

**Subject** Sustainable Forest Resources Act

**Authors** Hansen, R.

**Analyst** Janelle Taylor

**Date** March 13, 2023

## Summary

Extends the expiration date of the Sustainable Forest Resources Act (SFRA) by five years (from June 30, 2028, to June 30, 2033). The SFRA established state policies to support the sustainable management of the state's forest resources, including the creation of the Minnesota Forest Resources Council (MFRC).
