Regarding: HF 321 Visa certification document timely processing by certifying entities required

Dear Rep. Feist,

The Minnesota Chiefs of Police Association, representing approximately 300 police chiefs throughout Minnesota is writing this letter to offer our collective support of House File 321.

Our members fully support your bill and believe that this change would provide important clarity and consistency for law enforcement in issuing U-Visa certification documents. Additionally, we believe this bill would give victims more confidence to report their victimization and ensure a timely processing of these documents by our agencies.

Thank you for your leadership on this important issue and all you do for our state.

Sincerely,

Jeff Potts
