Summary

This bill appropriates \$200,000 in fiscal year 2025 from the general fund to the commissioner of human services to conduct a needs analysis for emergency shelter serving LGBTQIA+ youth experiencing homelessness. The bill requires the commissioner to contract with Our Space MN to conduct the required needs analysis, and lists criteria for Our Space MN to consider when conducting the needs analysis. The bill also requires a report to the legislature on the results of the needs analysis.
