4.13 be a managerial official for purposes of this definition.

4.14 Sec. 5. Minnesota Statutes 2025 Supplement, section 245A.04, subdivision 1, is amended
4.15 to read:

4.16 Subdivision 1. **Application for licensure.** (a) An individual, organization, or government
4.17 entity that is subject to licensure under section 245A.03 must apply for a license. The
4.18 application must be made on the forms and in the manner prescribed by the commissioner.
4.19 The commissioner shall provide the applicant with instruction in completing the application
4.20 and provide information about the rules and requirements of other state agencies that affect
4.21 the applicant. An applicant seeking licensure in Minnesota with headquarters outside of
4.22 Minnesota must have a program office located within 30 miles of the Minnesota border.
4.23 An applicant who intends to buy or otherwise acquire a program or services licensed under
4.24 this chapter that is owned by another license holder must apply for a license under this
4.25 chapter and comply with the application procedures in this section and section 245A.043.

4.26 The commissioner shall act on the application within 90 working days after a complete
4.27 application and any required reports have been received from other state agencies or
4.28 departments, counties, municipalities, or other political subdivisions. The commissioner
4.29 shall not consider an application to be complete until the commissioner receives all of the
4.30 required information. If the applicant or a controlling individual is the subject of a pending
4.31 administrative, civil, or criminal investigation, the application is not complete until the
4.32 investigation has closed or the related legal proceedings are complete.

4.33 When the commissioner receives an application for initial licensure that is incomplete
4.34 because the applicant failed to submit required documents or that is substantially deficient

5.1 because the documents submitted do not meet licensing requirements, the commissioner
5.2 shall provide the applicant written notice that the application is incomplete or substantially
5.3 deficient. In the written notice to the applicant the commissioner shall identify documents
5.4 that are missing or deficient and give the applicant 45 days to resubmit a second application
5.5 that is substantially complete. An applicant's failure to submit a substantially complete
5.6 application after receiving notice from the commissioner is a basis for license denial under
5.7 section 245A.043.

5.8 (b) An application for licensure must identify all controlling individuals as defined in
5.9 section 245A.02, subdivision 5a, and must designate one individual to be the authorized
5.10 agent. The application must be signed by the authorized agent and must include the authorized
5.11 agent's first, middle, and last name; mailing address; and email address. By submitting an
5.12 application for licensure, the authorized agent consents to electronic communication with
5.13 the commissioner throughout the application process. The authorized agent must be
5.14 authorized to accept service on behalf of all of the controlling individuals. A government
5.15 entity that holds multiple licenses under this chapter may designate one authorized agent
5.16 for all licenses issued under this chapter or may designate a different authorized agent for
5.17 each license. Service on the authorized agent is service on all of the controlling individuals.
5.18 It is not a defense to any action arising under this chapter that service was not made on each
5.19 controlling individual. The designation of a controlling individual as the authorized agent
5.20 under this paragraph does not affect the legal responsibility of any other controlling individual
5.21 under this chapter.

5.22 (c) An applicant or license holder must have a policy that prohibits license holders,
5.23 employees, subcontractors, and volunteers, when directly responsible for persons served
5.24 by the program, from abusing prescription medication or being in any manner under the
5.25 influence of a chemical that impairs the individual's ability to provide services or care. The
5.26 license holder must train employees, subcontractors, and volunteers about the program's
5.27 drug and alcohol policy before the employee, subcontractor, or volunteer has direct contact,
5.28 as defined in section 245C.02, subdivision 11, with a person served by the program.

5.29 (d) An applicant and license holder must have a program grievance procedure that permits
5.30 persons served by the program and their authorized representatives to bring a grievance to
5.31 the highest level of authority in the program.

5.32 (e) The commissioner may limit communication during the application process to the
5.33 authorized agent or the controlling individuals identified on the license application and for
5.34 whom a background study was initiated under chapter 245C. Upon implementation of the
5.35 provider licensing and reporting hub, applicants and license holders must use the hub in the

6.1 manner prescribed by the commissioner. The commissioner may require the applicant,
6.2 except for child foster care, to demonstrate competence in the applicable licensing
6.3 requirements by successfully completing a written examination. The commissioner may
6.4 develop a prescribed written examination format.

6.5 (f) When an applicant is an individual, the applicant must provide:

6.6 (1) the applicant's taxpayer identification numbers including the Social Security number
6.7 or Minnesota tax identification number, and federal employer identification number if the
6.8 applicant has employees;

6.9 (2) at the request of the commissioner, a copy of the most recent filing with the secretary
6.10 of state that includes the complete business name, if any;

6.11 (3) if doing business under a different name, the doing business as (DBA) name, as
6.12 registered with the secretary of state;

6.13 (4) if applicable, the applicant's National Provider Identifier (NPI) number and Unique
6.14 Minnesota Provider Identifier (UMPI) number; and

6.15 (5) at the request of the commissioner, the notarized signature of the applicant or
6.16 authorized agent.

6.17 (g) When an applicant is an organization, the applicant must provide:

6.18 (1) the applicant's taxpayer identification numbers including the Minnesota tax
6.19 identification number and federal employer identification number;

6.20 (2) at the request of the commissioner, a copy of the most recent filing with the secretary
6.21 of state that includes the complete business name, and if doing business under a different
6.22 name, the doing business as (DBA) name, as registered with the secretary of state;

6.23 (3) the first, middle, and last name, and address for all individuals who will be controlling
6.24 individuals, including all officers, owners, and managerial officials as defined in section
6.25 245A.02, subdivision 5a, and the date that the background study was initiated by the applicant
6.26 for each controlling individual;

6.27 (4) if applicable, the applicant's NPI number and UMPI number;

6.28 (5) the documents that created the organization and that determine the organization's
6.29 internal governance and the relations among the persons that own the organization, have
6.30 an interest in the organization, or are members of the organization, in each case as provided
6.31 or authorized by the organization's governing statute, which may include a partnership

7.1 agreement, bylaws, articles of organization, organizational chart, and operating agreement,
7.2 or comparable documents as provided in the organization's governing statute; and

7.3 (6) the notarized signature of the applicant or authorized agent.

7.4 (h) When the applicant is a government entity, the applicant must provide:

7.5 (1) the name of the government agency, political subdivision, or other unit of government
7.6 seeking the license and the name of the program or services that will be licensed;

7.7 (2) the applicant's taxpayer identification numbers including the Minnesota tax
7.8 identification number and federal employer identification number;

7.9 (3) a letter signed by the manager, administrator, or other executive of the government
7.10 entity authorizing the submission of the license application; and

7.11 (4) if applicable, the applicant's NPI number and UMPI number.

7.12 (i) At the time of application for licensure or renewal of a license under this chapter, the
7.13 applicant or license holder must acknowledge on the form provided by the commissioner
7.14 if the applicant or license holder elects to receive any public funding reimbursement from
7.15 the commissioner for services provided under the license that:

7.16 (1) the applicant's or license holder's compliance with the provider enrollment agreement
7.17 or registration requirements for receipt of public funding may be monitored by the
7.18 commissioner as part of a licensing investigation or licensing inspection; and

7.19 (2) noncompliance with the provider enrollment agreement or registration requirements
7.20 for receipt of public funding that is identified through a licensing investigation or licensing
7.21 inspection, or noncompliance with a licensing requirement that is a basis of enrollment for
7.22 reimbursement for a service, may result in:

7.23 (i) a correction order or a conditional license under section 245A.06, or sanctions under
7.24 section 245A.07;

7.25 (ii) nonpayment of claims submitted by the license holder for public program
7.26 reimbursement;

7.27 (iii) recovery of payments made for the service;

7.28 (iv) disenrollment in the public payment program; or

7.29 (v) other administrative, civil, or criminal penalties as provided by law.

7.30 (j) An applicant or license holder who acknowledges under paragraph (i) that the applicant
7.31 or license holder elects to receive any publicly funded reimbursement from the commissioner

8.1 for services provided under the license that are designated by the commissioner as high-risk
8.2 under section 256B.04, subdivision 21, must provide an attestation with the notarized
8.3 signature of the applicant or authorized agent stating whether the applicant or authorized
8.4 agent received from an unaffiliated business or consultant any assistance preparing:

8.5 (1) the licensure application;

8.6 (2) the renewal application;

8.7 (3) any documentation or written policies submitted with the licensure application;

8.8 (4) any documentation or written policies submitted with the renewal application; or

8.9 (5) any documentation or written policies maintained as a requirement of licensure or
8.10 enrollment as a medical assistance provider.

8.11 Sec. 6. Minnesota Statutes 2025 Supplement, section 245A.04, subdivision 7, is amended
8.12 to read:

8.13 Subd. 7. **Grant of license; license extension.** (a) If the commissioner determines that
8.14 the program complies with all applicable rules and laws, the commissioner shall issue a
8.15 license consistent with this section or, if applicable, a temporary change of ownership license
8.16 under section 245A.043. At minimum, the license shall state:

8.17 (1) the name of the license holder;

8.18 (2) the address of the program;

8.19 (3) the effective date and expiration date of the license;

8.20 (4) the type of license and the specific service the license holder is licensed to provide;

8.21 (5) the maximum number and ages of persons that may receive services from the program;

8.22 and

8.23 (6) any special conditions of licensure.

8.24 (b) The commissioner may issue a license for a period not to exceed two years if:

8.25 (1) the commissioner is unable to conduct the observation required by subdivision 4,
8.26 paragraph (a), clause (3), because the program is not yet operational;

8.27 (2) certain records and documents are not available because persons are not yet receiving
8.28 services from the program; and

8.29 (3) the applicant complies with applicable laws and rules in all other respects.

9.1 (c) A decision by the commissioner to issue a license does not guarantee that any person
9.2 or persons will be placed or cared for in the licensed program.

9.3 (d) Except as provided in paragraphs (i) and (j), the commissioner shall not issue a
9.4 license if the applicant, license holder, or an affiliated controlling individual has:

9.5 (1) been disqualified and the disqualification was not set aside and no variance has been
9.6 granted;

9.7 (2) been denied a license under this chapter or chapter 142B within the past two years;

9.8 (3) had a license issued under this chapter or chapter 142B revoked within the past five
9.9 years; or

9.10 (4) failed to submit the information required of an applicant under subdivision 1,
9.11 paragraph (f), (g), ~~(h)~~, or (j), after being requested by the commissioner.

9.12 When a license issued under this chapter or chapter 142B is revoked, the license holder
9.13 and each affiliated controlling individual with a revoked license may not hold any license
9.14 under chapter 245A for five years following the revocation, and other licenses held by the
9.15 applicant or license holder or licenses affiliated with each controlling individual shall also
9.16 be revoked.

9.17 (e) Notwithstanding paragraph (d), the commissioner may elect not to revoke a license
9.18 affiliated with a license holder or controlling individual that had a license revoked within
9.19 the past five years if the commissioner determines that (1) the license holder or controlling
9.20 individual is operating the program in substantial compliance with applicable laws and rules
9.21 and (2) the program's continued operation is in the best interests of the community being
9.22 served.

9.23 (f) Notwithstanding paragraph (d), the commissioner may issue a new license in response
9.24 to an application that is affiliated with an applicant, license holder, or controlling individual
9.25 that had an application denied within the past two years or a license revoked within the past
9.26 five years if the commissioner determines that (1) the applicant or controlling individual
9.27 has operated one or more programs in substantial compliance with applicable laws and rules
9.28 and (2) the program's operation would be in the best interests of the community to be served.

9.29 (g) In determining whether a program's operation would be in the best interests of the
9.30 community to be served, the commissioner shall consider factors such as the number of
9.31 persons served, the availability of alternative services available in the surrounding
9.32 community, the management structure of the program, whether the program provides
9.33 culturally specific services, and other relevant factors.

10.1 (h) The commissioner shall not issue or reissue a license under this chapter if an individual
10.2 living in the household where the services will be provided as specified under section
10.3 245C.03, subdivision 1, has been disqualified and the disqualification has not been set aside
10.4 and no variance has been granted.

10.5 (i) Pursuant to section 245A.07, subdivision 1, paragraph (b), when a license issued
10.6 under this chapter has been suspended or revoked and the suspension or revocation is under
10.7 appeal, the program may continue to operate pending a final order from the commissioner.
10.8 If the license under suspension or revocation will expire before a final order is issued, a
10.9 temporary provisional license may be issued provided any applicable license fee is paid
10.10 before the temporary provisional license is issued.

10.11 (j) Notwithstanding paragraph (i), when a revocation is based on the disqualification of
10.12 a controlling individual or license holder, and the controlling individual or license holder
10.13 is ordered under section 245C.17 to be immediately removed from direct contact with
10.14 persons receiving services or is ordered to be under continuous, direct supervision when
10.15 providing direct contact services, the program may continue to operate only if the program
10.16 complies with the order and submits documentation demonstrating compliance with the
10.17 order. If the disqualified individual fails to submit a timely request for reconsideration, or
10.18 if the disqualification is not set aside and no variance is granted, the order to immediately
10.19 remove the individual from direct contact or to be under continuous, direct supervision
10.20 remains in effect pending the outcome of a hearing and final order from the commissioner.

10.21 (k) Unless otherwise specified by statute, all licenses issued under this chapter expire
10.22 at 12:01 a.m. on the day after the expiration date stated on the license. A license holder must
10.23 comply with the requirements in section 245A.10 and be reissued a new license to operate
10.24 the program or the program must not be operated after the expiration date. Adult foster care,
10.25 family adult day services, child foster residence setting, and community residential services
10.26 license holders must apply for and be granted a new license to operate the program or the
10.27 program must not be operated after the expiration date. Upon implementation of the provider
10.28 licensing and reporting hub, licenses may be issued each calendar year.

10.29 (l) The commissioner shall not issue or reissue a license under this chapter if it has been
10.30 determined that a Tribal licensing authority has established jurisdiction to license the program
10.31 or service.

10.32 (m) The commissioner of human services may coordinate and share data with the
10.33 commissioner of children, youth, and families to enforce this section.

11.1 (n) For substance use disorder treatment programs, for the purposes of paragraph (a),
11.2 clause (5), the maximum number of persons who may receive services from the program
11.3 includes persons served at satellite locations.

11.4 Sec. 7. Minnesota Statutes 2025 Supplement, section 245A.05, is amended to read:

11.5 **245A.05 DENIAL OF APPLICATION.**

11.6 (a) The commissioner may deny a license if an applicant or controlling individual:

11.7 (1) fails to submit a substantially complete application after receiving notice from the
11.8 commissioner under section 245A.04, subdivision 1;

11.9 (2) fails to comply with applicable laws or rules;

11.10 (3) knowingly withholds relevant information from or gives false or misleading
11.11 information to the commissioner in connection with an application for a license or during
11.12 an investigation;

11.13 (4) has a disqualification that has not been set aside under section 245C.22 and no
11.14 variance has been granted;

11.15 (5) has an individual living in the household who received a background study under
11.16 section 245C.03, subdivision 1, paragraph (a), clause (2), who has a disqualification that
11.17 has not been set aside under section 245C.22, and no variance has been granted;

11.18 (6) is associated with an individual who received a background study under section
11.19 245C.03, subdivision 1, paragraph (a), clause (6), who may have unsupervised access to
11.20 children or vulnerable adults, and who has a disqualification that has not been set aside
11.21 under section 245C.22, and no variance has been granted;

11.22 (7) fails to comply with section 245A.04, subdivision 1, paragraph (f) ~~or~~ (g), or (j);

11.23 (8) fails to demonstrate competent knowledge as required by section 245A.04, subdivision
11.24 6;

11.25 (9) has a history of noncompliance as a license holder or controlling individual with
11.26 applicable laws or rules, including but not limited to this chapter and chapters 142E and
11.27 245C;

11.28 (10) is prohibited from holding a license according to section 245.095; or

11.29 (11) is the subject of a pending administrative, civil, or criminal investigation.

11.30 (b) An applicant whose application has been denied by the commissioner must be given
11.31 notice of the denial, which must state the reasons for the denial in plain language. Notice

12.1 must be given by certified mail, by personal service, or through the provider licensing and
12.2 reporting hub. The notice must state the reasons the application was denied and must inform
12.3 the applicant of the right to a contested case hearing under chapter 14 and Minnesota Rules,
12.4 parts 1400.8505 to 1400.8612. The applicant may appeal the denial by notifying the
12.5 commissioner in writing by certified mail, by personal service, or through the provider
12.6 licensing and reporting hub. If mailed, the appeal must be postmarked and sent to the

12.9 within 20 calendar days after the applicant received the notice of denial. If the order is issued
12.10 through the provider hub, the appeal must be received by the commissioner within 20
12.11 calendar days from the date the commissioner issued the order through the hub. Section
12.12 245A.08 applies to hearings held to appeal the commissioner's denial of an application.

12.13 Sec. 8. Minnesota Statutes 2024, section 245D.081, subdivision 3, is amended to read:

12.14 Subd. 3. **Program management and oversight.** (a) The license holder must designate

12.22 (2) ensuring the duties of the designated coordinator are fulfilled according to the
12.23 requirements in subdivision 2;

12.24 (3) ensuring the program implements corrective action identified as necessary by the
12.25 program following review of incident and emergency reports according to the requirements
12.26 in section 245D.11, subdivision 2, clause (7). An internal review of incident reports of
12.27 alleged or suspected maltreatment must be conducted according to the requirements in
12.28 section 245A.65, subdivision 1, paragraph (b);

13.25 ~~A provider must enroll each provider-controlled location where direct services are~~
13.26 ~~provided. The commissioner may deny a provider's incomplete application if a provider~~
13.27 ~~fails to respond to the commissioner's request for additional information within 60 days of~~
13.28 ~~the request. The commissioner must conduct a background study under chapter 245C,~~
13.29 ~~including a review of databases in section 245C.08, subdivision 1, paragraph (a), clauses~~
13.30 ~~(1) to (5), for a provider described in this paragraph. The background study requirement~~

- 14.1 ~~the provider that includes a review of databases in section 245C.08, subdivision 1, paragraph~~
14.2 ~~(a), clauses (1) to (5).~~
- 14.3 ~~(b) The commissioner shall revalidate:~~
- 14.4 ~~(1) each provider under this subdivision at least once every five years;~~
- 14.5 ~~(2) each personal care assistance agency, CFSS provider agency, and CFSS financial~~
14.6 ~~management services provider under this subdivision at least once every three years;~~

- 14.11 ~~(1) provide 30-day notice of the revalidation due date including instructions for~~
14.12 ~~revalidation and a list of materials the provider must submit;~~
- 14.13 ~~(2) if a provider fails to submit all required materials by the due date, notify the provider~~
14.14 ~~of the deficiency within 30 days after the due date and allow the provider an additional 30~~
14.15 ~~days from the notification date to comply; and~~
- 14.16 ~~(3) if a provider fails to remedy a deficiency within the 30-day time period, give 60-day~~
14.17 ~~notice of termination and immediately suspend the provider's ability to bill. The provider~~
14.18 ~~does not have the right to appeal suspension of ability to bill.~~
- 14.19 ~~(d) If a provider fails to comply with any individual provider requirement or condition~~
14.20 ~~of participation, the commissioner may suspend the provider's ability to bill until the provider~~
14.21 ~~comes into compliance. The commissioner's decision to suspend the provider is not subject~~
14.22 ~~to an administrative appeal.~~
- 14.23 ~~(e) Correspondence and notifications, including notifications of termination and other~~
14.24 ~~actions, may be delivered electronically to a provider's MN-ITS mailbox. This paragraph~~
14.25 ~~does not apply to correspondences and notifications related to background studies.~~
- 14.26 ~~(f) If the commissioner or the Centers for Medicare and Medicaid Services determines~~
14.27 ~~that a provider is designated "high-risk," the commissioner may withhold payment from~~
14.28 ~~providers within that category upon initial enrollment for a 90-day period. The withholding~~
14.29 ~~for each provider must begin on the date of the first submission of a claim.~~
- 14.30 ~~(g) An enrolled provider that is also licensed by the commissioner under chapter 245A,~~
14.31 ~~is licensed as a home care provider by the Department of Health under chapter 144A, or is~~
14.32 ~~licensed as an assisted living facility under chapter 144G and has a home and~~

15.1 ~~community-based services designation on the home care license under section 144A.484,~~
15.2 ~~must designate an individual as the entity's compliance officer. The compliance officer~~
15.3 ~~must:~~

15.4 ~~(1) develop policies and procedures to assure adherence to medical assistance laws and~~
15.5 ~~regulations and to prevent inappropriate claims submissions;~~

15.6 ~~(2) train the employees of the provider entity, and any agents or subcontractors of the~~
15.7 ~~provider entity including billers, on the policies and procedures under clause (1);~~

15.8 ~~(3) respond to allegations of improper conduct related to the provision or billing of~~
15.9 ~~medical assistance services, and implement action to remediate any resulting problems;~~

15.12 ~~(5) promptly report to the commissioner any identified violations of medical assistance~~
15.13 ~~laws or regulations; and~~

15.14 ~~(6) within 60 days of discovery by the provider of a medical assistance reimbursement~~
15.15 ~~overpayment, report the overpayment to the commissioner and make arrangements with~~
15.16 ~~the commissioner for the commissioner's recovery of the overpayment.~~

15.17 ~~The commissioner may require, as a condition of enrollment in medical assistance, that a~~

15.19 ~~contains the core elements established by the Centers for Medicare and Medicaid Services.~~

15.20 ~~(h) The commissioner may revoke the enrollment of an ordering or rendering provider~~
15.21 ~~for a period of not more than one year, if the provider fails to maintain and, upon request~~
15.22 ~~from the commissioner, provide access to documentation relating to written orders or requests~~
15.23 ~~for payment for durable medical equipment, certifications for home health services, or~~
15.24 ~~referrals for other items or services written or ordered by such provider, when the~~
15.25 ~~commissioner has identified a pattern of a lack of documentation. A pattern means a failure~~
15.26 ~~to maintain documentation or provide access to documentation on more than one occasion.~~
15.27 ~~Nothing in this paragraph limits the authority of the commissioner to sanction a provider~~
15.28 ~~under the provisions of section 256B.064.~~

15.29 ~~(i) The commissioner shall terminate or deny the enrollment of any individual or entity~~
15.30 ~~if the individual or entity has been terminated from participation in Medicare or under the~~
15.31 ~~Medicaid program or Children's Health Insurance Program of any other state. The~~
15.32 ~~commissioner may exempt a rehabilitation agency from termination or denial that would~~
15.33 ~~otherwise be required under this paragraph, if the agency:~~

16.1 ~~(1) is unable to retain Medicare certification and enrollment solely due to a lack of billing~~
16.2 ~~to the Medicare program;~~

16.3 ~~(2) meets all other applicable Medicare certification requirements based on an on-site~~
16.4 ~~review completed by the commissioner of health; and~~

16.5 ~~(3) serves primarily a pediatric population.~~

16.6 ~~(j) As a condition of enrollment in medical assistance, the commissioner shall require~~
16.7 ~~that a provider designated "moderate" or "high-risk" by the Centers for Medicare and~~
16.8 ~~Medicaid Services or the commissioner permit the Centers for Medicare and Medicaid~~
16.9 ~~Services, its agents, or its designated contractors and the state agency, its agents, or its~~
16.10 ~~designated contractors to conduct unannounced on-site inspections of any provider location.~~
16.11 ~~The commissioner shall publish in the Minnesota Health Care Program Provider Manual a~~
16.12 ~~list of provider types designated "limited," "moderate," or "high-risk," based on the criteria~~
16.13 ~~and standards used to designate Medicare providers in Code of Federal Regulations, title~~
16.14 ~~42, section 424.518. The list and criteria are not subject to the requirements of chapter 14.~~
16.15 ~~The commissioner's designations are not subject to administrative appeal.~~

16.16 ~~(k) As a condition of enrollment in medical assistance, the commissioner shall require~~
16.17 ~~that a high-risk provider, or a person with a direct or indirect ownership interest in the~~
16.18 ~~provider of five percent or higher, consent to criminal background checks, including~~
16.19 ~~fingerprinting, when required to do so under state law or by a determination by the~~
16.20 ~~commissioner or the Centers for Medicare and Medicaid Services that a provider is designated~~
16.21 ~~high-risk for fraud, waste, or abuse.~~

16.22 ~~(l)(1) Upon initial enrollment, reenrollment, and notification of revalidation, all durable~~
16.23 ~~medical equipment, prosthetics, orthotics, and supplies (DMEPOS) medical suppliers~~
16.24 ~~meeting the durable medical equipment provider and supplier definition in clause (3),~~
16.25 ~~operating in Minnesota and receiving Medicaid funds must purchase a surety bond that is~~
16.26 ~~annually renewed and designates the Minnesota Department of Human Services as the~~
16.27 ~~obligee, and must be submitted in a form approved by the commissioner. For purposes of~~
16.28 ~~this clause, the following medical suppliers are not required to obtain a surety bond: a~~
16.29 ~~federally qualified health center, a home health agency, the Indian Health Service, a~~
16.30 ~~pharmacy, and a rural health clinic.~~

16.31 ~~(2) At the time of initial enrollment or reenrollment, durable medical equipment providers~~
16.32 ~~and suppliers defined in clause (3) must purchase a surety bond of \$50,000. If a revalidating~~
16.33 ~~provider's Medicaid revenue in the previous calendar year is up to and including \$300,000,~~
16.34 ~~the provider agency must purchase a surety bond of \$50,000. If a revalidating provider's~~

17.1 ~~Medicaid revenue in the previous calendar year is over \$300,000, the provider agency must~~
17.2 ~~purchase a surety bond of \$100,000. The surety bond must allow for recovery of costs and~~
17.3 ~~fees in pursuing a claim on the bond. Any action to obtain monetary recovery or sanctions~~
17.4 ~~from a surety bond must occur within six years from the date the debt is affirmed by a final~~
17.5 ~~agency decision. An agency decision is final when the right to appeal the debt has been~~
17.6 ~~exhausted or the time to appeal has expired under section 256B.064.~~

17.7 ~~(3) "Durable medical equipment provider or supplier" means a medical supplier that can~~
17.8 ~~purchase medical equipment or supplies for sale or rental to the general public and is able~~
17.9 ~~to perform or arrange for necessary repairs to and maintenance of equipment offered for~~
17.10 ~~sale or rental.~~

17.11 ~~(m) The Department of Human Services may require a provider to purchase a surety~~
17.12 ~~bond as a condition of initial enrollment, reenrollment, reinstatement, or continued enrollment~~
17.13 ~~if: (1) the provider fails to demonstrate financial viability, (2) the department determines~~
17.14 ~~there is significant evidence of or potential for fraud and abuse by the provider, or (3) the~~
17.15 ~~provider or category of providers is designated high-risk pursuant to paragraph (f) and as~~
17.16 ~~per Code of Federal Regulations, title 42, section 455.450. The surety bond must be in an~~
17.17 ~~amount of \$100,000 or ten percent of the provider's payments from Medicaid during the~~
17.18 ~~immediately preceding 12 months, whichever is greater. The surety bond must name the~~
17.19 ~~Department of Human Services as an obligee and must allow for recovery of costs and fees~~
17.20 ~~in pursuing a claim on the bond. This paragraph does not apply if the provider currently~~
17.21 ~~maintains a surety bond under the requirements in section 256B.051, 256B.0659, 256B.0701,~~
17.22 ~~or 256B.85.~~

23.14 **Sec. 14. [256B.0442] PROVIDER ENROLLMENT SUSPENSIONS AND**
23.15 **TERMINATIONS.**

23.16 Subdivision 1. **Suspension of billing privileges.** (a) If a provider fails to comply with
23.17 any individual provider requirement or condition of participation, the commissioner must
23.18 suspend the provider's ability to bill until the provider comes into compliance.

23.19 (b) Notwithstanding any law to the contrary, the commissioner may immediately impose
23.20 a suspension under this subdivision when necessary to protect public funds or ensure program
23.21 integrity.

23.22 (c) A suspension under this subdivision does not limit the authority of the commissioner
23.23 to issue any other sanction authorized under federal or state law.

23.24 (d) The commissioner's decision to suspend a provider's ability to bill is not subject to
23.25 an administrative appeal.

23.26 Subd. 2. **Revocation for lack of documentation.** (a) The commissioner may revoke
23.27 the enrollment of an ordering or rendering provider for a period of not more than one year
23.28 if the provider fails to maintain and, upon request from the commissioner, provide access
23.29 to documentation relating to written orders or requests for payment for durable medical
23.30 equipment, certifications for home health services, or referrals for other items or services
23.31 written or ordered by the provider when the commissioner has identified a pattern of a lack
23.32 of documentation. A pattern means a failure to maintain documentation or provide access
23.33 to documentation on more than one occasion.

24.1 (b) Nothing in this subdivision limits the authority of the commissioner to sanction a
24.2 provider under the provisions of section 256B.064.

24.3 Subd. 3. **Mandatory denial or termination of enrollment.** (a) The commissioner must
24.4 terminate or deny the enrollment of a provider when:

24.5 (1) an individual with a five percent or greater direct or indirect ownership interest in
24.6 the provider does not submit timely and accurate information and cooperate with the
24.7 screening methods required under section 256B.044;

24.8 (2) an individual with a five percent or greater direct or indirect ownership interest in
24.9 the provider has been convicted of a criminal offense related to the individual's involvement
24.10 in Medicare, Medicaid, or the Children's Health Insurance Program in the last ten years,
24.11 unless the commissioner determines that denial or termination of enrollment is not in the
24.12 best interests of the medical assistance program and the commissioner documents that
24.13 determination in writing;

24.14 (3) the provider, or an individual with a five percent or greater direct or indirect ownership
24.15 interest in the provider, was terminated from participation in Medicare on or after January
24.16 1, 2011, or under a Medicaid program or Children's Health Insurance Program of any other
24.17 state, and is currently included in the termination database under Code of Federal Regulations,
24.18 title 42, section 455.417, except as provided in paragraph (b);

24.19 (4) the provider, or an individual with a five percent or greater direct or indirect ownership
24.20 interest in the provider, fails to submit timely or accurate information, unless the
24.21 commissioner determines that termination or denial of enrollment is not in the best interests
24.22 of the medical assistance program and the commissioner documents that determination in
24.23 writing;

24.24 (5) the provider, or an individual with a five percent or greater direct or indirect ownership
24.25 interest in the provider, fails to submit sets of fingerprints in a form and manner determined
24.26 by the commissioner within 30 days of a request from Centers for Medicare and Medicaid
24.27 Services (CMS) or the commissioner, unless the commissioner determines that termination
24.28 or denial of enrollment is not in the best interests of the medical assistance program and the
24.29 commissioner documents that determination in writing;

24.30 (6) the provider fails to permit access to provider locations for any site visits under
24.31 section 256B.044, subdivision 5, unless the commissioner determines that termination or
24.32 denial of enrollment is not in the best interests of the medical assistance program and the
24.33 commissioner documents that determination in writing; or

25.1 (7) CMS or the commissioner determines that the provider has falsified any information
25.2 provided on the application or cannot verify the identity of any provider applicant.

25.3 (b) The commissioner may exempt a rehabilitation agency from termination or denial
25.4 that would otherwise be required under paragraph (a), clause (3), if the agency:

25.5 (1) is unable to retain Medicare certification and enrollment solely due to a lack of billing
25.6 to the Medicare program;

25.7 (2) meets all other applicable Medicare certification requirements based on an on-site
25.8 review completed by the commissioner of health; and

25.9 (3) serves primarily a pediatric population.

25.10 **Sec. 15. [256B.0443] PROVIDER PAYMENT WITHHOLDS.**

25.11 (a) If the commissioner or the Centers for Medicare and Medicaid Services designate a
25.12 provider type as high-risk under section 256B.044, subdivision 1, the commissioner may
25.13 withhold payment from providers within that category upon initial enrollment for a 90-day
25.14 period.

25.15 (b) The withholding for each provider must begin on the date of the first submission of
25.16 a claim.

25.17 **Sec. 16. [256B.0444] ENROLLMENT MORATORIUM FOR HIGH-RISK**
25.18 **PROVIDERS.**

25.19 Subdivision 1. **Provider enrollment moratorium.** (a) If the commissioner or the Centers
25.20 for Medicare and Medicaid Services (CMS) designates a provider type as high-risk under
25.21 section 256B.044, subdivision 1, the commissioner may issue a statewide or regional
25.22 enrollment moratorium and stop accepting and processing applications from providers
25.23 within that category within 30 days of the date of the designation or upon federal approval
25.24 of the moratorium, whichever is later. A moratorium issued under this section is effective
25.25 for a period of up to 24 months from the date the moratorium is issued.

25.26 (b) Before ending the moratorium under this section, the commissioner must revalidate
25.27 the enrollment of each provider within the affected category in accordance with the
25.28 revalidation procedures under section 256B.0441, subdivision 3.

25.29 Subd. 2. **Continued enrollment of new clients.** Nothing in this section prohibits an
25.30 enrolled provider subject to a moratorium under this section from enrolling new clients or
25.31 beneficiaries during the period of the enrollment moratorium.

26.1 Subd. 3. **Notice.** At least ten days prior to issuing an enrollment moratorium under this
26.2 section, the commissioner must notify enrolled providers within the affected category and
26.3 the chairs and ranking minority members of the legislative committees with jurisdiction
26.4 over health and human services about the actions the commissioner plans to take under this
26.5 section. The notice must:

- 26.6 (1) include a list of provider types to which the moratorium applies;
26.7 (2) provide a general explanation for the basis of the high-risk designation; and
26.8 (3) identify the start dates and anticipated durations of the enrollment moratorium.

26.9 Subd. 4. **Report to legislature.** Within 60 days of ending an enrollment moratorium
26.10 under this section, the commissioner must submit a report to the chairs and ranking minority
26.11 members of the legislative committees with jurisdiction over health and human services.
26.12 The report must include, at a minimum:

- 26.13 (1) a summary of any sanctions imposed under section 256B.064 on any providers subject
26.14 to the moratorium; and
26.15 (2) recommendations for modifying or terminating the provision of covered services
26.16 delivered by provider types subject to the moratorium.

26.17 **Sec. 17. [256B.0445] ADDITIONAL PROVIDER ENROLLMENT REQUIREMENTS**
26.18 **FOR SPECIFIC PROVIDER TYPES.**

26.19 Subdivision 1. **Durable medical equipment provider or supplier.** (a) For the purposes
26.20 of this subdivision, "durable medical equipment provider or supplier" means a medical
26.21 supplier that can purchase medical equipment or supplies for sale or rent to the general
26.22 public and is able to perform or arrange for necessary repairs to and maintenance of
26.23 equipment offered for sale or rent.

26.24 (b) Upon initial enrollment, reenrollment, and notification of revalidation, all durable
26.25 medical equipment, prosthetics, orthotics, and supplies medical suppliers meeting the durable
26.26 medical equipment provider or supplier definition in paragraph (a), operating in Minnesota,
26.27 and receiving medical assistance money must purchase a surety bond that is annually
26.28 renewed, designates the state agency as the obligee, and is submitted in a form approved
26.29 by the commissioner. For purposes of this paragraph, the following medical suppliers are
26.30 not required to obtain a surety bond: a federally qualified health center, a home health
26.31 agency, the Indian Health Service, a pharmacy, and a rural health clinic.

27.1 (c) At the time of initial enrollment or reenrollment, durable medical equipment providers
27.2 or suppliers defined in paragraph (a) must purchase a surety bond of \$50,000. If a revalidating
27.3 provider's medical assistance revenue in the previous calendar year is up to and including
27.4 \$300,000, the provider agency must purchase a surety bond of \$50,000. If a revalidating
27.5 provider's medical assistance revenue in the previous calendar year is over \$300,000, the
27.6 provider agency must purchase a surety bond of \$100,000. The surety bond must allow for
27.7 recovery of costs and fees in pursuing a claim on the bond. Any action to obtain monetary
27.8 recovery or sanctions from a surety bond must occur within six years from the date the debt
27.9 is affirmed by a final agency decision. An agency decision is final when the right to appeal
27.10 the debt has been exhausted or the time to appeal has expired under section 256B.064.

27.11 Subd. 2. **Providers licensed by the commissioner of human services.** An enrolled
27.12 provider that is licensed by the commissioner under chapter 245A must designate an
27.13 individual as the licensee's compliance officer under section 256B.044, subdivision 8,
27.14 paragraph (b).

27.15 Subd. 3. **Providers licensed by the commissioner of health.** An enrolled provider that
27.16 is licensed by the commissioner of health as a home care provider under chapter 144A with
27.17 a home and community-based services designation under section 144A.484 on the home
27.18 care license, or as an assisted living facility under chapter 144G, must designate an individual
27.19 as the licensee's compliance officer under section 256B.044, subdivision 8, paragraph (b).

27.20 Sec. 18. **[256B.0446] ADDITIONAL PROVIDER ENROLLMENT TRAINING**
27.21 **REQUIREMENTS FOR HIGH-RISK PROVIDERS.**

27.22 Subdivision 1. **Applicability.** This section applies to any agency that provides a service
27.23 designated by the commissioner as high-risk under section 256B.04, subdivision 21. For
27.24 purposes of this section, "agency" means the legal entity that is applying to be or is enrolled
27.25 with Minnesota health care programs as a medical assistance provider according to Minnesota
27.26 Rules, part 9505.0195.

27.27 Subd. 2. **Mandatory compliance training.** (a) Effective January 1, 2027, before applying
27.28 for enrollment or reenrollment as a medical assistance provider, an agency applying to
27.29 provide services designated by the commissioner as high-risk under section 256B.04,
27.30 subdivision 21, must require all owners of the agency who are active in the day-to-day
27.31 management and operations of the agency and all managerial and supervisory employees
27.32 to complete compliance training. All individuals required to complete training under this
27.33 subdivision must repeat the training prior to the agency's revalidation as a medical assistance
27.34 provider.

28.1 (b) New owners active in day-to-day management and operations of the agency and new
28.2 managerial and supervisory employees of the agency must complete compliance training
28.3 under this subdivision within 30 calendar days of becoming an owner of or beginning
28.4 employment with the agency and prior to conducting any management or operations activities
28.5 for the agency. If an individual moves to another agency providing the same service and
28.6 serves in a similar ownership or employment capacity, the individual is not required to
28.7 repeat the training required under this subdivision. If the individual does not repeat the
28.8 compliance training, the individual must provide documentation to the agency that proves
28.9 that the individual completed the compliance training within the provider revalidation
28.10 schedule for the relevant provider type as determined by the commissioner under section
28.11 256B.04, subdivision 21, paragraphs (b) and (c).

28.12 (c) The commissioner must determine the format and content of the compliance training.
28.13 The training must include the following topics, adapted as necessary for each provider type
28.14 subject to the requirements of this subdivision:

- 28.15 (1) state and federal program billing, documentation, and service delivery requirements;
28.16 (2) enrollment requirements;
28.17 (3) provider program integrity, including fraud prevention, detection, and penalties;
28.18 (4) fair labor standards;
28.19 (5) workplace safety requirements; and
28.20 (6) recent changes in service requirements.

28.21 **Sec. 19. [256B.0447] ENHANCED PREPAYMENT REVIEW.**

28.22 Subdivision 1. **Purpose and authority.** The commissioner must conduct enhanced
28.23 prepayment review of submitted fee-for-service medical assistance claims to ensure
28.24 compliance with state and federal law and prevent improper payments before payment.

28.25 Subd. 2. **Providers, services, and claims subject to review.** (a) The commissioner must
28.26 conduct enhanced prepayment review under this section when:

28.27 (1) the commissioner or the Centers for Medicare and Medicaid Services designates a
28.28 provider type as high-risk under section 256B.04, subdivision 21, paragraph (j), for
28.29 fee-for-service claims submitted by providers within that category;

28.30 (2) the commissioner or the Centers for Medicare and Medicaid Services designates a
28.31 covered service as high-risk, for fee-for-service claims submitted for that service by any
28.32 provider, except the Indian Health Service; or

29.1 (3) a new provider enrolls in medical assistance.

29.2 (b) The commissioner may place any other provider, provider type, covered service, or
29.3 category of fee-for-service claims under enhanced prepayment review when the commissioner
29.4 determines there is a risk of improper payment.

29.5 (c) Nothing in this section prevents the commissioner from establishing enhanced
29.6 prepayment review in other circumstances if required by the Centers for Medicare and
29.7 Medicaid Services.

29.8 Subd. 3. **Review requirements.** (a) The commissioner must implement an enhanced
29.9 prepayment review established under subdivision 2, paragraph (a), within 15 days of the
29.10 date of the high-risk designation, effective for a period of up to 24 months from the date
29.11 the review is implemented.

29.12 (b) Before ending enhanced prepayment review under subdivision 2, paragraph (a),
29.13 clause (1) or (2), the commissioner must review the fee-for-service claims submitted during
29.14 the period the provider type or covered service was subject to the enhanced prepayment
29.15 review and determine whether continuation of the review is warranted.

29.16 Subd. 4. **Notice.** (a) Except as provided in paragraph (b), the commissioner must provide
29.17 written notice to a provider placed under enhanced prepayment review at least 15 days
29.18 before the review is implemented. The notice must include:

29.19 (1) the basis for the review;

29.20 (2) the effective date of the review; and

29.21 (3) the standards the commissioner will use to determine when the provider, service, or
29.22 claims will no longer be subject to enhanced prepayment review.

29.23 (b) The commissioner may delay, limit, or withhold notice to a provider if providing
29.24 notice would compromise program integrity, prejudice an audit or investigation, or conflict
29.25 with federal law or federal guidance.

29.26 (c) At least 15 days before implementing an enhanced prepayment review, the
29.27 commissioner must notify the chairs and ranking minority members of the legislative
29.28 committees with jurisdiction over health and human services policy and finance about the
29.29 enhanced prepayment review the commissioner plans to implement under this section. The
29.30 notice must include:

29.31 (1) the basis for the review;

29.32 (2) the effective date of the review;

30.1 (3) the providers, provider types, covered services, or categories of claims to which
30.2 enhanced prepayment review applies;

30.3 (4) the anticipated duration of the enhanced prepayment review; and

30.4 (5) the standards the commissioner will use to determine when the provider, service, or
30.5 claims will no longer be subject to enhanced prepayment review.

30.6 Subd. 5. **Continued enrollment of new clients.** Nothing in this section prohibits an
30.7 enrolled provider that is subject to enhanced prepayment review from enrolling new clients
30.8 or beneficiaries during the period of review unless otherwise prohibited by law or by a
30.9 separate action of the commissioner.

30.10 Subd. 6. **Timely claims processing.** The commissioner must administer enhanced
30.11 prepayment review in a manner consistent with Code of Federal Regulations, title 42, section
30.12 447.45.

30.13 Subd. 7. **Duration and termination.** (a) Enhanced prepayment review may continue
30.14 for up to 24 consecutive months unless:

30.15 (1) the commissioner determines that earlier termination is appropriate based on sustained
30.16 compliance; or

30.17 (2) the commissioner has initiated sanction, suspension, termination, or other enforcement
30.18 action arising out of the review and that action remains pending on appeal, in which case
30.19 the enhanced prepayment review may continue until final disposition of the enforcement
30.20 action.

30.21 (b) Claims for services furnished during the period of enhanced prepayment review
30.22 remain subject to review before payment regardless of when the claims are submitted.

30.23 Subd. 8. **Relationship to other actions.** Enhanced prepayment review under this section
30.24 does not preclude the commissioner from conducting a preliminary investigation, full
30.25 investigation, payment suspension, postpayment review, audit, overpayment recovery,
30.26 sanction, or referral to law enforcement under this chapter or under applicable federal law.

30.27 Subd. 9. **Report to the legislature.** (a) Within 60 days after ending an enhanced
30.28 prepayment review under this section, the commissioner must submit a report to the chairs
30.29 and ranking minority members of the legislative committees with jurisdiction over health
30.30 and human services policy and finance. The report must include, at a minimum:

30.31 (1) the providers, provider types, covered services, or categories of claims subject to
30.32 review;

31.1 (2) the duration of the review;

31.2 (3) aggregate outcomes, including claim denials, payments delayed, and referrals for
31.3 further action; and

31.4 (4) recommendations for statutory, administrative, or systems changes.

31.5 (b) Notwithstanding section 256.01, subdivision 42, this subdivision does not expire.

31.6 **EFFECTIVE DATE.** This section is effective January 1, 2027.

31.7 Sec. 20. [256B.0448] **POSTPAYMENT REVIEW.**

31.8 Subdivision 1. **Purpose and authority.** The commissioner may conduct postpayment
31.9 review of claims, encounters, cost reports, rate submissions, and other billings submitted
31.10 for payment or reimbursement under this chapter to identify improper payments and recover
31.11 payments made in violation of state or federal law or program requirements.

31.12 Subd. 2. **Scope of review.** The commissioner may conduct postpayment review on a
31.13 claim-by-claim basis or through other review methods authorized by state or federal law.

31.14 Subd. 3. **Provider obligations.** (a) A provider subject to postpayment review must
31.15 maintain documentation necessary to support claims, encounters, cost reports, rate
31.16 submissions, other billings submitted for payment or reimbursement under this chapter, and
31.17 compliance with program requirements.

31.18 (b) The commissioner may require a provider to submit records or supporting
31.19 documentation relevant to a postpayment review.

31.20 (c) A provider's failure to provide requested records or supporting documentation to the
31.21 commissioner according to the timeline specified by the commissioner may result in recovery
31.22 of payments or sanctions under section 256B.064 and other applicable laws.

31.23 Subd. 4. **Recovery and sanctions.** If postpayment review identifies an overpayment or
31.24 other noncompliance with medical assistance payment requirements, the commissioner may
31.25 recover payments and impose sanctions in accordance with section 256B.064 and other
31.26 applicable laws.

31.27 Subd. 5. **Relationship to other actions.** Conducting postpayment review of a provider
31.28 under this section does not preclude the commissioner from conducting a preliminary
31.29 investigation, full investigation, enhanced prepayment review, payment suspension, audit,
31.30 overpayment recovery, sanction, or referral to law enforcement under this chapter or under
31.31 applicable federal law.

32.1 **EFFECTIVE DATE.** This section is effective January 1, 2027.

32.2 Sec. 21. **[256B.045] RECIPIENT PROTECTIONS AND CONTINUITY OF CARE**
32.3 **WHEN A PROVIDER IS SUBJECT TO A SERIOUS OPERATIONAL EVENT.**

32.4 Subdivision 1. **Definitions.** (a) For purposes of sections 256B.045 to 256B.047, the
32.5 following terms have the meanings given.

32.6 (b) "Complex transition" means a provider termination, suspension, revocation, or closure
32.7 event that, without structured transition measures, would likely result in avoidable
32.8 hospitalization, institutionalization, serious clinical deterioration, or loss of housing or
32.9 placement for a recipient.

32.10 (c) "Direct recipient care costs" means costs necessary to furnish covered services,
32.11 excluding owner distributions, dividends, related party profit, and other noncare financial
32.12 transfers.

32.13 (d) "Lead agency" means a county, Tribe, or managed care organization.

32.14 (e) "Recipient" means an enrollee, participant, resident, or other individual receiving
32.15 services under medical assistance.

32.16 (f) "Serious operational event" means sanctions or termination actions affecting provider
32.17 participation or payments under section 256B.064, licensure loss or revocation, insolvency,
32.18 receivership, bankruptcy, abandonment, or inability of a provider to safely operate.

32.19 Subd. 2. **Provider duties.** If a medical assistance service provider determines it is unable
32.20 to continue to provide services to a recipient due to a serious operational event, the provider
32.21 must:

32.22 (1) when practicable, notify each recipient; each recipient's responsible party, if
32.23 applicable; the lead agency; and the commissioner 30 days before terminating services to
32.24 each recipient;

32.25 (2) assist the commissioner and lead agency in supporting each recipient in transitioning
32.26 to another provider of each recipient's choice; and

32.27 (3) when practicable, provide each recipient with a copy of the relevant recipient bill of
32.28 rights or recipient protections, if applicable, at least 30 days before terminating services.

32.29 Subd. 3. **Commissioner's duties.** (a) When a provider is subject to a serious operational
32.30 event, the commissioner or the commissioner's delegate must:

33.1 (1) inform the appropriate ombudsperson's office, if applicable, and the lead agency for
33.2 each recipient currently receiving services; and

33.3 (2) directly notify each recipient who receives services from the provider in order to
33.4 protect recipient welfare.

33.5 (b) When a medical assistance service provider provides notice to the commissioner
33.6 under subdivision 2 that it is unable to continue to provide services to a recipient due to a
33.7 serious operational event, the commissioner must assist the provider and the lead agency
33.8 in supporting the recipient in transitioning to another provider of the recipient's choice.

33.9 (c) The commissioner must ensure each recipient receives continuity of medically
33.10 necessary services and supports through a safe and orderly transition to appropriate receiving
33.11 providers when a serious operational event is designated as a complex transition under
33.12 section 256B.046.

33.13 Subd. 4. **Lead agency duties.** When a provider is subject to a serious operational event,
33.14 a lead agency must contact affected service recipients to ensure that each recipient:

33.15 (1) is continuing to receive needed services; and

33.16 (2) has been given free choice of provider if the recipient transfers to another service
33.17 provider.

33.18 Sec. 22. **[256B.046] COMPLEX TRANSITIONS.**

33.19 Subdivision 1. **Complex transition designation.** (a) The commissioner must designate
33.20 a serious operational event as a complex transition when:

33.21 (1) a recipient is receiving long-term services and supports, including home and
33.22 community-based services;

33.23 (2) a recipient is receiving behavioral health or substance use disorder treatment where
33.24 abrupt interruption of treatment creates a material risk;

33.25 (3) a recipient is medically fragile and depends on life-sustaining treatment;

33.26 (4) there is limited regional capacity, including limited culturally or linguistically
33.27 appropriate care; or

33.28 (5) a recipient's placement stability is dependent upon continued service delivery.

33.29 (b) The commissioner may establish objective thresholds to create a presumption of
33.30 complex transition based on the number of recipients affected by a serious operational event,
33.31 recipient acuity, service type, or unresolved discharge or placement barriers.

34.1 Subd. 2. **Complex transition operations plan.** The commissioner must develop and
34.2 implement a written complex transition operations plan for each complex transition. The
34.3 plan must include:

34.4 (1) recipient identification and acuity level;

34.5 (2) stabilization actions to prevent gaps in care for high-risk recipients;

34.6 (3) medical record, medication, and treatment plan continuity procedures;

34.7 (4) receiving provider identification and capacity information;

34.8 (5) transition timelines, transportation, and handoff procedures;

34.9 (6) the communication plan for each recipient, the recipient's family, and the recipient's
34.10 guardian, if applicable, including language access; and

34.11 (7) coordination with lead agencies, case managers, and ombudsperson offices, when
34.12 applicable.

34.13 Subd. 3. **Complex transition team.** The commissioner may convene a complex transition
34.14 team that includes department staff, lead agencies, and other professionals, as necessary,
34.15 to ensure the safe transition of recipients from the provider that is unable to continue to
34.16 provide services to another provider.

34.17 Subd. 4. **Complex transition; legislative notice.** The commissioner must notify the
34.18 chairs and ranking minority members of the legislative committees with jurisdiction over
34.19 human services policy and finance within ten days of designating a complex transition and
34.20 must provide a report within 90 days of recipient stabilization to identify systemic gaps and
34.21 make recommendations for systemic improvements.

34.22 Sec. 23. **[256B.047] CONTINUITY PERIOD AND TRANSITION PAYMENTS FOR**
34.23 **COMPLEX TRANSITIONS.**

34.24 Subdivision 1. **Limited continuity period.** A provider subject to a serious operational
34.25 event that is designated as a complex transition under section 256B.046 may continue to
34.26 provide services to high-risk recipients receiving long-term services and supports or hospice
34.27 care for up to 180 days after the date the serious operational event was designated a complex
34.28 transition. The continuity period under this subdivision does not reinstate provider
34.29 participation in medical assistance and does not limit the commissioner's sanction, exclusion,
34.30 recovery, licensing enforcement, or referral authority.

34.31 Subd. 2. **Good cause payment safeguards.** When payment withholds or reductions
34.32 occur under section 256B.064, the commissioner may find good cause not to suspend

35.2 provide for continuity of care during complex transitions.

35.3 Subd. 3. **Transition payments.** (a) If the commissioner does not suspend payments to
35.4 a provider sanctioned under section 256B.064 due to a determination of good cause, payments
35.5 to the provider must be limited to direct recipient care costs. A provider receiving payments
35.6 under this section must submit to independent financial monitoring and a prohibition on
35.7 financial distributions to owners.

35.8 (b) The commissioner shall prioritize payment to alternative enrolled medical assistance
35.9 providers that assume responsibility for service provision, court-appointed receivers or
35.10 interim managers providing services, or substitute providers operating on site under an
35.11 approved complex transition operations plan.

35.12 (c) When permitted by state and federal law, the amount of allowable transition payments
35.13 paid to a provider under this section are subtracted from the debts the provider owes to the
35.14 state.

35.15 (d) Nothing in this section requires payments that are prohibited by federal law.

35.16 Sec. 24. Minnesota Statutes 2025 Supplement, section 256B.051, subdivision 6, is amended

35.19 under this section only if the agency:

35.20 (1) is confirmed by the commissioner as an eligible provider after a pre-enrollment risk
35.21 assessment under subdivision 6a;

35.22 (2) is enrolled as a medical assistance Minnesota health care program provider and meets
35.23 all applicable provider standards and requirements;

35.24 (3) demonstrates compliance with federal and state laws and policies for housing
35.25 stabilization services as determined by the commissioner;

35.27 documentation of background study requests and results;

35.28 (5) provides at the time of enrollment, reenrollment, and revalidation in a format
35.29 determined by the commissioner, proof of surety bond coverage for each business location
35.30 providing services. Upon new enrollment, or if the provider's medical assistance revenue
35.31 in the previous calendar year is \$300,000 or less, the provider agency must purchase a surety
35.32 bond of \$50,000. If the provider's medical assistance revenue in the previous year is over

36.1 \$300,000, the provider agency must purchase a surety bond of \$100,000. The surety bond
36.2 must be in a form approved by the commissioner, must be renewed annually, and must
36.3 allow for recovery of costs and fees in pursuing a claim on the bond. Any action to obtain
36.4 monetary recovery or sanctions from a surety bond must occur within six years from the
36.5 date the debt is affirmed by a final agency decision. An agency decision is final when the
36.6 right to appeal the debt has been exhausted or the time to appeal has expired under section
36.7 256B.064;

36.8 (6) directly provides housing stabilization services using employees of the agency and
36.9 not by using a subcontractor or reporting agent;

36.10 (7) ensures all controlling individuals and employees of the agency complete annual

36.28 program for a minimum of five years if the individual or entity is convicted of a crime,
36.29 received a stay of adjudication, or entered a court-ordered diversion program for an offense

37.7 by the department either as a result of conduct described in subdivision 1a or as a result of
37.8 an error by the individual or entity submitting the claim or by the department, regardless of
37.9 whether the error was intentional. Patterns need not be proven as a precondition to monetary

37.11 necessary, or claims based on false statements.

37.12 (b) The commissioner may obtain monetary recovery using methods including but not

45.18 receiving notice of the withholding or reduction of payments. The commissioner must refer
45.19 the matter to the Court of Administrative Hearings within five business days or receiving
45.20 the request for administrative review.

45.21 (b) The Court of Administrative Hearings must conduct an expedited hearing within 30
45.22 days after the commissioner refers the matter to the court.

45.23 (c) In an administrative review under this subdivision, the administrative law judge must
45.24 determine:

45.25 (1) whether the commissioner has demonstrated, by a preponderance of the evidence,
45.26 that a credible allegation of fraud exists; and

45.27 (2) whether continuing the temporary withholding or reduction of payments is reasonable
45.28 and necessary to protect the integrity of the medical assistance program.

45.29 (d) The administrative law judge must issue a recommendation within ten days following
45.30 the hearing. The administrative law judge must recommend upholding the temporary
45.31 withholding or reduction of payments only if the commissioner demonstrates, by a
45.32 preponderance of the evidence, that a credible allegation of fraud exists and that payment

46.1 withholding or reduction is appropriate under applicable federal Medicaid program integrity
46.2 requirements.

46.3 (e) Within ten days after receiving the administrative law judge's recommendation, the
46.4 commissioner must issue a final determination affirming, modifying, or ceasing the temporary
46.5 withholding or reduction of payments.

46.6 (f) If the administrative law judge determines that withholding of the full amount of
46.7 payments would jeopardize access to medically necessary services for medical assistance
46.8 recipients, the commissioner may modify the withholding to allow partial payments for the
46.9 duration of an investigation.

46.10 Sec. 38. Minnesota Statutes 2024, section 256B.064, is amended by adding a subdivision
46.11 to read:

46.12 Subd. 7. **Periodic review of withholding or reduction of payments** (a) The
46.13 commissioner must review any temporary payment withholding or reduction under
46.14 subdivision 2d, paragraph (a), clause (2), at least every 90 days to determine whether the
46.15 credible allegation of fraud continues to necessitate the withholding or reduction of payments.

46.16 (b) If a payment withholding or reduction remains in effect for 180 days or more, the
46.17 commissioner must provide a written status report on the specific withholding or reduction
46.18 to the chairs and ranking minority members of the legislative committees with jurisdiction
46.19 over human services. The report must summarize the status of the investigation, specify the
46.20 basis for continuing the withholding or reduction, and indicate any anticipated timeline for
46.21 resolution. The commissioner may withhold any information that would compromise an
46.22 ongoing criminal investigation from the report required under this paragraph.

46.23 Sec. 39. Minnesota Statutes 2024, section 256B.064, is amended by adding a subdivision
46.24 to read:

46.25 Subd. 8. **Coordination with law enforcement.** When a temporary withholding or
46.26 reduction of payments under subdivision 2d, paragraph (a), clause (2), involves potential
46.27 criminal conduct, the commissioner must coordinate with appropriate law enforcement
46.28 authorities, including the Minnesota attorney general's Medicaid Fraud Control Unit, and
46.29 may consult with state or federal investigative agencies as necessary. The commissioner
46.30 may delay notice or disclosure of specific investigative information to the individual or
46.31 entity being investigated, when law enforcement certifies that disclosure would compromise
46.32 an ongoing criminal investigation.

47.1 Sec. 40. Minnesota Statutes 2024, section 256B.064, is amended by adding a subdivision
47.2 to read:

47.3 Subd. 9. **Application.** This section supersedes any inconsistent or contrary provision of
47.4 law.

47.5 **EFFECTIVE DATE.** This section is effective the day following final enactment.

47.6 Sec. 41. **[256B.0647] REMITTANCE ADVICE MONETARY RECOVERY.**

47.7 (a) The commissioner may use the remittance advice process under Code of Federal
47.8 Regulations, title 45, part 162.1601, as the notice to a vendor or provider when seeking
47.9 monetary recovery using a department-administered information technology system for
47.10 programmatically processed claims. The remittance advice must be delivered electronically
47.11 and constitutes the sole notice to the provider. The commissioner must withhold the payments
47.12 at issue when using the remittance advice as the notice.

47.13 (b) Providers may seek reconsideration of a remittance under this section by mailing a
47.14 request to the commissioner. The reconsideration request must be received no later than 30
47.15 calendar days from the posting of the remittance advice. A request for reconsideration does
47.16 not stay the withholding of payments. The commissioner's disposition of a request for
47.17 reconsideration is final and not subject to appeal under chapter 14. The request for
47.18 reconsideration must include:

47.19 (1) each disputed item, the reason for the dispute, and an estimate of the dollar amount
47.20 involved for each disputed item;

47.21 (2) the calculation that the individual or entity believes is correct;

47.22 (3) the authority in statute or rule upon which the individual or entity relies for each
47.23 disputed item;

47.24 (4) the name and address of the person or entity with whom contacts may be made
47.25 regarding the appeal; and

47.26 (5) other information required by the commissioner.

47.27 Sec. 42. Minnesota Statutes 2024, section 256B.0651, subdivision 17, is amended to read:

47.28 Subd. 17. **Recipient protection.** ~~(a) Providers of home care services must provide each~~
47.29 ~~recipient with a copy of the home care bill of rights under section 144A.44 at least 30 days~~
47.30 ~~prior to terminating services to a recipient, if the termination results from provider sanctions~~
47.31 ~~under section 256B.064, such as a payment withhold, a suspension of participation, or a~~

48.1 ~~termination of participation. If a home care provider determines it is unable to continue~~
48.2 ~~providing services to a recipient, the provider must notify the recipient, the recipient's~~
48.3 ~~responsible party, and the commissioner 30 days prior to terminating services to the recipient~~
48.4 ~~because of an action under section 256B.064, and must assist the commissioner and lead~~

48.7 subject to a serious operational event as defined in section 256B.045, subdivision 1.

48.8 ~~(b) In the event of a payment withhold from a home care provider, a suspension of~~
48.9 ~~participation, or a termination of participation of a home care provider under section~~
48.10 ~~256B.064, the commissioner may inform the Office of Ombudsman for Long-Term Care~~
48.11 ~~and the lead agencies for all recipients with active service agreements with the provider. At~~
48.12 ~~the commissioner's request, the lead agencies must contact recipients to ensure that the~~
48.13 ~~recipients are continuing to receive needed care, and that the recipients have been given~~
48.14 ~~free choice of provider if they transfer to another home care provider. In addition, the~~
48.15 ~~commissioner or the commissioner's delegate may directly notify recipients who receive~~
48.16 ~~care from the provider that payments have been or will be withheld or that the provider's~~
48.17 ~~participation in medical assistance has been or will be suspended or terminated, if the~~
48.18 ~~commissioner determines that notification is necessary to protect the welfare of the recipients.~~
48.19 ~~For purposes of this subdivision, "lead agencies" means counties, tribes, and managed care~~
48.20 ~~organizations.~~

48.21 Sec. 43. Minnesota Statutes 2025 Supplement, section 256B.0701, subdivision 9, is
48.22 amended to read:

48.23 Subd. 9. **Provider qualifications and duties.** A provider is eligible for reimbursement
48.24 under this section only if the provider:

48.25 (1) is confirmed by the commissioner as an eligible provider after a pre-enrollment risk
48.26 assessment under subdivision 10;

48.27 (2) is enrolled as a medical assistance Minnesota health care program provider and meets
48.28 all applicable provider standards and requirements;

48.29 (3) demonstrates compliance with federal and state laws and policies for housing
48.30 stabilization services as determined by the commissioner;

48.31 (4) complies with background study requirements under chapter 245C and maintains
48.32 documentation of background study requests and results;

49.1 (5) provides at the time of enrollment, reenrollment, and revalidation in a format
49.2 determined by the commissioner, proof of surety bond coverage for each business location
49.3 providing services. Upon new enrollment, or if the provider's medical assistance revenue
49.4 in the previous calendar year is \$300,000 or less, the provider agency must purchase a surety
49.5 bond of \$50,000. If the provider's medical assistance revenue in the previous year is over
49.6 \$300,000, the provider agency must purchase a surety bond of \$100,000. The surety bond
49.7 must be in a form approved by the commissioner, must be renewed annually, and must
49.8 allow for recovery of costs and fees in pursuing a claim on the bond. Any action to obtain
49.9 monetary recovery or sanctions from a surety bond must occur within six years from the
49.10 date the debt is affirmed by a final agency decision. An agency decision is final when the
49.11 right to appeal the debt has been exhausted or the time to appeal has expired under section
49.12 256B.064;

49.13 (6) ensures all controlling individuals and employees of the agency complete annual
49.14 vulnerable adult training;

49.15 (7) completes compliance training as required under section 256B.044, subdivision ~~4~~
49.16 2; and

49.17 (8) complies with the habitability inspection requirements in subdivision 13.

49.18 Sec. 44. Minnesota Statutes 2025 Supplement, section 256B.0759, subdivision 4, is
49.19 amended to read:

49.20 Subd. 4. **Provider payment rates.** (a) Payment rates for participating providers must
49.21 be increased for services provided to medical assistance enrollees. To receive a rate increase,
49.22 participating providers must meet demonstration project requirements and provide evidence
49.23 of formal referral arrangements with providers delivering step-up or step-down levels of
49.24 care. Providers that have enrolled in the demonstration project but have not met the provider
49.25 standards under subdivision 3 as of July 1, 2022, are not eligible for a rate increase under
49.26 this subdivision until the date that the provider meets the provider standards in subdivision
49.27 3. Services provided from July 1, 2022, to the date that the provider meets the provider
49.28 standards under subdivision 3 shall be reimbursed at rates according to section 254B.0505,
49.29 subdivision 1. Rate increases paid under this subdivision to a provider for services provided
49.30 between July 1, 2021, and July 1, 2022, are not subject to recoupment when the provider
49.31 is taking meaningful steps to meet demonstration project requirements that are not otherwise
49.32 required by law, and the provider provides documentation to the commissioner, upon request,
49.33 of the steps being taken.

50.1 (b) The commissioner may temporarily suspend payments to the provider according to
50.2 section ~~256B.04, subdivision 21, paragraph (d)~~ 256B.0442, subdivision 1, if the provider
50.3 does not meet the requirements in paragraph (a). Payments withheld from the provider must
50.4 be made once the commissioner determines that the requirements in paragraph (a) are met.

50.5 (c) For outpatient individual and group substance use disorder services under section
50.6 254B.0505, subdivision 1, clause (1), and adolescent treatment programs that are licensed
50.7 as outpatient treatment programs according to sections 245G.01 to 245G.18, provided on
50.8 or after January 1, 2021, payment rates must be increased by 20 percent over the rates in
50.9 effect on December 31, 2020.

50.10 (d) Effective January 1, 2021, and contingent on annual federal approval, managed care
50.11 plans and county-based purchasing plans must reimburse providers of the substance use
50.12 disorder services meeting the criteria described in paragraph (a) who are employed by or
50.13 under contract with the plan an amount that is at least equal to the fee-for-service base rate
50.14 payment for the substance use disorder services described in paragraph (c). The commissioner
50.15 must monitor the effect of this requirement on the rate of access to substance use disorder
50.16 services and residential substance use disorder rates. Capitation rates paid to managed care
50.17 organizations and county-based purchasing plans must reflect the impact of this requirement.
50.18 This paragraph expires if federal approval is not received at any time as required under this
50.19 paragraph.

50.20 (e) Effective July 1, 2021, contracts between managed care plans and county-based
50.21 purchasing plans and providers to whom paragraph (d) applies must allow recovery of
50.22 payments from those providers if, for any contract year, federal approval for the provisions
50.23 of paragraph (d) is not received, and capitation rates are adjusted as a result. Payment
50.24 recoveries must not exceed the amount equal to any decrease in rates that results from this
50.25 provision.

50.26 (f) For substance use disorder services with medications for opioid use disorder under
50.27 section 254B.0505, subdivision 1, clause (7), provided on or after January 1, 2021, payment
50.28 rates must be increased by 20 percent over the rates in effect on December 31, 2020. Upon
50.29 implementation of new rates according to section 254B.121, the 20 percent increase will
50.30 no longer apply.

50.31 Sec. 45. Minnesota Statutes 2025 Supplement, section 256B.0949, subdivision 16, is
50.32 amended to read:

50.33 Subd. 16. **Agency duties.** (a) An agency delivering an EIDBI service under this section
50.34 must:

51.1 (1) enroll as a medical assistance Minnesota health care program provider according to
51.2 Minnesota Rules, part 9505.0195, and ~~section 256B.04, subdivision 21~~ sections 256B.044
51.3 to 256B.0445, and meet all applicable provider standards and requirements;

51.16 Inspector General;

51.17 (6) have established business practices including written policies and procedures, internal
51.18 controls, and a system that demonstrates the organization's ability to deliver quality EIDBI

51.29 policy for all staff on how to report suspected abuse and neglect;

51.30 (12) have a written policy to resolve issues collaboratively with the person and the
51.31 person's legal representative when possible. The policy must include a timeline for when

52.1 the person and the person's legal representative will be notified about issues that arise in
52.2 the provision of services;

52.3 (13) provide the person's legal representative with prompt notification if the person is
52.4 injured while being served by the agency. An incident report must be completed by the
52.5 agency staff member in charge of the person. A copy of all incident and injury reports must

52.7 (14) before starting a service, provide the person or the person's legal representative a
52.8 description of the treatment modality that the person shall receive, including the staffing
52.9 certification levels and training of the staff who shall provide a treatment;

52.10 (15) provide clinical supervision for a minimum of one hour for every 16 hours of direct

53.1 (3) reasonable accommodations to provide the information in another format or language
53.2 as needed to facilitate understanding of the person's or person's legal representative's rights
53.3 and the agency's responsibilities.

53.4 Sec. 46. Minnesota Statutes 2024, section 256B.0949, subdivision 17, is amended to read:

53.5 Subd. 17. **Provider shortage; authority for exceptions.** (a) In consultation with the
53.6 Early Intensive Developmental and Behavioral Intervention Advisory Council and
53.7 stakeholders, including agencies, professionals, parents of people with ASD or a related
53.8 condition, and advocacy organizations, the commissioner shall determine if a shortage of
53.9 EIDBI providers exists. For the purposes of this subdivision, "shortage of EIDBI providers"
53.10 means a lack of availability of providers who meet the EIDBI provider qualification
53.11 requirements under subdivision 15 that results in the delay of access to timely services under
53.12 this section, or that significantly impairs the ability of a provider agency to have sufficient
53.13 providers to meet the requirements of this section. The commissioner shall consider
53.14 geographic factors when determining the prevalence of a shortage. The commissioner may
53.15 determine that a shortage exists only in a specific region of the state, multiple regions of
53.16 the state, or statewide. The commissioner shall also consider the availability of various types
53.17 of treatment modalities covered under this section.

53.18 (b) The commissioner, in consultation with the Early Intensive Developmental and
53.19 Behavioral Intervention Advisory Council and stakeholders, must establish processes and
53.20 criteria for granting an exception under this paragraph. The commissioner may grant an
53.21 exception only if the exception would not compromise a person's safety and not diminish
53.22 the effectiveness of the treatment. The commissioner may establish an expiration date for
53.23 an exception granted under this paragraph. The commissioner may grant an exception for
53.24 the following:

53.25 (1) EIDBI provider qualifications under this section;

53.26 (2) medical assistance provider enrollment requirements under ~~section 256B.04,~~
53.27 ~~subdivision 21~~ sections 256B.044 to 256B.0445; or

53.28 (3) EIDBI provider or agency standards or requirements.

53.29 (c) If the commissioner, in consultation with the Early Intensive Developmental and
53.30 Behavioral Intervention Advisory Council and stakeholders, determines that a shortage no
53.31 longer exists, the commissioner must submit a notice that a shortage no longer exists to the
53.32 chairs and ranking minority members of the senate and the house of representatives
53.33 committees with jurisdiction over health and human services. The commissioner must post

54.1 the notice for public comment for 30 days. The commissioner shall consider public comments
54.2 before submitting to the legislature a request to end the shortage declaration. The
54.3 commissioner shall not declare the shortage of EIDBI providers ended without direction
54.4 from the legislature to declare it ended.

54.5 Sec. 47. Minnesota Statutes 2024, section 256B.69, subdivision 5a, is amended to read:

54.6 Subd. 5a. **Managed care contracts.** (a) Managed care contracts under this section and
54.7 section 256L.12 shall be entered into or renewed on a calendar year basis. The commissioner
54.8 may issue separate contracts with requirements specific to services to medical assistance
54.9 recipients age 65 and older.

54.10 (b) A prepaid health plan providing covered health services for eligible persons pursuant
54.11 to chapters 256B and 256L is responsible for complying with the terms of its contract with
54.12 the commissioner. Requirements applicable to managed care programs under chapters 256B
54.13 and 256L established after the effective date of a contract with the commissioner take effect
54.14 when the contract is next issued or renewed.

54.15 (c) The commissioner shall withhold five percent of managed care plan payments under
54.16 this section and county-based purchasing plan payments under section 256B.692 for the
54.17 prepaid medical assistance program pending completion of performance targets. Each
54.18 performance target must be quantifiable, objective, measurable, and reasonably attainable,
54.19 except in the case of a performance target based on a federal or state law or rule. Criteria
54.20 for assessment of each performance target must be outlined in writing prior to the contract
54.21 effective date. Clinical or utilization performance targets and their related criteria must
54.22 consider evidence-based research and reasonable interventions when available or applicable
54.23 to the populations served, and must be developed with input from external clinical experts
54.24 and stakeholders, including managed care plans, county-based purchasing plans, and
54.25 providers. The managed care or county-based purchasing plan must demonstrate, to the
54.26 commissioner's satisfaction, that the data submitted regarding attainment of the performance
54.27 target is accurate. The commissioner shall periodically change the administrative measures
54.28 used as performance targets in order to improve plan performance across a broader range
54.29 of administrative services. The performance targets must include measurement of plan
54.30 efforts to contain spending on health care services and administrative activities. The
54.31 commissioner may adopt plan-specific performance targets that take into account factors
54.32 affecting only one plan, including characteristics of the plan's enrollee population. The
54.33 withheld funds must be returned no sooner than July of the following year if performance

55.1 targets in the contract are achieved. The commissioner may exclude special demonstration
55.2 projects under subdivision 23.

55.3 (d) The commissioner shall require that managed care plans:

55.4 (1) use the assessment and authorization processes, forms, timelines, standards,
55.5 documentation, and data reporting requirements, protocols, billing processes, and policies
55.6 consistent with medical assistance fee-for-service or the Department of Human Services
55.7 contract requirements for all personal care assistance services under section 256B.0659 and
55.8 community first services and supports under section 256B.85;

55.9 (2) by January 30 of each year that follows a rate increase for any aspect of services
55.10 under section 256B.0659 or 256B.85, inform the commissioner and the chairs and ranking
55.11 minority members of the legislative committees with jurisdiction over rates determined
55.12 under section 256B.851 of the amount of the rate increase that is paid to each personal care
55.13 assistance provider agency with which the plan has a contract; ~~and~~

55.14 (3) use a six-month timely filing standard and provide an exemption to the timely filing
55.15 timeliness for the resubmission of claims where there has been a denial, request for more
55.16 information, or system issue;

55.17 (4) have in place a prepayment review process for all claims that includes claims edit
55.18 processing and policies consistent with the enhanced prepayment review process under
55.19 section 256B.0447; and

55.20 (5) publish metrics related to program integrity actions and outcomes on a publicly
55.21 available website.

55.22 (e) Effective for services rendered on or after January 1, 2013, through December 31,
55.23 2013, the commissioner shall withhold 4.5 percent of managed care plan payments under
55.24 this section and county-based purchasing plan payments under section 256B.692 for the
55.25 prepaid medical assistance program. The withheld funds must be returned no sooner than
55.26 July 1 and no later than July 31 of the following year. The commissioner may exclude
55.27 special demonstration projects under subdivision 23.

55.28 (f) Effective for services rendered on or after January 1, 2014, the commissioner shall
55.29 withhold three percent of managed care plan payments under this section and county-based
55.30 purchasing plan payments under section 256B.692 for the prepaid medical assistance
55.31 program. The withheld funds must be returned no sooner than July 1 and no later than July
55.32 31 of the following year. The commissioner may exclude special demonstration projects
55.33 under subdivision 23.

56.1 (g) A managed care plan or a county-based purchasing plan under section 256B.692
56.2 may include as admitted assets under section 62D.044 any amount withheld under this
56.3 section that is reasonably expected to be returned.

56.4 (h) Contracts between the commissioner and a prepaid health plan are exempt from the
56.5 set-aside and preference provisions of section 16C.16, subdivisions 6, paragraph (a), and
56.6 7.

56.7 (i) The return of the withhold under paragraphs (e) and (f) is not subject to the
56.8 requirements of paragraph (c).

57.32 ~~ensure that the participants are continuing to receive needed care, and that the participants~~
57.33 ~~have been given free choice of agency provider, FMS provider, or consultation services~~
57.34 ~~provider if they transfer to another CFSS agency provider, FMS provider, or consultation~~
57.35 ~~services provider. In addition, the commissioner or the commissioner's delegate may directly~~

58.1 ~~notify participants who receive care from the agency provider, FMS provider, or consultation~~
58.2 ~~services provider that payments have been or will be withheld or that the provider's~~
58.3 ~~participation in medical assistance has been or will be suspended or terminated, if the~~

61.21 Sec. 4. Minnesota Statutes 2024, section 245A.07, subdivision 2a, is amended to read:

61.22 Subd. 2a. **Immediate suspension expedited hearing.** (a) Within five working days of
 61.23 receipt of the license holder's timely appeal, the commissioner shall request assignment of
 61.24 an administrative law judge. The request must include a proposed date, time, and place of
 61.25 a hearing. A hearing must be conducted by an administrative law judge within 30 calendar
 61.26 days of the request for assignment, unless an extension is requested by either party and
 61.27 granted by the administrative law judge for good cause. The commissioner shall issue a
 61.28 notice of hearing by certified mail or personal service at least ten working days before the
 61.29 hearing. The scope of the hearing shall be limited solely to the issue of whether the temporary
 61.30 immediate suspension should remain in effect pending the commissioner's final order under
 61.31 section 245A.08, regarding a licensing sanction issued under subdivision 3 following the
 61.32 immediate suspension. For suspensions under subdivision 2, paragraph (a), clause (1), the
 61.33 burden of proof in expedited hearings under this subdivision ~~shall be limited to~~ is met only
 61.34 if the commissioner's demonstration commissioner demonstrates that reasonable cause exists

62.1 to believe that the license holder's or controlling individual's actions or failure to comply
 62.2 with applicable law or rule poses, or the actions of other individuals or conditions in the
 62.3 program poses an imminent risk of harm to the health, safety, or rights of persons served
 62.4 by the program. "Reasonable cause" means there exist specific articulable facts or
 62.5 circumstances which provide the commissioner with a reasonable suspicion that there is an
 62.6 imminent risk of harm to the health, safety, or rights of persons served by the program.
 62.7 When the commissioner has determined there is reasonable cause to order the temporary
 62.8 immediate suspension of a license based on a violation of safe sleep requirements, as defined
 62.9 in section 245A.1435, the commissioner is not required to demonstrate that an infant died
 62.10 or was injured as a result of the safe sleep violations. For suspensions under subdivision 2,
 62.11 paragraph (a), clause (2), the burden of proof in expedited hearings under this subdivision
 62.12 ~~shall be limited to~~ is met only if the commissioner's demonstration commissioner
 62.13 demonstrates by a preponderance of the evidence that, since the license was revoked, the
 62.14 license holder committed additional violations of law or rule which may adversely affect
 62.15 the health or safety of persons served by the program.

62.16 (b) The administrative law judge shall issue findings of fact, conclusions, and a
 62.17 recommendation within ten working days from the date of hearing. The parties shall have
 62.18 ten calendar days to submit exceptions to the administrative law judge's report. The record
 62.19 shall close at the end of the ten-day period for submission of exceptions. The commissioner's
 62.20 final order shall be issued within ten working days from the close of the record. When an
 62.21 appeal of a temporary immediate suspension is withdrawn or dismissed, the commissioner
 62.22 shall issue a final order affirming the temporary immediate suspension within ten calendar
 62.23 days of the commissioner's receipt of the withdrawal or dismissal. Within 90 calendar days
 62.24 after an immediate suspension has been issued and the license holder has not submitted a
 62.25 timely appeal under subdivision 2, paragraph (b), or within 90 calendar days after a final
 62.26 order affirming an immediate suspension, the commissioner shall determine:

62.27 (1) whether a final licensing sanction shall be issued under subdivision 3, paragraph (a),
 62.28 clauses (1) to ~~(6)~~ (5). The license holder shall continue to be prohibited from operation of
 62.29 the program during this 90-day period; or

62.30 (2) whether the outcome of related, ongoing investigations or judicial proceedings are
 62.31 necessary to determine if a final licensing sanction under subdivision 3, paragraph (a),
 62.32 clauses (1) to ~~(6)~~ (5), will be issued and whether persons served by the program remain at
 62.33 an imminent risk of harm during the investigation period or proceedings. If so, the
 62.34 commissioner shall issue a suspension order under subdivision 3, paragraph (a), clause ~~(7)~~.
 62.35 (6); or

63.1 (3) whether the license holder or controlling individual remains the subject of a pending
63.2 administrative, civil, or criminal investigation or subject to an administrative or civil action
63.3 related to fraud against a program administered by a state or federal agency. If so, the
63.4 commissioner shall issue a suspension order under subdivision 3, paragraph (a), clause (6).

63.5 (c) When the final order under paragraph (b) affirms an immediate suspension, or the
63.6 license holder does not submit a timely appeal of the immediate suspension, and a final
63.7 licensing sanction is issued under subdivision 3 and the license holder appeals that sanction,
63.8 the license holder continues to be prohibited from operation of the program pending a final
63.9 commissioner's order under section 245A.08, subdivision 5, regarding the final licensing
63.10 sanction.

63.11 (d) The license holder shall continue to be prohibited from operation of the program
63.12 while a suspension order issued under paragraph (b), clause (2) or (3), remains in effect.

63.13 (e) For suspensions under subdivision 2, paragraph (a), clause (3), the burden of proof
63.14 in expedited hearings under this subdivision ~~shall be limited to~~ is met only if the
63.15 ~~commissioner's demonstration~~ commissioner demonstrates by a preponderance of the
63.16 evidence that a criminal complaint and warrant or summons was issued for the license holder
63.17 or controlling individual that was not dismissed, and that the criminal charge is an offense
63.18 that involves fraud or theft against a program administered by the commissioner.

63.19 (f) For suspensions under subdivision 2, paragraph (c), the burden of proof in expedited
63.20 hearings under this subdivision is met only if the commissioner demonstrates by a
63.21 preponderance of the evidence that the license holder or controlling individual is the subject
63.22 of a pending administrative, civil, or criminal investigation or is subject to an administrative
63.23 or civil action related to fraud against a program administered by a state or federal agency.

63.24 Sec. 5. Minnesota Statutes 2025 Supplement, section 245A.07, subdivision 3, is amended
63.25 to read:

63.26 Subd. 3. **License suspension, revocation, or fine.** (a) The commissioner may suspend
63.27 or revoke a license, or impose a fine if:

63.28 (1) a license holder fails to comply fully with applicable laws or rules including but not
63.29 limited to the requirements of this chapter and chapter 245C;

63.30 (2) a license holder, a controlling individual, or an individual living in the household
63.31 where the licensed services are provided or is otherwise subject to a background study has
63.32 been disqualified and the disqualification was not set aside and no variance has been granted;

64.1 (3) a license holder knowingly withholds relevant information from or gives false or
64.2 misleading information to the commissioner in connection with an application for a license,
64.3 in connection with the background study status of an individual, during an investigation,
64.4 or regarding compliance with applicable laws or rules;

64.5 (4) a license holder is excluded from any program administered by the commissioner
64.6 under section 245.095;

64.7 (5) revocation is required under section 245A.04, subdivision 7, paragraph (d); or

64.8 (6) suspension is necessary under subdivision 2a, paragraph (b), clause (2) or (3).

64.9 A license holder who has had a license issued under this chapter suspended, revoked,
64.10 or has been ordered to pay a fine must be given notice of the action by certified mail, by
64.11 personal service, or through the provider licensing and reporting hub. If mailed, the notice
64.12 must be mailed to the address shown on the application or the last known address of the
64.13 license holder. The notice must state in plain language the reasons the license was suspended
64.14 or revoked, or a fine was ordered.

64.15 (b) If the license was suspended or revoked, the notice must inform the license holder
64.16 of the right to a contested case hearing under chapter 14 and Minnesota Rules, parts
64.17 1400.8505 to 1400.8612. The license holder may appeal an order suspending or revoking
64.18 a license. The appeal of an order suspending or revoking a license must be made in writing
64.19 by certified mail, by personal service, or through the provider licensing and reporting hub.
64.20 If mailed, the appeal must be postmarked and sent to the commissioner within ten calendar
64.21 days after the license holder receives notice that the license has been suspended or revoked.
64.22 If a request is made by personal service, it must be received by the commissioner within
64.23 ten calendar days after the license holder received the order. If the order is issued through
64.24 the provider hub, the appeal must be received by the commissioner within ten calendar days
64.25 from the date the commissioner issued the order through the hub. Except as provided in
64.26 subdivision 2a, paragraph (c), if a license holder submits a timely appeal of an order
64.27 suspending or revoking a license, the license holder may continue to operate the program
64.28 as provided in section 245A.04, subdivision 7, paragraphs (i) and (j), until the commissioner
64.29 issues a final order on the suspension or revocation.

64.30 (c)(1) If the license holder was ordered to pay a fine, the notice must inform the license
64.31 holder of the responsibility for payment of fines and the right to a contested case hearing
64.32 under chapter 14 and Minnesota Rules, parts 1400.8505 to 1400.8612. The appeal of an
64.33 order to pay a fine must be made in writing by certified mail, by personal service, or through
64.34 the provider licensing and reporting hub. If mailed, the appeal must be postmarked and sent

65.1 to the commissioner within ten calendar days after the license holder receives notice that
65.2 the fine has been ordered. If a request is made by personal service, it must be received by
65.3 the commissioner within ten calendar days after the license holder received the order. If the
65.4 order is issued through the provider hub, the appeal must be received by the commissioner
65.5 within ten calendar days from the date the commissioner issued the order through the hub.

65.6 (2) The license holder shall pay the fines assessed on or before the payment date specified.
65.7 If the license holder fails to fully comply with the order, the commissioner may issue a
65.8 second fine or suspend the license until the license holder complies. If the license holder
65.9 receives state funds, the state, county, or municipal agencies or departments responsible for
65.10 administering the funds shall withhold payments and recover any payments made while the
65.11 license is suspended for failure to pay a fine. A timely appeal shall stay payment of the fine
65.12 until the commissioner issues a final order.

65.13 (3) A license holder shall promptly notify the commissioner of human services, in writing,
65.14 when a violation specified in the order to forfeit a fine is corrected. If upon reinspection the
65.15 commissioner determines that a violation has not been corrected as indicated by the order
65.16 to forfeit a fine, the commissioner may issue a second fine. The commissioner shall notify
65.17 the license holder by certified mail, by personal service, or through the provider licensing
65.18 and reporting hub that a second fine has been assessed. The license holder may appeal the
65.19 second fine as provided under this subdivision.

65.20 (4) Fines shall be assessed as follows:

65.21 (i) the license holder shall forfeit \$1,000 for each determination of maltreatment of a
65.22 child under chapter 260E or the maltreatment of a vulnerable adult under section 626.557
65.23 for which the license holder is determined responsible for the maltreatment under section
65.24 260E.30, subdivision 4, paragraphs (a) and (b), or 626.557, subdivision 9c, paragraph (c);

65.25 (ii) if the commissioner determines that a determination of maltreatment for which the
65.26 license holder is responsible is the result of maltreatment that meets the definition of serious
65.27 maltreatment as defined in section 245C.02, subdivision 18, the license holder shall forfeit
65.28 \$5,000;

65.29 (iii) the license holder shall forfeit \$200 for each occurrence of a violation of law or rule
65.30 governing matters of health, safety, or supervision, including but not limited to the provision
65.31 of adequate staff-to-child or adult ratios, and failure to comply with background study
65.32 requirements under chapter 245C; and

65.33 (iv) the license holder shall forfeit \$100 for each occurrence of a violation of law or rule
65.34 other than those subject to a \$5,000, \$1,000, or \$200 fine in items (i) to (iii).

66.1 For purposes of this section, "occurrence" means each violation identified in the
 66.2 commissioner's fine order. Fines assessed against a license holder that holds a license to
 66.3 provide home and community-based services, as identified in section 245D.03, subdivision
 66.4 1, and a community residential setting or day services facility license under chapter 245D
 66.5 where the services are provided, may be assessed against both licenses for the same
 66.6 occurrence, but the combined amount of the fines shall not exceed the amount specified in
 66.7 this clause for that occurrence.

66.8 (5) When a fine has been assessed, the license holder may not avoid payment by closing,
 66.9 selling, or otherwise transferring the licensed program to a third party. In such an event, the
 66.10 license holder will be personally liable for payment. In the case of a corporation, each
 66.11 controlling individual is personally and jointly liable for payment.

66.12 (d) Except for background study violations involving the failure to comply with an order
 66.13 to immediately remove an individual or an order to provide continuous, direct supervision,
 66.14 the commissioner shall not issue a fine under paragraph (c) relating to a background study
 66.15 violation to a license holder who self-corrects a background study violation before the
 66.16 commissioner discovers the violation. A license holder who has previously exercised the
 66.17 provisions of this paragraph to avoid a fine for a background study violation may not avoid
 66.18 a fine for a subsequent background study violation unless at least 365 days have passed
 66.19 since the license holder self-corrected the earlier background study violation.

 77.24 programs or services that depend on the same background study; and

77.25 (2) the individual designated to receive the sensitive background study information is
 77.26 capable of determining, upon request of the department, whether a background study subject

 77.30 programs according to paragraph (a), and one or more of the licensed programs closes, the
 77.31 license holder shall immediately notify the commissioner which staff must be transferred
 77.32 to an active license so that the background studies can be electronically paired with the
 77.33 license holder's active program.

78.1 (c) When a background study is being initiated by a licensed program or service or a
78.2 foster care provider that is also licensed under chapter 144G, a study subject affiliated with
78.3 multiple licensed programs or services may attach to the background study form a cover
78.4 letter indicating the additional names of the programs or services, addresses, and background
78.5 study identification numbers.

78.6 When the commissioner receives a notice, the commissioner shall notify each program
78.7 or service identified by the background study subject of the study results.

78.8 The background study notice the commissioner sends to the subsequent agencies shall
78.9 satisfy those programs' or services' responsibilities for initiating a background study on that
78.10 individual.

78.11 ~~(d) If a background study was conducted on an individual related to child foster care~~

78.19 programs, professional services agencies, temporary personnel agencies, and unlicensed
78.20 personal care provider organizations.

78.21 (f) For an entity operating under NETStudy 2.0, the entity's active roster must be the

78.24 (1) the background study subject must be on and moving to a roster for which the person
78.25 designated to receive sensitive background study information is the same; and

78.26 (2) the same entity must own or legally control both the roster from which the transfer
78.27 is occurring and the roster to which the transfer is occurring. For an entity that holds or
78.28 controls multiple licenses, or unlicensed personal care provider organizations, there must
78.29 be a common highest level entity that has a legally identifiable structure that can be verified
78.30 through records available from the secretary of state.

89.17 to read:

89.18 Subd. 5. **Scope of set-aside.** (a) If the commissioner sets aside a disqualification under
89.19 this section, the disqualified individual remains disqualified, but may hold a license and
89.20 have direct contact with or access to persons receiving services. Except as provided in
89.21 paragraph (b), the commissioner's set-aside of a disqualification is limited solely to the
89.22 licensed program, applicant, or agency specified in the set aside notice under section 245C.23.
89.23 For personal care provider organizations, financial management services organizations,
89.24 community first services and supports organizations, unlicensed home and community-based
89.25 organizations, and consumer-directed community supports organizations, the commissioner's
89.26 set-aside may further be limited to a specific individual who is receiving services. For new
89.27 background studies required under section 245C.04, subdivision 1, paragraph ~~(h)~~ (g), if an
89.28 individual's disqualification was previously set aside for the license holder's program and
89.29 the new background study results in no new information that indicates the individual may
89.30 pose a risk of harm to persons receiving services from the license holder, the previous
89.31 set-aside shall remain in effect.

89.32 (b) If the commissioner has previously set aside an individual's disqualification for one
89.33 or more programs or agencies, and the individual is the subject of a subsequent background
89.34 study for a different program or agency, the commissioner shall determine whether the

90.1 disqualification is set aside for the program or agency that initiated the subsequent
90.2 background study. A notice of a set-aside under paragraph (c) shall be issued within 15
90.3 working days if all of the following criteria are met:

90.4 (1) the subsequent background study was initiated in connection with a program licensed
90.5 or regulated under the same provisions of law and rule for at least one program for which
90.6 the individual's disqualification was previously set aside by the commissioner;

90.7 (2) the individual is not disqualified for an offense specified in section 245C.15,
90.8 subdivision 1 or 2;

90.9 (3) the commissioner has received no new information to indicate that the individual
90.10 may pose a risk of harm to any person served by the program; and

90.11 (4) the previous set-aside was not limited to a specific person receiving services.

90.12 (c) Notwithstanding paragraph (b), clause (2), for an individual who is employed in the
90.13 substance use disorder field, if the commissioner has previously set aside an individual's
90.14 disqualification for one or more programs or agencies in the substance use disorder treatment
90.15 field, and the individual is the subject of a subsequent background study for a different
90.16 program or agency in the substance use disorder treatment field, the commissioner shall set
90.17 aside the disqualification for the program or agency in the substance use disorder treatment
90.18 field that initiated the subsequent background study when the criteria under paragraph (b),
90.19 clauses (1), (3), and (4), are met and the individual is not disqualified for an offense specified
90.20 in section 245C.15, subdivision 1. A notice of a set-aside under paragraph (d) shall be issued
90.21 within 15 working days.

90.22 (d) When a disqualification is set aside under paragraph (b), the notice of background
90.23 study results issued under section 245C.17, in addition to the requirements under section
90.24 245C.17, shall state that the disqualification is set aside for the program or agency that
90.25 initiated the subsequent background study. The notice must inform the individual that the
90.26 individual may request reconsideration of the disqualification under section 245C.21 on the
90.27 basis that the information used to disqualify the individual is incorrect.

90.28 Sec. 19. Minnesota Statutes 2024, section 245C.24, subdivision 2, is amended to read:

90.29 Subd. 2. **Permanent bar to set aside a disqualification.** (a) Except as provided in
90.30 paragraphs (b) to ~~(g)~~ (f), the commissioner may not set aside the disqualification of any

90.33 1.

91.1 (b) For an individual in the substance use disorder or corrections field who was
91.2 disqualified for a crime or conduct listed under section 245C.15, subdivision 1, and whose

91.4 a variance pursuant to section 245C.30 for the license holder for a program dealing primarily
91.5 with adults. A request for reconsideration evaluated under this paragraph must include a
91.6 letter of recommendation from the license holder that was subject to the prior set-aside
91.7 decision addressing the individual's quality of care to children or vulnerable adults and the
91.8 circumstances of the individual's departure from that service.

91.9 (c) If an individual who requires a background study for nonemergency medical
91.10 transportation services under section 245C.03, subdivision 12, was disqualified for a crime
91.11 or conduct listed under section 245C.15, subdivision 1, and if more than 40 years have
91.12 passed since the discharge of the sentence imposed, the commissioner may consider granting
91.13 a set-aside pursuant to section 245C.22. A request for reconsideration evaluated under this
91.14 paragraph must include a letter of recommendation from the employer. This paragraph does
91.15 not apply to a person disqualified based on a violation of sections 243.166; 609.185 to
91.16 609.205; 609.25; 609.342 to 609.3453; 609.352; 617.23, subdivision 2, clause (1), or 3,
91.17 clause (1); 617.246; or 617.247.

91.18 (d) When a licensed foster care provider adopts an individual who had received foster
91.19 care services from the provider for over six months, and the adopted individual is required
91.20 to receive a background study under section 245C.03, subdivision 1, paragraph (a), clause
91.21 (2) or (6), the commissioner may grant a variance to the license holder under section 245C.30
91.22 to permit the adopted individual with a permanent disqualification to remain affiliated with
91.23 the license holder under the conditions of the variance when the variance is recommended
91.24 by the county of responsibility for each of the remaining individuals in placement in the
91.25 home and the licensing agency for the home.

91.26 (e) For an individual 18 years of age or older affiliated with a licensed family foster
91.27 setting, the commissioner must not set aside or grant a variance for the disqualification of
91.28 any individual disqualified pursuant to this chapter, regardless of how much time has passed,
91.29 if the individual was disqualified for a crime or conduct listed in section 245C.15, subdivision
91.30 4a, paragraphs (a) and (b).

91.31 (f) In connection with a family foster setting license, the commissioner may grant a
91.32 variance to the disqualification for an individual who is under 18 years of age at the time
91.33 the background study is submitted.

92.1 ~~(g) In connection with foster residence settings and children's residential facilities, the~~
92.2 ~~commissioner must not set aside or grant a variance for the disqualification of any individual~~
92.3 ~~disqualified pursuant to this chapter, regardless of how much time has passed, if the individual~~
92.4 ~~was disqualified for a crime or conduct listed in section 245C.15, subdivision 4a, paragraph~~
92.5 ~~(a) or (b).~~

98.11 individual or entity, except a nursing home or convalescent care facility, after notice and
98.12 prior to the hearing if in the commissioner's opinion that action is necessary to protect the
98.13 public welfare and the interests of the program.

98.14 (b) Except when the commissioner finds good cause not to suspend payments under
98.15 Code of Federal Regulations, title 42, section 455.23(e) or (f), the commissioner shall
98.16 withhold or reduce payments to an individual or entity without providing advance notice

98.19 subdivision 1a; or

98.20 (2) the commissioner determines there is a credible allegation of fraud for which an

99.3 law enforcement agency to temporarily withhold the notice. The notice must:

99.15 proceedings relating to the alleged fraud are completed, unless the commissioner has sent
99.16 notice of intention to impose monetary recovery or sanctions under paragraph (a). Upon
99.17 conviction for a crime related to the provision, management, or administration of a health
99.18 service under medical assistance, a payment held pursuant to this section by the commissioner
99.19 or a managed care organization that contracts with the commissioner under section 256B.035

99.21 charged in the criminal complaint or the amount of criminal restitution ordered.

99.22 (e) The commissioner shall suspend or terminate an individual's or entity's participation
99.23 in the program without providing advance notice and an opportunity for a hearing when the

99.25 participation in Medicare. Within five days of taking such action, the commissioner must
99.26 send notice of the suspension or termination. The notice must:

99.27 (1) state that suspension or termination is the result of the individual's or entity's exclusion
99.28 from Medicare;

99.29 (2) identify the effective date of the suspension or termination; and

99.30 (3) inform the individual or entity of the need to be reinstated to Medicare before
99.31 reapplying for participation in the program.

100.1 (f) Upon receipt of a notice under paragraph (a) that a monetary recovery or sanction is
100.2 to be imposed, an individual or entity may request a contested case, as defined in section
100.3 14.02, subdivision 3, by filing with the commissioner a written request of appeal. The appeal
100.4 request must be received by the commissioner no later than 30 days after the date the

100.13 regarding the appeal; and

100.14 (5) other information required by the commissioner.

100.18 are missing. The fine for incomplete documentation shall equal 20 percent of the amount
100.19 paid on the claims for reimbursement submitted by the individual or entity, or up to \$5,000,
100.20 whichever is less. If the commissioner determines that an individual or entity repeatedly
100.21 violated this chapter, chapter 254B or 245G, or Minnesota Rules, chapter 9505, related to
100.22 the provision of services to program recipients and the submission of claims for payment,
100.23 the commissioner may order an individual or entity to forfeit a fine based on the nature,
100.24 severity, and chronicity of the violations, in an amount of up to \$5,000 or 20 percent of the
100.25 value of the claims, whichever is greater.

100.26 (h) The individual or entity shall pay the fine assessed on or before the payment date
100.27 specified. If the individual or entity fails to pay the fine, the commissioner may withhold
100.28 or reduce payments and recover the amount of the fine. A timely appeal shall stay payment
100.29 of the fine until the commissioner issues a final order.

157.27 clinic model is an integrated service delivery model that uses evidence-based behavioral

157.30 and economic efficiencies for payors.

157.31 (b) Beginning January 1, 2028, a CCBHC must be licensed under this section and chapter
157.32 245A.

158.1 (c) A CCBHC must meet the requirements of this section and federal CCBHC criteria.
158.2 The commissioner may require a CCBHC applicant or license holder to submit documentation
158.3 of compliance with state licensing requirements and federal CCBHC criteria. When permitted
158.4 by the Substance Abuse and Mental Health Services Administration, the commissioner may
158.5 select a transition date on which revisions to the federal CCBHC criteria become required
158.6 as licensing conditions for CCBHCs.

158.7 Subd. 3. **License extension.** (a) The commissioner must extend a compliant license
158.8 holder's license under this section for 36 months.

158.9 (b) The commissioner must complete a licensing review that includes an on-site inspection
158.10 within six months before the expiration of the CCBHC's current license.

158.11 (c) Within 180 days of license expiration, a CCBHC license holder must submit to the
158.12 commissioner all documentation required by the commissioner under subdivision 2,
158.13 paragraph (c).

158.14 Subd. 4. **Required services and scope of licensure.** Within a declared service area, the
158.15 CCBHC must be able to offer:

159.4 requires a county contract or other form of county approval for a service listed in subdivision
159.5 4, a CCBHC that meets the requirements of this section may receive the prospective payment
159.6 under section 256B.0625, subdivision 5m, for that service without a county contract or
159.7 county approval.

159.8 Subd. 7. **Variances.** When the standards listed in this section or other applicable standards
159.9 conflict or address similar issues in duplicative or incompatible ways, the commissioner
159.10 may grant variances to state requirements if the variances do not conflict with federal
159.11 requirements for services reimbursed under medical assistance. If standards overlap, the
159.12 commissioner may substitute all or a part of a licensure or certification that is substantially
159.13 the same as another licensure or certification. The commissioner must consult with
159.14 stakeholders before granting variances under this provision. For a CCBHC that is licensed
159.15 but not approved for prospective payment under section 256B.0625, subdivision 5m, the
159.16 commissioner may grant a variance under this paragraph if the variance does not increase

159.19 evidence-based practices to be delivered by CCBHCs and may also provide a list of
159.20 recommended evidence-based practices. The commissioner may update the list to reflect
159.21 advances in outcomes research and medical services for persons living with mental illnesses
159.22 or substance use disorders. When developing the list, the commissioner must consider the
159.23 adequacy of evidence to support the efficacy of the practice across cultures and ages, the
159.24 workforce available, and the current availability of the practices in the state. At least 30
159.25 days before issuing the initial list or issuing any revisions, the commissioner must provide
159.26 stakeholders with an opportunity to comment.

159.27 Subd. 9. **Outpatient mental health services.** (a) A license holder must provide outpatient

161.5 relevant timelines under the federal CCBHC criteria.

161.6 (d) The license holder must provide training that addresses:

161.7 (1) when a prospective client requires intervention from qualified staff;

161.27 client has not made treatment progress, updates to the treatment plan must indicate changes
161.28 in the license holder's approach to treatment to better meet the needs of the client. A license
161.29 holder must review and update the integrated treatment plan at least every 180 days or as
161.30 clinically indicated.

168.14 (5) a mental health certified peer specialist qualified under section 245I.04, subdivision
168.15 10.

168.16 (b) When crisis assessment and intervention services are provided to an individual in
168.17 the community, a mental health professional, clinical trainee, or mental health practitioner
168.18 must lead the response.

168.19 (c) For providers under this section, the 30 hours of ongoing training required by section
168.20 245I.05, subdivision 4, paragraph (b), must be specific to providing crisis services to children
168.21 and adults and include training about evidence-based practices identified by the commissioner
168.22 of health, to reduce the individual's risk of suicide and self-injurious behavior.

168.23 (d) At least six hours of the ongoing training under paragraph (c) must be specific to
168.24 working with families and providing crisis stabilization services to children, and include
168.25 the following topics:

168.27 (2) family relationships;

168.28 (3) child and youth engagement and motivation, including motivational interviewing;

168.29 (4) culturally responsive care, including care for lesbian, gay, bisexual, transgender, and
168.30 queer youth;

168.31 (5) positive behavior support;

- 169.1 (6) crisis intervention for youth with developmental disabilities;
- 169.2 (7) child traumatic stress, trauma-informed care, and trauma-focused cognitive behavioral
- 169.3 therapy; and
- 169.4 (8) youth substance use.
- 169.5 (e) Individual providers must be experienced in crisis assessment, crisis intervention
- 169.6 techniques, treatment engagement strategies, working with families, and clinical decision
- 169.7 making under emergency conditions and have knowledge of local services and resources.
- 169.8 Subd. 6. Crisis screening. (a) A license holder may use the resources of emergency
- 169.9 services under section 245.469 for crisis screening. The crisis screening must gather
- 169.10 information, determine whether a mental health crisis situation exists, identify parties
- 169.11 involved, and determine an appropriate response.
- 169.12 (b) When conducting a crisis screening, a provider must:
- 169.13 (1) employ evidence-based practices to reduce the individual's risk of suicide and
- 169.14 self-injurious behavior;
- 169.15 (2) work with the individual to establish a plan and time frame for responding to the
- 169.16 individual's mental health crisis, including responding to the individual's immediate need
- 169.17 for support by telephone or text message until the provider can respond to the individual
- 169.18 face-to-face;
- 169.19 (3) document significant factors in determining whether the individual is experiencing
- 169.20 a mental health crisis, including prior requests for crisis services, an individual's recent
- 169.21 presentation at an emergency department, known calls to 911 or law enforcement, or
- 169.22 information from third parties with knowledge of an individual's history or current needs;
- 169.23 (4) accept calls from interested third parties and consider the additional needs or potential
- 169.24 mental health crises that the third parties may be experiencing;
- 169.25 (5) provide psychoeducation, including reducing access to means of suicide, to relevant
- 169.26 third parties including family members or other persons living with the individual; and
- 169.27 (6) consider other available services to determine which service intervention would best
- 169.28 address the individual's needs and circumstances.
- 169.29 (c) For the purposes of this section, the following situations indicate a positive screen
- 169.30 for a potential mental health crisis:
- 169.31 (1) the individual presents at an emergency department or urgent care setting and the
- 169.32 health care team at that location requested crisis services; or

170.1 (2) a peace officer requested crisis services for an individual who is potentially subject
170.2 to transportation under section 253B.051.

170.3 (d) The provider must prioritize providing a face-to-face crisis assessment of the
170.4 individual, unless a provider documents specific evidence to show why the face-to-face
170.5 assessment was not possible, including insufficient staffing resources, concerns for staff or
170.6 individual safety, or other clinical factors.

170.7 (e) A provider is not required to have direct contact with the individual to determine
170.8 that the individual is experiencing a potential mental health crisis. A mobile crisis provider
170.9 may gather relevant information about the individual from a third party to establish the
170.10 individual's need for services and potential safety factors.

170.11 Subd. 7. Crisis assessment. (a) If an individual screens positive for a potential mental
170.12 health crisis, a crisis assessment must be completed. A crisis assessment must evaluate any
170.13 immediate needs for which services are needed and, as time permits, the individual's:

170.14 (1) current life situation;

170.15 (2) health information, including current medications;

170.16 (3) sources of stress;

170.17 (4) mental health problems and symptoms;

170.18 (5) strengths;

170.19 (6) cultural considerations;

170.20 (7) support network;

170.21 (8) vulnerabilities;

170.22 (9) current functioning; and

170.23 (10) preferences, as communicated directly by the individual or as communicated in a
170.24 health care directive as described in chapters 145C and 253B, the crisis treatment plan
170.25 described in subdivision 11, a crisis prevention plan, or a wellness recovery action plan.

170.26 (b) A provider must conduct a crisis assessment at the individual's location when
170.27 appropriate and, when not appropriate, document the reasons.

170.28 (c) Whenever possible, the assessor must attempt to include input from the individual,
170.29 the individual's family, and other natural supports to assess whether a crisis exists.

170.30 (d) A crisis assessment must include a determination of:

171.1 (1) whether the individual is willing to voluntarily engage in treatment;

171.2 (2) whether the individual has an advance directive; and

171.3 (3) gathering the individual's information and history from involved family or other
171.4 natural supports.

171.5 (e) If a team determines that the individual does not need an acute level of care, the team
171.6 must provide services or service coordination if the individual has a co-occurring substance
171.7 use disorder and is otherwise eligible for services.

171.8 (f) If, after completing a crisis assessment, a provider refers the individual to an intensive
171.9 setting, including an emergency department, inpatient hospitalization, or residential crisis
171.10 stabilization, one of the crisis team members who completed or conferred about the
171.11 individual's crisis assessment must immediately contact the referral entity and consult with
171.12 the staff responsible for triage or intake at the referral entity. During the consultation, the
171.13 crisis team member must convey key findings or concerns that led to the individual's referral.
171.14 Following the consultation, the provider must also send written documentation to the referral
171.15 entity. The provider must document if the individual or the individual's legal guardian signed
171.16 releases for health records or if an exception under section 144.293, subdivision 5, exists.

171.17 Subd. 8. **Crisis intervention services.** (a) If the crisis assessment determines an individual
171.18 needs mobile crisis intervention services, the license holder must provide crisis intervention
171.19 services promptly. As able during the intervention, at least two members of the mobile crisis
171.20 intervention team must confer directly or by telephone about the crisis assessment, crisis
171.21 treatment plan, and actions taken and needed. At least one of the team members must be
171.22 providing face-to-face crisis intervention services. If providing crisis intervention services,
171.23 a clinical trainee or mental health practitioner must seek treatment supervision as required
171.24 in subdivision 10.

171.25 (b) If a provider delivers crisis intervention services while the individual is absent, the
171.26 provider must document the reason for delivering services while the individual is absent.

171.27 (c) The mobile crisis intervention team must develop a crisis treatment plan according
171.28 to subdivision 11.

171.29 (d) The mobile crisis intervention team must document which crisis treatment plan goals
171.30 and objectives have been met and when no further crisis intervention services are required.

171.31 (e) If the individual's mental health crisis is stabilized, but the individual needs a referral
171.32 to other services, the team must provide referrals to these services. If the individual is unable

172.1 to follow up on the referral, the team must link the individual to the service and follow up
172.2 to ensure the individual is receiving the service.

172.3 Subd. 9. Crisis stabilization services. (a) Crisis stabilization services must be provided
172.4 by qualified staff of a crisis stabilization services provider entity, which must:

172.5 (1) develop a crisis treatment plan that meets the criteria in subdivision 11;

172.6 (2) complete a vulnerable adult determination in accordance with section 245A.65,
172.7 subdivision 1a;

172.8 (3) deliver crisis stabilization services according to the crisis treatment plan and include
172.9 face-to-face contact with the individual receiving services by qualified staff for further
172.10 assessment, help with referrals, updating of the crisis treatment plan, skills training, and
172.11 collaboration with other service providers in the community;

172.12 (4) if the provider delivers crisis stabilization services while the individual is absent,
172.13 document the reason for delivering services while the individual is absent; and

172.14 (5) if the individual's mental health crisis is stabilized and the individual does not have
172.15 a health care directive or psychiatric declaration, as defined in chapter 145C or section
172.16 253B.03, subdivision 6d, offer to work with the individual to develop a directive or

172.29 (c) For providers under this section, the 30 hours of ongoing training required in section
172.30 245I.05, subdivision 4, paragraph (b), must be specific to providing crisis services to children

173.1 and adults and include training about evidence-based practices identified by the commissioner
173.2 of health to reduce an individual's risk of suicide and self-injurious behavior.

173.3 (d) For providers who deliver care to children 21 years of age or younger, at least six

181.27 eligible service is delivered using the CCBHC daily bundled rate system for medical
181.28 assistance payments as described in paragraph (c). The commissioner shall include a quality
181.29 incentive payment in the CCBHC daily bundled rate system as described in paragraph (e).
181.30 There is no county share for medical assistance services when reimbursed through the
181.31 CCBHC daily bundled rate system.

182.1 (c) The commissioner shall ensure that the CCBHC daily bundled rate system for CCBHC
182.2 payments under medical assistance meets the following requirements:

182.3 (1) the CCBHC daily bundled rate shall be a provider-specific rate calculated for each
182.4 CCBHC, based on the daily cost of providing CCBHC services and the total annual allowable
182.5 CCBHC costs divided by the total annual number of CCBHC visits. For calculating the
182.6 payment rate, total annual visits include visits covered by medical assistance and visits not
182.7 covered by medical assistance. Allowable costs include but are not limited to the salaries
182.8 and benefits of medical assistance providers; the cost of CCBHC services provided under
182.9 section ~~245.735, subdivision 3, paragraph (a), clauses (6) and (7)~~ 245I.17, subdivision 4;
182.10 and other costs such as insurance or supplies needed to provide CCBHC services;

182.11 (2) payment shall be limited to one payment per day per medical assistance enrollee
182.12 when an eligible CCBHC service is provided. A CCBHC visit is eligible for reimbursement
182.13 if at least one of the CCBHC services listed under section ~~245.735, subdivision 3, paragraph~~
182.14 ~~(a), clause (6)~~ 245I.17, subdivision 4, is furnished to a medical assistance enrollee by a
182.15 health care practitioner or licensed agency employed by or under contract with a CCBHC;

182.16 (3) initial CCBHC daily bundled rates for newly ~~certified~~ licensed CCBHCs under
182.17 section ~~245.735, subdivision 3~~ 245I.17, shall be established by the commissioner using a
182.18 provider-specific rate based on the newly ~~certified~~ licensed CCBHC's audited historical
182.19 cost report data adjusted for the expected cost of delivering CCBHC services. Estimates
182.20 are subject to review by the commissioner and must include the expected cost of providing
182.21 the full scope of CCBHC services and the expected number of visits for the rate period;

182.22 (4) the commissioner shall rebase CCBHC rates once every two years following the last
182.23 rebasing and no less than 12 months following an initial rate or a rate change due to a change
182.24 in the scope of services. For CCBHCs certified after September 30, 2020, and before January
182.25 1, 2021, the commissioner shall rebase rates according to this clause for services provided
182.26 on or after January 1, 2024;

182.27 (5) the commissioner shall provide for a 60-day appeals process after notice of the results

182.31 (7) payments for CCBHC services to individuals enrolled in managed care shall be
182.32 coordinated with the state's phase-out of CCBHC wrap payments. The commissioner shall
182.33 complete the phase-out of CCBHC wrap payments within 60 days of the implementation
182.34 of the CCBHC daily bundled rate system in the Medicaid Management Information System

183.1 (MMIS), for CCBHCs reimbursed under this chapter, with a final settlement of payments
183.2 due made payable to CCBHCs no later than 18 months thereafter;

183.3 (8) the CCBHC daily bundled rate for each CCBHC shall be updated by trending each
183.4 provider-specific rate by the Medicare Economic Index for primary care services. This
183.5 update shall occur each year in between rebasing periods determined by the commissioner
183.6 in accordance with clause (4). CCBHCs must provide data on costs and visits to the state
183.7 annually using the CCBHC cost report established by the commissioner; and

183.8 (9) a CCBHC may request a rate adjustment for changes in the CCBHC's scope of
183.9 services when such changes are expected to result in an adjustment to the CCBHC payment
183.10 rate by 2.5 percent or more. The CCBHC must provide the commissioner with information
183.11 regarding the changes in the scope of services, including the estimated cost of providing
183.12 the new or modified services and any projected increase or decrease in the number of visits
183.13 resulting from the change. Estimated costs are subject to review by the commissioner. Rate
183.14 adjustments for changes in scope shall occur no more than once per year in between rebasing
183.15 periods per CCBHC and are effective on the date of the annual CCBHC rate update.

183.16 (d) Managed care plans and county-based purchasing plans shall reimburse CCBHC
183.17 providers at the CCBHC daily bundled rate. The commissioner shall monitor the effect of
183.18 this requirement on the rate of access to the services delivered by CCBHC providers. If, for
183.19 any contract year, federal approval is not received for this paragraph, the commissioner
183.20 must adjust the capitation rates paid to managed care plans and county-based purchasing
183.21 plans for that contract year to reflect the removal of this provision. Contracts between
183.22 managed care plans and county-based purchasing plans and providers to whom this paragraph
183.23 applies must allow recovery of payments from those providers if capitation rates are adjusted
183.24 in accordance with this paragraph. Payment recoveries must not exceed the amount equal
183.25 to any increase in rates that results from this provision. This paragraph expires if federal
183.26 approval is not received for this paragraph at any time.

183.27 (e) The commissioner shall implement a quality incentive payment program for CCBHCs
183.28 that meets the following requirements:

183.29 (1) a CCBHC shall receive a quality incentive payment upon meeting specific numeric
183.30 thresholds for performance metrics established by the commissioner, in addition to payments

183.32 paragraph (c);

183.33 (2) a CCBHC must be ~~certified~~ licensed and enrolled as a CCBHC for the entire
183.34 measurement year to be eligible for incentive payments;

184.1 (3) each CCBHC shall receive written notice of the criteria that must be met in order to
184.2 receive quality incentive payments at least 90 days prior to the measurement year; and

184.3 (4) a CCBHC must provide the commissioner with data needed to determine incentive
184.4 payment eligibility within six months following the measurement year. The commissioner
184.5 shall notify CCBHC providers of their performance on the required measures and the
184.6 incentive payment amount within 12 months following the measurement year.

184.7 (f) All claims to managed care plans for CCBHC services as provided under this section
184.8 shall be submitted directly to, and paid by, the commissioner on the dates specified no later
184.9 than January 1 of the following calendar year, if:

184.10 (1) one or more managed care plans does not comply with the federal requirement for
184.11 payment of clean claims to CCBHCs, as defined in Code of Federal Regulations, title 42,
184.12 section 447.45(b), and the managed care plan does not resolve the payment issue within 30
184.13 days of noncompliance; and

184.14 (2) the total amount of clean claims not paid in accordance with federal requirements
184.15 by one or more managed care plans is 50 percent of, or greater than, the total CCBHC claims
184.16 eligible for payment by managed care plans.

184.17 If the conditions in this paragraph are met between January 1 and June 30 of a calendar
184.18 year, claims shall be submitted to and paid by the commissioner beginning on January 1 of
184.19 the following year. If the conditions in this paragraph are met between July 1 and December
184.20 31 of a calendar year, claims shall be submitted to and paid by the commissioner beginning
184.21 on July 1 of the following year.

184.28 **EFFECTIVE DATE.** This section is effective January 1, 2028.

184.29 Sec. 43. Minnesota Statutes 2024, section 256B.0943, subdivision 2, is amended to read:

184.30 Subd. 2. **Covered service components of children's therapeutic services and**

186.1 must document events, including the time spent with the family and other key participants
186.2 in the child's life to approve the individual treatment plan. Service plan development is
186.3 covered only if a treatment plan is completed or for work already completed at the time the
186.4 client voluntarily chooses to disengage with services for the child. If it is determined upon
186.5 review that a treatment plan was not completed for the child, the commissioner shall recover
186.6 the payment for the service plan development.

186.7 (e) Medical assistance covers time spent administering and reporting standardized
186.8 measures approved by the commissioner.

186.25 presentation examination of the client.

186.26 ~~(c) Children's therapeutic services and supports include development and rehabilitative~~
186.27 ~~services that support a child's developmental treatment needs.~~

197.12 ~~(tt)~~ (v) For purposes of reimbursement rates for nonemergency medical transportation
197.13 services under paragraphs ~~(r)~~ (s) to ~~(t)~~ (u), the zip code of the recipient's place of residence
197.14 shall determine whether the urban, rural, or super rural reimbursement rate applies. This
197.15 paragraph expires July 1, 2026, for medical assistance fee-for-service and January 1, 2027,
197.16 for prepaid medical assistance.

197.17 ~~(vv)~~ (w) The commissioner, when determining reimbursement rates for nonemergency
197.18 medical transportation, shall exempt all modes of transportation listed under paragraph ~~(n)~~
197.19 (o) from Minnesota Rules, part 9505.0445, item R, subitem (2).

197.20 ~~(ww)~~ (x) Effective for the first day of each calendar quarter in which the price of gasoline

197.22 per gallon, the commissioner shall adjust the rate paid per mile in paragraph ~~(r)~~ (s) by one
197.23 percent up or down for every increase or decrease of ten cents for the price of gasoline. The

234.21 For the purposes of items (iii) and (iv), the value of the property must be at least \$100.

234.22 Evidence that a lessee used a false, fictitious, or not current name, address, or place of
234.23 employment in obtaining the property or fails or refuses to return the property or pay the

234.25 been served personally in the manner provided for service of process of a civil action or
234.26 sent by certified mail to the last known address of the lessee, whichever shall occur later,
234.27 shall be evidence of intent to violate this clause. Service by certified mail shall be deemed
234.28 to be complete upon deposit in the United States mail of such demand, postpaid and addressed

235.7 know that the permanent serial number, permanent distinguishing number or manufacturer's
235.8 identification number has been removed or altered; or

235.10 (i) making or using or attempting to make or use an unauthorized external connection

235.13 (ii) attaching any unauthorized device to any cable, wire, microwave, or other component
235.14 of a licensed cable communications system as defined in chapter 238. Nothing herein shall
235.15 be construed to prohibit the electronic video rerecording of program material transmitted
235.16 on the cable communications system by a subscriber for fair use as defined by Public Law
235.17 94-553, section 107; or

235.18 (13) except as provided in clauses (12) and (14), obtains the services of another with
235.19 the intention of receiving those services without making the agreed or reasonably expected
235.20 payment of money or other consideration; or

235.24 physical, electrical, by wire, microwave, radio, or other means to a component of a local
235.25 telecommunication system as provided in chapter 237; or

235.26 (ii) attaching an unauthorized device to a cable, wire, microwave, radio, or other
235.27 component of a local telecommunication system as provided in chapter 237.

235.31 (B) was aware that the connection was unauthorized;

236.14 (b) Proof that the driver of a motor vehicle into which motor fuel was dispensed drove
236.15 the vehicle from the premises of the retailer without having paid for the fuel permits the
236.16 factfinder to infer that the driver acted intentionally and without claim of right, and that the
236.17 driver intended to deprive the retailer permanently of possession of the fuel. This paragraph
236.18 does not apply if: (1) payment has been made to the retailer within 30 days of the receipt
236.19 of notice of nonpayment under section 604.15; or (2) a written notice as described in section
236.20 604.15, subdivision 4, disputing the retailer's claim, has been sent. This paragraph does not
236.21 apply to the owner of a motor vehicle if the vehicle or the vehicle's license plate has been
236.22 reported stolen before the theft of the fuel.
