

1.1 ..... moves to amend H.F. No. 1658 as follows:

1.2 Page 2, after line 11, insert:

1.3 "**Sec. 2. [62J.265] ANNUAL REPORT; FERTILITY SERVICES.**

1.4 **Subdivision 1. Definition.** For purposes of this section, "fertility services" means a health  
1.5 treatment or service for which coverage is required under section 62A.0412.

1.6 **Subd. 2. Annual reports by health care providers and clinics.** (a) By April 1, 2026,  
1.7 and each April 1 thereafter, a health care provider providing fertility services, or a health  
1.8 clinic at which fertility services are provided, must report the following information to the  
1.9 commissioner of commerce for each individual who received fertility services from the  
1.10 provider or clinic in the previous calendar year:

1.11 (1) what fertility services were provided to the individual;

1.12 (2) whether the fertility services were paid for by private coverage, public assistance  
1.13 health coverage, or self-pay;

1.14 (3) the age of the individual to whom fertility services were provided;

1.15 (4) the reason for obtaining fertility services, including social infertility, inability to  
1.16 conceive naturally, choosing not to conceive naturally, or another reason;

1.17 (5) whether any embryos were discarded in the provision of fertility services to the  
1.18 individual and if so, how many;

1.19 (6) whether any embryos were frozen in the provision of fertility services to the individual  
1.20 and if so, how many;

1.21 (7) whether any complications resulted from the fertility services provided;

2.1 (8) how many procedures were needed for the individual to achieve a viable pregnancy,  
2.2 if a viable pregnancy was achieved; and

2.3 (9) whether a third party was used as part of the fertility services provided and if so,  
2.4 whether the third party was a gamete donor, an oocyte donor, or a gestational surrogate.

2.5 (b) By April 1, 2026, and each April 1 thereafter, a health clinic at which fertility services  
2.6 are provided must report the following information to the commissioner of commerce for  
2.7 the previous calendar year:

2.8 (1) how many rounds of in vitro fertilization were performed at the clinic, and of those,  
2.9 how many resulted in an individual achieving a viable pregnancy;

2.10 (2) how many embryos were stored at the clinic in a frozen state;

2.11 (3) how many embryos the clinic transferred to a long-term storage facility for storage  
2.12 in a frozen state, and how many embryos were maintained by the long-term storage facility  
2.13 for storage in a frozen state;

2.14 (4) how many gamete specimens were stored at the clinic in a frozen state;

2.15 (5) how many oocytes were stored at the clinic in a frozen state; and

2.16 (6) how many oocytes, gamete specimens, and embryos were used from their frozen  
2.17 state for the provision of fertility services, broken out by the number of oocytes, number of  
2.18 gamete specimens, and number of embryos.

2.19 Subd. 3. **Annual report.** By July 1, 2026, and each July 1 thereafter, the commissioner  
2.20 of commerce must issue a report to the chairs and ranking minority members of the legislative  
2.21 committees with jurisdiction over commerce and health, with statistics for the information  
2.22 reported under subdivision 2 for the previous calendar year."

2.23 Amend the title accordingly
