EXPLANATION OF THE BILL

The bill, as proposed to be amended, provides an exemption from the sales and use tax for materials, supplies, and equipment used in the following projects:

- The construction of an administrative building and a transportation facility in ISD 709
- Renovations to the elementary school building and high school building and construction of a building connecting the elementary and high school buildings in ISD 696
- The addition of an Early Childhood Family Education Center to an existing elementary school and improvements to an existing athletic facility in ISD 701
- The construction of two new elementary school buildings and a new high school building in ISD 2909
- The construction and renovation for the Chisholm Elementary School, Chisholm High School, and Vaughan Steffensrud School in ISD 695
- The construction of a new school building and attached community wellness center in ISD 319
- The renovation and addition to the James Madison Building for Northland Learning Center
- The construction of a new building for Northern Lights Academy

Each exemption is retroactive and applies to sales and purchases made over a multiyear period. The exemptions would be administered as refunds.
