

DHS - DCT Agency Transition

2023 Legislation – Chapter 61

- Creates the Department of Direct Care & Treatment
- Requires executive board to develop and maintain the department
- Requires legislation to be drafted for the 2024 session to establish a DCT executive board
- Creates employee protections during the transfer
- Effective 1/1/25

DCT Agency Benefits

- DCT health care system led by a board of health care leaders
- Clear distinction between what DCT is responsible for (treatment) and what DHS is responsible for (policy, regulation, payment, etc.)
- Preserves and reinforces clinical judgment and management of patient care
- DCT able to advocate for policies and funding for the continuum of care in Minnesota
- Makes DCT more agile and speeds decision-making for a health care system

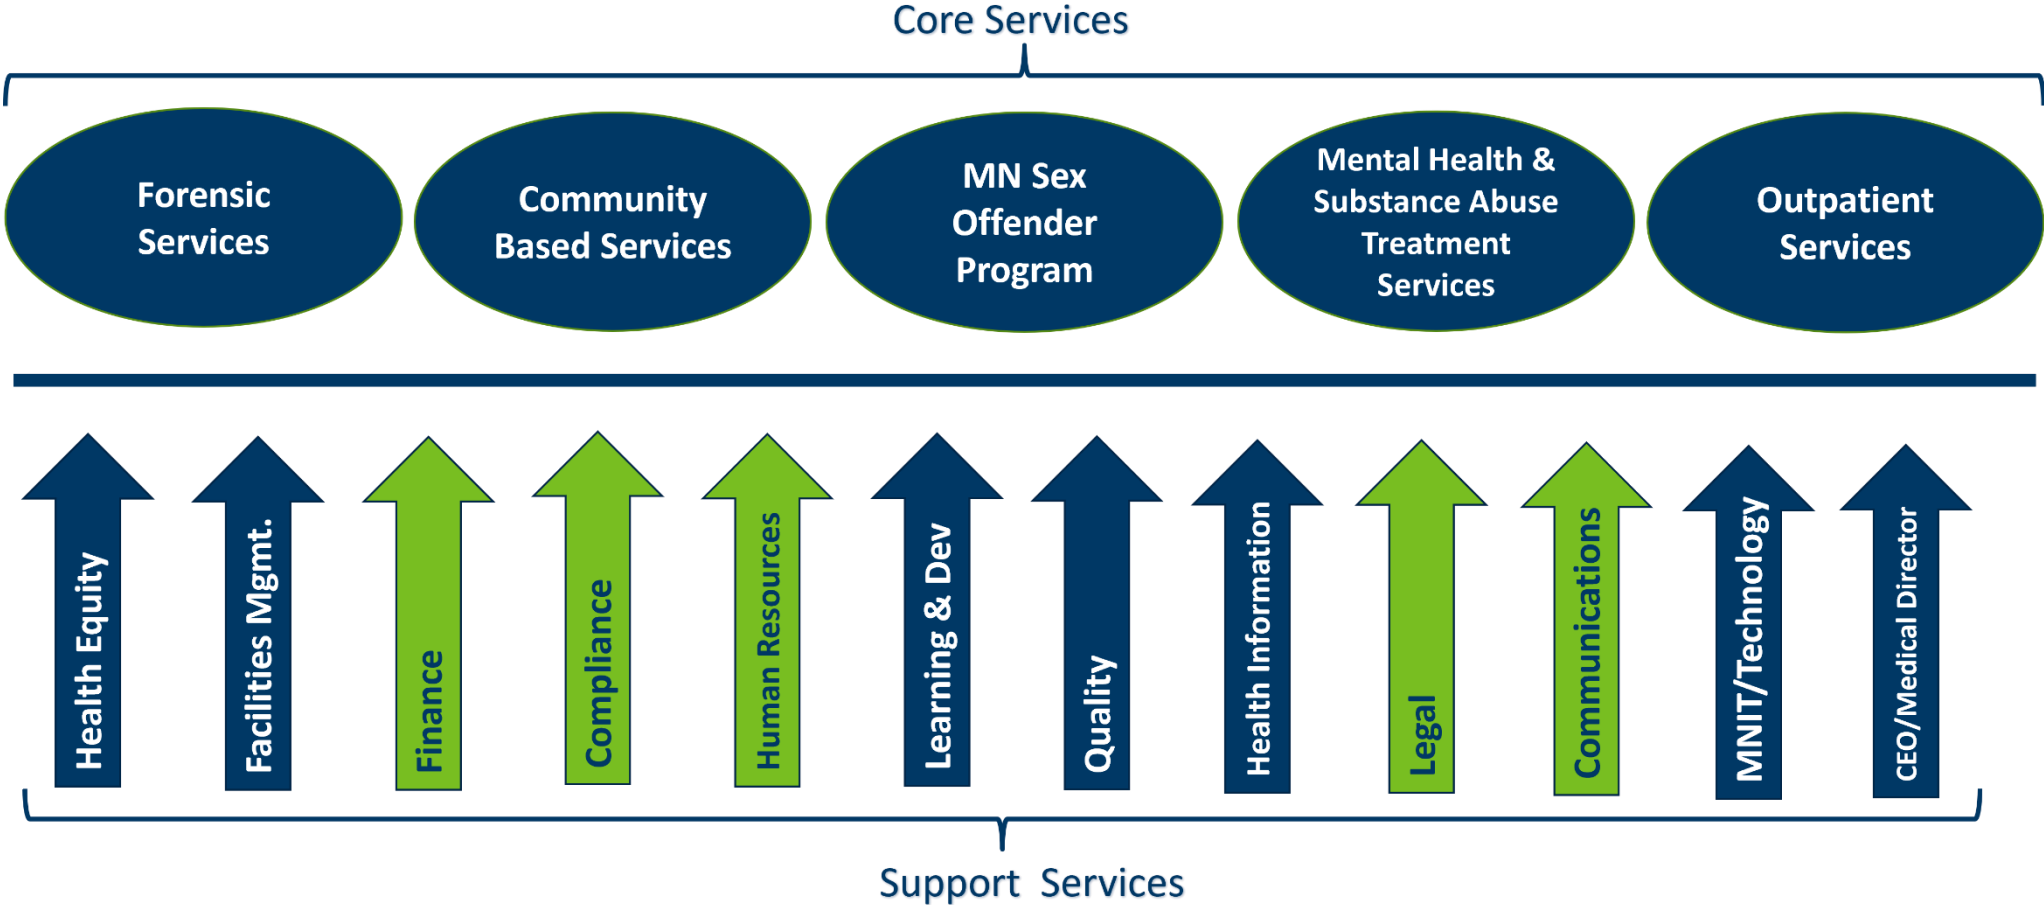

A Useful Metaphor

DCT Staffing

DCT Service Lines

DCT Creation Project Priorities

DCT Agency Created: Current Law

DCT Agency Created: DCT Proposal

DCT Creation Project Status - All Waves

Wave 1 Workgroups	Status	Wave 2 Workgroups	Status	Wave 2 Workgroups <i>(continued)</i>	Status	Wave 3 Workgroups	Status
MNIT	On Schedule	A - DHS/DCT Commissioner Responsibilities	Action Plan Finalized	C - DHS/DCT Data Privacy	On Schedule	Committee Structure	On Schedule

Branding	On Schedule						

Key	
	Not Started
	On Schedule
	Issue
	Large Issue
	Action Plan Finalized
	Action Plan Completed

As of 2/9/2024

100% of workgroups have started action plans.

51% of the work groups have met the July 1, 2024, deadline to finalize action plans.

Current Statute – Chapter 61

DCT chapter 246C as currently drafted

246C.01 TITLE.

This chapter may be cited as the "Department of Direct Care and Treatment Act."

History:

[2023 c 61 art 8 s 7](#)

Revisor instructions (move statutes into Chapter 246C – no changes)

DCT instructions (propose DCT Board language)

Proposed statute for new DCT chapter (246C)

- Change effective date to 7/1/25
- DCT an agency, not a department
- Board language
- DCT creation language

Listening Sessions and Feedback

- DCT conducted three listening sessions
- DCT presented DCT Creation Project update
 - Tribes
 - Unions
 - Counties
 - Other stakeholders
- DCT presented the proposed board and DCT creation language
 - Tribes
 - Unions
 - Counties
 - Other stakeholders
- DCT received feedback and provided a report out

Transition Priorities and Timeline

2024 Legislative Session

- Legislative review and approval of Revisor's DCT Recodification Bill
- Legislative review and approval of Board and DCT Creation Language

July 1, 2024 to January 1, 2025

- All DCT Work Groups have finalized action plans 7/1/24
- Governor's Office appoints DCT Board Members (six months of training)
- Work with Revisor's Office
 - Cleaning up terminology

2025 Legislative Session

- Final cleanup and additional language changes

July 1, 2025

- DCT Work Group complete action plans 7/1/25
- DCT goes live as a state agency
- The new DCT Board will meet

DCT Board Priorities and Timeline

July 2024: Board Selection Process

- Define criteria
- Outline process

By January 1, 2025: Governor appoints members to DCT Executive Board

January to June 2025: Board member orientation

- Board member training and certification program provided by the Minnesota Hospital Association
- Travel and site visits
- Draft by-laws

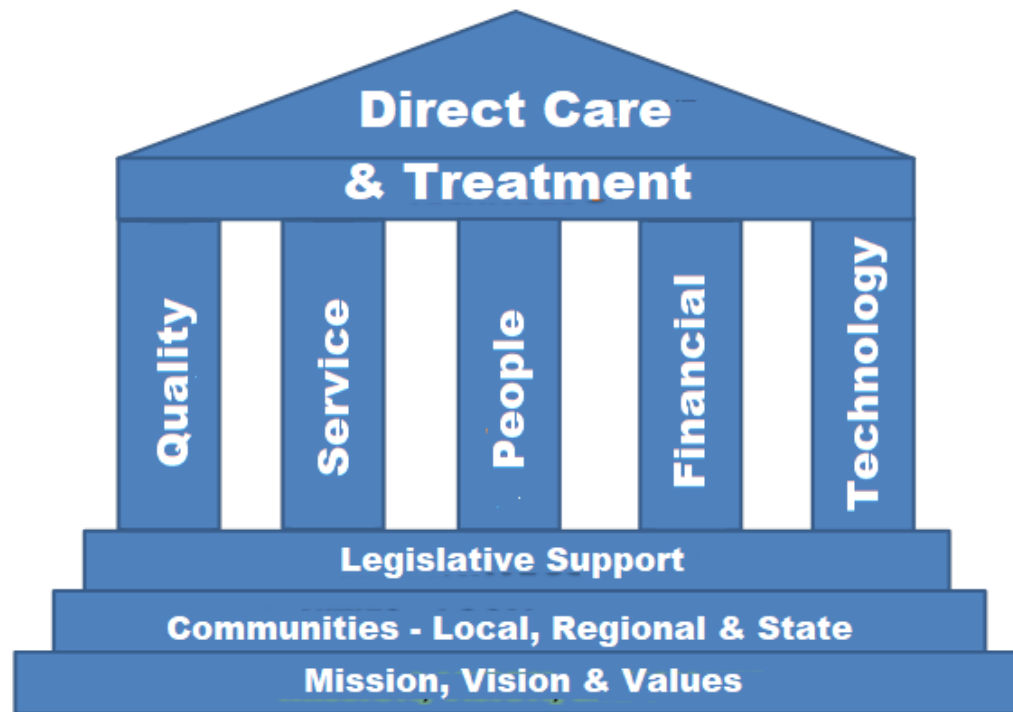

May to June 2025: Preparation for the first board meeting

July 1, 2025: Board CEO appointed

July 2025: Board holds first meeting

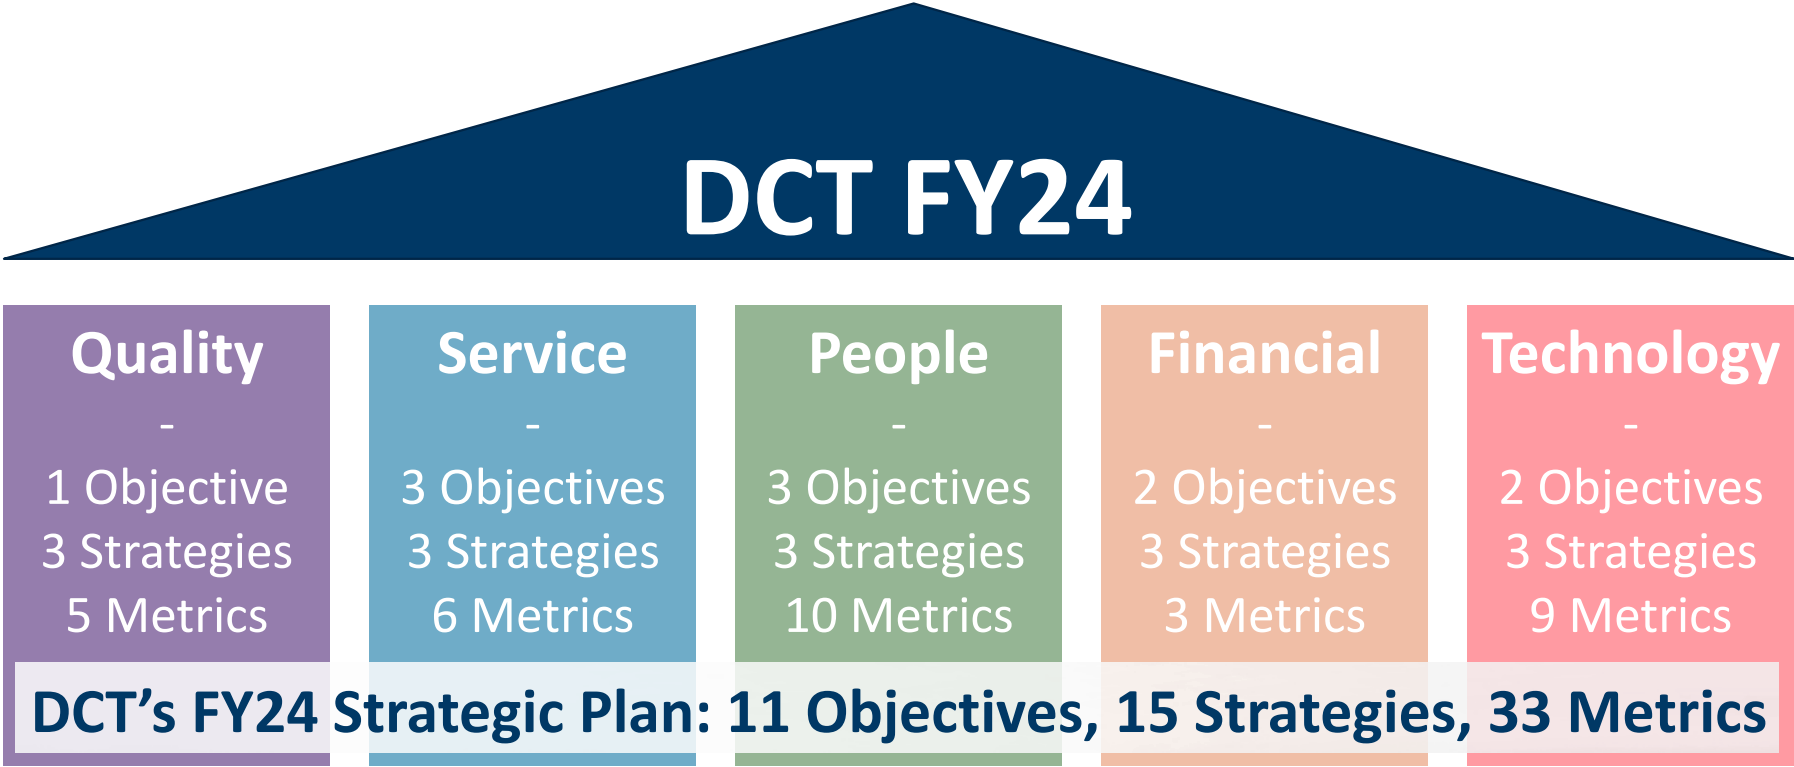

- Board elects the chair
- Board sets an additional meeting dates
- Board approves by-laws, determines meeting process and procedures

Five Pillars of Excellence

- DCT's five Pillars of Excellence are Quality, Service, People, Finance, and Technology.
- The five pillars are a framework for prioritizing our goals and plans, each pillar supports a desired outcome.
- The pillars ensure excellent care and programming for patients and clients statewide.

FY24 Strategic Objectives, Strategies, Metrics

DCT FY24 strategic plan goals include:

- Intense focus on strengthening staff recruitment and retention
- Expanding telehealth and implementing a comprehensive, integrated, interoperable electronic health record system
- Advancing financial stewardship
- Enhancing internal and external service partnerships
- Advancing Core 4 model of patient care and safety
- Continuing our Malcolm Baldrige guided quality and process improvements
