Hello and good day,

Once again the law abiding are being attacked because of what a few criminals and mentally unbalanced people do. The logic is sound, you will never stop Gun crime by restricting or infringing on the God given rights of the law abiding.

There is no greater disrespect than to ignore the Constitution of the United States and the Oath Of Office you swore to uphold. You are in the position you are in to protect the rights of the people, not to trample over them.

As a citizen of the United States, and the great State of Minnesota I respectfully demand you abandon any, and all Gun Control.

Sincerely,
Raymond Prettner
