1.3 Page 2, line 28, before "\$2,414,000" insert "(a)"

1.4 Page 2, after line 31, insert:

1.5 "(b) If the amount appropriated for this  
1.6 program is determined by the office to be more  
1.7 than sufficient to fund projected grant demand  
1.8 in the second year of the biennium, the office  
1.9 may reduce the assigned student responsibility  
1.10 in the second year of the biennium by up to  
1.11 an amount that retains sufficient appropriations  
1.12 to fund the projected grant demand. The  
1.13 adjustment may be made one or more times.  
1.14 In making the determination that there are  
1.15 more than sufficient funds, the office shall  
1.16 balance the need for sufficient resources to
