

Lead Service Line Replacement Funding Status

Chad Kolstad, P.E. – Acting Executive Director

Number of Lead Service Lines (LSLs) in Minnesota

- Lead Inventory Tracking Tool
 - <https://maps.umn.edu/LSL-new/>
 - New layer for legislative district
 - ~ 87,000 lead service lines
 - ~ 210,000 unknowns

LSL Replacement Funding Status

- \$154M of LSLs project costs have been funded
- \$226M total remaining
 - Combined state and federal funds
 - Assumes \$61M from Year 5 of Infrastructure Investment and Jobs Act
- New projects on the 2026 IUP - \$154M
 - Systems were capped because requests exceeded funding
 - \$300M in requests after Duluth, St. Paul, and Minneapolis greatly reduced their requested amounts
- \$72M remaining if all 2026 LSL projects proceed
