

1.1 moves to amend H.F. No. 536 as follows:

1.2 Page 2, after line 34, insert:

1.3 "(c) An eligible producer who utilizes agricultural cellulosic biomass must submit a
1.4 responsible biomass sourcing plan to the commissioner prior to applying for payments
1.5 under this section. The plan must:

1.6 (1) provide a detailed explanation for how agricultural cellulosic biomass will be
1.7 produced and managed in a way that preserves soil quality, does not increase soil and
1.8 nutrient runoff, avoids introduction of harmful invasive species, limits negative impacts
1.9 on wildlife habitat, and reduces greenhouse gas emissions;

1.10 (2) include the producer's approach to verifying that biomass suppliers are following
1.11 the plan;

1.12 (3) discuss how new technologies and practices that are not yet commercially viable
1.13 may be encouraged and adopted during the life of the facility, and how the producer will
1.14 encourage continuous improvement during the life of the project; and

1.15 (4) include specific numeric goals and timelines for making progress.

1.16 (d) An eligible producer who utilizes agricultural cellulosic biomass and receives
1.17 payments under this section shall submit an annual report on the producer's responsible
1.18 biomass sourcing plan to the commissioner by January 15 each year. The report must
1.19 include data on progress made by the producer in meeting specific goals laid out in the
1.20 plan. The commissioner shall make the report publicly available. The commissioner
1.21 shall perform an annual review of submitted reports and is authorized to make a
1.22 determination that the producer is not following the plan based on the reports submitted.
1.23 The commissioner may take appropriate steps, including reducing or ceasing payments
1.24 until the producer is in compliance with the plan."
