Chair Fue Lee:

Thank you for all that you do in service to Minnesotans. Your work directly impacts residents across our state and I am deeply thankful for your commitment, for your staff, for the legislative staff who all put in countless hours to pass legislation that will improve the lives of residents throughout the state.

Thank you for working closely with the City of Duluth on one of our top priorities this session – Spirit Mountain – and for its inclusion in the House bonding bill. As you are aware from your visit to the site, Spirit Mountain is a vital asset to visitors across the state with infrastructure that is nearly fifty years old and at the very end of its useful life. Your commitment to helping support this statewide destination is appreciated – thank you.

Again, thank you for your service, and if there is anything that legislators, or staff, needs from me, please don't hesitate to let me know.

Sincerely,

Mayor Emily Larson
