

Where entrepreneurs
start, grow + thrive

March 9, 2026

The Honorable Representatives Paul Novotny and Kelly Moller
Centennial Office Building
St. Paul, MN 55155

Dear Co-Chairs Novotny and Moller, Co-Vice Chairs Feist and Witte, and Members of the
Committee:

The Northside Economic Opportunity Network (NEON) is pleased to write this letter of support
for HF 3753.

NEON works to build a thriving North Minneapolis by supporting entrepreneurs, strengthening
small businesses, and helping families achieve economic stability. This bill will promote safety
throughout our state, which in turn allows for a thriving economy.

HF 3753 proposes the development of a proactive school safety threat assessment pilot program
designed to proactively identify threats early and respond in thoughtful, coordinated ways.

For communities like North Minneapolis, where families and entrepreneurs are working every
day to build opportunity and stability, the safety and wellbeing of young people is critical.

Strong communities depend on safe schools, thriving families, and opportunities for young
people to succeed. For these reasons, NEON respectfully urges the committee to support HF
3753.

Thank you for your time and consideration.

Sincerely,

Warren McLean – President
