

Subject Leaving a polling place

Authors Gordon and Altendorf

Analyst Matt Gehring

Date March 2, 2026

Summary

This bill permits a voter who has been issued a ballot to briefly leave a polling place to address a demonstrated need, and then return to cast a ballot, at the head election judge's discretion. If a voter is granted this permission, the voter's original ballot must be spoiled and a new ballot must be issued upon the voter's return.
