation, maintenance, and personal care services as defined in United States Code,  
226.10 title 26, section 213, needed by the child with a chronic illness or disability.

226.11 (b) For households with adjusted gross income equal to or greater than 275 percent of  
226.12 federal poverty guidelines, the parental contribution shall be computed by applying the  
226.13 following schedule of rates to the adjusted gross income of the natural or adoptive parents:

226.14 (1) if the adjusted gross income is equal to or greater than 275 percent of federal poverty  
226.15 guidelines and less than or equal to 545 percent of federal poverty guidelines, the parental  
226.16 contribution shall be determined using a sliding fee scale established by the commissioner  
226.17 of human services which begins at ~~1.94~~ 1.65 percent of adjusted gross income at 275 percent  
226.18 of federal poverty guidelines and increases to ~~5.29~~ 4.5 percent of adjusted gross income for  
226.19 those with adjusted gross income up to 545 percent of federal poverty guidelines;

226.20 (2) if the adjusted gross income is greater than 545 percent of federal poverty guidelines  
226.21 and less than 675 percent of federal poverty guidelines, the parental contribution shall be  
226.22 ~~5.29~~ 4.5 percent of adjusted gross income;

226.23 (3) if the adjusted gross income is equal to or greater than 675 percent of federal poverty  
226.24 guidelines and less than 975 percent of federal poverty guidelines, the parental contribution  
226.25 shall be determined using a sliding fee scale established by the commissioner of human  
226.26 services which begins at ~~5.29~~ 4.5 percent of adjusted gross income at 675 percent of federal  
226.27 poverty guidelines and increases to ~~7.05~~ 5.99 percent of adjusted gross income for those  
226.28 with adjusted gross income up to 975 percent of federal poverty guidelines; and

226.29 (4) if the adjusted gross income is equal to or greater than 975 percent of federal poverty  
226.30 guidelines, the parental contribution shall be ~~8.81~~ 7.49 percent of adjusted gross income.

226.31 If the child lives with the parent, the annual adjusted gross income is reduced by \$2,400  
226.32 prior to calculating the parental contribution. If the child resides in an institution specified  
226.33 in section 256B.35, the parent is responsible for the personal needs allowance specified  
226.34 under that section in addition to the parental contribution determined under this section.

227.1 The parental contribution is reduced by any amount required to be paid directly to the child  
227.2 pursuant to a court order, but only if actually paid.

227.3 (c) The household size to be used in determining the amount of contribution under  
227.4 paragraph (b) includes natural and adoptive parents and their dependents, including the  
227.5 child receiving services. Adjustments in the contribution amount due to annual changes in  
227.6 the federal poverty guidelines shall be implemented on the first day of July following  
227.7 publication of the changes.

227.8 (d) For purposes of paragraph (b), "income" means the adjusted gross income of the  
227.9 natural or adoptive parents determined according to the previous year's federal tax form,  
227.10 except, effective retroactive to July 1, 2003, taxable capital gains to the extent the funds  
227.11 have been used to purchase a home shall not be counted as income.

227.12 (e) The contribution shall be explained in writing to the parents at the time eligibility  
227.13 for services is being determined. The contribution shall be made on a monthly basis effective  
227.14 with the first month in which the child receives services. Annually upon redetermination  
227.15 or at termination of eligibility, if the contribution exceeded the cost of services provided,  
227.16 the local agency or the state shall reimburse that excess amount to the parents, either by  
227.17 direct reimbursement if the parent is no longer required to pay a contribution, or by a  
227.18 reduction in or waiver of parental fees until the excess amount is exhausted. All  
227.19 reimbursements must include a notice that the amount reimbursed may be taxable income  
227.20 if the parent paid for the parent's fees through an employer's health care flexible spending  
227.21 account under the Internal Revenue Code, section 125, and that the parent is responsible  
227.22 for paying the taxes owed on the amount reimbursed.

227.23 (f) The monthly contribution amount must be reviewed at least every 12 months; when  
227.24 there is a change in household size; and when there is a loss of or gain in income from one  
227.25 month to another in excess of ten percent. The local agency shall mail a written notice 30  
227.26 days in advance of the effective date of a change in the contribution amount. A decrease in  
227.27 the contribution amount is effective in the month that the parent verifies a reduction in  
227.28 income or change in household size.

227.29 (g) Parents of a minor child who do not live with each other shall each pay the  
227.30 contribution required under paragraph (a). An amount equal to the annual court-ordered  
227.31 child support payment actually paid on behalf of the child receiving services shall be deducted  
227.32 from the adjusted gross income of the parent making the payment prior to calculating the  
227.33 parental contribution under paragraph (b).

228.1 (h) The contribution under paragraph (b) shall be increased by an additional five percent  
 228.2 if the local agency determines that insurance coverage is available but not obtained for the  
 228.3 child. For purposes of this section, "available" means the insurance is a benefit of employment  
 228.4 for a family member at an annual cost of no more than five percent of the family's annual  
 228.5 income. For purposes of this section, "insurance" means health and accident insurance  
 228.6 coverage, enrollment in a nonprofit health service plan, health maintenance organization,  
 228.7 self-insured plan, or preferred provider organization.

228.8 Parents who have more than one child receiving services shall not be required to pay  
 228.9 more than the amount for the child with the highest expenditures. There shall be no resource  
 228.10 contribution from the parents. The parent shall not be required to pay a contribution in  
 228.11 excess of the cost of the services provided to the child, not counting payments made to  
 228.12 school districts for education-related services. Notice of an increase in fee payment must  
 228.13 be given at least 30 days before the increased fee is due.

228.14 (i) The contribution under paragraph (b) shall be reduced by \$300 per fiscal year if, in  
 228.15 the 12 months prior to July 1:

228.16 (1) the parent applied for insurance for the child;

228.17 (2) the insurer denied insurance;

228.18 (3) the parents submitted a complaint or appeal, in writing to the insurer, submitted a  
 228.19 complaint or appeal, in writing, to the commissioner of health or the commissioner of  
 228.20 commerce, or litigated the complaint or appeal; and

228.21 (4) as a result of the dispute, the insurer reversed its decision and granted insurance.

228.22 For purposes of this section, "insurance" has the meaning given in paragraph (h).

228.23 A parent who has requested a reduction in the contribution amount under this paragraph  
 228.24 shall submit proof in the form and manner prescribed by the commissioner or county agency,  
 228.25 including, but not limited to, the insurer's denial of insurance, the written letter or complaint  
 228.26 of the parents, court documents, and the written response of the insurer approving insurance.  
 228.27 The determinations of the commissioner or county agency under this paragraph are not rules  
 228.28 subject to chapter 14.

228.29 Sec. 21. Minnesota Statutes 2018, section 252.275, subdivision 3, is amended to read:

228.30 Subd. 3. **Reimbursement.** Counties shall be reimbursed for all expenditures made  
 228.31 pursuant to subdivision 1 at a rate of ~~70~~ 85 percent, up to the allocation determined pursuant  
 228.32 to subdivisions 4 and 4b. However, the commissioner shall not reimburse costs of services

229.1 for any person if the costs exceed the state share of the average medical assistance costs for  
 229.2 services provided by intermediate care facilities for a person with a developmental disability  
 229.3 for the same fiscal year, and shall not reimburse costs of a onetime living allowance for any  
 229.4 person if the costs exceed \$1,500 in a state fiscal year. The commissioner may make  
 229.5 payments to each county in quarterly installments. The commissioner may certify an advance  
 229.6 of up to 25 percent of the allocation. Subsequent payments shall be made on a reimbursement  
 229.7 basis for reported expenditures and may be adjusted for anticipated spending patterns.

229.8 **EFFECTIVE DATE.** This section is effective July 1, 2019.

251.12 including personal risk management strategies;

251.13 (4) referral information; and

251.17 care service plan developed by the certified assessor.

251.18 (h) A person may request assistance in identifying community supports without

252.2 found to meet eligibility criteria for home and community-based service programs under  
252.3 section 256B.0915 or 256B.49, "cost-effectiveness" has the meaning found in the federally

252.22 paragraphs (a), clause (6), and (b); and

252.23 (9) the person's right to appeal the certified assessor's decision regarding eligibility for  
252.24 all services and programs as defined in subdivision 1a, paragraphs (a), clauses (6), (7), and  
252.25 (8), and (b), and incorporating the decision regarding the need for institutional level of care  
252.26 or the lead agency's final decisions regarding public programs eligibility according to section  
252.27 256.045, subdivision 3. The certified assessor must verbally communicate this appeal right  
252.28 to the person and must visually point out where in the document the right to appeal is stated.

252.33 no more than 60 calendar days after the date of assessment.

253.1 (l) The effective eligibility start date for programs in paragraph (k) can never be prior  
 253.2 to the date of assessment. If an assessment was completed more than 60 days before the  
 253.3 effective waiver or alternative care program eligibility start date, assessment and support  
 253.4 plan information must be updated and documented in the department's Medicaid Management  
 253.5 Information System (MMIS). Notwithstanding retroactive medical assistance coverage of  
 253.6 state plan services, the effective date of eligibility for programs included in paragraph (k)  
 253.7 cannot be prior to the date the most recent updated assessment is completed.

253.8 (m) If an eligibility update is completed within 90 days of the previous face-to-face  
 253.9 assessment and documented in the department's Medicaid Management Information System  
 253.10 (MMIS), the effective date of eligibility for programs included in paragraph (k) is the date  
 253.11 of the previous face-to-face assessment when all other eligibility requirements are met.

253.12 (n) At the time of reassessment, the certified assessor shall assess each person receiving  
 253.13 waiver services currently residing in a community residential setting, or licensed adult foster

253.19 Sec. 45. Minnesota Statutes 2018, section 256B.0911, subdivision 3f, is amended to read:

253.20 Subd. 3f. **Long-term care reassessments and community support plan updates.** (a)  
 253.21 Prior to a face-to-face reassessment, the certified assessor must review the person's most  
 253.22 recent assessment. Reassessments must be tailored using the professional judgment of the  
 253.23 assessor to the person's known needs, strengths, preferences, and circumstances.  
 253.24 Reassessments provide information to support the person's informed choice and opportunities  
 253.25 to express choice regarding activities that contribute to quality of life, as well as information  
 253.26 and opportunity to identify goals related to desired employment, community activities, and  
 253.27 preferred living environment. Reassessments ~~allow for~~ require a review of the most recent  
 253.28 assessment, review of the current coordinated service and support plan's effectiveness,  
 253.29 monitoring of services, and the development of an updated person-centered community  
 253.30 support plan. Reassessments verify continued eligibility or offer alternatives as warranted  
 253.31 and provide an opportunity for quality assurance of service delivery. ~~Face-to-face assessments~~  
 253.32 reassessments must be conducted annually or as required by federal and state laws and rules.  
 253.33 For reassessments, the certified assessor and the individual responsible for developing the

 254.2 coordinated service and support plan no more than 60 days from the reassessment visit.

254.3 (b) The commissioner shall develop mechanisms for providers and case managers to  
 254.4 share information with the assessor to facilitate a reassessment and support planning process  
 254.5 tailored to the person's current needs and preferences.

254.6 Sec. 46. Minnesota Statutes 2018, section 256B.0911, is amended by adding a subdivision  
 254.7 to read:

254.8 Subd. 3g. **Assessments for Rule 185 case management.** Unless otherwise required by  
 254.9 federal law, the county agency is not required to conduct or arrange for an annual needs  
 254.10 reassessment by a certified assessor. The case manager who works on behalf of the person  
 254.11 to identify the person's needs and to minimize the impact of the disability on the person's  
 254.12 life must instead develop a person-centered service plan based on the person's assessed  
 254.13 needs and preferences. The person-centered service plan must be reviewed annually for  
 254.14 persons with developmental disabilities who are receiving only case management services  
 254.15 under Minnesota Rules, part 9525.0016, and who make an informed choice to decline an  
 254.16 assessment under this section.

254.23 (b) The commissioner of human services shall work with lead agencies responsible for  
 254.24 conducting long-term consultation services to modify the MnCHOICES application and  
 254.25 assessment policies to create efficiencies while ensuring federal compliance with medical  
 254.26 assistance and long-term services and supports eligibility criteria.

254.27 (c) The commissioner shall work with lead agencies responsible for conducting long-term  
 254.28 consultation services to develop a set of measurable benchmarks sufficient to demonstrate  
 254.29 quarterly improvement in the average time per assessment and other mutually agreed upon  
 254.30 measures of increasing efficiency. The commissioner shall collect data on these benchmarks  
 254.31 and provide to the lead agencies and the chairs and ranking minority members of the  
 254.32 legislative committees with jurisdiction over human services an annual trend analysis of

255.1 the data in order to demonstrate the commissioner's compliance with the requirements of

255.9 would be assigned under Minnesota Rules, parts 9549.0051 to 9549.0059, in effect on the  
255.10 last day of the previous state fiscal year, adjusted by any legislatively adopted home and  
255.11 community-based services percentage rate adjustment. If a legislatively authorized increase  
255.12 is service-specific, the monthly cost limit shall be adjusted based on the overall average  
255.13 increase to the elderly waiver program.

255.14 (b) The monthly limit for the cost of waived services under paragraph (a) to an  
255.15 individual elderly waiver client assigned to a case mix classification A with:

 256.10 the previous January 1. This paragraph shall only apply if the average statewide percentage

 256.17 107.5 percent of the budget otherwise available to the individual. The exception must be  
 256.18 reapproved on an annual basis at the time of a participant's annual reassessment.

293.7 commissioner shall include in the written response the basis for the action and provide  
293.8 notification of the right to appeal under paragraph (h).

293.14 (2) an individual's rate determined under subdivisions 6, 7, 8, and 9 is so insufficient  
293.15 that it has resulted in an individual receiving a notice of discharge from the individual's  
293.16 provider; or

293.17 (3) an individual's service needs, including behavioral changes, require a level of service  
293.18 which necessitates a change in provider or which requires the current provider to propose  
293.19 service changes beyond those currently authorized.

293.20 (d) Exception requests must include the following information:

294.1 interested party, or license holder of its decision and the reasons for denying the request in  
294.2 writing no later than 30 days after the request has been made and shall submit its denial to  
294.3 the commissioner in accordance with paragraph (b). The reasons for the denial must be

294.10 request by either the lead agency or the commissioner, pursuant to sections 256.045 and

294.13 a temporary stay of demission, when requested by the disability waiver recipient, consistent  
294.14 with the provisions of section 256.045, subdivisions 4a and 6, paragraph (c). The temporary

294.19 and determination in subdivision 4, without applying for a rate exception.

294.20 (j) The starting date for the rate exception will be the later of the date of the recipient's  
294.21 change in support or the date of the request to the lead agency for an exception.

299.1 Sec. 73. Minnesota Statutes 2018, section 256B.85, subdivision 11, is amended to read:

299.2 Subd. 11. **Agency-provider model.** (a) The agency-provider model includes services  
299.3 provided by support workers and staff providing worker training and development services  
299.4 who are employed by an agency-provider that meets the criteria established by the  
299.5 commissioner, including required training.

299.6 (b) The agency-provider shall allow the participant to have a significant role in the  
299.7 selection and dismissal of the support workers for the delivery of the services and supports  
299.8 specified in the participant's CFSS service delivery plan.

299.9 (c) A participant may use authorized units of CFSS services as needed within a service  
299.10 agreement that is not greater than 12 months. Using authorized units in a flexible manner  
299.11 in either the agency-provider model or the budget model does not increase the total amount

299.13 service delivery plan.

299.14 (d) A participant may share CFSS services. Two or three CFSS participants may share

299.16 (e) The agency-provider must use a minimum of 72.5 percent of the revenue generated  
299.17 by the medical assistance payment for CFSS for support worker wages and benefits, except  
299.18 all of the revenue generated by a medical assistance rate increase due to a collective  
299.19 bargaining agreement under section 179A.54 must be used for support worker wages and  
299.20 benefits. The agency-provider must document how this requirement is being met. The  
299.21 revenue generated by the worker training and development services and the reasonable costs  
299.22 associated with the worker training and development services must not be used in making  
299.23 this calculation.

299.24 (f) The agency-provider model must be used by individuals who are restricted by the  
299.25 Minnesota restricted recipient program under Minnesota Rules, parts 9505.2160 to  
299.26 9505.2245.

299.27 (g) Participants purchasing goods under this model, along with support worker services,  
299.28 must:

299.29 (1) specify the goods in the CFSS service delivery plan and detailed budget for  
299.30 expenditures that must be approved by the consultation services provider, case manager, or  
299.31 care coordinator; and

300.10 agency-provider must purchase a surety bond of \$50,000. If the agency-provider's Medicaid  
300.11 revenue in the previous calendar year is greater than \$300,000, the agency-provider must  
300.12 purchase a surety bond of \$100,000. The surety bond must be in a form approved by the  
300.13 commissioner, must be renewed annually, and must allow for recovery of costs and fees in  
300.14 pursuing a claim on the bond;

300.15 (3) proof of fidelity bond coverage in the amount of \$20,000;

300.16 (4) proof of workers' compensation insurance coverage;

300.17 (5) proof of liability insurance;

300.18 (6) a description of the CFSS agency-provider's organization identifying the names of  
300.19 all owners, managing employees, staff, board of directors, and the affiliations of the directors

300.23 safety, including the process for notification and resolution of participant grievances, incident  
300.24 response, identification and prevention of communicable diseases, and employee misconduct;

300.25 (8) copies of all other forms the CFSS agency-provider uses in the course of daily  
300.26 business including, but not limited to:

301.1 (11) documentation of the agency-provider's marketing practices;

301.2 (12) disclosure of ownership, leasing, or management of all residential properties that  
301.3 are used or could be used for providing home care services;

301.4 (13) documentation that the agency-provider will use at least the following percentages  
301.5 of revenue generated from the medical assistance rate paid for CFSS services for CFSS  
301.6 support worker wages and benefits: 72.5 percent of revenue from CFSS providers, except  
301.7 100 percent of the revenue generated by a medical assistance rate increase due to a collective  
301.8 bargaining agreement under section 179A.54 must be used for support worker wages and  
301.9 benefits. The revenue generated by the worker training and development services and the  
301.10 reasonable costs associated with the worker training and development services shall not be  
301.11 used in making this calculation; and

301.12 (14) documentation that the agency-provider does not burden participants' free exercise  
301.13 of their right to choose service providers by requiring CFSS support workers to sign an  
301.14 agreement not to work with any particular CFSS participant or for another CFSS  
301.15 agency-provider after leaving the agency and that the agency is not taking action on any  
301.16 such agreements or requirements regardless of the date signed.

301.17 (b) CFSS agency-providers shall provide to the commissioner the information specified  
301.18 in paragraph (a).

301.20 supervisory positions and owners of the agency who are active in the day-to-day management

301.23 active in the day-to-day operations of an agency who have completed the required training  
301.24 as an employee with a CFSS agency-provider do not need to repeat the required training if  
301.25 they are hired by another agency, if they have completed the training within the past three  
301.26 years. CFSS agency-provider billing staff shall complete training about CFSS program

346.21 that administered or dispensed by the opioid addiction treatment program. When the  
346.22 commissioner determines there have been multiple prescribers or multiple prescriptions of  
346.23 controlled substances for a client, the commissioner shall:

346.24 (1) inform the medical director of the opioid treatment program only that the

380.18 recommendations, including any necessary statutory changes, to the legislative committees  
380.19 with jurisdiction over mental health and education by January 15, 2020.

380.20 **EFFECTIVE DATE.** This section is effective the day following final enactment.

380.21 **Sec. 79. DIRECTION TO COMMISSIONER; CCBHC RATE METHODOLOGY.**

380.22 (a) The commissioner of human services shall develop recommendations for a rate  
380.23 methodology that reflects each CCBHC's reasonable cost of providing the services described  
380.24 in Minnesota Statutes, section 245.735, subdivision 3, consistent with applicable federal  
380.25 requirements. In developing the rate methodology, the commissioner shall consider guidance  
380.26 issued by the Centers for Medicare and Medicaid Services for the Section 223 Demonstration  
380.27 Program for CCBHC and costs associated with the following:

380.28 (1) a new CCBHC service that is not incorporated in the baseline prospective payment  
380.29 system rate, or a deletion of a CCBHC service that is incorporated in the baseline rate;

380.30 (2) a change in service due to amended regulatory requirements or rules;

381.1 (3) a change in types of services due to a change in applicable technology and medical  
381.2 practice utilized by the clinic;

381.3 (4) a change in the scope of a project approved by the commissioner; and

381.5 performance on select quality measures. The commissioner shall develop the quality incentive  
381.6 program, in consultation with stakeholders, with the following requirements:

381.7 (i) the same terms of performance must apply to all CCBHCs;

381.8 (ii) quality payments must be in addition to the prospective payment rate and must not  
381.9 exceed an amount equal to five percent of total medical assistance payments for CCBHC  
381.10 services provided during the applicable time period; and

381.11 (iii) the quality measures must be consistent with measures used by the commissioner

381.15 report to the chairs and ranking minority members of the legislative committees with  
381.16 jurisdiction over mental health services and medical assistance on the recommendations to  
381.17 the CCBHC rate methodology including any necessary statutory updates required for federal  
381.18 approval.

381.19 (c) The commissioner shall consult with CCBHCs and other providers receiving a  
381.20 prospective payment system rate to study a rate methodology that eliminates potential  
381.21 duplication of payment for CCBHC providers who also receive a separate prospective  
381.22 payment system rate. By February 15, 2021, the commissioner shall report to the chairs and  
381.23 ranking minority members of the legislative committees with jurisdiction over mental health  
381.24 services and medical assistance on findings and recommendations related to the rate  
381.25 methodology study under this paragraph, including any necessary statutory updates to  
381.26 implement recommendations.

381.27 **Sec. 80. SPECIALIZED MENTAL HEALTH COMMUNITY SUPERVISION PILOT**  
381.28 **PROJECT.**

381.29 Subdivision 1. **Authorization.** The commissioner of human services shall award a grant  
381.30 to Anoka County to develop and implement a pilot project from July 1, 2019, to June 30,  
381.31 2021, to evaluate the impact of a coordinated, multidisciplinary service delivery approach  
381.32 for offenders with mental illness who are on probation, parole, supervised release, or pretrial  
381.33 status in Anoka County.

382.1 Subd. 2. Pilot project goals and design. (a) The pilot project must provide enhanced  
382.2 assessment, case management, treatment services, and community supervision for offenders  
382.3 with mental illness who have symptoms or behavior resulting in heightened risk to harm  
382.4 themselves or others, to recidivate, to commit violations of supervision, or to face  
382.5 incarceration or reincarceration.

382.6 (b) The goals of the pilot project are to:

382.7 (1) improve mental health service delivery and supervision coordination through  
382.8 establishment of a multidisciplinary caseload management team that must include at least  
382.9 one probation officer and social services professional who share case management  
382.10 responsibilities;

382.11 (2) provide expedited assessment, diagnosis, and community-based treatment and  
382.12 programming for acute symptom and behavior management;

382.13 (3) enhance community supervision through a specialized caseload and team specifically  
382.14 trained to work with individuals with mental illness;

382.15 (4) offer community-based mental health treatment and programming alternatives to  
382.16 incarceration if available and appropriate;

382.17 (5) reduce incarceration related to unmanaged mental illness and technical violations;

382.18 (6) eliminate or reduce duplication of services between county social services and  
382.19 corrections; and

382.20 (7) improve collaboration among, and reduce barriers between, criminal justice system  
382.21 partners, county social services, and community service providers.

382.22 Subd. 3. Target population. The target population of the pilot project is:

382.23 (1) adult offenders on probation, parole, supervised release, or pretrial status in Anoka  
382.24 County who have been assessed with significant or unmanaged mental illness or acute  
382.25 symptoms that pose a risk to harm themselves or others, or increase their risk to recidivate  
382.26 or commit technical violations of supervision;

382.27 (2) adult offenders who receive county social service case management for mental illness  
382.28 while under correctional supervision in Anoka County; and

382.29 (3) adult offenders incarcerated in jail in Anoka County who have significant or  
382.30 unmanaged mental illness and may be safely treated in a community setting under  
382.31 correctional supervision.

383.1 Subd. 4. **Evaluation and report.** By October 1, 2021, Anoka County must report to the  
 383.2 commissioner of human services on the impact and outcomes of the project.

383.3 Sec. 81. **REPEALER.**

383.4 Minnesota Statutes 2018, section 254B.03, subdivision 4a, is repealed.

## 383.5 **ARTICLE 7**

### 383.6 **HEALTH CARE**

383.7 Section 1. Minnesota Statutes 2018, section 13.69, subdivision 1, is amended to read:

384.4 (b) The following government data of the Department of Public Safety are confidential  
384.5 data: data concerning an individual's driving ability when that data is received from a member  
384.6 of the individual's family.

384.7 **EFFECTIVE DATE.** This section is effective July 1, 2019.

384.8 Sec. 2. Minnesota Statutes 2018, section 16A.724, subdivision 2, is amended to read:

384.9 Subd. 2. **Transfers.** (a) Notwithstanding section 295.581, to the extent available resources  
384.10 in the health care access fund exceed expenditures in that fund, effective for the biennium  
384.11 beginning July 1, 2007, the commissioner of management and budget shall transfer the  
384.12 excess funds from the health care access fund to the general fund on June 30 of each year,  
384.13 provided that the amount transferred in fiscal year 2016 shall not exceed \$48,000,000, the  
384.14 amount in fiscal year 2017 shall not exceed \$122,000,000, and the amount in any fiscal  
384.15 biennium thereafter shall not exceed \$244,000,000. The purpose of this transfer is to meet  
384.16 the rate increase required under ~~Laws 2003, First Special Session chapter 14, article 13C,~~  
384.17 ~~section 2, subdivision 6~~ section 256B.04, subdivision 25.

384.18 (b) For fiscal years 2006 to 2011, MinnesotaCare shall be a forecasted program, and, if  
384.19 necessary, the commissioner shall reduce these transfers from the health care access fund  
384.20 to the general fund to meet annual MinnesotaCare expenditures or, if necessary, transfer  
384.21 sufficient funds from the general fund to the health care access fund to meet annual  
384.22 MinnesotaCare expenditures.

384.23 Sec. 3. Minnesota Statutes 2018, section 62Q.184, subdivision 1, is amended to read:

384.24 Subdivision 1. **Definitions.** (a) For the purposes of this section, the terms in this  
384.25 subdivision have the meanings given them.

384.26 (b) "Clinical practice guideline" means a systematically developed statement to assist  
384.27 health care providers and enrollees in making decisions about appropriate health care services  
384.28 for specific clinical circumstances and conditions developed independently of a health plan  
384.29 company, pharmaceutical manufacturer, or any entity with a conflict of interest. A clinical  
384.30 practice guideline also includes a preferred drug list developed in accordance with section  
384.31 256B.0625.

385.1 (c) "Clinical review criteria" means the written screening procedures, decision abstracts,  
385.2 clinical protocols, and clinical practice guidelines used by a health plan company to determine  
385.3 the medical necessity and appropriateness of health care services.

385.4 (d) "Health plan company" has the meaning given in section 62Q.01, subdivision 4, but  
385.5 ~~does not include a managed care organization or~~ also includes a county-based purchasing  
385.6 plan participating in a public program under chapter 256B or 256L, ~~or~~ and an integrated  
385.7 health partnership under section 256B.0755.

385.8 (e) "Step therapy protocol" means a protocol or program that establishes the specific  
385.9 sequence in which prescription drugs for a specified medical condition, including  
385.10 self-administered and physician-administered drugs, are medically appropriate for a particular  
385.11 enrollee and are covered under a health plan.

385.12 (f) "Step therapy override" means that the step therapy protocol is overridden in favor  
385.13 of coverage of the selected prescription drug of the prescribing health care provider because  
385.14 at least one of the conditions of subdivision 3, paragraph (a), exists.

385.15 Sec. 4. Minnesota Statutes 2018, section 62Q.184, subdivision 3, is amended to read:

385.16 **Subd. 3. Step therapy override process; transparency.** (a) When coverage of a  
385.17 prescription drug for the treatment of a medical condition is restricted for use by a health  
385.18 plan company through the use of a step therapy protocol, enrollees and prescribing health  
385.19 care providers shall have access to a clear, readily accessible, and convenient process to  
385.20 request a step therapy override. The process shall be made easily accessible on the health  
385.21 plan company's website. A health plan company may use its existing medical exceptions  
385.22 process to satisfy this requirement. A health plan company shall grant an override to the  
385.23 step therapy protocol if at least one of the following conditions exist:

385.24 (1) the prescription drug required under the step therapy protocol is contraindicated  
385.25 pursuant to the pharmaceutical manufacturer's prescribing information for the drug or, due  
385.26 to a documented adverse event with a previous use or a documented medical condition,  
385.27 including a comorbid condition, is likely to do any of the following:

385.28 (i) cause an adverse reaction to the enrollee;

385.29 (ii) decrease the ability of the enrollee to achieve or maintain reasonable functional  
385.30 ability in performing daily activities; or

385.31 (iii) cause physical or mental harm to the enrollee;

386.1 (2) the enrollee has had a trial of the required prescription drug covered by their current  
386.2 or previous health plan, or another prescription drug in the same pharmacologic class or  
386.3 with the same mechanism of action, and was adherent during such trial for a period of time  
386.4 sufficient to allow for a positive treatment outcome, and the prescription drug was  
386.5 discontinued by the enrollee's health care provider due to lack of effectiveness, or an adverse  
386.6 event. This clause does not prohibit a health plan company from requiring an enrollee to  
386.7 try another drug in the same pharmacologic class or with the same mechanism of action if  
386.8 that therapy sequence is supported by the evidence-based and peer-reviewed clinical practice  
386.9 guideline, Food and Drug Administration label, or pharmaceutical manufacturer's prescribing  
386.10 information. This clause does not apply to the commissioner of human services or a managed  
386.11 care plan, county-based purchasing plan, or integrated health partnership administering a  
386.12 pharmacy benefit under chapter 256B or 256L; or

386.13 (3) for the fee-for-service system administered by the commissioner of human services,  
386.14 or a managed care plan, county-based purchasing plan, or integrated health partnership  
386.15 administering a pharmacy benefit under chapter 256B or 256L, the enrollee has had a trial  
386.16 of the required prescription drug covered by their current or previous health plan, or a drug  
386.17 in the same pharmacological class with the same mechanism of action, and was adherent  
386.18 during such trial for a period of time sufficient to allow for a positive treatment outcome,  
386.19 and the prescription drug was discontinued by the enrollee's health care provider due to lack  
386.20 of effectiveness, or an adverse event, or the prescriber submits an evidence-based and  
386.21 peer-reviewed clinical practice guideline supporting the use of the requested drug over the  
386.22 required prescription drug. This clause does not prohibit a managed care plan, county-based  
386.23 purchasing plan, or integrated health partnership from requiring an enrollee to try another  
386.24 drug in the same pharmacologic class with the same mechanism of action if that therapy  
386.25 sequence is supported by the evidence-based and peer-reviewed clinical practice guideline,  
386.26 Food and Drug Administration label, or pharmaceutical manufacturer's prescribing  
386.27 information; or

386.28 ~~(3)~~ (4) the enrollee is currently receiving a positive therapeutic outcome on a prescription  
386.29 drug for the medical condition under consideration if, while on their current health plan or  
386.30 the immediately preceding health plan, the enrollee received coverage for the prescription  
386.31 drug and the enrollee's prescribing health care provider gives documentation to the health  
386.32 plan company that the change in prescription drug required by the step therapy protocol is  
386.33 expected to be ineffective or cause harm to the enrollee based on the known characteristics  
386.34 of the specific enrollee and the known characteristics of the required prescription drug.

387.1 (b) Upon granting a step therapy override, a health plan company shall authorize coverage  
387.2 for the prescription drug if the prescription drug is a covered prescription drug under the  
387.3 enrollee's health plan.

387.4 (c) The enrollee, or the prescribing health care provider if designated by the enrollee,  
387.5 may appeal the denial of a step therapy override by a health plan company using the  
387.6 complaint procedure under sections 62Q.68 to 62Q.73 or 256.045.

387.7 (d) In a denial of an override request and any subsequent appeal, a health plan company's  
387.8 decision must specifically state why the step therapy override request did not meet the  
387.9 condition under paragraph (a) cited by the prescribing health care provider in requesting  
387.10 the step therapy override and information regarding the procedure to request external review  
387.11 of the denial pursuant to section 62Q.73. A denial of a request for a step therapy override  
387.12 that is upheld on appeal is a final adverse determination for purposes of section 62Q.73 and  
387.13 is eligible for a request for external review by an enrollee pursuant to section 62Q.73.

387.14 (e) A health plan company shall respond to a step therapy override request or an appeal  
387.15 within five days of receipt of a complete request. In cases where exigent circumstances  
387.16 exist, a health plan company shall respond within 72 hours of receipt of a complete request.  
387.17 If a health plan company does not send a response to the enrollee or prescribing health care  
387.18 provider if designated by the enrollee within the time allotted, the override request or appeal  
387.19 is granted and binding on the health plan company.

387.20 (f) Step therapy override requests must be accessible to and submitted by health care  
387.21 providers, and accepted by group purchasers electronically through secure electronic  
387.22 transmission, as described under section 62J.497, subdivision 5.

387.23 (g) Nothing in this section prohibits a health plan company from:

387.24 (1) requesting relevant documentation from an enrollee's medical record in support of  
387.25 a step therapy override request; or

387.26 (2) requiring an enrollee to try a generic equivalent drug pursuant to section 151.21, or  
387.27 a biosimilar, as defined under United States Code, chapter 42, section 262(i)(2), prior to  
387.28 providing coverage for the equivalent branded prescription drug.

387.29 (h) This section shall not be construed to allow the use of a pharmaceutical sample for  
387.30 the primary purpose of meeting the requirements for a step therapy override.

388.1 Sec. 5. Minnesota Statutes 2018, section 245A.02, subdivision 5a, is amended to read:

388.2 Subd. 5a. **Controlling individual.** (a) "Controlling individual" means an owner of a  
388.3 program or service provider licensed under this chapter and the following individuals, if  
388.4 applicable:

388.11 (4) each managerial official whose responsibilities include the direction of the  
388.12 management or policies of a program.

388.13 (b) Controlling individual does not include:

388.14 (1) a bank, savings bank, trust company, savings association, credit union, industrial  
388.15 loan and thrift company, investment banking firm, or insurance company unless the entity  
388.16 operates a program directly or through a subsidiary;

388.17 (2) an individual who is a state or federal official, or state or federal employee, or a  
388.18 member or employee of the governing body of a political subdivision of the state or federal  
388.19 government that operates one or more programs, unless the individual is also an officer,  
388.20 owner, or managerial official of the program, receives remuneration from the program, or  
388.21 owns any of the beneficial interests not excluded in this subdivision;

391.11 from the opiate epidemic response account must annually report to the commissioner on

391.23 attorney general of the state, or resulting from a court order in litigation brought by the  
391.24 attorney general of the state on behalf of the state or a state agency, against one or more

391.27 alleged illegal actions that contributed to the excessive use of opioids, or from the fees  
391.28 collected under section 151.065, subdivisions 1 and 3, and section 151.066, that are deposited  
391.29 into the opiate epidemic response account established in section 256.043, or from a  
391.30 combination of both, the fees specified in section 151.065, subdivision 1, clause (16), and  
391.31 section 151.065, subdivision 3, clause (14), shall be reduced to \$5,260, and the opiate

392.6 an incentive program for organizations and licensed insurance producers under chapter 60K  
392.7 that directly identify and assist potential enrollees in filling out and submitting an application.  
392.8 For each applicant who is successfully enrolled in MinnesotaCare or medical assistance,  
392.9 the commissioner, within the available appropriation, shall pay the organization or licensed  
392.10 insurance producer a ~~\$25~~ \$70 application assistance bonus. The organization or licensed  
392.11 insurance producer may provide an applicant a gift certificate or other incentive upon  
392.12 enrollment.

392.13 **EFFECTIVE DATE.** This section is effective July 1, 2019.

392.14 Sec. 9. Minnesota Statutes 2018, section 256.969, subdivision 2b, is amended to read:

392.15 Subd. 2b. **Hospital payment rates.** (a) For discharges occurring on or after November  
392.16 1, 2014, hospital inpatient services for hospitals located in Minnesota shall be paid according  
392.17 to the following:

392.18 (1) critical access hospitals as defined by Medicare shall be paid using a cost-based  
392.19 methodology;

392.20 (2) long-term hospitals as defined by Medicare shall be paid on a per diem methodology  
392.21 under subdivision 25;

392.22 (3) rehabilitation hospitals or units of hospitals that are recognized as rehabilitation  
392.23 distinct parts as defined by Medicare shall be paid according to the methodology under  
392.24 subdivision 12; and

392.25 (4) all other hospitals shall be paid on a diagnosis-related group (DRG) methodology.

392.26 (b) For the period beginning January 1, 2011, through October 31, 2014, rates shall not  
392.27 be rebased, except that a Minnesota long-term hospital shall be rebased effective January  
392.28 1, 2011, based on its most recent Medicare cost report ending on or before September 1,  
392.29 2008, with the provisions under subdivisions 9 and 23, based on the rates in effect on  
392.30 December 31, 2010. For rate setting periods after November 1, 2014, in which the base  
392.31 years are updated, a Minnesota long-term hospital's base year shall remain within the same  
392.32 period as other hospitals.

393.1 (c) Effective for discharges occurring on and after November 1, 2014, payment rates  
393.2 for hospital inpatient services provided by hospitals located in Minnesota or the local trade  
393.3 area, except for the hospitals paid under the methodologies described in paragraph (a),  
393.4 clauses (2) and (3), shall be rebased, incorporating cost and payment methodologies in a  
393.5 manner similar to Medicare. The base year for the rates effective November 1, 2014, shall  
393.6 be calendar year 2012. The rebasing under this paragraph shall be budget neutral, ensuring  
393.7 that the total aggregate payments under the rebased system are equal to the total aggregate  
393.8 payments that were made for the same number and types of services in the base year. Separate  
393.9 budget neutrality calculations shall be determined for payments made to critical access  
393.10 hospitals and payments made to hospitals paid under the DRG system. Only the rate increases  
393.11 or decreases under subdivision 3a or 3c that applied to the hospitals being rebased during  
393.12 the entire base period shall be incorporated into the budget neutrality calculation.

393.13 (d) For discharges occurring on or after November 1, 2014, through the next rebasing  
393.14 that occurs, the rebased rates under paragraph (c) that apply to hospitals under paragraph  
393.15 (a), clause (4), shall include adjustments to the projected rates that result in no greater than  
393.16 a five percent increase or decrease from the base year payments for any hospital. Any  
393.17 adjustments to the rates made by the commissioner under this paragraph and paragraph (e)  
393.18 shall maintain budget neutrality as described in paragraph (c).

393.19 (e) For discharges occurring on or after November 1, 2014, ~~through the next two rebasing~~  
393.20 ~~periods~~ the commissioner may make additional adjustments to the rebased rates, and when  
393.21 evaluating whether additional adjustments should be made, the commissioner shall consider  
393.22 the impact of the rates on the following:

393.23 (1) pediatric services;

393.24 (2) behavioral health services;

393.25 (3) trauma services as defined by the National Uniform Billing Committee;

393.26 (4) transplant services;

393.27 (5) obstetric services, newborn services, and behavioral health services provided by  
393.28 hospitals outside the seven-county metropolitan area;

393.29 (6) outlier admissions;

393.30 (7) low-volume providers; and

393.31 (8) services provided by small rural hospitals that are not critical access hospitals.

393.32 (f) Hospital payment rates established under paragraph (c) must incorporate the following:

394.1 (1) for hospitals paid under the DRG methodology, the base year payment rate per  
394.2 admission is standardized by the applicable Medicare wage index and adjusted by the  
394.3 hospital's disproportionate population adjustment;

394.4 (2) for critical access hospitals, payment rates for discharges between November 1, 2014,  
394.5 and June 30, 2015, shall be set to the same rate of payment that applied for discharges on  
394.6 October 31, 2014;

394.7 (3) the cost and charge data used to establish hospital payment rates must only reflect  
394.8 inpatient services covered by medical assistance; and

394.9 (4) in determining hospital payment rates for discharges occurring on or after the rate  
394.10 year beginning January 1, 2011, through December 31, 2012, the hospital payment rate per  
394.11 discharge shall be based on the cost-finding methods and allowable costs of the Medicare  
394.12 program in effect during the base year or years. In determining hospital payment rates for  
394.13 discharges in subsequent base years, the per discharge rates shall be based on the cost-finding  
394.14 methods and allowable costs of the Medicare program in effect during the base year or  
394.15 years.

394.16 (g) The commissioner shall validate the rates effective November 1, 2014, by applying  
394.17 the rates established under paragraph (c), and any adjustments made to the rates under  
394.18 paragraph (d) or (e), to hospital claims paid in calendar year 2013 to determine whether the  
394.19 total aggregate payments for the same number and types of services under the rebased rates  
394.20 are equal to the total aggregate payments made during calendar year 2013.

394.21 (h) Effective for discharges occurring on or after July 1, 2017, and every two years  
394.22 thereafter, payment rates under this section shall be rebased to reflect only those changes  
394.23 in hospital costs between the existing base year and the next base year. Changes in costs  
394.24 between base years shall be measured using the lower of the hospital cost index defined in  
394.25 subdivision 1, paragraph (a), or the percentage change in the case mix adjusted cost per  
394.26 claim. The commissioner shall establish the base year for each rebasing period considering  
394.27 the most recent year for which filed Medicare cost reports are available. The estimated  
394.28 change in the average payment per hospital discharge resulting from a scheduled rebasing  
394.29 must be calculated and made available to the legislature by January 15 of each year in which  
394.30 rebasing is scheduled to occur, and must include by hospital the differential in payment  
394.31 rates compared to the individual hospital's costs.

394.32 (i) Effective for discharges occurring on or after July 1, 2015, inpatient payment rates  
394.33 for critical access hospitals located in Minnesota or the local trade area shall be determined  
394.34 using a new cost-based methodology. The commissioner shall establish within the

395.1 methodology tiers of payment designed to promote efficiency and cost-effectiveness.  
395.2 Payment rates for hospitals under this paragraph shall be set at a level that does not exceed  
395.3 the total cost for critical access hospitals as reflected in base year cost reports. Until the  
395.4 next rebasing that occurs, the new methodology shall result in no greater than a five percent  
395.5 decrease from the base year payments for any hospital, except a hospital that had payments  
395.6 that were greater than 100 percent of the hospital's costs in the base year shall have their  
395.7 rate set equal to 100 percent of costs in the base year. The rates paid for discharges on and  
395.8 after July 1, 2016, covered under this paragraph shall be increased by the inflation factor  
395.9 in subdivision 1, paragraph (a). The new cost-based rate shall be the final rate and shall not  
395.10 be settled to actual incurred costs. Hospitals shall be assigned a payment tier based on the  
395.11 following criteria:

395.12 (1) hospitals that had payments at or below 80 percent of their costs in the base year  
395.13 shall have a rate set that equals 85 percent of their base year costs;

395.14 (2) hospitals that had payments that were above 80 percent, up to and including 90  
395.15 percent of their costs in the base year shall have a rate set that equals 95 percent of their  
395.16 base year costs; and

395.17 (3) hospitals that had payments that were above 90 percent of their costs in the base year  
395.18 shall have a rate set that equals 100 percent of their base year costs.

395.19 (j) The commissioner may refine the payment tiers and criteria for critical access hospitals  
395.20 to coincide with the next rebasing under paragraph (h). The factors used to develop the new  
395.21 methodology may include, but are not limited to:

395.22 (1) the ratio between the hospital's costs for treating medical assistance patients and the  
395.23 hospital's charges to the medical assistance program;

395.24 (2) the ratio between the hospital's costs for treating medical assistance patients and the  
395.25 hospital's payments received from the medical assistance program for the care of medical  
395.26 assistance patients;

395.27 (3) the ratio between the hospital's charges to the medical assistance program and the  
395.28 hospital's payments received from the medical assistance program for the care of medical  
395.29 assistance patients;

395.30 (4) the statewide average increases in the ratios identified in clauses (1), (2), and (3);

395.31 (5) the proportion of that hospital's costs that are administrative and trends in  
395.32 administrative costs; and

395.33 (6) geographic location.

396.1 Sec. 10. Minnesota Statutes 2018, section 256.969, subdivision 3a, is amended to read:

396.2 Subd. 3a. **Payments.** (a) Acute care hospital billings under the medical assistance program  
396.3 must not be submitted until the recipient is discharged. However, the commissioner shall  
396.4 establish monthly interim payments for inpatient hospitals that have individual patient  
396.5 lengths of stay over 30 days regardless of diagnostic category. Except as provided in section  
396.6 256.9693, medical assistance reimbursement for treatment of mental illness shall be  
396.7 reimbursed based on diagnostic classifications. Individual hospital payments established  
396.8 under this section and sections 256.9685, 256.9686, and 256.9695, in addition to third-party  
396.9 and recipient liability, for discharges occurring during the rate year shall not exceed, ~~in~~  
396.10 ~~aggregate~~ on a per claim basis, the charges for the medical assistance covered inpatient  
396.11 services paid for the same period of time to the hospital. Services that have rates established  
396.12 under subdivision 12, must be limited separately from other services. After consulting with  
396.13 the affected hospitals, the commissioner may consider related hospitals one entity and may  
396.14 merge the payment rates while maintaining separate provider numbers. The operating and  
396.15 property base rates per admission or per day shall be derived from the best Medicare and  
396.16 claims data available when rates are established. The commissioner shall determine the best  
396.17 Medicare and claims data, taking into consideration variables of recency of the data, audit  
396.18 disposition, settlement status, and the ability to set rates in a timely manner. The  
396.19 commissioner shall notify hospitals of payment rates 30 days prior to implementation. The  
396.20 rate setting data must reflect the admissions data used to establish relative values. The  
396.21 commissioner may adjust base year cost, relative value, and case mix index data to exclude  
396.22 the costs of services that have been discontinued by October 1 of the year preceding the  
396.23 rate year or that are paid separately from inpatient services. Inpatient stays that encompass  
396.24 portions of two or more rate years shall have payments established based on payment rates  
396.25 in effect at the time of admission unless the date of admission preceded the rate year in  
396.26 effect by six months or more. In this case, operating payment rates for services rendered  
396.27 during the rate year in effect and established based on the date of admission shall be adjusted  
396.28 to the rate year in effect by the hospital cost index.

396.29 (b) For fee-for-service admissions occurring on or after July 1, 2002, the total payment,  
396.30 before third-party liability and spenddown, made to hospitals for inpatient services is reduced  
396.31 by .5 percent from the current statutory rates.

396.32 (c) In addition to the reduction in paragraph (b), the total payment for fee-for-service  
396.33 admissions occurring on or after July 1, 2003, made to hospitals for inpatient services before  
396.34 third-party liability and spenddown, is reduced five percent from the current statutory rates.

397.1 Mental health services within diagnosis related groups 424 to 432 or corresponding  
397.2 APR-DRGs, and facilities defined under subdivision 16 are excluded from this paragraph.

397.3 (d) In addition to the reduction in paragraphs (b) and (c), the total payment for  
397.4 fee-for-service admissions occurring on or after August 1, 2005, made to hospitals for  
397.5 inpatient services before third-party liability and spenddown, is reduced 6.0 percent from  
397.6 the current statutory rates. Mental health services within diagnosis related groups 424 to  
397.7 432 or corresponding APR-DRGs, and facilities defined under subdivision 16 are excluded  
397.8 from this paragraph. Payments made to managed care plans shall be reduced for services  
397.9 provided on or after January 1, 2006, to reflect this reduction.

397.10 (e) In addition to the reductions in paragraphs (b), (c), and (d), the total payment for  
397.11 fee-for-service admissions occurring on or after July 1, 2008, through June 30, 2009, made  
397.12 to hospitals for inpatient services before third-party liability and spenddown, is reduced  
397.13 3.46 percent from the current statutory rates. Mental health services with diagnosis related  
397.14 groups 424 to 432 or corresponding APR-DRGs, and facilities defined under subdivision  
397.15 16 are excluded from this paragraph. Payments made to managed care plans shall be reduced  
397.16 for services provided on or after January 1, 2009, through June 30, 2009, to reflect this  
397.17 reduction.

397.18 (f) In addition to the reductions in paragraphs (b), (c), and (d), the total payment for  
397.19 fee-for-service admissions occurring on or after July 1, 2009, through June 30, 2011, made  
397.20 to hospitals for inpatient services before third-party liability and spenddown, is reduced 1.9  
397.21 percent from the current statutory rates. Mental health services with diagnosis related groups  
397.22 424 to 432 or corresponding APR-DRGs, and facilities defined under subdivision 16 are  
397.23 excluded from this paragraph. Payments made to managed care plans shall be reduced for  
397.24 services provided on or after July 1, 2009, through June 30, 2011, to reflect this reduction.

397.26 fee-for-service admissions occurring on or after July 1, 2011, made to hospitals for inpatient

397.31 on or after July 1, 2011, to reflect this reduction.

397.32 (h) In addition to the reductions in paragraphs (b), (c), (d), (f), and (g), the total payment  
397.33 for fee-for-service admissions occurring on or after July 1, 2009, made to hospitals for  
397.34 inpatient services before third-party liability and spenddown, is reduced one percent from

398.1 the current statutory rates. Facilities defined under subdivision 16 are excluded from this  
398.2 paragraph. Payments made to managed care plans shall be reduced for services provided

398.10 (j) Effective for discharges on and after November 1, 2014, from hospitals paid under  
398.11 subdivision 2b, paragraph (a), clauses (1) and (4), the rate adjustments in this subdivision  
398.12 must be incorporated into the rebased rates established under subdivision 2b, paragraph (c),  
398.13 and must not be applied to each claim.

398.14 (k) Effective for discharges on and after July 1, 2015, from hospitals paid under

398.20 Sec. 11. Minnesota Statutes 2018, section 256.969, subdivision 9, is amended to read:

398.21 Subd. 9. **Disproportionate numbers of low-income patients served.** (a) For admissions  
398.22 occurring on or after July 1, 1993, the medical assistance disproportionate population  
398.23 adjustment shall comply with federal law and shall be paid to a hospital, excluding regional  
398.24 treatment centers and facilities of the federal Indian Health Service, with a medical assistance  
398.25 inpatient utilization rate in excess of the arithmetic mean. The adjustment must be determined  
398.26 as follows:

398.27 (1) for a hospital with a medical assistance inpatient utilization rate above the arithmetic  
398.28 mean for all hospitals excluding regional treatment centers and facilities of the federal Indian  
398.29 Health Service but less than or equal to one standard deviation above the mean, the  
398.30 adjustment must be determined by multiplying the total of the operating and property  
398.31 payment rates by the difference between the hospital's actual medical assistance inpatient  
398.32 utilization rate and the arithmetic mean for all hospitals excluding regional treatment centers  
398.33 and facilities of the federal Indian Health Service; and

399.1 (2) for a hospital with a medical assistance inpatient utilization rate above one standard  
399.2 deviation above the mean, the adjustment must be determined by multiplying the adjustment  
399.3 that would be determined under clause (1) for that hospital by 1.1. The commissioner shall  
399.4 report annually on the number of hospitals likely to receive the adjustment authorized by  
399.5 this paragraph. The commissioner shall specifically report on the adjustments received by  
399.6 public hospitals and public hospital corporations located in cities of the first class.

399.7 (b) Certified public expenditures made by Hennepin County Medical Center shall be  
399.8 considered Medicaid disproportionate share hospital payments. Hennepin County and  
399.9 Hennepin County Medical Center shall report by June 15, 2007, on payments made beginning  
399.10 July 1, 2005, or another date specified by the commissioner, that may qualify for  
399.11 reimbursement under federal law. Based on these reports, the commissioner shall apply for  
399.12 federal matching funds.

399.13 (c) Upon federal approval of the related state plan amendment, paragraph (b) is effective  
399.14 retroactively from July 1, 2005, or the earliest effective date approved by the Centers for  
399.15 Medicare and Medicaid Services.

399.16 (d) Effective July 1, 2015, disproportionate share hospital (DSH) payments shall be paid  
399.17 in accordance with a new methodology using 2012 as the base year. Annual payments made  
399.18 under this paragraph shall equal the total amount of payments made for 2012. A licensed  
399.19 children's hospital shall receive only a single DSH factor for children's hospitals. Other  
399.20 DSH factors may be combined to arrive at a single factor for each hospital that is eligible  
399.21 for DSH payments. The new methodology shall make payments only to hospitals located  
399.22 in Minnesota and include the following factors:

399.23 (1) a licensed children's hospital with at least 1,000 fee-for-service discharges in the  
399.24 base year shall receive a factor of 0.868. A licensed children's hospital with less than 1,000  
399.25 fee-for-service discharges in the base year shall receive a factor of 0.7880;

399.26 (2) a hospital that has in effect for the initial rate year a contract with the commissioner  
399.27 to provide extended psychiatric inpatient services under section 256.9693 shall receive a  
399.28 factor of 0.0160;

399.29 (3) a hospital that has received payment from the fee-for-service program for at least 20  
399.30 transplant services in the base year shall receive a factor of 0.0435;

399.31 (4) a hospital that has a medical assistance utilization rate in the base year between 20  
399.32 percent up to one standard deviation above the statewide mean utilization rate shall receive  
399.33 a factor of 0.0468;

400.1 (5) a hospital that has a medical assistance utilization rate in the base year that is at least  
400.2 one standard deviation above the statewide mean utilization rate but is less than ~~three~~ two  
400.3 and one-half standard deviations above the mean shall receive a factor of 0.2300; and

400.4 (6) a hospital that has a medical assistance utilization rate in the base year that is at least  
400.5 ~~three~~ two and one-half standard deviations above the statewide mean utilization rate shall  
400.6 receive a factor of 0.3711.

400.7 (e) Any payments or portion of payments made to a hospital under this subdivision that  
400.8 are subsequently returned to the commissioner because the payments are found to exceed  
400.9 the hospital-specific DSH limit for that hospital shall be redistributed, proportionate to the  
400.10 number of fee-for-service discharges, to other DSH-eligible non-children's hospitals that  
400.11 have a medical assistance utilization rate that is at least one standard deviation above the  
400.12 mean.

400.13 (f) An additional payment adjustment shall be established by the commissioner under  
400.14 this subdivision for a hospital that provides high levels of administering high-cost drugs to  
400.15 enrollees in fee-for-service medical assistance. The commissioner shall consider factors  
400.16 including fee-for-service medical assistance utilization rates and payments made for drugs  
400.17 purchased through the 340B drug purchasing program and administered to fee-for-service  
400.18 enrollees. If any part of this adjustment exceeds a hospital's hospital-specific disproportionate  
400.19 share hospital limit, the commissioner shall make a payment to the hospital that equals the  
400.20 nonfederal share of the amount that exceeds the limit. The total nonfederal share of the  
400.21 amount of the payment adjustment under this paragraph shall not exceed \$1,500,000.

400.22 **EFFECTIVE DATE.** This section is effective July 1, 2019, except paragraph (f) is  
400.23 effective for discharges on or after July 1, 2019.

400.24 Sec. 12. Minnesota Statutes 2018, section 256.969, subdivision 17, is amended to read:

400.25 Subd. 17. **Out-of-state hospitals in local trade areas.** Out-of-state hospitals that are  
400.26 located within a Minnesota local trade area and that have ~~more than 20~~ admissions in the  
400.27 base year or years shall have rates established using the same procedures and methods that  
400.28 apply to Minnesota hospitals. For this subdivision and subdivision 18, local trade area means  
400.29 a county contiguous to Minnesota and located in a metropolitan statistical area as determined  
400.30 by Medicare for October 1 prior to the most current rebased rate year. Hospitals that are  
400.31 not required by law to file information in a format necessary to establish rates shall have  
400.32 rates established based on the commissioner's estimates of the information. Relative values  
400.33 of the diagnostic categories shall not be redetermined under this subdivision until required  
400.34 by statute. Hospitals affected by this subdivision shall then be included in determining

401.1 relative values. However, hospitals that have rates established based upon the commissioner's  
401.2 estimates of information shall not be included in determining relative values. This subdivision  
401.3 is effective for hospital fiscal years beginning on or after July 1, 1988. A hospital shall  
401.4 provide the information necessary to establish rates under this subdivision at least 90 days  
401.5 before the start of the hospital's fiscal year.

401.6 Sec. 13. Minnesota Statutes 2018, section 256.969, subdivision 19, is amended to read:

401.7 Subd. 19. **Metabolic disorder testing of medical assistance recipients.** Medical  
401.8 assistance inpatient payment rates must include the cost incurred by hospitals to pay the  
401.9 Department of Health for metabolic disorder testing of newborns who are medical assistance  
401.10 recipients, if the cost is not recognized by another payment source. This payment increase  
401.11 remains in effect until the increase is fully recognized in the base year cost under subdivision  
401.12 2b.

401.13 Sec. 14. Minnesota Statutes 2018, section 256B.04, subdivision 14, is amended to read:

401.14 Subd. 14. **Competitive bidding.** (a) When determined to be effective, economical, and  
401.15 feasible, the commissioner may utilize volume purchase through competitive bidding and  
401.16 negotiation under the provisions of chapter 16C, to provide items under the medical assistance  
401.17 program including but not limited to the following:

401.18 (1) eyeglasses;

401.19 (2) oxygen. The commissioner shall provide for oxygen needed in an emergency situation  
401.20 on a short-term basis, until the vendor can obtain the necessary supply from the contract  
401.21 dealer;

401.22 (3) hearing aids and supplies; and

401.23 (4) durable medical equipment, including but not limited to:

401.24 (i) hospital beds;

401.25 (ii) commodes;

401.26 (iii) glide-about chairs;

401.27 (iv) patient lift apparatus;

401.28 (v) wheelchairs and accessories;

401.29 (vi) oxygen administration equipment;

401.30 (vii) respiratory therapy equipment;

402.1 (viii) electronic diagnostic, therapeutic and life-support systems;

402.2 (5) nonemergency medical transportation level of need determinations, disbursement of  
402.3 public transportation passes and tokens, and volunteer and recipient mileage and parking  
402.4 reimbursements; and

402.5 (6) drugs.

402.6 (b) Rate changes and recipient cost-sharing under this chapter and chapter 256L do not  
402.7 affect contract payments under this subdivision unless specifically identified.

402.8 (c) The commissioner may not utilize volume purchase through competitive bidding  
402.9 and negotiation ~~for special transportation services~~ under the provisions of chapter 16C for  
402.10 special transportation services or incontinence products and related supplies.

402.11 **EFFECTIVE DATE.** This section is effective the day following final enactment.

402.12 Sec. 15. Minnesota Statutes 2018, section 256B.04, subdivision 21, is amended to read:

402.13 Subd. 21. **Provider enrollment.** (a) The commissioner shall enroll providers and conduct  
402.14 screening activities as required by Code of Federal Regulations, title 42, section 455, subpart  
402.15 E. A provider must enroll each provider-controlled location where direct services are  
402.16 provided. The commissioner may deny a provider's incomplete application if a provider  
402.17 fails to respond to the commissioner's request for additional information within 60 days of  
402.18 the request. The commissioner must conduct a background study under chapter 245C,  
402.19 including a review of databases in section 245C.08, subdivision 1, paragraph (a), clauses  
402.20 (1) to (5), for a provider described in this paragraph. The background study requirement  
402.21 may be satisfied if the commissioner conducted a fingerprint-based background study on  
402.22 the provider that includes a review of databases in section 245C.08, subdivision 1, paragraph  
402.23 (a), clauses (1) to (5).

402.24 (b) The commissioner shall revalidate each: (1) provider under this subdivision at least  
402.25 once every five years; and (2) personal care assistance agency under this subdivision once  
402.26 every three years.

402.27 (c) The commissioner shall conduct revalidation as follows:

402.28 (1) provide 30-day notice of the revalidation due date including instructions for  
402.29 revalidation and a list of materials the provider must submit;

402.30 (2) if a provider fails to submit all required materials by the due date, notify the provider  
402.31 of the deficiency within 30 days after the due date and allow the provider an additional 30  
402.32 days from the notification date to comply; and

403.1 (3) if a provider fails to remedy a deficiency within the 30-day time period, give 60-day  
403.2 notice of termination and immediately suspend the provider's ability to bill. The provider  
403.3 does not have the right to appeal suspension of ability to bill.

403.4 (d) If a provider fails to comply with any individual provider requirement or condition  
403.5 of participation, the commissioner may suspend the provider's ability to bill until the provider  
403.6 comes into compliance. The commissioner's decision to suspend the provider is not subject  
403.7 to an administrative appeal.

403.8 (e) Correspondence and notifications, including notifications of termination and other  
403.9 actions, may be delivered electronically to a provider's MN-ITS mailbox. This paragraph  
403.10 does not apply to correspondences and notifications related to background studies.

403.11 (f) If the commissioner or the Centers for Medicare and Medicaid Services determines  
403.12 that a provider is designated "high-risk," the commissioner may withhold payment from  
403.13 providers within that category upon initial enrollment for a 90-day period. The withholding  
403.14 for each provider must begin on the date of the first submission of a claim.

403.15 ~~(b)~~ (g) An enrolled provider that is also licensed by the commissioner under chapter  
403.16 245A, or is licensed as a home care provider by the Department of Health under chapter  
403.17 144A and has a home and community-based services designation on the home care license  
403.18 under section 144A.484, must designate an individual as the entity's compliance officer.  
403.19 The compliance officer must:

403.20 (1) develop policies and procedures to assure adherence to medical assistance laws and  
403.21 regulations and to prevent inappropriate claims submissions;

403.22 (2) train the employees of the provider entity, and any agents or subcontractors of the  
403.23 provider entity including billers, on the policies and procedures under clause (1);

403.24 (3) respond to allegations of improper conduct related to the provision or billing of  
403.25 medical assistance services, and implement action to remediate any resulting problems;

403.26 (4) use evaluation techniques to monitor compliance with medical assistance laws and  
403.27 regulations;

403.28 (5) promptly report to the commissioner any identified violations of medical assistance  
403.29 laws or regulations; and

403.30 (6) within 60 days of discovery by the provider of a medical assistance reimbursement  
403.31 overpayment, report the overpayment to the commissioner and make arrangements with  
403.32 the commissioner for the commissioner's recovery of the overpayment.

404.1 The commissioner may require, as a condition of enrollment in medical assistance, that a  
404.2 provider within a particular industry sector or category establish a compliance program that  
404.3 contains the core elements established by the Centers for Medicare and Medicaid Services.

404.4 ~~(e)~~ (h) The commissioner may revoke the enrollment of an ordering or rendering provider  
404.5 for a period of not more than one year, if the provider fails to maintain and, upon request  
404.6 from the commissioner, provide access to documentation relating to written orders or requests  
404.7 for payment for durable medical equipment, certifications for home health services, or  
404.8 referrals for other items or services written or ordered by such provider, when the  
404.9 commissioner has identified a pattern of a lack of documentation. A pattern means a failure  
404.10 to maintain documentation or provide access to documentation on more than one occasion.  
404.11 Nothing in this paragraph limits the authority of the commissioner to sanction a provider  
404.12 under the provisions of section 256B.064.

404.13 ~~(d)~~ (i) The commissioner shall terminate or deny the enrollment of any individual or  
404.14 entity if the individual or entity has been terminated from participation in Medicare or under  
404.15 the Medicaid program or Children's Health Insurance Program of any other state.

404.16 ~~(e)~~ (j) As a condition of enrollment in medical assistance, the commissioner shall require  
404.17 that a provider designated "moderate" or "high-risk" by the Centers for Medicare and  
404.18 Medicaid Services or the commissioner permit the Centers for Medicare and Medicaid  
404.19 Services, its agents, or its designated contractors and the state agency, its agents, or its  
404.20 designated contractors to conduct unannounced on-site inspections of any provider location.  
404.21 The commissioner shall publish in the Minnesota Health Care Program Provider Manual a  
404.22 list of provider types designated "limited," "moderate," or "high-risk," based on the criteria  
404.23 and standards used to designate Medicare providers in Code of Federal Regulations, title  
404.24 42, section 424.518. The list and criteria are not subject to the requirements of chapter 14.  
404.25 The commissioner's designations are not subject to administrative appeal.

404.26 ~~(f)~~ (k) As a condition of enrollment in medical assistance, the commissioner shall require  
404.27 that a high-risk provider, or a person with a direct or indirect ownership interest in the  
404.28 provider of five percent or higher, consent to criminal background checks, including  
404.29 fingerprinting, when required to do so under state law or by a determination by the  
404.30 commissioner or the Centers for Medicare and Medicaid Services that a provider is designated  
404.31 high-risk for fraud, waste, or abuse.

404.32 ~~(g)~~ (l)(1) Upon initial enrollment, reenrollment, and notification of revalidation, all  
404.33 durable medical equipment, prosthetics, orthotics, and supplies (DMEPOS) medical suppliers  
404.34 meeting the durable medical equipment provider and supplier definition in clause (3),

405.1 operating in Minnesota and receiving Medicaid funds must purchase a surety bond that is  
405.2 annually renewed and designates the Minnesota Department of Human Services as the  
405.3 obligee, and must be submitted in a form approved by the commissioner. For purposes of  
405.4 this clause, the following medical suppliers are not required to obtain a surety bond: a  
405.5 federally qualified health center, a home health agency, the Indian Health Service, a  
405.6 pharmacy, and a rural health clinic.

405.7 (2) At the time of initial enrollment or reenrollment, durable medical equipment providers  
405.8 and suppliers defined in clause (3) must purchase a surety bond of \$50,000. If a revalidating  
405.9 provider's Medicaid revenue in the previous calendar year is up to and including \$300,000,  
405.10 the provider agency must purchase a surety bond of \$50,000. If a revalidating provider's  
405.11 Medicaid revenue in the previous calendar year is over \$300,000, the provider agency must  
405.12 purchase a surety bond of \$100,000. The surety bond must allow for recovery of costs and  
405.13 fees in pursuing a claim on the bond.

405.14 (3) "Durable medical equipment provider or supplier" means a medical supplier that can  
405.15 purchase medical equipment or supplies for sale or rental to the general public and is able  
405.16 to perform or arrange for necessary repairs to and maintenance of equipment offered for  
405.17 sale or rental.

405.18 ~~(h)~~ (m) The Department of Human Services may require a provider to purchase a surety  
405.19 bond as a condition of initial enrollment, reenrollment, reinstatement, or continued enrollment  
405.20 if: (1) the provider fails to demonstrate financial viability, (2) the department determines  
405.21 there is significant evidence of or potential for fraud and abuse by the provider, or (3) the  
405.22 provider or category of providers is designated high-risk pursuant to paragraph ~~(a)~~ (f) and  
405.23 as per Code of Federal Regulations, title 42, section 455.450. The surety bond must be in  
405.24 an amount of \$100,000 or ten percent of the provider's payments from Medicaid during the  
405.25 immediately preceding 12 months, whichever is greater. The surety bond must name the  
405.26 Department of Human Services as an obligee and must allow for recovery of costs and fees  
405.27 in pursuing a claim on the bond. This paragraph does not apply if the provider currently  
405.28 maintains a surety bond under the requirements in section 256B.0659 or 256B.85.

405.29 **EFFECTIVE DATE.** This section is effective July 1, 2019.

405.30 Sec. 16. Minnesota Statutes 2018, section 256B.04, subdivision 22, is amended to read:

405.31 Subd. 22. **Application fee.** (a) The commissioner must collect and retain federally  
405.32 required nonrefundable application fees to pay for provider screening activities in accordance  
405.33 with Code of Federal Regulations, title 42, section 455, subpart E. The enrollment application  
405.34 must be made under the procedures specified by the commissioner, in the form specified

406.1 by the commissioner, and accompanied by ~~an application~~ the fee described in paragraph  
406.2 (b), or a request for a hardship exception as described in the specified procedures. ~~Application~~  
406.3 The fees must be deposited in the provider screening account in the special revenue fund.  
406.4 Amounts in the provider screening account are appropriated to the commissioner for costs  
406.5 associated with the provider screening activities required in Code of Federal Regulations,  
406.6 title 42, section 455, subpart E. ~~The commissioner shall conduct screening activities as~~  
406.7 ~~required by Code of Federal Regulations, title 42, section 455, subpart E, and as otherwise~~  
406.8 ~~provided by law, to include database checks, unannounced pre- and postenrollment site~~  
406.9 ~~visits, fingerprinting, and criminal background studies. The commissioner must revalidate~~  
406.10 ~~all providers under this subdivision at least once every five years.~~

406.11 (b) The application fee under this subdivision is \$532 for the calendar year 2013. For  
406.12 calendar year 2014 and subsequent years, the fee:

406.13 (1) is adjusted by the percentage change to the Consumer Price Index for all urban  
406.14 consumers, United States city average, for the 12-month period ending with June of the  
406.15 previous year. The resulting fee must be announced in the Federal Register;

406.16 (2) is effective from January 1 to December 31 of a calendar year;

406.17 (3) is required on the submission of an initial application, an application to establish a  
406.18 new practice location, an application for reenrollment when the provider is not enrolled at  
406.19 the time of application of reenrollment, or at revalidation when required by federal regulation;  
406.20 and

406.21 (4) must be in the amount in effect for the calendar year during which the application  
406.22 for enrollment, new practice location, or reenrollment is being submitted.

406.23 (c) The ~~application~~ fee under this subdivision cannot be charged to:

406.24 (1) providers who are enrolled in Medicare or who provide documentation of payment  
406.25 of the fee to, and enrollment with, another state, unless the commissioner is required to  
406.26 rescreen the provider;

406.27 (2) providers who are enrolled but are required to submit new applications for purposes  
406.28 of reenrollment;

406.29 (3) a provider who enrolls as an individual; and

406.30 (4) group practices and clinics that bill on behalf of individually enrolled providers  
406.31 within the practice who have reassigned their billing privileges to the group practice or

407.28 Subdivision 1. **Residency.** (a) To be eligible for medical assistance, a person must reside

408.15 an eligibility redetermination. The accumulation of the clothing and personal needs allowance  
408.16 according to section 256B.35 must also be reduced to the maximum at the time of the  
408.17 eligibility redetermination. The value of assets that are not considered in determining  
408.18 eligibility for medical assistance is the value of those assets excluded under the Supplemental  
408.19 Security Income program for aged, blind, and disabled persons, with the following  
408.20 exceptions:

408.21 (1) household goods and personal effects are not considered;

408.29 beneficiary to the extent proceeds are not used for payment of selected burial expenses;

408.30 (5) for a person who no longer qualifies as an employed person with a disability due to  
408.31 loss of earnings, assets allowed while eligible for medical assistance under section 256B.057,  
408.32 subdivision 9, are not considered for 12 months, beginning with the first month of ineligibility

409.2 within the allowed limits of section 256B.057, subdivision 9, paragraph (d);

409.5 ~~the person's 65th birthday, the assets owned by the person and the person's spouse must be~~  
409.6 ~~disregarded, up to the limits of section 256B.057, subdivision 9, paragraph (d), when~~

409.13 qualified assets owned by the person and the person's spouse in the last month of enrollment  
409.14 in medical assistance under section 256B.057, subdivision 9. Qualified assets include  
409.15 retirement and pension accounts, medical expense accounts, and up to \$17,000 of the person's  
409.16 other nonexcluded assets. An employment incentives asset account is no longer designated  
409.17 when a person loses medical assistance eligibility for a calendar month or more before  
409.18 turning age 65. A person who loses medical assistance eligibility before age 65 can establish  
409.19 a new designated employment incentives asset account by establishing a new  
409.20 24-consecutive-month period of enrollment under section 256B.057, subdivision 9. The  
409.21 income of a spouse of a person enrolled in medical assistance under section 256B.057,  
409.22 subdivision 9, during each of the 24 consecutive months before the person's 65th birthday

410.9 Sec. 22. Minnesota Statutes 2018, section 256B.056, subdivision 7a, is amended to read:

410.10 Subd. 7a. **Periodic renewal of eligibility.** (a) The commissioner shall make an annual  
410.11 redetermination of eligibility based on information contained in the enrollee's case file and  
410.12 other information available to the agency, including but not limited to information accessed  
410.13 through an electronic database, without requiring the enrollee to submit any information  
410.14 when sufficient data is available for the agency to renew eligibility.

410.15 (b) If the commissioner cannot renew eligibility in accordance with paragraph (a), the  
410.16 commissioner must provide the enrollee with a prepopulated renewal form containing  
410.17 eligibility information available to the agency and permit the enrollee to submit the form  
410.18 with any corrections or additional information to the agency and sign the renewal form via  
410.19 any of the modes of submission specified in section 256B.04, subdivision 18.

410.20 (c) An enrollee who is terminated for failure to complete the renewal process may  
410.21 subsequently submit the renewal form and required information within four months after  
410.22 the date of termination and have coverage reinstated without a lapse, if otherwise eligible  
410.23 under this chapter. The local agency may close the enrollee's case file if the required  
410.24 information is not submitted within four months of termination.

410.25 (d) Notwithstanding paragraph (a), individuals eligible under subdivision 5 shall be  
410.26 required to renew eligibility every six months.

410.27 Sec. 23. Minnesota Statutes 2018, section 256B.0625, subdivision 3b, is amended to read:

410.28 Subd. 3b. **Telemedicine services.** (a) Medical assistance covers medically necessary  
410.29 services and consultations delivered by a licensed health care provider via telemedicine in  
410.30 the same manner as if the service or consultation was delivered in person. Coverage is

411.1 limited to three telemedicine services per enrollee per calendar week, except as provided  
411.2 in paragraph (f). Telemedicine services shall be paid at the full allowable rate.

411.3 (b) The commissioner shall establish criteria that a health care provider must attest to  
411.4 in order to demonstrate the safety or efficacy of delivering a particular service via  
411.5 telemedicine. The attestation may include that the health care provider:

411.6 (1) has identified the categories or types of services the health care provider will provide  
411.7 via telemedicine;

411.8 (2) has written policies and procedures specific to telemedicine services that are regularly  
411.9 reviewed and updated;

411.10 (3) has policies and procedures that adequately address patient safety before, during,  
411.11 and after the telemedicine service is rendered;

411.12 (4) has established protocols addressing how and when to discontinue telemedicine  
411.13 services; and

411.14 (5) has an established quality assurance process related to telemedicine services.

411.15 (c) As a condition of payment, a licensed health care provider must document each  
411.16 occurrence of a health service provided by telemedicine to a medical assistance enrollee.  
411.17 Health care service records for services provided by telemedicine must meet the requirements  
411.18 set forth in Minnesota Rules, part 9505.2175, subparts 1 and 2, and must document:

411.19 (1) the type of service provided by telemedicine;

411.20 (2) the time the service began and the time the service ended, including an a.m. and p.m.  
411.21 designation;

411.22 (3) the licensed health care provider's basis for determining that telemedicine is an  
411.23 appropriate and effective means for delivering the service to the enrollee;

411.24 (4) the mode of transmission of the telemedicine service and records evidencing that a  
411.25 particular mode of transmission was utilized;

411.26 (5) the location of the originating site and the distant site;

411.27 (6) if the claim for payment is based on a physician's telemedicine consultation with  
411.28 another physician, the written opinion from the consulting physician providing the  
411.29 telemedicine consultation; and

411.30 (7) compliance with the criteria attested to by the health care provider in accordance  
411.31 with paragraph (b).

412.1 (d) For purposes of this subdivision, unless otherwise covered under this chapter,  
412.2 "telemedicine" is defined as the delivery of health care services or consultations while the  
412.3 patient is at an originating site and the licensed health care provider is at a distant site. A  
412.4 communication between licensed health care providers, or a licensed health care provider  
412.5 and a patient that consists solely of a telephone conversation, e-mail, or facsimile transmission  
412.6 does not constitute telemedicine consultations or services. Telemedicine may be provided  
412.7 by means of real-time two-way, interactive audio and visual communications, including the  
412.8 application of secure video conferencing or store-and-forward technology to provide or  
412.9 support health care delivery, which facilitate the assessment, diagnosis, consultation,  
412.10 treatment, education, and care management of a patient's health care.

412.11 (e) For purposes of this section, "licensed health care provider" means a licensed health  
412.12 care provider under section 62A.671, subdivision 6, ~~and~~ a mental health practitioner defined  
412.13 under section 245.462, subdivision 17, or 245.4871, subdivision 26, working under the  
412.14 general supervision of a mental health professional, and a community health worker who  
412.15 meets the criteria under subdivision 49, paragraph (a); "health care provider" is defined  
412.16 under section 62A.671, subdivision 3; and "originating site" is defined under section 62A.671,  
412.17 subdivision 7.

412.18 (f) The limit on coverage of three telemedicine services per enrollee per calendar week  
412.19 does not apply if:

412.20 (1) the telemedicine services provided by the licensed health care provider are for the  
412.21 treatment and control of tuberculosis; and

412.22 (2) the services are provided in a manner consistent with the recommendations and best  
412.23 practices specified by the Centers for Disease Control and Prevention and the commissioner  
412.24 of health.

412.25 Sec. 24. Minnesota Statutes 2018, section 256B.0625, subdivision 13, is amended to read:

412.26 Subd. 13. **Drugs.** (a) Medical assistance covers drugs, except for fertility drugs when  
412.27 specifically used to enhance fertility, if prescribed by a licensed practitioner and dispensed  
412.28 by a licensed pharmacist, by a physician enrolled in the medical assistance program as a  
412.29 dispensing physician, or by a physician, physician assistant, or a nurse practitioner employed  
412.30 by or under contract with a community health board as defined in section 145A.02,  
412.31 subdivision 5, for the purposes of communicable disease control.

412.32 (b) The dispensed quantity of a prescription drug must not exceed a 34-day supply,  
412.33 unless authorized by the commissioner.

413.1 (c) For the purpose of this subdivision and subdivision 13d, an "active pharmaceutical  
413.2 ingredient" is defined as a substance that is represented for use in a drug and when used in  
413.3 the manufacturing, processing, or packaging of a drug becomes an active ingredient of the  
413.4 drug product. An "excipient" is defined as an inert substance used as a diluent or vehicle  
413.5 for a drug. The commissioner shall establish a list of active pharmaceutical ingredients and  
413.6 excipients which are included in the medical assistance formulary. Medical assistance covers  
413.7 selected active pharmaceutical ingredients and excipients used in compounded prescriptions  
413.8 when the compounded combination is specifically approved by the commissioner or when  
413.9 a commercially available product:

413.10 (1) is not a therapeutic option for the patient;

413.11 (2) does not exist in the same combination of active ingredients in the same strengths  
413.12 as the compounded prescription; and

413.13 (3) cannot be used in place of the active pharmaceutical ingredient in the compounded  
413.14 prescription.

413.15 (d) Medical assistance covers the following over-the-counter drugs when prescribed by  
413.16 a licensed practitioner or by a licensed pharmacist who meets standards established by the  
413.17 commissioner, in consultation with the board of pharmacy: antacids, acetaminophen, family  
413.18 planning products, aspirin, insulin, products for the treatment of lice, vitamins for adults  
413.19 with documented vitamin deficiencies, vitamins for children under the age of seven and  
413.20 pregnant or nursing women, and any other over-the-counter drug identified by the  
413.21 commissioner, in consultation with the Formulary Committee, as necessary, appropriate,  
413.22 and cost-effective for the treatment of certain specified chronic diseases, conditions, or  
413.23 disorders, and this determination shall not be subject to the requirements of chapter 14. A  
413.24 pharmacist may prescribe over-the-counter medications as provided under this paragraph  
413.25 for purposes of receiving reimbursement under Medicaid. When prescribing over-the-counter  
413.26 drugs under this paragraph, licensed pharmacists must consult with the recipient to determine  
413.27 necessity, provide drug counseling, review drug therapy for potential adverse interactions,  
413.28 and make referrals as needed to other health care professionals. ~~Over-the-counter medications  
413.29 must be dispensed in a quantity that is the lowest of: (1) the number of dosage units contained  
413.30 in the manufacturer's original package; (2) the number of dosage units required to complete  
413.31 the patient's course of therapy; or (3) if applicable, the number of dosage units dispensed  
413.32 from a system using retrospective billing, as provided under subdivision 13e, paragraph  
413.33 (b).~~

414.1 (e) Effective January 1, 2006, medical assistance shall not cover drugs that are coverable  
 414.2 under Medicare Part D as defined in the Medicare Prescription Drug, Improvement, and  
 414.3 Modernization Act of 2003, Public Law 108-173, section 1860D-2(e), for individuals eligible  
 414.4 for drug coverage as defined in the Medicare Prescription Drug, Improvement, and  
 414.5 Modernization Act of 2003, Public Law 108-173, section 1860D-1(a)(3)(A). For these  
 414.6 individuals, medical assistance may cover drugs from the drug classes listed in United States  
 414.7 Code, title 42, section 1396r-8(d)(2), subject to this subdivision and subdivisions 13a to  
 414.8 13g, except that drugs listed in United States Code, title 42, section 1396r-8(d)(2)(E), shall  
 414.9 not be covered.

414.10 (f) Medical assistance covers drugs acquired through the federal 340B Drug Pricing  
 414.11 Program and dispensed by 340B covered entities and ambulatory pharmacies under common  
 414.12 ownership of the 340B covered entity. Medical assistance does not cover drugs acquired  
 414.13 through the federal 340B Drug Pricing Program and dispensed by 340B contract pharmacies.

414.14 **EFFECTIVE DATE.** This section is effective July 1, 2019, or upon federal approval,  
 414.15 whichever is later. The commissioner of human services shall notify the revisor of statutes  
 414.16 when federal approval is obtained.

414.17 Sec. 25. Minnesota Statutes 2018, section 256B.0625, subdivision 13e, is amended to  
 414.18 read:

414.19 Subd. 13e. **Payment rates.** (a) The basis for determining the amount of payment shall  
 414.20 be the lower of the ~~actual acquisition~~ ingredient costs of the drugs ~~or the maximum allowable~~

416.6 an automated drug distribution system meeting the requirements of section 151.58, or a  
416.7 packaging system meeting the packaging standards set forth in Minnesota Rules, part  
416.8 6800.2700, that govern the return of unused drugs to the pharmacy for reuse, may employ  
416.9 retrospective billing for prescription drugs dispensed to long-term care facility residents. A  
416.10 retrospectively billing pharmacy must submit a claim only for the quantity of medication  
416.11 used by the enrolled recipient during the defined billing period. A retrospectively billing  
416.12 pharmacy must use a billing period not less than one calendar month or 30 days.

416.21 the standards set forth in Minnesota Rules, part 6800.2700, is required to credit the  
416.22 department for the actual acquisition cost of all unused drugs that are eligible for reuse,  
416.23 unless the pharmacy is using retrospective billing. The commissioner may permit the drug  
416.24 clozapine to be dispensed in a quantity that is less than a 30-day supply.

416.25 (d) ~~Whenever a maximum allowable cost has been set for~~ If a pharmacy dispenses a  
416.26 multisource drug, payment shall be the lower of the usual and customary price charged to  
416.27 the public or the ingredient cost shall be the NADAC of the generic product or the maximum  
416.28 allowable cost established by the commissioner unless prior authorization for the brand  
416.29 name product has been granted according to the criteria established by the Drug Formulary  
416.30 Committee as required by subdivision 13f, paragraph (a), and the prescriber has indicated  
416.31 "dispense as written" on the prescription in a manner consistent with section 151.21,  
416.32 subdivision 2.

416.33 (e) The basis for determining the amount of payment for drugs administered in an  
416.34 outpatient setting shall be the lower of the usual and customary cost submitted by the  
416.35 provider, 106 percent of the average sales price as determined by the United States

417.1 Department of Health and Human Services pursuant to title XVIII, section 1847a of the  
417.2 federal Social Security Act, the specialty pharmacy rate, or the maximum allowable cost  
417.3 set by the commissioner. If average sales price is unavailable, the amount of payment must  
417.4 be lower of the usual and customary cost submitted by the provider, the wholesale acquisition  
417.5 cost, the specialty pharmacy rate, or the maximum allowable cost set by the commissioner.  
417.6 ~~Effective January 1, 2014,~~ The commissioner shall discount the payment rate for drugs  
417.7 obtained through the federal 340B Drug Pricing Program by ~~20~~ 28.6 percent. The payment  
417.8 for drugs administered in an outpatient setting shall be made to the administering facility  
417.9 or practitioner. A retail or specialty pharmacy dispensing a drug for administration in an  
417.10 outpatient setting is not eligible for direct reimbursement.

417.11 (f) The commissioner may ~~negotiate lower reimbursement~~ establish maximum allowable  
417.12 cost rates for specialty pharmacy products than the rates that are lower than the ingredient  
417.13 cost formulas specified in paragraph (a). The commissioner may require individuals enrolled  
417.14 in the health care programs administered by the department to obtain specialty pharmacy  
417.15 products from providers with whom the commissioner has negotiated lower reimbursement  
417.16 rates. Specialty pharmacy products are defined as those used by a small number of recipients  
417.17 or recipients with complex and chronic diseases that require expensive and challenging drug  
417.18 regimens. Examples of these conditions include, but are not limited to: multiple sclerosis,  
417.19 HIV/AIDS, transplantation, hepatitis C, growth hormone deficiency, Crohn's Disease,  
417.20 rheumatoid arthritis, and certain forms of cancer. Specialty pharmaceutical products include  
417.21 injectable and infusion therapies, biotechnology drugs, antihemophilic factor products,  
417.22 high-cost therapies, and therapies that require complex care. The commissioner shall consult  
417.23 with the Formulary Committee to develop a list of specialty pharmacy products subject to  
417.24 ~~this paragraph~~ maximum allowable cost reimbursement. In consulting with the Formulary  
417.25 Committee in developing this list, the commissioner shall take into consideration the  
417.26 population served by specialty pharmacy products, the current delivery system and standard  
417.27 of care in the state, and access to care issues. The commissioner shall have the discretion  
417.28 to adjust the ~~reimbursement rate~~ maximum allowable cost to prevent access to care issues.

417.29 (g) Home infusion therapy services provided by home infusion therapy pharmacies must  
417.30 be paid at rates according to subdivision 8d.

417.31 (h) The commissioner shall contract with a vendor to conduct a cost of dispensing survey  
417.32 for all pharmacies that are physically located in the state of Minnesota that dispense outpatient  
417.33 drugs under medical assistance. The commissioner shall ensure that the vendor has prior  
417.34 experience in conducting cost of dispensing surveys. Each pharmacy enrolled with the  
417.35 department to dispense outpatient prescription drugs to fee-for-service members must

418.1 respond to the cost of dispensing survey. The commissioner may sanction a pharmacy under  
418.2 section 256B.064 for failure to respond. The commissioner shall require the vendor to  
418.3 measure a single statewide cost of dispensing for all responding pharmacies to measure the  
418.4 mean, mean weighted by total prescription volume, mean weighted by medical assistance  
418.5 prescription volume, median, median weighted by total prescription volume, and median  
418.6 weighted by total medical assistance prescription volume. The commissioner shall post a  
418.7 copy of the final cost of dispensing survey report on the department's website. The initial  
418.8 survey must be completed no later than January 1, 2021, and repeated every three years.  
418.9 The commissioner shall provide a summary of the results of each cost of dispensing survey  
418.10 and provide recommendations for any changes to the dispensing fee to the chairs and ranking  
418.11 members of the legislative committees with jurisdiction over medical assistance pharmacy  
418.12 reimbursement.

418.13 (i) The commissioner shall increase the ingredient cost reimbursement calculated in  
418.14 paragraphs (a) and (f) by 1.8 percent for prescription and nonprescription drugs subject to  
418.15 the wholesale drug distributor tax under section 295.52.

418.16 **EFFECTIVE DATE.** This section is effective July 1, 2019, or upon federal approval,  
418.17 whichever is later. Paragraph (i) expires if federal approval is denied. The commissioner  
418.18 of human services shall inform the revisor of statutes when federal approval is obtained or  
418.19 denied.

418.20 Sec. 26. Minnesota Statutes 2018, section 256B.0625, subdivision 13f, is amended to read:

418.21 Subd. 13f. **Prior authorization.** (a) The Formulary Committee shall review and  
418.22 recommend drugs which require prior authorization. The Formulary Committee shall  
418.23 establish general criteria to be used for the prior authorization of brand-name drugs for  
418.24 which generically equivalent drugs are available, but the committee is not required to review  
418.25 each brand-name drug for which a generically equivalent drug is available.

418.26 (b) Prior authorization may be required by the commissioner before certain formulary  
418.27 drugs are eligible for payment. The Formulary Committee may recommend drugs for prior  
418.28 authorization directly to the commissioner. The commissioner may also request that the  
418.29 Formulary Committee review a drug for prior authorization. Before the commissioner may  
418.30 require prior authorization for a drug:

418.31 (1) the commissioner must provide information to the Formulary Committee on the  
418.32 impact that placing the drug on prior authorization may have on the quality of patient care  
418.33 and on program costs, information regarding whether the drug is subject to clinical abuse  
418.34 or misuse, and relevant data from the state Medicaid program if such data is available;

419.1 (2) the Formulary Committee must review the drug, taking into account medical and  
419.2 clinical data and the information provided by the commissioner; and

419.3 (3) the Formulary Committee must hold a public forum and receive public comment for  
419.4 an additional 15 days.

419.5 The commissioner must provide a 15-day notice period before implementing the prior  
419.6 authorization.

419.7 (c) Except as provided in subdivision 13j, prior authorization shall not be required or  
419.8 utilized for any atypical antipsychotic drug prescribed for the treatment of mental illness  
419.9 if:

419.10 (1) there is no generically equivalent drug available; and

419.11 (2) the drug was initially prescribed for the recipient prior to July 1, 2003; or

419.12 (3) the drug is part of the recipient's current course of treatment.

419.13 This paragraph applies to any multistate preferred drug list or supplemental drug rebate  
419.14 program established or administered by the commissioner. Prior authorization shall  
419.15 automatically be granted for 60 days for brand name drugs prescribed for treatment of mental  
419.16 illness within 60 days of when a generically equivalent drug becomes available, provided  
419.17 that the brand name drug was part of the recipient's course of treatment at the time the  
419.18 generically equivalent drug became available.

419.19 ~~(d) Prior authorization shall not be required or utilized for any antihemophilic factor~~  
419.20 ~~drug prescribed for the treatment of hemophilia and blood disorders where there is no~~  
419.21 ~~generically equivalent drug available if the prior authorization is used in conjunction with~~  
419.22 ~~any supplemental drug rebate program or multistate preferred drug list established or~~  
419.23 ~~administered by the commissioner.~~

419.24 ~~(e)~~ (d) The commissioner may require prior authorization for brand name drugs whenever  
419.25 a generically equivalent product is available, even if the prescriber specifically indicates  
419.26 "dispense as written-brand necessary" on the prescription as required by section 151.21,  
419.27 subdivision 2.

419.28 ~~(f)~~ (e) Notwithstanding this subdivision, the commissioner may automatically require  
419.29 prior authorization, for a period not to exceed 180 days, for any drug that is approved by  
419.30 the United States Food and Drug Administration on or after July 1, 2005. The 180-day  
419.31 period begins no later than the first day that a drug is available for shipment to pharmacies  
419.32 within the state. The Formulary Committee shall recommend to the commissioner general  
419.33 criteria to be used for the prior authorization of the drugs, but the committee is not required

420.1 to review each individual drug. In order to continue prior authorizations for a drug after the  
420.2 180-day period has expired, the commissioner must follow the provisions of this subdivision.

420.3 (f) Prior authorization under this subdivision shall comply with section 62Q.184.

420.4 **EFFECTIVE DATE.** This section is effective the day following final enactment, except  
420.5 that paragraph (f) is effective July 1, 2019.

420.6 Sec. 27. Minnesota Statutes 2018, section 256B.0625, subdivision 17, is amended to read:

420.7 Subd. 17. **Transportation costs.** (a) "Nonemergency medical transportation service"  
420.8 means motor vehicle transportation provided by a public or private person that serves  
420.9 Minnesota health care program beneficiaries who do not require emergency ambulance  
420.10 service, as defined in section 144E.001, subdivision 3, to obtain covered medical services.

420.11 (b) Medical assistance covers medical transportation costs incurred solely for obtaining  
420.12 emergency medical care or transportation costs incurred by eligible persons in obtaining  
420.13 emergency or nonemergency medical care when paid directly to an ambulance company,  
420.14 nonemergency medical transportation company, or other recognized providers of  
420.15 transportation services. Medical transportation must be provided by:

420.16 (1) nonemergency medical transportation providers who meet the requirements of this  
420.17 subdivision;

420.18 (2) ambulances, as defined in section 144E.001, subdivision 2;

420.19 (3) taxicabs that meet the requirements of this subdivision;

420.20 (4) public transit, as defined in section 174.22, subdivision 7; or

420.21 (5) not-for-hire vehicles, including volunteer drivers.

420.22 (c) Medical assistance covers nonemergency medical transportation provided by  
420.23 nonemergency medical transportation providers enrolled in the Minnesota health care  
420.24 programs. All nonemergency medical transportation providers must comply with the  
420.25 operating standards for special transportation service as defined in sections 174.29 to 174.30  
420.26 and Minnesota Rules, chapter 8840, and ~~in consultation with the Minnesota Department of~~  
420.27 ~~Transportation~~ all drivers must be individually enrolled with the commissioner and reported  
420.28 on the claim as the individual who provided the service. All nonemergency medical  
420.29 transportation providers shall bill for nonemergency medical transportation services in  
420.30 accordance with Minnesota health care programs criteria. Publicly operated transit systems,  
420.31 volunteers, and not-for-hire vehicles are exempt from the requirements outlined in this  
420.32 paragraph.

421.1 (d) An organization may be terminated, denied, or suspended from enrollment if:

421.2 (1) the provider has not initiated background studies on the individuals specified in  
421.3 section 174.30, subdivision 10, paragraph (a), clauses (1) to (3); or

421.4 (2) the provider has initiated background studies on the individuals specified in section  
421.5 174.30, subdivision 10, paragraph (a), clauses (1) to (3), and:

421.6 (i) the commissioner has sent the provider a notice that the individual has been  
421.7 disqualified under section 245C.14; and

421.8 (ii) the individual has not received a disqualification set-aside specific to the special  
421.9 transportation services provider under sections 245C.22 and 245C.23.

421.10 (e) The administrative agency of nonemergency medical transportation must:

421.11 (1) adhere to the policies defined by the commissioner in consultation with the  
421.12 Nonemergency Medical Transportation Advisory Committee;

421.13 (2) pay nonemergency medical transportation providers for services provided to  
421.14 Minnesota health care programs beneficiaries to obtain covered medical services;

421.15 (3) provide data monthly to the commissioner on appeals, complaints, no-shows, canceled  
421.16 trips, and number of trips by mode; and

421.17 (4) by July 1, 2016, in accordance with subdivision 18e, utilize a web-based single  
421.18 administrative structure assessment tool that meets the technical requirements established  
421.19 by the commissioner, reconciles trip information with claims being submitted by providers,  
421.20 and ensures prompt payment for nonemergency medical transportation services.

421.21 (f) Until the commissioner implements the single administrative structure and delivery  
421.22 system under subdivision 18e, clients shall obtain their level-of-service certificate from the  
421.23 commissioner or an entity approved by the commissioner that does not dispatch rides for  
421.24 clients using modes of transportation under paragraph (i), clauses (4), (5), (6), and (7).

421.25 (g) The commissioner may use an order by the recipient's attending physician or a medical  
421.26 or mental health professional to certify that the recipient requires nonemergency medical  
421.27 transportation services. Nonemergency medical transportation providers shall perform  
421.28 driver-assisted services for eligible individuals, when appropriate. Driver-assisted service  
421.29 includes passenger pickup at and return to the individual's residence or place of business,  
421.30 assistance with admittance of the individual to the medical facility, and assistance in  
421.31 passenger securement or in securing of wheelchairs, child seats, or stretchers in the vehicle.

422.1 Nonemergency medical transportation providers must take clients to the health care  
422.2 provider using the most direct route, and must not exceed 30 miles for a trip to a primary  
422.3 care provider or 60 miles for a trip to a specialty care provider, unless the client receives  
422.4 authorization from the local agency.

422.5 Nonemergency medical transportation providers may not bill for separate base rates for  
422.6 the continuation of a trip beyond the original destination. Nonemergency medical  
422.7 transportation providers must maintain trip logs, which include pickup and drop-off times,  
422.8 signed by the medical provider or client, whichever is deemed most appropriate, attesting  
422.9 to mileage traveled to obtain covered medical services. Clients requesting client mileage  
422.10 reimbursement must sign the trip log attesting mileage traveled to obtain covered medical  
422.11 services.

422.12 (h) The administrative agency shall use the level of service process established by the  
422.13 commissioner in consultation with the Nonemergency Medical Transportation Advisory  
422.14 Committee to determine the client's most appropriate mode of transportation. If public transit  
422.15 or a certified transportation provider is not available to provide the appropriate service mode  
422.16 for the client, the client may receive a onetime service upgrade.

422.17 (i) The covered modes of transportation are:

422.18 (1) client reimbursement, which includes client mileage reimbursement provided to  
422.19 clients who have their own transportation, or to family or an acquaintance who provides  
422.20 transportation to the client;

422.21 (2) volunteer transport, which includes transportation by volunteers using their own  
422.22 vehicle;

422.23 (3) unassisted transport, which includes transportation provided to a client by a taxicab  
422.24 or public transit. If a taxicab or public transit is not available, the client can receive  
422.25 transportation from another nonemergency medical transportation provider;

422.26 (4) assisted transport, which includes transport provided to clients who require assistance  
422.27 by a nonemergency medical transportation provider;

422.28 (5) lift-equipped/ramp transport, which includes transport provided to a client who is  
422.29 dependent on a device and requires a nonemergency medical transportation provider with  
422.30 a vehicle containing a lift or ramp;

422.31 (6) protected transport, which includes transport provided to a client who has received  
422.32 a prescreening that has deemed other forms of transportation inappropriate and who requires  
422.33 a provider: (i) with a protected vehicle that is not an ambulance or police car and has safety

423.1 locks, a video recorder, and a transparent thermoplastic partition between the passenger and  
423.2 the vehicle driver; and (ii) who is certified as a protected transport provider; and

423.3 (7) stretcher transport, which includes transport for a client in a prone or supine position  
423.4 and requires a nonemergency medical transportation provider with a vehicle that can transport  
423.5 a client in a prone or supine position.

423.6 (j) The local agency shall be the single administrative agency and shall administer and  
423.7 reimburse for modes defined in paragraph (i) according to paragraphs (m) and (n) when the  
423.8 commissioner has developed, made available, and funded the web-based single administrative  
423.9 structure, assessment tool, and level of need assessment under subdivision 18e. The local  
423.10 agency's financial obligation is limited to funds provided by the state or federal government.

423.11 (k) The commissioner shall:

423.12 (1) in consultation with the Nonemergency Medical Transportation Advisory Committee,  
423.13 verify that the mode and use of nonemergency medical transportation is appropriate;

423.14 (2) verify that the client is going to an approved medical appointment; and

423.15 (3) investigate all complaints and appeals.

423.16 (l) The administrative agency shall pay for the services provided in this subdivision and  
423.17 seek reimbursement from the commissioner, if appropriate. As vendors of medical care,  
423.18 local agencies are subject to the provisions in section 256B.041, the sanctions and monetary  
423.19 recovery actions in section 256B.064, and Minnesota Rules, parts 9505.2160 to 9505.2245.

423.20 (m) Payments for nonemergency medical transportation must be paid based on the client's  
423.21 assessed mode under paragraph (h), not the type of vehicle used to provide the service. The  
423.22 medical assistance reimbursement rates for nonemergency medical transportation services  
423.23 that are payable by or on behalf of the commissioner for nonemergency medical  
423.24 transportation services are:

423.25 (1) \$0.22 per mile for client reimbursement;

423.26 (2) up to 100 percent of the Internal Revenue Service business deduction rate for volunteer  
423.27 transport;

423.28 (3) equivalent to the standard fare for unassisted transport when provided by public  
423.29 transit, and \$11 for the base rate and \$1.30 per mile when provided by a nonemergency  
423.30 medical transportation provider;

423.31 (4) \$13 for the base rate and \$1.30 per mile for assisted transport;

423.32 (5) \$18 for the base rate and \$1.55 per mile for lift-equipped/ramp transport;

424.1 (6) \$75 for the base rate and \$2.40 per mile for protected transport; and

424.2 (7) \$60 for the base rate and \$2.40 per mile for stretcher transport, and \$9 per trip for  
424.3 an additional attendant if deemed medically necessary.

424.4 (n) The base rate for nonemergency medical transportation services in areas defined  
424.5 under RUCA to be super rural is equal to 111.3 percent of the respective base rate in  
424.6 paragraph (m), clauses (1) to (7). The mileage rate for nonemergency medical transportation  
424.7 services in areas defined under RUCA to be rural or super rural areas is:

424.8 (1) for a trip equal to 17 miles or less, equal to 125 percent of the respective mileage  
424.9 rate in paragraph (m), clauses (1) to (7); and

424.10 (2) for a trip between 18 and 50 miles, equal to 112.5 percent of the respective mileage  
424.11 rate in paragraph (m), clauses (1) to (7).

424.12 (o) For purposes of reimbursement rates for nonemergency medical transportation  
424.13 services under paragraphs (m) and (n), the zip code of the recipient's place of residence  
424.14 shall determine whether the urban, rural, or super rural reimbursement rate applies.

424.15 (p) For purposes of this subdivision, "rural urban commuting area" or "RUCA" means  
424.16 a census-tract based classification system under which a geographical area is determined  
424.17 to be urban, rural, or super rural.

424.18 (q) The commissioner, when determining reimbursement rates for nonemergency medical  
424.19 transportation under paragraphs (m) and (n), shall exempt all modes of transportation listed  
424.20 under paragraph (i) from Minnesota Rules, part 9505.0445, item R, subitem (2).

424.21 **EFFECTIVE DATE.** This section is effective July 1, 2021.

424.22 Sec. 28. Minnesota Statutes 2018, section 256B.0625, is amended by adding a subdivision  
424.23 to read:

424.24 **Subd. 17d. Transportation services oversight.** The commissioner shall contract with  
424.25 a vendor or dedicate staff to oversee providers of nonemergency medical transportation  
424.26 services pursuant to the commissioner's authority in section 256B.04 and Minnesota Rules,  
424.27 parts 9505.2160 to 9505.2245.

424.28 **EFFECTIVE DATE.** This section is effective July 1, 2019.

425.1 Sec. 29. Minnesota Statutes 2018, section 256B.0625, is amended by adding a subdivision  
425.2 to read:

425.3 Subd. 17e. **Transportation provider termination.** (a) A terminated nonemergency  
425.4 medical transportation provider, including all named individuals on the current enrollment  
425.5 disclosure form and known or discovered affiliates of the nonemergency medical  
425.6 transportation provider, is not eligible to enroll as a nonemergency medical transportation  
425.7 provider for five years following the termination.

425.8 (b) After the five-year period in paragraph (a), if a provider seeks to reenroll as a  
425.9 nonemergency medical transportation provider, the provider must be placed on a one-year  
425.10 probation period. During a provider's probation period the commissioner shall complete  
425.11 unannounced site visits and request documentation to review compliance with program  
425.12 requirements.

425.13 **EFFECTIVE DATE.** This section is effective the day following final enactment.

425.14 Sec. 30. Minnesota Statutes 2018, section 256B.0625, subdivision 30, is amended to read:

425.15 Subd. 30. **Other clinic services.** (a) Medical assistance covers rural health clinic services,  
425.16 federally qualified health center services, nonprofit community health clinic services, and  
425.17 public health clinic services. Rural health clinic services and federally qualified health center  
425.18 services mean services defined in United States Code, title 42, section 1396d(a)(2)(B) and  
425.19 (C). Payment for rural health clinic and federally qualified health center services shall be

460.19 and adopted by the commissioner and, if necessary, submit comments to the commissioner  
460.20 or initiate an appeal.

461.8 each brand-name drug for which a generically equivalent drug is available.

461.9 (b) Prior authorization may be required by the commissioner before certain formulary  
461.10 drugs are eligible for payment. The Formulary Committee may recommend drugs for prior  
461.11 authorization directly to the commissioner. The commissioner may also request that the  
461.12 Formulary Committee review a drug for prior authorization. Before the commissioner may  
461.13 require prior authorization for a drug:

461.14 (1) the commissioner must provide information to the Formulary Committee on the  
461.15 impact that placing the drug on prior authorization may have on the quality of patient care  
461.16 and on program costs, information regarding whether the drug is subject to clinical abuse  
461.17 or misuse, and relevant data from the state Medicaid program if such data is available;

461.18 (2) the Formulary Committee must review the drug, taking into account medical and  
461.19 clinical data and the information provided by the commissioner; and

461.20 (3) the Formulary Committee must hold a public forum and receive public comment for  
461.21 an additional 15 days.

461.22 The commissioner must provide a 15-day notice period before implementing the prior  
461.23 authorization.

461.24 (c) Except as provided in subdivision 13j, prior authorization shall not be required or  
461.25 utilized for any atypical antipsychotic drug prescribed for the treatment of mental illness  
461.26 if:

461.27 (1) there is no generically equivalent drug available; and

461.28 (2) the drug was initially prescribed for the recipient prior to July 1, 2003; or

461.29 (3) the drug is part of the recipient's current course of treatment.

461.30 This paragraph applies to any multistate preferred drug list or supplemental drug rebate

461.32 automatically be granted for 60 days for brand name drugs prescribed for treatment of mental

462.1 illness within 60 days of when a generically equivalent drug becomes available, provided  
462.2 that the brand name drug was part of the recipient's course of treatment at the time the  
462.3 generically equivalent drug became available.

462.4 (d) Prior authorization shall not be required or utilized for any antihemophilic factor  
462.5 drug prescribed for the treatment of hemophilia and blood disorders where there is no  
462.6 generically equivalent drug available if the prior authorization is used in conjunction with  
462.7 any supplemental drug rebate program or multistate preferred drug list established or  
462.8 administered by the commissioner.

462.9 (e) The commissioner may require prior authorization for brand name drugs whenever  
462.10 a generically equivalent product is available, even if the prescriber specifically indicates  
462.11 "dispense as written-brand necessary" on the prescription as required by section 151.21,  
462.12 subdivision 2.

462.13 (f) Notwithstanding this subdivision, the commissioner may automatically require prior  
462.14 authorization, for a period not to exceed 180 days, for any drug that is approved by the  
462.15 United States Food and Drug Administration on or after July 1, 2005. The 180-day period  
462.16 begins no later than the first day that a drug is available for shipment to pharmacies within  
462.17 the state. The Formulary Committee shall recommend to the commissioner general criteria  
462.18 to be used for the prior authorization of the drugs, but the committee is not required to  
462.19 review each individual drug. In order to continue prior authorizations for a drug after the  
462.20 180-day period has expired, the commissioner must follow the provisions of this subdivision.

462.21 (g) Any step therapy protocol requirements established by the commissioner must comply  
462.22 with section 62Q.1841.

473.1 (3) the donation is accompanied by a drug repository donor form described under

473.18 or accept donations.

473.19 (f) The central repository and local repository shall inventory all drugs and supplies  
473.20 donated to the repository. For each drug, the inventory must include the drug's name, strength,  
473.21 quantity, manufacturer, expiration date, and the date the drug was donated. For each medical  
473.22 supply, the inventory must include a description of the supply, its manufacturer, the date  
473.23 the supply was donated, and, if applicable, the supply's brand name and expiration date.

473.24 **Subd. 7. Standards and procedures for inspecting and storing donated prescription**  
473.25 **drugs and supplies.** (a) A pharmacist or authorized practitioner who is employed by or  
473.26 under contract with the central repository or a local repository shall inspect all donated  
473.27 prescription drugs and supplies before the drug or supply is dispensed to determine, to the  
473.28 extent reasonably possible in the professional judgment of the pharmacist or practitioner,  
473.29 that the drug or supply is not adulterated or misbranded, has not been tampered with, is safe  
473.30 and suitable for dispensing, has not been subject to a recall, and meets the requirements for  
473.31 donation. The pharmacist or practitioner who inspects the drugs or supplies shall sign an  
473.32 inspection record stating that the requirements for donation have been met. If a local  
473.33 repository receives drugs and supplies from the central repository, the local repository does  
473.34 not need to reinspect the drugs and supplies.

474.1 (b) The central repository and local repositories shall store donated drugs and supplies  
474.2 in a secure storage area under environmental conditions appropriate for the drug or supply  
474.3 being stored. Donated drugs and supplies may not be stored with nondonated inventory. If  
474.4 donated drugs or supplies are not inspected immediately upon receipt, a repository must  
474.5 quarantine the donated drugs or supplies separately from all dispensing stock until the  
474.6 donated drugs or supplies have been inspected and (1) approved for dispensing under the  
474.7 program; (2) disposed of pursuant to paragraph (c); or (3) returned to the donor pursuant to  
474.8 paragraph (d).

474.9 (c) The central repository and local repositories shall dispose of all prescription drugs  
474.10 and medical supplies that are not suitable for donation in compliance with applicable federal  
474.11 and state statutes, regulations, and rules concerning hazardous waste.

474.12 (d) In the event that controlled substances or prescription drugs that can only be dispensed  
474.13 to a patient registered with the drug's manufacturer are shipped or delivered to a central or  
474.14 local repository for donation, the shipment delivery must be documented by the repository  
474.15 and returned immediately to the donor or the donor's representative that provided the drugs.

474.16 (e) Each repository must develop drug and medical supply recall policies and procedures.  
474.17 If a repository receives a recall notification, the repository shall destroy all of the drug or  
474.18 medical supply in its inventory that is the subject of the recall and complete a record of  
474.19 destruction form in accordance with paragraph (f). If a drug or medical supply that is the  
474.20 subject of a Class I or Class II recall has been dispensed, the repository shall immediately  
474.21 notify the recipient of the recalled drug or medical supply. A drug that potentially is subject  
474.22 to a recall need not be destroyed if its packaging bears a lot number and that lot of the drug  
474.23 is not subject to the recall. If no lot number is on the drug's packaging, it must be destroyed.

474.24 (f) A record of destruction of donated drugs and supplies that are not dispensed under  
474.25 subdivision 8, are subject to a recall under paragraph (e), or are not suitable for donation  
474.26 shall be maintained by the repository for at least five years. For each drug or supply

474.28 (1) the date of destruction;

474.29 (2) the name, strength, and quantity of the drug destroyed; and

474.30 (3) the name of the person or firm that destroyed the drug.

474.31 Subd. 8. **Dispensing requirements.** (a) Donated drugs and supplies may be dispensed  
474.32 if the drugs or supplies are prescribed by a practitioner for use by an eligible individual and  
474.33 are dispensed by a pharmacist or practitioner. A repository shall dispense drugs and supplies

475.1 to eligible individuals in the following priority order: (1) individuals who are uninsured;  
475.2 (2) individuals with no prescription drug coverage; and (3) individuals who are underinsured.  
475.3 A repository shall dispense donated prescription drugs in compliance with applicable federal  
475.4 and state laws and regulations for dispensing prescription drugs, including all requirements  
475.5 relating to packaging, labeling, record keeping, drug utilization review, and patient  
475.6 counseling.

475.7 (b) Before dispensing or administering a drug or supply, the pharmacist or practitioner  
475.8 shall visually inspect the drug or supply for adulteration, misbranding, tampering, and date

525.29 engaged in the design, implementation, operation, and maintenance of the prescription  
525.30 monitoring program as part of the assigned duties and responsibilities of their employment,  
525.31 provided that access to data is limited to the minimum amount necessary to carry out such  
525.32 duties and responsibilities, and subject to the requirement of de-identification and time limit  
525.33 on retention of data specified in subdivision 5, paragraphs (d) and (e);

526.1 (8) federal, state, and local law enforcement authorities acting pursuant to a valid search  
526.2 warrant;

526.3 (9) personnel of the Minnesota health care programs assigned to use the data collected  
526.4 under this section to identify and manage recipients whose usage of controlled substances  
526.5 may warrant restriction to a single primary care provider, a single outpatient pharmacy, and  
526.6 a single hospital;

526.7 (10) personnel of the Department of Human Services assigned to access the data pursuant  
526.8 to paragraph (i);

526.9 (11) personnel of the health professionals services program established under section  
526.10 214.31, to the extent that the information relates specifically to an individual who is currently  
526.11 enrolled in and being monitored by the program, and the individual consents to access to  
526.12 that information. The health professionals services program personnel shall not provide this  
526.13 data to a health-related licensing board or the Emergency Medical Services Regulatory  
526.14 Board, except as permitted under section 214.33, subdivision 3.

526.15 For purposes of clause (4), access by an individual includes persons in the definition of  
526.16 an individual under section 13.02; and

526.17 (12) personnel or designees of a health-related licensing board listed in section 214.01,  
526.18 subdivision 2, assigned to conduct a bona fide investigation of a complaint received by that  
526.19 board that alleges that a specific licensee is inappropriately prescribing controlled substances  
526.20 as defined in this section.

526.21 (c) By July 1, 2017, every prescriber licensed by a health-related licensing board listed  
526.22 in section 214.01, subdivision 2, practicing within this state who is authorized to prescribe  
526.23 controlled substances for humans and who holds a current registration issued by the federal  
526.24 Drug Enforcement Administration, and every pharmacist licensed by the board and practicing  
526.25 within the state, shall register and maintain a user account with the prescription monitoring  
526.26 program. Data submitted by a prescriber, pharmacist, or their delegate during the registration  
526.27 application process, other than their name, license number, and license type, is classified  
526.28 as private pursuant to section 13.02, subdivision 12.

526.29 (d) Only permissible users identified in paragraph (b), clauses (1), (2), (3), (6), (7), (9),  
526.30 and (10), may directly access the data electronically. No other permissible users may directly  
526.31 access the data electronically. If the data is directly accessed electronically, the permissible  
526.32 user shall implement and maintain a comprehensive information security program that  
526.33 contains administrative, technical, and physical safeguards that are appropriate to the user's  
526.34 size and complexity, and the sensitivity of the personal information obtained. The permissible

527.1 user shall identify reasonably foreseeable internal and external risks to the security,  
527.2 confidentiality, and integrity of personal information that could result in the unauthorized  
527.3 disclosure, misuse, or other compromise of the information and assess the sufficiency of  
527.4 any safeguards in place to control the risks.

527.5 (e) The board shall not release data submitted under subdivision 4 unless it is provided  
527.6 with evidence, satisfactory to the board, that the person requesting the information is entitled  
527.7 to receive the data.

527.8 (f) The board shall maintain a log of all persons who access the data for a period of at  
527.9 least three years and shall ensure that any permissible user complies with paragraph ~~(e)~~ (d)  
527.10 prior to attaining direct access to the data.

527.11 (g) Section 13.05, subdivision 6, shall apply to any contract the board enters into pursuant  
527.12 to subdivision 2. A vendor shall not use data collected under this section for any purpose  
527.13 not specified in this section.

527.14 (h) The board may participate in an interstate prescription monitoring program data  
527.15 exchange system provided that permissible users in other states have access to the data only  
527.16 as allowed under this section, and that section 13.05, subdivision 6, applies to any contract  
527.17 or memorandum of understanding that the board enters into under this paragraph.

527.18 (i) With available appropriations, the commissioner of human services shall establish  
527.19 and implement a system through which the Department of Human Services shall routinely  
527.20 access the data for the purpose of determining whether any client enrolled in an opioid  
527.21 treatment program licensed according to chapter 245A has been prescribed or dispensed a  
527.22 controlled substance in addition to that administered or dispensed by the opioid treatment  
527.23 program. When the commissioner determines there have been multiple prescribers or multiple  
527.24 prescriptions of controlled substances, the commissioner shall:

527.25 (1) inform the medical director of the opioid treatment program only that the  
527.26 commissioner determined the existence of multiple prescribers or multiple prescriptions of  
527.27 controlled substances; and

527.28 (2) direct the medical director of the opioid treatment program to access the data directly,  
527.29 review the effect of the multiple prescribers or multiple prescriptions, and document the  
527.30 review.

527.31 If determined necessary, the commissioner of human services shall seek a federal waiver  
527.32 of, or exception to, any applicable provision of Code of Federal Regulations, title 42, section  
527.33 2.34, paragraph (c), prior to implementing this paragraph.

528.1 (j) The board shall review the data submitted under subdivision 4 on at least a quarterly  
528.2 basis and shall establish criteria, in consultation with the advisory task force, for referring  
528.3 information about a patient to prescribers and dispensers who prescribed or dispensed the  
528.4 prescriptions in question if the criteria are met.

528.5 (k) The board shall conduct random audits, on at least a quarterly basis, of electronic  
528.6 access by permissible users, as identified in paragraph (b), clauses (1), (2), (3), (6), (7), (9),  
528.7 and (10), to the data in subdivision 4, to ensure compliance with permissible use as defined  
528.8 in this section. A permissible user whose account has been selected for a random audit shall  
528.9 respond to an inquiry by the board, no later than 30 days after receipt of notice that an audit  
528.10 is being conducted. Failure to respond may result in deactivation of access to the electronic  
528.11 system and referral to the appropriate health licensing board, or the commissioner of human  
528.12 services, for further action. The board shall report the results of random audits to the chairs  
528.13 and ranking minority members of the legislative committees with jurisdiction over health  
528.14 and human services policy and finance and government data practices.

528.15 (l) A permissible user who has delegated the task of accessing the data in subdivision 4  
528.16 to an agent or employee shall audit the use of the electronic system by delegated agents or  
528.17 employees on at least a quarterly basis to ensure compliance with permissible use as defined  
528.18 in this section. When a delegated agent or employee has been identified as inappropriately  
528.19 accessing data, the permissible user must immediately remove access for that individual  
528.20 and notify the board within seven days. The board shall notify all permissible users associated  
528.21 with the delegated agent or employee of the alleged violation.

528.22 (m) A permissible user who delegates access to the data submitted under subdivision 4  
528.23 to an agent or employee shall terminate that individual's access to the data within three  
528.24 business days of the agent or employee leaving employment with the permissible user. The  
528.25 board may conduct random audits to determine compliance with this requirement.

528.26 Sec. 50. Minnesota Statutes 2018, section 152.126, subdivision 7, is amended to read:

528.27 Subd. 7. **Disciplinary action.** (a) A dispenser who knowingly fails to submit data to the  
528.28 board as required under this section is subject to disciplinary action by the appropriate  
528.29 health-related licensing board.

528.30 (b) A prescriber or dispenser authorized to access the data who knowingly discloses the  
528.31 data in violation of state or federal laws relating to the privacy of health care data shall be  
528.32 subject to disciplinary action by the appropriate health-related licensing board, and  
528.33 appropriate civil penalties.

529.1 (c) A prescriber or dispenser authorized to access the data who fails to comply with  
529.2 subdivision 6, paragraph (l) or (m), shall be subject to disciplinary action by the appropriate  
529.3 health-related licensing board.

529.5 to read:

529.6 Subd. 10a. **Patient information on record access.** A patient who has been prescribed  
529.7 a controlled substance may access the prescription monitoring program database in order  
529.8 to obtain information on access by permissible users to the patient's data record, including  
529.9 the name and organizational affiliation of the permissible user and the date of access. In  
529.10 order to obtain this information, the patient must complete, notarize, and submit a request  
529.11 form developed by the board. The board shall make this form available to the public on the  
529.12 board's website.

529.13 Sec. 52. **REVISOR INSTRUCTION.**

529.14 The fee increases in Minnesota Statutes, section 151.065, subdivisions 1 and 3, in this  
529.15 article are in addition to any other fee increases in Minnesota Statutes, section 151.065,  
529.16 subdivisions 1 and 3, enacted in 2019 regular or special sessions. If multiple fees are enacted,  
529.17 the revisor of statutes shall add the fees together for publication in the 2019 Minnesota  
529.18 Statutes Supplement to effectuate the intent of the legislature.

556.28 Sec. 43. Minnesota Statutes 2018, section 144A.473, is amended to read:

556.29 **144A.473 ISSUANCE OF TEMPORARY LICENSE AND LICENSE RENEWAL.**

556.30 Subdivision 1. **Temporary license and renewal of license.** (a) The department shall  
 556.31 review each application to determine the applicant's knowledge of and compliance with  
 556.32 Minnesota home care regulations. Before granting a temporary license or renewing a license,  
 556.33 the commissioner may further evaluate the applicant or licensee by requesting additional

557.1 information or documentation or by conducting an on-site survey of the applicant to  
557.2 determine compliance with sections 144A.43 to 144A.482.

557.3 (b) Within 14 calendar days after receiving an application for a license, the commissioner  
557.4 shall acknowledge receipt of the application in writing. The acknowledgment must indicate  
557.5 whether the application appears to be complete or whether additional information is required  
557.6 before the application will be considered complete.

557.7 (c) Within 90 days after receiving a complete application, the commissioner shall issue  
557.8 a temporary license, renew the license, or deny the license.

557.9 (d) The commissioner shall issue a license that contains the home care provider's name,  
557.10 address, license level, expiration date of the license, and unique license number. All licenses,  
557.11 except for temporary licenses issued under subdivision 2, are valid for up to one year from  
557.12 the date of issuance.

557.13 Subd. 2. **Temporary license.** (a) For new license applicants, the commissioner shall  
557.14 issue a temporary license for either the basic or comprehensive home care level. A temporary  
557.15 license is effective for up to one year from the date of issuance, except that a temporary  
557.16 license may be extended according to subdivision 3. Temporary licensees must comply with  
557.17 sections 144A.43 to 144A.482.

557.18 (b) During the temporary license year period, the commissioner shall survey the temporary  
557.19 licensee within 90 calendar days after the commissioner is notified or has evidence that the  
557.20 temporary licensee is providing home care services.

557.21 (c) Within five days of beginning the provision of services, the temporary licensee must  
557.22 notify the commissioner that it is serving clients. The notification to the commissioner may  
557.23 be mailed or e-mailed to the commissioner at the address provided by the commissioner. If  
557.24 the temporary licensee does not provide home care services during the temporary license  
557.25 year period, then the temporary license expires at the end of the year period and the applicant  
557.26 must reapply for a temporary home care license.

557.27 (d) A temporary licensee may request a change in the level of licensure prior to being  
557.28 surveyed and granted a license by notifying the commissioner in writing and providing  
557.29 additional documentation or materials required to update or complete the changed temporary  
557.30 license application. The applicant must pay the difference between the application fees  
557.31 when changing from the basic level to the comprehensive level of licensure. No refund will  
557.32 be made if the provider chooses to change the license application to the basic level.

558.1 (e) If the temporary licensee notifies the commissioner that the licensee has clients within  
558.2 45 days prior to the temporary license expiration, the commissioner may extend the temporary  
558.3 license for up to 60 days in order to allow the commissioner to complete the on-site survey  
558.4 required under this section and follow-up survey visits.

558.5 Subd. 3. **Temporary licensee survey.** (a) If the temporary licensee is in substantial  
558.6 compliance with the survey, the commissioner shall issue either a basic or comprehensive  
558.7 home care license. If the temporary licensee is not in substantial compliance with the survey,  
558.8 the commissioner shall either: (1) not issue a basic or comprehensive license and there will  
558.9 be no contested hearing right under chapter 14; terminate the temporary license; or (2)  
558.10 extend the temporary license for a period not to exceed 90 days and apply conditions, as  
558.11 permitted under section 144A.475, subdivision 2, to the extension of a temporary license.  
558.12 If the temporary licensee is not in substantial compliance with the survey within the time  
558.13 period of the extension, or if the temporary licensee does not satisfy the license conditions,  
558.14 the commissioner may deny the license.

558.15 (b) If the temporary licensee whose basic or comprehensive license has been denied or  
558.16 extended with conditions disagrees with the conclusions of the commissioner, then the  
558.17 temporary licensee may request a reconsideration by the commissioner or commissioner's  
558.18 designee. The reconsideration request process must be conducted internally by the  
558.19 commissioner or commissioner's designee, and chapter 14 does not apply.

558.20 (c) The temporary licensee requesting reconsideration must make the request in writing  
558.21 and must list and describe the reasons why the temporary licensee disagrees with the decision  
558.22 to deny the basic or comprehensive home care license or the decision to extend the temporary  
558.23 license with conditions.

558.24 (d) The reconsideration request and supporting documentation must be received by the  
558.25 commissioner within 15 calendar days after the date the temporary licensee receives the  
558.26 correction order.

558.27 (e) A temporary licensee whose license is denied, is permitted to continue operating as  
558.28 a home care provider during the period of time when:

558.29 (1) a reconsideration request is in process;

558.30 (2) an extension of a temporary license is being negotiated;

558.31 (3) the placement of conditions on a temporary license is being negotiated; or

558.32 (4) a transfer of home care clients from the temporary licensee to a new home care  
558.33 provider is in process.

559.1 (f) A temporary licensee whose license is denied must comply with the requirements  
559.2 for notification and transfer of clients in section 144A.475, subdivision 5.

559.7 compliance with home care requirements. Initial full surveys must be completed within 14  
559.8 months after the department's issuance of a temporary basic or comprehensive license.

559.9 (b) "Change in ownership survey" means a full survey of a new licensee due to a change

559.12 (c) "Core survey" means periodic inspection of home care providers to determine ongoing

559.16 survey having no widespread violations beyond Level 1 as provided in subdivision 11.  
559.17 Providers must also not have had any substantiated licensing complaints, substantiated

560.7 ongoing compliance with the home care requirements that cover the core survey areas and  
560.8 all the legal requirements for home care providers. A full survey is conducted for all  
560.9 temporary licensees ~~and~~, for licensees that receive licenses due to an approved change in  
560.10 ownership, for providers who do not meet the requirements needed for a core survey, and  
560.11 when a surveyor identifies unacceptable client health or safety risks during a core survey.  
560.12 A full survey must include all the tasks identified as part of the core survey and any additional  
560.13 review deemed necessary by the department, including additional observation, interviewing,  
560.14 or records review of additional clients and staff.

560.15 ~~(d)~~ (e) "Follow-up surveys" means surveys conducted to determine if a home care  
560.16 provider has corrected deficient issues and systems identified during a core survey, full  
560.17 survey, or complaint investigation. Follow-up surveys may be conducted via phone, e-mail,  
560.18 fax, mail, or on-site reviews. Follow-up surveys, other than complaint surveys, shall be  
560.19 concluded with an exit conference and written information provided on the process for  
560.20 requesting a reconsideration of the survey results.

560.22 currently violating a requirement of sections 144A.43 to 144A.482, the commissioner shall  
560.23 investigate the complaint according to sections 144A.51 to 144A.54.

563.8 the commissioner issues a temporary license, issues a license as a result of an approved  
563.9 change in ownership, or renews a license, an owner or managerial official is required to  
563.10 complete a background study under section 144.057. No person may be involved in the  
563.11 management, operation, or control of a home care provider if the person has been disqualified  
563.12 under chapter 245C. If an individual is disqualified under section 144.057 or chapter 245C,

563.16 individual has a disqualification under section 245C.15, subdivision 1, and the disqualification  
563.17 is affirmed, the individual's disqualification is barred from a set aside, and the individual  
563.18 must not be involved in the management, operation, or control of the provider.

563.23 whose individual ownership interest can affect the management and direction of the policies  
563.24 of the home care provider.

563.25 (c) For the purposes of this section, managerial officials subject to the background check  
563.26 requirement are individuals who provide direct contact as defined in section 245C.02,  
563.27 subdivision 11, or individuals who have the responsibility for the ongoing management or

563.29 under this subdivision shall be classified as private data on individuals under section 13.02,  
563.30 subdivision 12.

563.31 (d) The department shall not issue any license if the applicant or owner or managerial  
563.32 official has been unsuccessful in having a background study disqualification set aside under  
563.33 section 144.057 and chapter 245C; if the owner or managerial official, as an owner or

564.2 144A.482; or if an owner that has ceased doing business, either individually or as an owner

### 613.10 **MISCELLANEOUS**

613.11 Section 1. **[10.584] MATERNAL MENTAL HEALTH AWARENESS MONTH.**

613.12 The month of May is designated as Maternal Mental Health Awareness Month in  
 613.13 recognition of the state's desire to recognize the prevalence of pregnancy and postpartum  
 613.14 mental health issues and educate the people of the state about identifying symptoms and  
 613.15 seeking treatment options. Up to one-third of mothers report having symptoms of pregnancy  
 613.16 and postpartum mood and anxiety disorders each year. Many more cases go unreported due  
 613.17 to misunderstanding. Pregnancy and postpartum mood disorders are widespread but treatable  
 613.18 illnesses. Left untreated, pregnancy and postpartum mood and anxiety disorders can lead  
 613.19 to negative effects on birth outcomes, infant development, and the well-being of mothers  
 613.20 and families. The state declares that in order to educate the public, the governor may promote  
 613.21 and encourage the observance of Maternal Mental Health Awareness Month.
