

House File 4160 (Lislegard)/Senate File 4471 (Farnsworth)

An \$800,000 request for a grant to the city of Meadowlands to design, construct, furnish, and equip improvements and betterments to the city's community center facility and a park adjacent to the community center.

The city of Meadowlands plans update our community center with new windows, roofing, mechanical, electrical, and safety systems. We also plan on improving our community park with new amenities, including play structures, seating, splash pad, shelter pavilion, and ATV ride-on.

Meadowlands is a city in Saint Louis County with a population of just over 100 residents. It is located next to the Sax-Zim Bog, one of the world's best bird watching locations.
