**Bill Description**

H.F. 1233 makes changes to Minnesota Statutes 241.021 regarding the licensing and supervision of facilities.

**Sections 1 & 2:** Make technical and conforming changes.

**Section 3:** Adds a subdivision that prohibits the commissioner from granting a license to any county, municipality, or agency to operate a facility for the detention, care, and training of delinquent children and youth unless the county, municipality, or agency institutes a policy strictly prohibiting the visual inspection of breasts, buttocks, or genitals or children and youth received by the facility except during a health care procedure conducted by a medically licensed person.

**Section 4:** Adds a subdivision that prohibits the commissioner from granting a license to any county, municipality, or agency to operate a facility for the detention, care, and training of delinquent children and youth unless the county, municipality, or agency institutes a policy strictly prohibiting the use of disciplinary room time for children and youth received by the facility.

**Assumptions**

The Department of Corrections assumes that (1) there are no new criminal penalties or penalty enhancements in the bill;(2) there would be no impact on the number of state prison beds of supervision caseloads statewide; and (3) the additional review needed before granting a license to correctional facilities for the detention, care, and training of delinquent children and youth will be provided by existing staff.
