1.3 Page 53, after line 30, insert:

1.4 "Sec. Minnesota Statutes 2022, section 16E.03, subdivision 4a, is amended to read:

1.5 Subd. 4a. **Cloud computing services.** The project evaluation procedure required by
1.6 subdivision 4 must include a review of cloud computing service options, including any
1.7 security benefits and cost savings associated with purchasing those service options from a
1.8 cloud computing service provider. When projects involve cloud computing services, the
1.9 state chief information officer shall, in consultation with the Technology Advisory Council,
1.10 establish metrics to assess the progress of any cloud computing project for each state agency.

1.11 Sec. Minnesota Statutes 2022, section 16E.03, is amended by adding a subdivision to
1.12 read:

1.13 Subd. 5a. **Cloud computing migration.** The report required by subdivision 5 must also
1.14 detail the progress of cloud computing migration metrics established in subdivision 4a.

1.15 Additionally, for each state agency, the report must include:

1.16 (1) an accounting of the agency's budget allocated for cloud computing projects;

1.17 (2) cost projections for any current or contemplated cloud computing projects as
1.18 applicable;

1.19 (3) the timeline for completion of cloud computing projects;

1.20 (4) the name of each cloud provider retained by the agency, and the percentage of the
1.21 agency's cloud projects allocated to that provider; and

1.22 (5) software as service offerings, identifying each offering and their cloud location."
