1.21 state-approved navigator must:

2.1 (1) determine whether the participant's loss of federal SNAP benefits may be explained  
2.2 by advanced age, illness, injury, violence, addiction, disability, homelessness, veteran status,  
2.3 or a recent exit from the foster care system;

2.10 the requirements of Code of Federal Regulations, title 7, section 273.24.

2.11 (c) If the participant does not attend the face-to-face meeting, the county or Tribal agency  
2.12 or state-approved navigator must attempt at least one home visit.

2.13 (d) If a face-to-face meeting is not conducted and the home visit attempt is unsuccessful,  
2.14 the county or Tribal agency or state-approved navigator must send the participant a written  
2.15 notice that provides information on MNSNAP.

2.16 Subd. 5. **Exiting MNSNAP.** (a) Based on the assessment under subdivision 4, if the  
2.17 county or Tribal agency or state-approved navigator determines a participant is eligible for  
2.18 a federal exemption under Code of Federal Regulations, title 7, section 273.24, the participant  
2.19 must exit MNSNAP and convert to receive federal SNAP benefits.

2.20 (b) Based on the assessment under subdivision 4, if the county or Tribal agency or  
2.21 state-approved navigator determines a participant can consistently meet the federal  
2.22 requirements in Code of Federal Regulations, title 7, section 273.24, the participant must  
2.23 exit MNSNAP and convert to receive federal SNAP benefits.

2.24 Subd. 6. **Moratorium.** Beginning July 1, 2026, the commissioner must enact an  
2.25 emergency moratorium on the termination of food assistance for Minnesotans experiencing  
2.26 new federal SNAP restrictions implemented after July 1, 2025, where there is no current
