

Subject Education Grant: Playworks

Authors Hill and Others

Analyst Tim Strom

Date March 20, 2023

Overview

Playworks is a national nonprofit that provides assistance to schools through coaching, support, and staff training to assist schools in developing safe and healthy recess and play opportunities for elementary students that improve the students' physical health and social emotional learning.

H.F. 2638 appropriates \$600,000 per year from the general fund to the commissioner of education for grants to Playworks for expanded social emotional programming for elementary students. Makes the onetime appropriations available until June 30, 2026.
