

1.1 ..... moves to amend H.F. No. 3138, the delete everything amendment  
1.2 (A18-0776), as follows:

1.3 Page 1, after line 4, insert:

1.4 "Sec. .... Minnesota Statutes 2016, section 62J.497, is amended by adding a subdivision  
1.5 to read:

1.6 Subd. 6. Technical assistance and education to support implementation and use of  
1.7 e-prescribing for controlled substances. (a) The commissioner of health, in consultation  
1.8 with the e-Health Advisory Committee, shall provide statewide technical assistance and  
1.9 educational resources to prescribers and dispensers regarding implementation and best  
1.10 practices for the use of e-prescribing, in compliance with subdivisions 2 and 3 and applicable  
1.11 federal requirements, for controlled substances listed in section 152.02, subdivisions 3, 4,  
1.12 5, and 6. The technical assistance and educational resources shall address at least the  
1.13 following:

1.14 (1) full implementation of all e-prescribing-related transactions in the NCPDP standards;

1.15 (2) implementation and use of electronic prior authorization;

1.16 (3) formulary and benefits issues; and

1.17 (4) other issues that the commissioner deems relevant.

1.18 (b) The commissioner shall provide annual updates to the legislature on activities under  
1.19 this subdivision, as part of annual reports to the legislature required by section 62J.495,  
1.20 subdivision 2."

1.21 Renumber the sections in sequence and correct the internal references

1.22 Amend the title accordingly
