### **Summary of the 2017 House Omnibus Retirement Bill**

#### Article 1-8: Public Employee Pension Plans; Benefit and contribution changes. (LCPR17-038)

Articles 1 through 8 make changes to current law governing all of the statewide pension plans and the St. Paul Teachers Retirement Fund Association. Generally, the changes can be categorized as follows:

- **Benefit changes:** eliminates augmentation, phases in the elimination of augmentation in the early retirement reduction, reduces and delays the commencement of post-retirement adjustments (COLAs), and reduces the rate of interest paid on refunds of employee contributions to former employees. The bill also requires the Pension Commission to conduct a study on the COLA rates and the methodology for determining post-retirement adjustments.
- **Actuarial changes:** reduces the investment rate of return to 7.5% and extends the end of the amortization period to 2047 for all the plans.
- **Contribution increases:** increases the employee and employer contribution rates for most of the plans.
- **Direct state aids:** provides for state aid for the PERA police and fire plan and St. Paul Teachers Retirement Fund Association.
- **Language clean-up changes:** makes a number of clarifying changes to existing provisions, including clarifying combined service annuity and coverage by more than one fund provisions, adds a new interest rate section that sets forth the rates for all the plans, and makes conforming changes to other sections that refer to interest rate.

#### Article 9: MSRS Administrative Provisions. (SF545/HF565; SF1376/HF1460)

- The article makes administrative or technical changes to the statutes governing the Minnesota State Retirement System (MSRS) that bring statutory language into conformity with actual practice, clarify ambiguous or confusing language, and repeal obsolete provisions.

#### Article 10: PERA Administrative Provisions. (SF545/HF565; SF1375/HF1471)

- The article makes administrative or technical changes to the statutes governing the Public Employees Retirement Association (PERA) that bring statutory language into conformity with actual practice, clarify ambiguous or confusing language, and repeal obsolete provisions.

Article 11: TRA Administrative Provisions. (SF545/HF565; SF746/HF721)

- The article makes administrative or technical changes to the statutes governing the Teachers Retirement Association (TRA) that bring statutory language into conformity with actual practice, clarify ambiguous or confusing language, and repeal obsolete provisions.

Article 12: SPTRFA Administrative Provisions. (SF545/HF565)

- The article makes administrative or technical changes to the statutes governing the St. Paul Teachers Retirement Fund Association (SPTRFA) that bring statutory language into conformity with actual practice, clarify ambiguous or confusing language, and repeal obsolete provisions.

Article 13: Retirement Systems, Generally, Administrative Provisions. (SF545/HF565; SF1375/HF1471)

- The article makes administrative or technical changes to the statutes governing Minnesota public plans in general that bring statutory language into conformity with actual practice, clarify ambiguous or confusing language, and repeal obsolete provisions.

Article 14: Actuarial Assumptions. (SF545/HF565)

- Lowers the TRA investment return assumption and the TRA payroll growth assumption.
- Updates the future salary increase assumption for MSRS-General, PERA-General, TRA, and SPTRFA and removes obsolete references.

Article 15: Volunteer Firefighter Relief Association Modifications.  
(SF545/HF565; SF26/HF11; SF1384/HF1672)

- Adopts the changes recommended by the 2015 and 2016 Volunteer Fire Relief Association Working Groups.
- Increases the maximum lump-sum service pension amount for defined benefit volunteer firefighter relief associations (“VFRAs”).
- Reduces the vesting requirements for Eden Prairie volunteer firefighters upon return to active service.
- Authorizes the City of Austin's allocation of fire state aid between its VFRA and PERA-P&F employer contributions.
- Establishes a Fire State Aid Work Group convened by PERA to address fire state aid.

Article 16: MSRS-Administered Retirement Plan Modifications.

(SF436/HF977; SF545/HF565; SF522/HF637; LCPR17-036; SF1705/HF2126; Amendment S0545-11A)

- Clarifies the deadline for submitting an application for disability benefits.
- Adds additional Department of Corrections and Department of Human Services employment positions to MSRS-Correctional.
- Codifies the Department of Human Services’ review process for including additional employment positions in MSRS-Correctional.
- Extends the period the current actuarial assumptions will be used for converting an account balance to an annuity under the Unclassified Plan for members close to retirement.

- Reduces the enhanced rate of augmentation for former employees of the University of Minnesota Hospital and Clinics under MSRS-General who were transferred to Fairview Hospital and Healthcare Services in 1996 and makes changes to the exception from enhanced augmentation upon return to public service.

Article 17: PERA-Administered Retirement Plan Modifications.

*(SF545/HF565; SF1945/HF2092; SF2332/HF2604; Amendment S0545-11A)*

- Revises the definition of “line of duty death” to include the definition under section 299A.41, Subdivision 3, which is consistent with the federal Hometown Heroes Act.
- Eliminates the requirement that monthly benefit volunteer firefighter plans that join the Statewide Volunteer Firefighter Retirement Plan (“PERA-SVFRP”) must reimburse for PERA administrative expenses.
- Allows the City of Brook Park to lower the annual service pension level for its volunteer firefighters covered under PERA-SVFRP.
- Allows volunteer firefighters in PERA-SVFRP to transfer assets and members from PERA-SVFRP to a local relief association governed by Chapter 424A.

Article 18: Generally Applicable Retirement Changes. *(SF545/HF565)*

- Increases the maximum employer contribution for the laborers national industrial pension plan.
- Authorizes all state public retirement plans to accept gifts, donations, bequests, and life insurance death benefits.

Article 19: Small Group Retirement Changes. *(SF545/HF565; SF1839/HFxxxx; LCPR17-035)*

- Allows certain public pension plan employees to elect retroactive and prospective pension plan coverage in order to correct employer errors.

Article 20: Technical Corrections. *(SF545/HF565)*

- Removes obsolete references and provisions relating to the Duluth Teachers Retirement Fund Association and the Duluth school district.
- Removes obsolete references to provisions that are repealed in Article 10 (PERA).
