

1.1 ..... moves to amend H.F. No. 639, the first engrossment, as follows:

1.2 Page 23, after line 2, insert:

1.3 "Sec. 13. Minnesota Statutes 2020, section 103H.175, is amended by adding a subdivision  
1.4 to read:

1.5 Subd. 4. Nitrogen monitoring on state lands required. (a) On outdoor recreation  
1.6 system lands owned by the state, the commissioner of agriculture must monitor groundwater  
1.7 and surface water for nitrogen and report the results as required under this section.

1.8 (b) At a minimum, the commissioner must test groundwater for nitrates in the following  
1.9 locations:

1.10 (1) Lost 40 Scientific and Natural Area;

1.11 (2) Blue Mounds State Park; and

1.12 (3) Sakatah Lake State Park.

1.13 The commissioner must conduct the testing required by this paragraph at least three times  
1.14 per year for five years, beginning in calendar year 2021. The commissioner must report its  
1.15 findings to the legislative committees with jurisdiction over agriculture, environment, and  
1.16 natural resources by February 15 each year following the year in which the testing is  
1.17 required."

1.18 Renumber the sections in sequence and correct the internal references

1.19 Amend the title accordingly
