1.20 Section 1. **[245I.041] MENTAL HEALTH PROVIDER SUPERVISION GRANTS.**

1.21 Subdivision 1. Grant program established. The commissioner of human services shall

1.22 award grants to licensed or certified mental health providers that meet the criteria in

1.23 subdivision 3 to fund supervision of interns and clinical trainees who are working toward

1.24 becoming licensed mental health professionals and to subsidize the costs of mental health

1.25 professional licensing applications and examination fees for clinical trainees.

1.26 Subd. 2. Definitions. (a) For purposes of this section, the following terms have the

1.27 meanings given.

2.1 (b) "Mental health professional" means an individual with a qualification specified in  
2.2 section 245I.04, subdivision 2.

2.3 (c) "Underrepresented community" has the meaning given in section 148E.010,  
2.4 subdivision 20.

2.5 Subd. 3. **Eligible providers.** In order to be eligible for a grant under this section, a mental  
2.6 health provider must:

2.7 (1) provide at least 25 percent of the provider's yearly patient encounters to state public  
2.8 program enrollees or patients receiving sliding fee schedule discounts through a formal  
2.9 sliding fee schedule meeting the standards established by the United States Department of  
2.10 Health and Human Services under Code of Federal Regulations, title 42, section 51c.303;  
2.11 or

2.12 (2) primarily serve persons from communities of color or underrepresented communities.

2.13 Subd. 4. **Application; grant award.** A mental health provider seeking a grant under  
2.14 this section must apply to the commissioner at a time and in a manner specified by the  
2.15 commissioner. The commissioner must review each application to determine if the application  
2.16 is complete, the mental health provider is eligible for a grant, and the proposed project is  
2.17 an allowable use of grant money. The commissioner must determine whether to award a  
2.18 grant to an applicant and the amount of any awarded grant.

2.19 Subd. 5. **Allowable uses of grant money.** A mental health provider must use grant  
2.20 money received under this section for one or more of the following:

2.28 grant recipients to provide the commissioner with information necessary to evaluate the  
2.29 program.

2.30 **EFFECTIVE DATE.** This section is effective July 1, 2022.

3.1 Sec. 2. Minnesota Statutes 2020, section 256.01, is amended by adding a subdivision to  
3.2 read:

3.3 Subd. 12b. Department of Human Services systemic critical incident review team. (a)  
3.4 The commissioner may establish a Department of Human Services systemic critical incident  
3.5 review team to review required critical incident reports under section 626.557 for which  
3.6 the Department of Human Services is responsible under section 626.5572, subdivision 13;  
3.7 chapter 245D; or Minnesota Rules, chapter 9544. When reviewing a critical incident, the  
3.8 systemic critical incident review team must identify systemic influences to the incident  
3.9 rather than determining the culpability of any actors involved in the incident. The systemic  
3.10 critical incident review may assess the entire critical incident process from the point of an  
3.11 entity reporting the critical incident through the ongoing case management process.  
3.12 Department staff must lead and conduct the reviews and may utilize county staff as reviewers.  
3.13 The systemic critical incident review process may include but is not limited to:

3.14 (1) data collection about the incident and actors involved. Data may include the critical  
3.15 incident report under review; previous incident reports pertaining to the person receiving  
3.16 services; the service provider's policies and procedures applicable to the incident; the  
3.17 coordinated service and support plan as defined in section 245D.02, subdivision 4b, for the  
3.18 person receiving services; or an interview of an actor involved in the critical incident or the  
3.19 review of the critical incident. Actors may include:

3.20 (i) staff of the provider agency;

3.21 (ii) lead agency staff administering home and community-based services delivered by  
3.22 the provider;

3.23 (iii) Department of Human Services staff with oversight of home and community-based  
3.24 services;

3.25 (iv) Department of Health staff with oversight of home and community-based services;

3.26 (v) members of the community including advocates, legal representatives, health care  
3.27 providers, pharmacy staff, or others with knowledge of the incident or the actors in the  
3.28 incident; and

3.29 (vi) staff from the Office of the Ombudsman for Mental Health and Developmental  
3.30 Disabilities;

3.31 (2) systemic mapping of the critical incident. The team conducting the systemic mapping  
3.32 of the incident may include any actors identified in clause (1), designated representatives

4.1 of other provider agencies, regional teams, and representatives of the local regional quality  
4.2 council identified in section 256B.097; and

4.3 (3) analysis of the case for systemic influences.

4.4 (b) The critical incident review team must aggregate data collected and provide the  
4.5 aggregated data to regional teams, participating regional quality councils, and the  
4.6 commissioner. The regional teams and quality councils must analyze the data and make  
4.7 recommendations to the commissioner regarding systemic changes that would decrease the  
4.8 number and severity of critical incidents in the future or improve the quality of the home  
4.9 and community-based service system.

4.10 (c) A selection committee must select cases for the systemic critical incident review  
4.11 process from among the following critical incident categories:

4.12 (1) cases of caregiver neglect identified in section 626.5572, subdivision 17;

4.13 (2) cases involving financial exploitation identified in section 626.5572, subdivision 9;

4.14 (3) incidents identified in section 245D.02, subdivision 11;

4.15 (4) incidents identified in Minnesota Rules, part 9544.0110; and

4.16 (5) service terminations reported to the department in accordance with section 245D.10,  
4.17 subdivision 3a.

4.18 (d) The systemic critical incident review under this section must not replace the process  
4.19 for screening or investigating cases of alleged maltreatment of an adult under section 626.557.  
4.20 The department, under the jurisdiction of the commissioner, may select for systemic critical  
4.21 incident review cases reported for suspected maltreatment and closed following initial or  
4.22 final disposition.

4.23 (e) A member of the systemic critical incident review team must not disclose what  
4.24 transpired during the review, except to carry out the duties of the review. The proceedings  
4.25 and records of the review team are protected nonpublic data as defined in section 13.02,  
4.26 subdivision 13, and are not subject to discovery or introduction into evidence in a civil or  
4.27 criminal action against a professional, the state, or a county agency arising out of the matters  
4.28 that the team reviews. Information, documents, and records otherwise available from other  
4.29 sources are not immune from discovery or use in a civil or criminal action solely because  
4.30 the information, documents, and records were assessed or presented during review team  
4.31 proceedings. A person who presented information before the systemic critical incident  
4.32 review team or who is a member of the team must not be prevented from testifying about  
4.33 matters within the person's knowledge. In a civil or criminal proceeding, a person must not

5.1 be questioned about the person's presentation of information to the review team or opinions  
5.2 formed by the person as a result of the review.

5.3 **Sec. 3. [256.4778] WORKFORCE INCENTIVE FUND GRANTS.**

5.4 Subdivision 1. **Grant program established.** The commissioner shall establish grants

8.6 **EFFECTIVE DATE.** This section is effective July 1, 2022.

8.7 Sec. 4. Minnesota Statutes 2020, section 256B.0913, subdivision 4, is amended to read:

8.8 **Subd. 4. Eligibility for funding for services for nonmedical assistance recipients.** (a)  
8.9 Funding for services under the alternative care program is available to persons who meet  
8.10 the following criteria:

8.11 (1) the person is a citizen of the United States or a United States national;

8.12 (2) the person has been determined by a community assessment under section 256B.0911  
8.13 to be a person who would require the level of care provided in a nursing facility, as  
8.14 determined under section 256B.0911, subdivision 4e, but for the provision of services under  
8.15 the alternative care program;

8.16 (3) the person is age 65 or older;

8.17 (4) the person would be eligible for medical assistance within 135 days of admission to  
8.18 a nursing facility;

8.19 (5) the person is not ineligible for the payment of long-term care services by the medical  
8.20 assistance program due to an asset transfer penalty under section 256B.0595 or equity  
8.21 interest in the home exceeding \$500,000 as stated in section 256B.056;

8.22 (6) the person needs long-term care services that are not funded through other state or  
8.23 federal funding, or other health insurance or other third-party insurance such as long-term  
8.24 care insurance;

8.25 (7) except for individuals described in clause (8), the monthly cost of the alternative  
8.26 care services funded by the program for this person does not exceed 75 percent of the  
8.27 monthly limit described under section 256S.18. This monthly limit does not prohibit the  
8.28 alternative care client from payment for additional services, but in no case may the cost of  
8.29 additional services purchased under this section exceed the difference between the client's  
8.30 monthly service limit defined under section 256S.04, and the alternative care program  
8.31 monthly service limit defined in this paragraph. If care-related supplies and equipment or  
8.32 environmental modifications and adaptations are or will be purchased for an alternative

9.1 care services recipient, the costs may be prorated on a monthly basis for up to 12 consecutive  
9.2 months beginning with the month of purchase. If the monthly cost of a recipient's other  
9.3 alternative care services exceeds the monthly limit established in this paragraph, the annual  
9.4 cost of the alternative care services ~~shall~~ must be determined. In this event, the annual cost  
9.5 of alternative care services ~~shall~~ must not exceed 12 times the monthly limit described in  
9.6 this paragraph;

9.7 (8) for individuals assigned a case mix classification A as described under section  
9.8 256S.18, with (i) no dependencies in activities of daily living, or (ii) up to two dependencies  
9.9 in bathing, dressing, grooming, walking, and eating when the dependency score in eating  
9.10 is three or greater as determined by an assessment performed under section 256B.0911, the  
9.11 monthly cost of alternative care services funded by the program cannot exceed \$593 per  
9.12 month for all new participants enrolled in the program on or after July 1, 2011. This monthly  
9.13 limit shall be applied to all other participants who meet this criteria at reassessment. This  
9.14 monthly limit ~~shall~~ must be increased annually as described in section 256S.18. This monthly  
9.15 limit does not prohibit the alternative care client from payment for additional services, but  
9.16 in no case may the cost of additional services purchased exceed the difference between the  
9.17 client's monthly service limit defined in this clause and the limit described in clause (7) for  
9.18 case mix classification A; ~~and~~

9.19 (9) the person is making timely payments of the assessed monthly fee; and

9.20 (10) for a person participating in consumer-directed community supports, the person's  
9.21 monthly service limit must be equal to the monthly service limits in clause (7), except that  
9.22 a person assigned a case mix classification L must receive the monthly service limit for  
9.23 case mix classification A.

9.24 A person is ineligible if payment of the fee is over 60 days past due, unless the person agrees  
9.25 to:

9.26 (i) the appointment of a representative payee;

9.27 (ii) automatic payment from a financial account;

9.28 (iii) the establishment of greater family involvement in the financial management of  
9.29 payments; or

9.30 (iv) another method acceptable to the lead agency to ensure prompt fee payments.

9.31 The lead agency may extend the client's eligibility as necessary while making  
9.32 arrangements to facilitate payment of past-due amounts and future premium payments.

10.1 Following disenrollment due to nonpayment of a monthly fee, eligibility ~~shall~~ must not be  
 10.2 reinstated for a period of 30 days.

10.3 (b) Alternative care funding under this subdivision is not available for a person who is  
 10.4 a medical assistance recipient or who would be eligible for medical assistance without a  
 10.5 spenddown or waiver obligation. A person whose initial application for medical assistance  
 10.6 and the elderly waiver program is being processed may be served under the alternative care  
 10.7 program for a period up to 60 days. If the individual is found to be eligible for medical  
 10.8 assistance, medical assistance must be billed for services payable under the federally  
 10.9 approved elderly waiver plan and delivered from the date the individual was found eligible  
 10.10 for the federally approved elderly waiver plan. Notwithstanding this provision, alternative  
 10.11 care funds may not be used to pay for any service the cost of which: (i) is payable by medical  
 10.12 assistance; (ii) is used by a recipient to meet a waiver obligation; or (iii) is used to pay a  
 10.13 medical assistance income spenddown for a person who is eligible to participate in the  
 10.14 federally approved elderly waiver program under the special income standard provision.

10.15 (c) Alternative care funding is not available for a person who resides in a licensed nursing  
 10.16 home, certified boarding care home, hospital, or intermediate care facility, except for case  
 10.17 management services which are provided in support of the discharge planning process for  
 10.18 a nursing home resident or certified boarding care home resident to assist with a relocation  
 10.19 process to a community-based setting.

10.20 (d) Alternative care funding is not available for a person whose income is greater than  
 10.21 the maintenance needs allowance under section 256S.05, but equal to or less than 120 percent  
 10.22 of the federal poverty guideline effective July 1 in the fiscal year for which alternative care  
 10.23 eligibility is determined, who would be eligible for the elderly waiver with a waiver  
 10.24 obligation.

10.25 **EFFECTIVE DATE.** This section is effective January 1, 2023.

10.26 Sec. 5. Minnesota Statutes 2020, section 256B.0913, subdivision 5, is amended to read:

10.27 Subd. 5. **Services covered under alternative care.** Alternative care funding may be  
 10.28 used for payment of costs of:

10.29 (1) adult day services and adult day services bath;

10.30 (2) home care;

10.31 (3) homemaker services;

10.32 (4) personal care;

- 11.1 (5) case management and conversion case management;
- 11.2 (6) respite care;
- 11.3 (7) specialized supplies and equipment;
- 11.4 (8) home-delivered meals;
- 11.5 (9) nonmedical transportation;
- 11.6 (10) nursing services;
- 11.7 (11) chore services;
- 11.8 (12) companion services;
- 11.9 (13) nutrition services;
- 11.10 (14) family caregiver training and education;
- 11.11 (15) coaching and counseling;
- 11.12 (16) telehome care to provide services in their own homes in conjunction with in-home
- 11.13 visits;
- 11.14 (17) consumer-directed community supports ~~under the alternative care programs which~~
- 11.15 ~~are available statewide and limited to the average monthly expenditures representative of~~
- 11.16 ~~all alternative care program participants for the same case mix resident class assigned in~~
- 11.17 ~~the most recent fiscal year for which complete expenditure data is available;~~
- 11.18 (18) environmental accessibility and adaptations; and
- 11.19 (19) discretionary services, for which lead agencies may make payment from their
- 11.20 alternative care program allocation for services not otherwise defined in this section or
- 11.21 section 256B.0625, following approval by the commissioner.

11.22 Total annual payments for discretionary services for all clients served by a lead agency

11.23 must not exceed 25 percent of that lead agency's annual alternative care program base

11.24 allocation, except that when alternative care services receive federal financial participation

11.25 under the 1115 waiver demonstration, funding shall be allocated in accordance with

11.26 subdivision 17.

11.27 **EFFECTIVE DATE.** This section is effective January 1, 2023.

12.1 Sec. 6. Minnesota Statutes 2020, section 256B.5012, is amended by adding a subdivision  
12.2 to read:

12.3 Subd. 19. **ICF/DD rate increases effective January 1, 2023.** (a) For the rate period  
12.4 beginning January 1, 2023, the commissioner must increase operating payments for each  
12.5 facility reimbursed under this section by an amount equal to five percent of the operating  
12.6 payment rates that were effective on December 31, 2022.

12.7 (b) For each facility, the commissioner must apply the rate increase based on occupied  
12.8 beds, using the percentage specified in this subdivision multiplied by the total payment rate,  
12.9 including the variable rate but excluding the property-related payment rate in effect on
