22.29 to the co-payment, coinsurance, deductible, or other enrollee cost-sharing requirements that
22.30 apply under the health plan. Cost-sharing requirements for home care nursing services must

- 22.31 not place a greater financial burden on the insured or enrollee than those requirements
22.32 applied by the health plan to other similar services or benefits. Nothing in this section is
23.1 intended to prevent a health plan company from requiring prior authorization by the health
23.2 plan company for such services as required by section 256B.0625, subdivision 7, or use of
23.3 contracted providers under the applicable provisions of the health plan.
- 23.4 (c) Notwithstanding section 62J.26, a health plan must not impose any quantity limitation
23.5 on the coverage under this section.
- 23.6 (d) Notwithstanding section 62J.26, a health plan must refer to all services meeting the
23.7 definition of home care nursing services in paragraph (e) as home care nursing services in
23.8 the health plan's policy, certificate, contract, or other evidence of coverage and related

- 23.19 (4) required for a duration or frequency that cannot be safely or effectively met through
23.20 intermittent, episodic, or visit-based nursing services.
- 23.21 **EFFECTIVE DATE.** Paragraph (c) is effective January 1, 2026, and applies to policies
23.22 issued, offered, or renewed and causes of action accruing on or after that date. Paragraphs

23.28 (1) individuals and organizations engaged in research on, or efforts to effect transformation
23.29 in, health care outcomes, access, quality, disparities, or spending, provided the use of the
23.30 data serves a public benefit; and (2) the commissioner of commerce, subject to the data use
23.31 requirements under subdivision 11, paragraph (b), to perform health insurance oversight
23.32 duties.
- 24.1 (b) Data made available under this subdivision may not be used to:

- 24.2 (1) create an unfair market advantage for any participant in the health care market in
24.3 Minnesota, including health plan companies, payers, and providers;
- 24.4 (2) reidentify or attempt to reidentify an individual in the data; or
- 24.5 (3) publicly report contract details between a health plan company and provider and
24.6 derived from the data.
- 24.7 ~~(b)~~ (c) To implement ~~paragraph~~ paragraphs (a) and (b), the commissioner shall:
- 24.8 (1) establish detailed requirements for data access; a process for data users to apply to
24.9 access and use the data; legally enforceable data use agreements to which data users must
24.10 consent; a clear and robust oversight process for data access and use, including a data
24.11 management plan, that ensures compliance with state and federal data privacy laws;
24.12 agreements for state agencies and the University of Minnesota to ensure proper and efficient
24.13 use and security of data; and technical assistance for users of the data and for stakeholders;
- 24.14 (2) develop a fee schedule to support the cost of expanded access to and use of the data,

24.16 those most affected by disparities; and
- 24.17 (3) create a research advisory group to advise the commissioner on applications for data
24.18 use under this subdivision, including an examination of the rigor of the research approach,
24.19 the technical capabilities of the proposed user, and the ability of the proposed user to
24.20 successfully safeguard the data.

24.26 consistent with the data's classification under subdivision 2, paragraph (d).
